AMENDMENT TO

**AMENDED DECLARATION OF COVENANTS,
CONDITIONS AND RESTRICTIONS
FOR
COUNTRY OAKS CONDOMINIUMS
Dated: May 21, 1993**

Date of this document: July 8, 1996

*Country Oaks Condo
Phase 1, 2, 3, 4, 5 amnd, 6, 7-1, 7-2, 7-2 amnd, 7-3, 8*

This amendment to the Amended Declaration of covenants, Conditions and Restrictions For Country Oaks Condominiums dated May 21, 1993 changes the size, the basic shape, configuration and adjusts the site location of the 7 units originally platted for Phase Seven-2 along with the abandoning two building sites in the same original phase. This amendment will be referred to as "Phase 7-2 Amended" which will complete the Country Oaks Condominium Phase Seven-2 as originally planned and projected.

The original design called for 24 units to be built in Phase Seven-2. Nine(9) building sites were not used at the time the 15 units now occupied were constructed. All 24 units of Phase Seven-2 were sited and platted with specific architectural designs and were officially approved for this phase. Since the first 15 units were constructed the Country Oaks Condominium Association obtained title to building sites 13 and 14 as recorded in the original Phase Seven-2. These properties have been used as common properties owned by the Unit owners generally. The remaining 7 building sites consisting of two duplexes and one triplex numbers 8, 9, 10, 11, 12 15, and 16 were purchased by several individuals for future development.

A Broker/Developer obtained these building sites for construction of the planned units. The Broker/Developer negotiated a trade with the Condominium Association exchanging sites 8 and 9 for sites 13 and 14 as originally platted in Phase Seven-2. The Broker/Developer redesigned the buildings and adjusted the site locations. The individual Unit owners agreed to the developers proposal. The developer was then given permission to built six (6) new units (three duplexes) on the sites originally scheduled for seven (7) units (two duplexes and one triplex) in Phase Seven-2.

The Broker/Developer has developed a drawing describing how the area originally planned for units 8, 9, 10, 11, 12, 13, 14, 15 and 16 was actually used. This drawing is to be the official drawing depicting what is now called "Phase 7-2 Amended". The new duplex containing the units numbered 25 and 26 was the original site for the triplex containing the units numbered 10, 11 and 12. The new duplex containing units numbered 27 and 28 was the original site for the duplex containing the units numbered 13 and 14. The new duplex containing units numbered 29 and 30 was the original site for the duplex containing the units numbered 15 and 16. The Country Oaks Condominium Association doe not plan on using building sites 8 and 9

as originally planned and is abandoning them as building sites and converting these sites to common properties owned by the Unit owners. There shall be no units built with numbers 8, 9, 10, 11, 12, 13, 14, 15 and 16 in either Phase Seven-2 or Phase 7-2 Amended.

AGREEMENT AND NOTICE

E 1293260 B 2074 P 878

Country Oaks Condominium Management Committee and WIT Management agree that this Agreement and Notice shall be recorded at the Davis County recorder's office against the units described below, which are some of the units WIT Management is building at Country Oaks Condominiums. This document is being recorded to provide notice to potential buyers and to establish the responsibility for various improvements and expenses associated with the common area and the units at Country Oaks. Any party purchasing one of the units described herein at Country Oaks Condominiums agrees to be bound by the terms hereof:

The following units are subject to the terms and provisions stated herein:

Units 11, 12, 13, 14, 15, and 16, Phase 7-2, Country Oaks Condominiums, Davis County, Utah

The following units have a single water serving two units and share a common sewer line:

Units 11, 12, 13, 14, 15, and 16, Phase 7-2, Country Oaks Condominiums, Davis County, Utah

These are the only units subject to this agreement. All other existing units and all units to be built in the future will be constructed with one water line and one sewer line servicing each unit.

The unit owners of the above-described units shall be responsible for the repair and maintenance of the common water line servicing their unit from the point beginning at the shutoff valve near the street. This is the same responsibility shared by all other unit owners at Country Oaks since each unit owner is responsible for the repair and maintenance of the water line and sewer servicing only that unit owner's unit. The intent of this agreement is to have all unit owner's take responsibility in an equal manner for the expenses associated with the water and sewer line. The unit owners of the units described herein shall also be responsible for the repair and maintenance of the common sewer line servicing two units on the same terms as the existing owners.

The declaration governing Country Oaks Condominiums provides at paragraph 3, d, 4, that:

.... The common areas and facilities shall include the following, whether located within the bounds of a unit or not: any utility pipe or line or system servicing more than a single unit....

The declaration also provides at paragraph 3, c, 5, in its description of a unit that:

Each unit shall consist of: All utility pipes or lines or systems, and fixtures or appliances connected thereto, servicing a single unit or connecting a single unit to a main or central utility.

This Agreement and Notice is recorded to modify the above provisions of the declaration and to establish that the buyer of the units described herein will be responsible and the association will not be responsible for any maintenance and repairs associated with the water and sewer lines except as the association would normally be responsible for these matters for the existing units. The buyers of the units herein described expressly waive any claim or action against the Country Oaks Condominium Management Committee for any failure to repair or maintain the water or sewer lines referred to herein and covered by the terms of this agreement.

WIT Management agrees to inform each buyer of the units described herein of the terms of this agreement and to provide a copy of this agreement prior to the sale of any unit by WIT Management.

It is understood the units subject to this notice are either 1710 or 1722 square feet in size and will have an interest of 1.239% and 1.2248% respectively in the common area. The common fee for these units will be \$157.86 and \$158.97 per month in common expenses.

Genevieve K. Sampson, having already purchased a unit in phase 7-2, agrees to the terms hereof and acknowledges she was aware of the terms herein prior to purchasing her unit.
