2. Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon the Property for such purposes; commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest, or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and in exercising any such powers, incur any liability, expend whatever amounts in its absolute discretion it may deem necessary therefor, including cost of evidence of title, employ counsel, and pay its reasonable fees.
3. To pay immediately and without demand all sums expended hereunder by Beneficiary or Trustee, with interest from date of expenditure at the highest rate provided in the promissory note secured by this Trust Deed, and the repayment thereof shall be secured hereby.

4. Trustor represents and warrants that, except as Beneficiary has been otherwise previously advised by Trustor in writing, to the best of Trustor's information, knowledge and belief, no Hazardous Materials are now located on, in, or under the Property, and neither Trustor nor, to Trustor's knowledge, any other person has ever caused or permitted any Hazardous Materials to be placed, held, used, stored, released, generated, located or disposed of on, under or at the Property, or any part thereof. 5. The failure on the part of Beneficiary to promptly enforce any right hereunder shall not operate as a waiver of such right and the waiver by Beneficiary of any default shall not constitute a waiver of any other or subsequent default.

6. Time is of the essence hereof. Upon default by Trustor in the performance or payment of any obligation or indebtedness secured hereby or in the performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of Beneficiary. In the event of such default, Beneficiary may execute or cause Trustee to execute a written notice of default and of election to cause the Real Property to be sold to satisfy the obligations hereof, and Trustee shall file such notice for record in each county wherein the Property or some part or parcel thereof is situated. Beneficiary shall also deposit with Trustee all documents evidencing expenditures secured hereby.

7. The person conducting the sale may, for any cause he deems expedient, postpone the sale in accordance with applicable law. Trustee shall execute and deliver to the purchaser its deed conveying the Real Property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale. Trustee shall apply the proceeds of the sale to payment of: (A) the costs and expenses of exercising the power of sale and of the sale, including the payment of the Trustee's and attorney's fees; (B) cost of any evidence of title procured in connection with such sale and revenue stamps on the Trustee's deed; (C) all sums expended under the terms hereof, not then repaid, with accrued interest at the highest default rate provided in the promissory note secured by this Trust Deed, from date of expenditure; (D) all other sums then secured hereby; and (E) the remainder, if any, to the person or persons legally entitled thereto, or the Trustee, in his discretion, may deposit the balance of such proceeds with the County Clerk of the county in which the sale took place.

8. Upon the occurrence of any default hereunder, Beneficiary shall have the option to declare all sums secured hereby immediately due and payable and foreclose this Trust Deed in the manner provided by law for the foreclosure of mortgages on real property and Beneficiary shall be entitled to recover in such proceeding all costs and expenses incident thereto, including a reasonable attorney's fee in such amount as shall be fixed by the Court.

9. Beneficiary may appoint a successor trustee at anytime by filing for record in the office of the county recorder of each county in which the Property or some part thereof is situated, a substitution of trustee. From the time the substitution is filed for record, the new trustee shall succeed to all the powers, duties authority and title of the trustee named herein or of any successor trustee. Each such substitution shall be executed and acknowledged, and notice thereof shall be given and proof thereof made, in the manner provided by law.

12. This Trust Deed shall be construed according to the laws of the State of Utah.

13. The undersigned Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to Trustor at the Property address.
