**ADDENDUM No. 1
TO COOPERATION AGREEMENT**

This Addendum No. 1 to Cooperation Agreement is entered into effective this 11th day of December, 2018, by the Metropolitan Water District of Salt Lake & Sandy ("District") and Georgia A. White, 10268 Loridan Lane, Sandy City, Utah, 84092 ("Applicant").

ADDENDUM PURPOSES

District owns and operates the Salt Lake Aqueduct ("SLA") and SLA Corridor ("Aqueduct Corridor") and certain improvements located within or on the Aqueduct Corridor. District is a subdivision of the State of Utah responsible for transporting and treating public water, and as such District has regulatory authority to protect the Aqueduct, Aqueduct Corridor, District improvements and operations, and District water.

Applicant is currently using District's Aqueduct Corridor as successor in interest to a Cooperation Agreement ("Agreement") between District and Hassan Alhamid dated October 28, 2013, and recorded November 5, 2013 as Entry 11754215, Book 10190, Pages 3883-3899 in the records of the Salt Lake County Recorder, Application No. S-12-1197. The Agreement will expire on October 28, 2018. The Agreement permits, and Applicant has requested, renewal of the Agreement for an additional five-year term.

NOW, THEREFORE, in consideration of the mutual covenants described in the Agreement as amended by this Addendum, the parties hereby amend the Agreement as follows:

1. Paragraph I(A) of the Agreement entitled "Description of Applicant's Use of SLA Corridor ("Project"):" shall be replaced with the following language:

(A) Description of Applicant's Use of SLA Corridor:

Applicant may utilize the SLA Corridor as shown on Exhibit A for existing lawn, shrubs (less than four feet high when mature), sprinkler system, garden boxes, sand court, existing trees (greater than 20 feet away from the SLA centerline) and fence.

Applicant shall remove the play house and four trees no later than May 1, 2019, as identified in Exhibit A. Applicant shall immediately trim all bushes along the west fence to less than four feet tall.

In the event that the District requires access to the SLA or SLA Corridor for the purpose of maintenance, repair, or replacement, the existing fence shall be removed. The fence may be replaced in its current location at Applicant's sole expense unless District exercises its right to create an open corridor in the area.

Within forty-five days of written notice from District, all fences within the SLA Corridor described in paragraph 8 below, will be promptly modified to include man access gates that may be opened from both sides located as approved by District. Gates will be installed at Applicant's sole expense and must be no smaller than three (3) feet wide. For each gate located on Applicant's property, Applicant hereby grants to District, its officers, Trustees, employees, contractors and permittees a right of reasonable ingress and egress to the SLA Corridor.

Should District require vehicle access on the SLA Corridor, approved gates no smaller than twelve (12) feet wide will be installed at Applicant's sole expense and installed within thirty (45) days of notice from the District.

2. The term of the Agreement shall be for an additional five years (through October 28, 2023), as described in Section I(B) of the Agreement entitled "Term."

3. Paragraph VIII of the Agreement entitled "Defense, Indemnity." shall be replaced with the following language:

VIII. DEFENSE, INDEMNITY.

Applicant shall defend, indemnify and hold District and its officers, trustees and employees harmless, including costs and attorneys' fees, from any claim, demand, action or cause of action: (i) alleging that District was at fault in allowing Applicant's use of the SLA Corridor; or (ii) alleging that District was at fault in failing to supervise, inspect, direct, instruct, warn or otherwise manage or control Applicant's use of the SLA Corridor, or (iii) alleging that District knew of, should have known of, or had constructive knowledge of a dangerous condition created by Applicant or any employee, agent or contractor of Applicant; or (iv) alleging District is vicariously liable for acts or omissions of Applicant or any employee, agent or contractor of Applicant (under the Peculiar Risk Doctrine or otherwise), or (v) challenging in any manner Applicant's use of the SLA Corridor. This defense and indemnity obligation is not intended to hold District or its officers, trustees, or employees harmless from any claim that is not derivative of Applicant's use of the SLA Corridor. In no event shall any fault of Applicant or Applicant's employees or contractors be reapportioned to District, its officers, trustees or employees. Applicant shall indemnify and hold District and its officers, trustees and employees harmless from any such reapportionment of

fault. The described duty to defend and indemnify is not intended to run to the benefit of any District liability insurer to the extent such insurer would be responsible for defense costs or indemnity beyond District's deductible or self-insured retention.
