FOR

CRESTHOMES ADDITION NO. 2

All of Lots 26 to 50, inclusive, Cresthomes Addition, No. 2, a subdivision of part of Section 34, Township 4 North, Range 1 West, Salt Lake Meridian.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until April 1, 1976, at which time said covenants shall be automatically extended for successive periods of ten (10) years, unless by a vote of majority of the then owners of the lots, it is agreed to change said covenants in whole or in part.

If the parties hereto, or any of them, or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property, situated in said development or subdivision, to prosecute any proceedings at law or in equity, against the person or persons violating or attempting to violate any such covenants and either to prevent him, or them, from so doing or to recover damages or other dues for such violation.

Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

1. All lots as described in above tract shall be known and described as residential lots.

2. No structures shall be erected, altered, placed or permitted to remain on any residential plot other than one detached single or two family dwelling not to exceed two stories in height and a private garage for not more than three cars.

3. No building shall be erected, placed or altered on any building plot in this subdivision until the building plans, specifications, and plot plan showing the location of such building have been approved in writing as to conformity and harmony of external design with existing structures in the subdivision and as to location of the building with respect to topography and and finished ground elevations, by a committee composed of the Mayor of Kaysville City, the building inspector of Kaysville City and M. C. Small - Kaysville, Utah, or by a representative designated by a majority of the members of said committee.

In the event of death or resignation of any member of said committee, the remaining member, or members, shall have full authority to approve or disapprove such design and location, or to designate a representative with like authority.

In the event said committee or it's designated representative fails to approve or disapprove such design and location within 30 days after said plans and specifications have been submitted to it, or in any event if no suit to enjoin the erection of said building or the making of such alterations has been commenced prior to completion thereof, such approval will not be required and this covenant will be deemed to have fully been complied with.

Neither the members of such committee or it's designated representatives shall be entitled to any compensation for services performed pursuant to this covenant.

The powers and duties of such committee and of its designated representative shall cease on and after April 1, 1976: Thereafter, the approval described in this covenant shall not be required unless prior to that date and effective thereon, a written instrument shall be executed by the then record owners of a majority of the lots in this subdivision and duly recorded, appointing a representative or representatives, who shall thereafter exercise the same power previously exercised by said committee.

No dwelling shall be located on any interior lot nearer than 25 feet to the rear lot line.

For the purpose of this covenant, eaves, steps and open porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building, on a lot to encroach upon another lot.
