2.4 Easements for Encroachments. 3.1 The Common Areas consist of areas designated as Common Areas on the recorded Plat(s) or described in this Master Declaration, including any structures related to the operation or maintenance of the Common Areas, together with any rights of way and utilities, as shown on the recorded Plat(s) except Condo Property and Common Area defined in the Condo Declaration.

3.2 The primary Common Areas that will be owned, maintained and governed by the Master Association are, without limitation, the master water and sewer system for the Project, the private roads within the Project (as depicted on the Plat), the parking areas (as depicted on the Plat), street and other lighting of the Project (not pertaining to a particular Dwelling), trash collection area, the other pathways and open common area depicted on the plat, the common mailbox area, underground storm water facilities, and other common areas depicted on the Plat. entryways, porches, patio areas, and other applicable areas on their Lot. Owners shall be responsible and take reasonable precautions with respect to ice and ice accumulation. The work of removing snow will be delegated to a third party, who will utilize its discretion in the frequency of the snow removal and the amount of accumulation meriting removal. The Master Association shall not be responsible or liable for said third party's discretion and removal of snow.

3.4 Landscaping. The Master Association shall perform general landscaping maintenance in the Project, which shall generally include mowing, edging, blowing of grass, raking and disposal of leaves. The Master Association shall maintain the original sprinkler system, as originally installed. Owner is responsible for any approved changes in sprinkler system, or other modifications to the landscaping from the original installation.

ARTICLE 4 **Owner's Maintenance Obligations**

4.1 Duty to Maintain. It is the obligation of each Owner to maintain his Lot and Improvements located thereon in a clean and sanitary condition, free of pests and rodents, and uncluttered at all times in order to preserve and enhance the enjoyment of the Project.

4.2 Repairs by Master Association. In the event that an Owner permits his Lot or Improvements to fall into a state of disrepair that is dangerous, unsafe, unsanitary or unsightly condition or fails to comply with any other covenant or restriction in violation of this Master Declaration, the Master Association may give written notice to the Owner describing the condition complained of and demand that the Owner correct the condition within 30 days. If the Owner fails to take corrective action, the Master Association shall have the right, but not the obligation, to enter upon the offending Owner's Lot and take corrective action to abate the condition. All costs of abatement shall be charged to the Owner, who agrees to promptly pay the reasonable costs of any work performed under this provision, plus 15%. In addition, each Owner hereby grants to the Master Association a lien on the Lot and any improvements to secure repayment of any sums advanced pursuant to this section, which lien may be foreclosed at any time by the Master Association in the manner prescribed in Utah for the foreclosure of mortgages. Alternatively, without requiring foreclosure, the Master Association may seek collection of sums advanced directly from the Owner of the Lot in question. Unpaid amounts will bear interest from the date advanced at the lawful judgment rate under applicable state law.

4.3 Alterations of Exterior Appearance. The Owners will maintain their Lots and Improvements in substantially the same condition and appearance as that approved by the Board. No subsequent exterior alterations, improvements or remodeling, whether structural or changes in landscaping, paint color or materials will be made without the advance consent of the Board.

4.4 Repair Following Damage. In the event of casualty loss or damage to the improvements, the Owner will be entitled to reconstruct the Improvements as they existed prior to the damage or loss without review by the Board, provided however that alterations or deviations from the original approved plans will require review. Nothing in this Master Declaration is intended to prevent an Owner who has suffered property damage or loss from

taking temporary measures to secure the property and prevent injury or dangerous conditions following loss or damage, before re-construction begins. Such temporary measures may be taken without the consent or approval of the Board, provided that any such measure must be of a temporary nature, and repair or reconstruction must begin as soon as circumstances will permit. Unless delayed by City/County approval or insurance carrier approval, no damaged structure will be permitted to remain on any Lot for more than 90 days without repairs commencing and any damaged structure which does remain unrepaired after 90 days following the occurrence of damage is deemed a nuisance which may be abated by the Master Association.

4.5 Lots 24 and 25. Lots 24 and 25 shall be treated the same as the Townhomes with respect to access to, use of and assessment for the Common Areas. Each shall be allocated one un-covered parking stall for the exclusive use of Townhome. Unlike the other Townhome Lots, these Lots will have a small backyard area that shall be and remain fenced by a fence approved by the Board and no higher than six (6) feet. The Owner of the Lots shall be responsible to landscape the backyard area and maintain the backyard area in a manner that will not create a nuisance to other neighbors. The backyards of these Lots shall not be used to store personal property. Moreover, there shall be no long term housing of pets within the fenced area of the backyard area.

ARTICLE 5 **Membership**

5.1 Each Owner shall be a Member of the Master Association, so long as such Owner has an ownership interest in a Dwelling and such membership shall automatically terminate when the Owner cease to have an ownership interest in the Dwelling. Upon the transfer of an ownership interest in a Dwelling the new Owner succeeding to such ownership interest shall likewise succeed to such membership in the Association and Master Association. If titled ownership to a Dwelling is held by more than one Person, the membership appurtenant to that Dwelling shall be shared by all such Person in the same proportional interest and by the same type of tenancy in which title to the Dwelling is held. Notwithstanding the foregoing, the Declarant shall also be granted voting rights as a Class "B" Member, as defined below.

Owners of Units shall have an equal, one vote in the Master Declaration.

ARTICLE 6 **Voting**

6.1 The Master Association shall have two (2) classes of voting membership, Class "A" and Class "B", as follows:

(a) Class "A". Class "A" Members shall be all Owners with the exception of Class "B" membership, if any. Class "A" membership shall be entitled to one vote per Lot. In order to be eligible to vote, an Owner must be current on all Assessments and charges at least 30 days in advance of the meeting, ballot or vote.

(b) Class "B". The Class "B" Member shall be Declarant. In all matters requiring a vote, the Class "B" membership shall receive ten hundred (10) votes for each

recorded Lot owned by Declarant. The Class "B" membership shall also be entitled to appoint the members of the Board and Master Association during the Class "B" Control Period.

ARTICLE 7
Control Period

7.1 The Class "B" Control Period runs until after the first to occur of the following:

(a) When Lots comprising 75% of the Allocated Interest has been sold to owners other than Declarant; or

(b) When, at its discretion, the Class B Member so determines.

7.2 Notwithstanding anything to the contrary in this Master Declaration, Declarant may exercise its discretionary termination of control in whole or in part as to any portion of the Subdivision at its sole election and determination. In doing so as to a portion of the Subdivision, it does not waive any reversionary or remaining control as to all other portions of the Subdivision, the control of which is not expressly terminated by Declarant.

ARTICLE 8
Master Association

8.1 Organization. The Master Association has been created to effectively enforce the Governing Documents and shall operate as a non-profit corporation. The Master Association shall be comprised of the Owners within the Property, and is established for the benefit of the Owners and the enforcement of the Governing Documents. Membership in the Master Association is deemed an appurtenance to the Lot, and is transferable only in conjunction with the transfer of the title to the Lot. The Master Association shall serve as the organizational body for all Owners.

8.2 Security. The Master Association may, but shall not be obligated to, maintain or support any systems, programs or activities within the Project designed to make the Project safer than it otherwise might be. The cost of any security systems or measures adopted by the Master Association shall be paid for equally by the Owners within the Project. Neither the Master Association nor the Board shall in any way be considered insurers or guarantors of security within the Project, nor shall they be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners, as well as their guests and invitees, where applicable, acknowledge by taking occupancy of a Lot or entering the Project that neither the Master Association nor the Board represent or warrant that any security measures undertaken will insure their safety, and further acknowledge that neither the Master Association nor the Board are insurers or guarantors of their safety, and they hereby expressly assume all risks for loss or damage to their person or property, and they further acknowledge that neither the Master Association nor the Board have made any representations or warranties, nor have they relied upon any representations or warranties, expressed or implied, including any warranty or merchantability. The Owners and their respective guests shall remain

primarily liable for providing security for their applicable Dwellings, Lots, motor vehicles, and other property that may be stored or located within the Project.

8.3 Enforcement Powers. The Master Association shall have all powers granted to it by the Governing Documents and the Act to enforce these covenants and restrictions by actions in law or equity brought in the name of the Master Association, and the power to retain professional services needed to the enforcement of the Governing Documents and to incur expenses for that purpose, including but not limited to: (1) record, lien, foreclose and other enforcement and collection actions against an Owner and their Lot; (2) initiate legal or similar proceedings; (3) impose fines; (4) collect any rents directly from tenant for past due assessments; (5) terminate an Owners' right to receive utility service paid as a common expense (with the exception of water, sewer, power and natural gas); (6) terminate an Owner's right to utilize Common Area and/or amenities; and (7) any other action or remedy allowed by the Governing Documents or Utah law.

(a) The Master Association shall have the exclusive right to initiate enforcement actions in the name of the Master Association. (b) The Master Association shall have the authority to initiate and compromise claims and litigation on behalf of the Master Association resulting from the enforcement of the Governing Documents. In the event that the Master Association initiates legal action against a specific Owner or Owners to enforce these Governing Document, whether or not such action results in the commencement of a formal legal proceeding, the Master Association shall have the right to assess the costs of such litigation, dispute, or enforcement action, including reasonable attorney fees, against the Owner(s) or Lot(s) in question and collect those assessment in any manner authorized in the Governing Documents or Utah law.

(c) The Board shall be afforded discretion to utilize its reasonable judgment to determine whether and how to: impose fines, record liens, pursue legal action; otherwise enforce the Governing Documents; or when and how to settle or compromise claims.

8.4 Assessments. Assessments will be made to meet the anticipated and recurring costs, expenses and Common Expenses of the Master Association. The Master Association has the power to levy assessments against each Lot as necessary to carry out its functions. Assessments shall be levied against all Lots within the Property, whether vacant or improved. Each Owner shall by acquiring or in any way becoming vested with his/her interest in a Lot, be deemed to covenant and agree to pay to the Master Association the assessments described in these covenants, together with late payment fees, interest and costs of collection (including reasonable attorney fees), if and when applicable.

(a) Master Association Assessments. All such amounts shall be, constitute and remain: (a) a charge and continuing lien upon the Lot with respect to which such assessment is made until fully paid; and (b) the personal, joint and several obligations of

the Owner or Owners of such Lot at the time the assessment fails due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights in the Common Areas or by abandonment of his Lot. In a voluntary conveyance of a Lot, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments, late payment fees, interest and costs of collection (including reasonable attorney fees) which shall be a charge on the Lot at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor.

(b) **Special Assessment.** The Master Association may levy special assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (b) the cost of any construction, reconstruction, or unexpectedly required repairs or replacement of the Common Areas.

(c) **Individual Assessment.** The Master Association may levy individual assessments on every Lot, Owner or occupant that shall cause any damage to the Condo Property or otherwise causes the Master Association to incur any individual expense for maintenance, repairs, or enforcement action taken under the provisions of the Governing Documents. The amount of any such individual assessments shall be determined by the cost of such repairs, maintenance or enforcement action, including all overhead and administrative costs (including reasonable attorney fees), and shall be allocated among the affected Owner(s) or Lot(s) according to the cause of damage, maintenance, repair work or enforcement action, as the case may be, which individual assessment may be levied in advance of the performance of work.

(d) **Master Association Assessment.** The Master Association may levy and collect Assessments as set forth in the Master Declaration.

(e) The Master Association may levy a reserve fund assessment, as set forth in this article.

No recreational or commercial vehicles or trailers may be parked or stored in any parking stall, on the private roads of the Project, or in any other manner that will create an obstacle or hazard. No Owners or their guests or tenants shall repair or restore any vehicle of any kind in the parking area, except for emergency repairs or a disabled vehicle, and then only for 48 hours to allow for movement to a repair facility. Guests or other temporary invitees may not park a vehicle in the general parking area for longer than 48 hours without approval from the Master Association. It is the intent that the general parking stalls shall be available to the Owners for parking of daily use vehicles, and no Owner, or any guest, tenant or invitee, may park any vehicle in a parking stall for longer than 72 consecutive hours without moving such vehicle. If an Owner, or any guest, tenant or invitee, is using a parking stall to store a vehicle for occasional use past the time period above, the Master Association will give such person an initial warning, and, after the first warning the Master Association may tow the vehicle the second time it is stored past the time period above, and the applicable Owner shall be responsible for all costs of towing (to be imposed as an Individual Assessment that may be enforced as provided herein the same as other Assessments).

ARTICLE 12 **Rights of Mortgagees**

12.1 The lien of assessments, including interest, late charges (subject to the limitations of Utah law), and costs (including attorney fees) provided for herein, shall be subordinate to the lien of any institutional first or second mortgage of record made in good faith and for value, recorded prior to a recorded notice of lien by the Master Association. The sale or transfer of any Dwelling shall not affect the assessment lien. However, the sale or transfer of any Dwelling pursuant to foreclosure of a prior, recorded institutional first or second mortgage shall extinguish the lien of such assessments as to payments that became due prior to such sale or transfer; provided, that to the extent there are any proceeds of the sale on foreclosure of such mortgage or by exercise of such power of sale in excess of all amounts necessary to satisfy all indebtedness secured by and owed to the holder of such mortgage, the lien shall apply to such excess. No sale or transfer shall relieve such Dwelling from lien rights for any assessments thereafter becoming due. Where the mortgagee holding an institutional first or second mortgage of record or other purchaser of a Dwelling obtains title pursuant to remedies under the mortgage, its successors and assigns shall not be liable for the share of the assessments by the Master Association chargeable to such Dwelling that became due prior to the acquisition of title to such Dwelling by such acquirer. No foreclosure, sale or transfer shall relieve any Owner who was the Owner prior to

such foreclosure, sale or transfer from personal liability for any assessments due and owing prior to such foreclosure, sale or transfer.

ARTICLE 13 **Amendments**

13.1 Amendments by Declarant. Except as provided elsewhere in this Master Declaration, this Master Declaration and any amendments thereto may be amended or revoked by the execution by the Declarant of an instrument amending or revoking the same until the Turnover Date without obtaining the approval of Owners, the Master Association, or existing Mortgagees. Moreover, notwithstanding anything contained in this Master Declaration to the contrary, this Master Declaration may be amended unilaterally by the Declarant at any time if such amendment is (a) necessary to correct typographical errors or inadvertent omissions, (b) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation or judicial determination, or (c) reasonably necessary to enable any reputable title company to issue title insurance coverage with respect to any Dwellings or Lots, or to allow any reputable insurance company to issue marketable insurance on any Dwelling.

13.2 Amendments Necessary for FHA Compliance, etc. Notwithstanding anything to the contrary contained in this Master Declaration, if Declarant determines that any amendments to this Master Declaration or any amendments to the Articles of Incorporation or Bylaws of the Master Association shall be necessary in order for existing or future mortgages, deeds of trust, or other security instruments to be acceptable to the Veterans Administration, the Federal Housing Administration of the U.S. Department of Housing and Urban Development, the Federal National Mortgage Master Association or the Federal Home Loan Mortgage Corporation, Declarant shall have, and hereby specifically reserves, the right and power to unilaterally make and execute any such amendments without obtaining the approval of any other Owners, Members, or first lien Mortgagees.

13.3 General Amendment Requirements. Subject to the provisions of this Article after the Turnover Date, any amendment hereto shall require the approval of at least 2/3rds of the voting interests of the Members.

13.4 Protection of Declarants' Rights. An amendment shall not terminate or decrease any unexpired development rights of Declarant or period of control of Declarant unless Declarant approves or consents in writing.

13.5 FHA/VA Approval. If this Master Declaration has been initially approved by FHA or VA in connection with any loan programs made available by FHA or VA and any loans which are insured or guaranteed by FHA or VA, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration (unless the need for such approval has been waived by FHA or VA): annexation of additional properties (except as already provided herein), mergers and consolidations, mortgaging of Common Area, public dedication of Common Area, and amendment of this Master Declaration. If this Master Declaration has not been so initially approved and no loans have been made which are insured or guaranteed by FHA or VA, a statement by Declarants to that effect shall be sufficient to eliminate the need for FHA/VA approval.

ARTICLE 14
Insurance

14.1 **Insurance Requirement.** The Master Association shall obtain insurance as required in this Master Declaration and as required by applicable law. The Master Association may obtain insurance that provides more or additional coverage than the insurance required in this Master Declaration. Different policies may be obtained from different insurance carriers and standalone policies may be purchased instead of or in addition to embedded, included coverage, or endorsements to other policies.

As used in this Article:

- (1) “Covered Loss” means a loss, resulting from a single event or occurrence that is covered by the Master Association’s property insurance policy.
- (2) “Dwelling Damage” means damage to any Dwelling or a combination of Dwellings.
- (3) “Dwelling Damage Percentage” means the percentage of total damage resulting in a covered loss that is attributable to each Dwelling damaged.

14.2 **Property Insurance.**

(a) **Blanket Policy of Property Insurance.** The Master Association shall maintain a blanket policy of property insurance covering all Common Areas and, if the Project contains Dwellings or structures that share Party Walls, blanket insurance on all attached Dwellings (including fixtures and building service equipment) is required.

(i) At a minimum, any required blanket policy shall afford protection against loss or damage by: (1) fire, windstorm, hail, riot, aircraft, vehicles, vandalism, smoke, and theft; and (2) all perils normally covered by “special form” property coverage.

(ii) Any blanket policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all property covered by such policy (including the Dwellings if applicable) at the time the insurance is purchased and at each renewal date. The actual replacement cost of the property shall be determined by using methods generally accepted in the insurance industry.

(iii) A blanket policy shall include either of the following endorsements to assure full insurable value replacement cost coverage: (1) a Guaranteed Replacement Cost Endorsement under which the insurer agrees to replace the insurable property regardless of the cost; or (2) a Replacement Cost Endorsement under which the insurer agrees to pay up to one hundred percent (100%) of the Property’s insurable replacement cost but not more. If the policy includes a

coinsurance clause, it must include an Agreed Amount Endorsement which must waive or eliminate the requirement for coinsurance.

(iv) Each property policy that the Master Association is required to maintain shall also contain or provide for the following: (i) "Inflation Guard Endorsement," if available (ii) "Equipment Breakdown," if the project has central heating or cooling or other equipment or other applicable fixtures, equipment, or installations, which shall provide that the insurer's minimum liability per accident at least equals the lesser of one million dollars (\$1,000,000) or the insurable value of the building containing the equipment.

(b) Owner Responsibility for Payment of Deductible. If a loss occurs that is covered by a property insurance policy in the name of the Master Association and another property insurance policy in the name of an Owner:

(i) The Master Association's policy provides primary insurance coverage;

(ii) The Owner is responsible for the Master Association's policy deductible;

(iii) The Owner's policy, if any, applies to that portion of the loss attributable to the Master Association's policy deductible;

(iv) An Owner who owns a Dwelling and has suffered Dwelling Damage as part of Covered Loss is responsible for an amount calculated by applying the Dwelling Damage Percentage for that Dwelling to the amount of the deductible under the Master Association's property insurance policy; and

(v) If an Owner does not pay the amount required under this Article within 30 days after substantial completion of the repairs to, as applicable, the Dwelling or the appurtenant to the Dwelling, the Master Association may levy an assessment against the Owner for that amount.

(c) Flood Insurance. If any part of the property insured by the Master Association comes to be situated in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, a policy of flood insurance shall be maintained. If the property insured by the Master Association is not situated in a Special Flood Hazard Area, The Master Association may nonetheless, if approved by a majority of Owners, purchase flood insurance to cover floods not otherwise covered by blanket property insurance.

(d) Earthquake Insurance. The Master Association may nonetheless, if approved by a majority of Owners, purchase earthquake insurance to cover earthquakes not otherwise covered by blanket property insurance.

(e) Master Association's Obligation to Segregate Property Insurance Deductible. The Master Association shall segregate an amount equal to the Master Association's property

insurance policy deductible or \$10,000, whichever is less. This requirement shall not apply to any earthquake or flood insurance deductible. If the amount held in this account is used to pay any deductible, it shall be replenished within twelve (12) months.

(f) Master Association's Right to Not Tender Claims that are Under the Deductible. If, in the exercise of its business judgment, the Board of Directors determines that a claim is likely not to exceed the Master Association's property insurance policy deductible: (a) the Owner's policy is considered the policy for primary coverage to the amount of the Master Association's policy deductible; (b) an owner who does not have a policy to cover the Master Association's property insurance policy deductible is responsible for the loss to the amount of the Master Association's policy deductible; and (c) the Master Association need not tender the claim to the Master Association's insurer.

(g) Notice Requirement for Deductible. The Master Association shall provide notice to each Owner of the Owner's obligation for the Master Association's policy deductible and of any change in the amount of the deductible.

14.3 Comprehensive General Liability (CGL) Insurance. The Master Association shall obtain CGL Insurance insuring the Master Association, the agents and employees of the Master Association, and the Owner, against liability incident to the use, ownership or maintenance of the Common Area, or membership in the Master Association. The coverage limits under such policy shall not be less than one million dollars (\$1,000,000) covering all claims for death of or injury to any one person or property damage in any single occurrence. Such insurance shall contain a Severability of Interest Endorsement or equivalent coverage which would preclude the insurer from denying the claim of an Owner because of the negligent acts of the Master Association or another Owner.

14.4 Directors and Officers Insurance. The Master Association shall obtain Directors and Officers liability insurance protecting the Board of Directors, the Officers, and the Master Association against claims of wrongful acts, mismanagement, failure to maintain adequate reserves, failure to maintain books and records, failure to enforce the Governing Documents, and breach of contract (if available). The policy shall:

- (a) Include coverage for volunteers and employees;
- (b) Include coverage for monetary and non-monetary claims;
- (c) Provide for the coverage of claims made under any fair housing act or similar statute or that are based on any form of discrimination or civil rights claims; and
- (d) Provide coverage for defamation. In the discretion of the Board of Directors, the policy may also include coverage for any manager and any employees of the manager and may provide that such coverage is secondary to any other policy that covers the manager or any employees of the manager.

14.5 Insurance Coverage for Theft and Embezzlement of Master Association Funds.

The Master Association may obtain insurance covering the theft or embezzlement of funds that shall:

(a) Provide coverage for an amount of not less than the sum of three months regular assessment in addition to the prior calendar year's highest monthly balance on all operating and reserve funds; and

(b) Provide coverage for theft or embezzlement of funds by:

- (i) Officers, Board of Directors, or Members of the Master Association;
- (ii) Employees and volunteers of the Master Association;
- (iii) Any manager of the Master Association; and
- (iv) Officers, directors and employees of any manager of the Master Association.

14.6 Certificates. Any insurer that has issued an insurance policy to the Master Association shall issue a certificate of insurance to the Master Association and upon written request, to any Owner or Lender.

14.7 Named Insured. The named insured under any policy of insurance shall be the Master Association. Each Owner shall also be an insured under all property and CGL insurance policies.

14.8 Master Association's Right to Negotiate All Claims and Losses and Receive Proceeds. Insurance proceeds for a loss under the Master Association's property insurance policy shall be payable the Master Association and shall not be payable to a holder of a security interest. Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property, if the property is to be repaired and restored as provided for in this Declaration. After any repair or restoration is complete and if the damaged property has been completely repaired or restored, any remaining proceeds shall be paid to the Master Association. If the property is not to be repaired or restored, then any proceeds remaining after such action as is necessary related to the property has been paid for, shall be distributed to the Owners and lien holders, as their interests remain with regard to the Dwellings. Each Owner hereby appoints the Master Association, as attorney-in-fact for the purpose of negotiating all losses related thereto, including: the collection, receipt of, and the execution of releases of liability, and the execution of all documents and the performance of all other acts necessary to administer such insurance and any claim. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representative, successors or assigns of an Owner.

14.9 Owner Act Cannot Void Coverage Under Any Policy. Unless an Owner is acting within the scope of the Owner's authority on behalf of the Master Association and under direct authorization of the Master Association, an Owner's act or omission may not void an insurance policy or be a condition to recovery under a policy.

14.10 Waiver of Subrogation against Owners and Master Association. All property and CGL policies must contain a waiver of subrogation by the insurer as to any claims against the Master Association and the Owners and their respective agents and employees.
