## ARTICLE II. PROJECT DESCRIPTION

2.1. **Submission.** The Project (as described with particularity on Exhibit A attached hereto and incorporated herein by this reference) is hereby submitted to the Act. The Project and all of the Lots shall be held, conveyed, transferred, sold, mortgaged, encumbered, occupied, used, and improved subject to the Restrictions, which Restrictions shall constitute covenants and conditions running with the land and shall be binding upon and inure to the benefit of the Association and each Owner, including their respective heirs, successors, and assigns.

2.2. **Name.** The Project, as submitted to the provisions of this Declaration, shall be known as the Forest Glen Plats "B" & "C" Subdivision. The Project is not a condominium and is not a cooperative.

2.3. **Description of Improvements.** The improvements contained in the Project will be located upon the properties within the Forest Glen Plats or within easements held by the Association. The major improvements contained in the Project include seventy-one (71) Lots with Residences and appurtenant improvements, private roads, and utility lines. The Lots, their locations, and approximate dimensions are indicated on the respective Plats.

2.4. **Common Areas.** The Common Areas of the Project shall be as identified on the Plats and as defined in Article 1, Section 1.9 above.

2.5. **Lots.** Subject to further specification herein, each Lot consists generally of all structures on or within the boundary of the Lot.

2.6. **Registered Agent.** The Registered Agent of the Association shall be as provided in the entity filings with the Utah State Department of Commerce, Division of Corporations and Commercial Code. The Board may change the Registered Agent without Owner vote or approval.

## ARTICLE III. MEMBERSHIP AND VOTING RIGHTS

3.1. **Membership.** Every Owner shall be a Member of the Association. Membership in the Association shall be mandatory, shall be appurtenant to the Lot in which the Owner has the necessary interest, and shall not be separated from the Lot to which it appertains. Membership in the Association shall not be transferred, pledged, or alienated in any way, except upon the transfer of ownership of the Lot, and then only to the new Owner. Any attempt to make a prohibited transfer is void. In the event the Owner of any Lot should fail or refuse to transfer the membership registered in his name to the purchaser of his Lot, the Association shall have the right to record the transfer upon its books and thereupon the old membership outstanding in the name of the seller shall be null and void.

3.2. **Voting Rights.** Except as otherwise disallowed in this Declaration or the Bylaws, Owners shall be entitled to one (1) vote per Lot owned.

3.3. **Multiple Ownership Interests.** In the event there is more than one Owner of a particular Lot, the vote relating to such Lot shall be exercised as such Owners may determine among themselves. A vote cast by any of such Owners, whether in person or by proxy or by written ballot, shall be conclusively presumed to be the vote attributable to the Lot concerned unless an objection is immediately made by another Owner of the same Lot. In the event such an objection is made or if there are conflicting votes from the same Lot, the vote involved shall not be counted for any purpose other than to determine whether a quorum exists.

3.4. **Proxies.** An Owner may give his proxy, either specific or general, to another Owner, an immediate family member, their attorney, or to a contract purchaser or his Lot to vote on all matters coming before the Association for vote provided the same is in writing, signed by the Owner, and is presented to those Association officers conducting such vote or as may be further provided in the Bylaws.

3.5. **Record of Ownership.** Every Owner shall promptly file the conveyance document (or in the case of contract buyer, a copy of the sales contract) within thirty (30) days for his Lot with a Board Member or the Manager of the Association who shall maintain a record of ownership of the Lots. Any cost incurred by the Association in obtaining the information about an Owner as specified herein which is not furnished by such Owner shall nevertheless be at the expense of such Owner and shall be reimbursed to the Association as an "Individual Assessment" in accordance with the provisions of Article V.

## ARTICLE IV. PROPERTY RIGHTS IN COMMON AREAS

4.1. **Easement of Enjoyment.** Each Member shall have a right and easement of use and enjoyment in and to the Common Areas. Such right and easement shall be appurtenant to and shall pass with title to each Lot and in no event shall be separated therefrom. Any Member may delegate the right and easement of use and enjoyment described herein to any family member, tenant, lessee, or contract purchaser who resides on such Member's Lot.

4.2. **Title to Common Areas.** The Association may hold title or perpetual easements to the various Common Areas within the Project identified in this Declaration.

4.3. **Limitation on Easement.** A Member's right and easement for the use and enjoyment of the Common Areas shall be subject to the following:

1) The right of the Association to impose reasonable limitations on the number of guests per Member who at any given time are permitted to use the Common Areas;

2) The right of Salt Lake County and any other governmental or quasi-governmental body having jurisdiction over the Project to access and rights of ingress and egress over and across any road or open area contained within the Project for purposes of providing police and fire protection, transporting school children, and providing any other governmental or municipal service;

3) The right of the Association to suspend voting rights and access to water for any period during which any Assessments against his Lot remain unpaid, and for a period not to exceed sixty (60) days for any infraction of the Rules;

4) The right of the Association to dedicate or transfer all or any part of the Common Areas, and any sewer, water and storm drain lines to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association. Any such dedication or transfer must, however, be assented to by sixty-seven percent (67%) of the Lot Owners.

4.4. **Delegation of Use.** Any Owner may delegate his right of use and enjoyment to the Common Areas to family members, tenants, or contract purchasers who reside in the Project. The rights and privileges of such delegee or assignee shall be subject to suspension in the same manner and to the same degree as those of an Owner, as described in above Section.

4.5. **Association Easement.** The Association, its Board, employees, agents, and contractors shall have non-exclusive easements to use the Common Areas to perform their duties as assigned by the Governing Documents. Each Owner as a Member of the Association has a perpetual easement and right to travel the roads within the Project to access the Owner's Lot.

4.6. **Easement for Utility Services.** The Project is subject to a blanket easement over, across, above, and under it for ingress, egress, installation, maintenance, repair, and replacement of roads and utilities, in accordance with the recorded Plat. Utilities include, without limitation, water, sewer, gas, telephone, electricity, data, video, and cable.

4.7. **Easements for Encroachments.** If any portion of a Common Area improvement encroaches upon any Lot as a result of the manner in which the improvements were initially approved and constructed or due to settling, shifting, alteration, replacement, repair, or restoration by the Association, a valid easement for encroachment, and maintenance of such encroachment, shall exist for the life of the improvement.

4.8. **Roadways.** All roadways in Forest Glen Plat "B&C", together with the rights-of-way as recorded with the Salt Lake County Recorder's Office, are privately owned in common by the various Lot Owners of Forest Glen Plat "B&C" and each Lot Owner, therein, has perpetual easement and right to travel same. A further consideration, which each Lot Owner hereby acknowledges and agrees to, is the understanding that Salt Lake County is not obligated in any way, whatsoever, to improve or maintain any roadway within the said Forest Glen Plat "B&C". It is further understood and agreed to that Salt Lake County has approved this subdivision with the full understanding that it (Salt Lake County) will not have a claim made upon it for fire protection, snow removal, garbage collection or similar service, except as these services now exist, and are available to the canyon area in general.

4.9 **Compliance with Restrictions and Rules.** Each Owner and Occupant shall comply with the Restrictions imposed by this Declaration. Further, each Owner, Occupant and guest shall fully and faithfully comply with the Rules and restrictions and shall be jointly and severally liable for any violations thereof.

## **ARTICLE V. BUDGET AND ASSESSMENTS**

5.1. **Annual Budget.** The Board shall prepare and adopt an annual budget for the Association that estimates the Common Expenses to be incurred in the upcoming fiscal year, which shall be based on a calendar year. The annual budget shall provide, without limitation, for the maintenance of the Common Areas and for the administration, management, and operation of the Association. The Board may revise the budget from time to time as the Board deems appropriate. If the Board fails to adopt an annual budget, the last adopted budget shall continue in effect until a new annual budget is adopted. The Board must ensure that the budget is determined to permit the allocations set forth in Section 5.7 below. The budget shall be made available to requesting Owners within thirty (30) days after adoption. Owners may disapprove a budget according to the provisions of the Act.

5.2. **Covenant to Pay Assessments.** Each Owner of a Lot by the acceptance of a deed therefore, whether or not it be so expressed in the deed, hereby covenants and agrees with each other and with the Association to pay to the Association all Assessments, including without limitation, all Annual, Special, and Individual Assessments described below, and other fees, charges, levies, and fines as may be provided in the Governing Documents.

5.3. **Purpose of Assessments.** Assessments levied by the Association shall be used for the purpose of promoting the health, safety, and welfare of residents of the Project, including but not limited to the appearance and aesthetics of the Project. The use made by the Association of funds obtained from Assessments may include, but is not limited to: payment of the cost of taxes and insurance on the Common Areas; Common Expenses; establishing and funding a reserve to cover major repair or replacement of improvements within the Common Areas; and any expenses necessary or desirable to enable the Association to perform or fulfill its obligations, functions, or purposes under the Governing Documents.

5.4. **Annual Assessments.** Annual Assessments shall be made on a calendar year basis. The Board shall give written notice of each Annual Assessment not less than thirty (30) days prior to the beginning of the next calendar year. Each Annual Assessment shall be due and payable on dates established by the Board. At least thirty (30) days prior to the effective date of any change in the amount of the Annual Assessment, the Association shall give each Owner written notice of the amount. All Owners who pay 90% of the entire Annual Assessment amount prior to the first due date shall be deemed to have paid the Annual Assessment in full (in other words, receiving 10% discount for early payment of the Annual Assessment).

5.5. **Special Assessments.** The Board may levy a Special Assessment payable over such a period as the Board may determine for the purpose of defraying, in whole or in part any expense or expenses not reasonably capable of being fully paid with funds generated by Annual Assessments; the cost of any construction, reconstruction, or unexpected repair or replacement of the Common Areas; or for any other expense incurred or to be incurred as provided in this Declaration. Special Assessments over one hundred percent (100%) of the most recent Annual Assessment for Constructed Lots in a calendar year must be approved and assented to by a majority of the Members present in person or by proxy at a meeting duly called for such purpose. Notice in writing of the amount of any Special Assessments and the

time for their payment shall be given as soon as is reasonably possible to the Owners. Payment shall be due on the dates and in the manner determined by the Board and provided in the notice.

5.6. **Individual Assessments.** In addition to Annual and Special Assessments authorized above, the Board may levy Individual Assessments against a Lot and its Owner for: (a) administrative costs and expenses incurred by the Board in enforcing the Governing Documents against the Owner or his/her Occupants; (b) costs associated with the maintenance, repair, or replacement of Common Areas caused by the neglect or actions of an Owner or his/her Occupants; (c) any other charge, fine, fee, expense, or cost designated as an Individual Assessment in the Governing Documents or by the Board, including, without limitation, action taken to bring a Lot and its Owner into compliance with the Governing Documents; (d) nonpayment of a Reinvestment Fee; (e) costs of providing services to the Lot upon request of the Owner; and (f) attorney fees, court or collection costs, fines, and other charges relating to any Restrictions provided in this Declaration. In addition, Individual Assessments may be levied against a Lot and its Owner specifically benefited by any made at the written request of the Owner of the Lot to be charged. The aggregate amount of any such Individual Assessments shall be determined by the cost of such improvements, repairs, maintenance, or enforcement action, including all overhead and administrative costs and attorney fees, and shall be allocated among the affected Lots according to the special benefit or cause of damage or maintenance or repair work or enforcement action, as the case may be. Individual Assessments may be levied in advance of the performance of the work. If a special benefit arises from any improvement which is part of the general maintenance obligations of the Association, it shall not give rise to an Individual Assessment against the Lot(s) benefited, unless such work was necessitated by the Lot Owner's or his/her Occupants' negligence.

5.7. **Allocation of Assessments.** For the purposes of this Section, Lots shall be categorized into two (2) Lot types. Vacant Lots shall mean those Lots that do not have a constructed Residence. Constructed Lots shall mean those Lots with Residences for which the Owner has received a certificate of occupancy from Salt Lake County or other municipality with jurisdiction for the permanent occupancy of the Residence. Vacant Lots shall be assessed Annual Assessments at an amount equal to fifty percent (50%) of the amount assessed to Constructed Lots and Special Assessments at one hundred percent (100%) of the amount assessed to Constructed Lots. If a Lot receives a certificate of occupancy for a Residence, it shall not be considered a Constructed Lot for the purpose of assessment allocation until the following fiscal year. Annual Assessments shall be fixed at an equal amount for all Lots of the same lot type. Individual Assessments shall be allocated and assessed to each Lot independently from the other Lots.

5.8. **Application of Excess Assessments.** In the event the amount budgeted to meet Common Expenses for a particular fiscal year proves to be excessive in light of the actual Common Expenses, the Board in its discretion may apply the excess to reserves, credit the excess against future Assessments, or pay the excess to the Owners, as the Board deems appropriate. The decision of the Board shall be binding and conclusive. In addition, the Association shall not be obligated to reduce the amount of Assessments in succeeding years if an excess exists from a prior year.

5.9. **No Offsets.** All Assessments shall be payable in the amount specified by the Assessment and no offsets against such amount or withholding of any amount shall be permitted for any reason, including, without limitation, non-use or limited use of a Lot or

Common Areas, a claim that the Association owes the Owner money, or that the Association is not properly exercising its duties and powers as provided in this Declaration.

5.10. **Certificate Regarding Payment.** Upon the request of an Owner, prospective purchaser, mortgagee, or encumbrancer of a Lot, the Association shall issue a certificate stating whether or not all Assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon. The Association may charge the requesting Owner, prospective purchaser, mortgagee, or encumbrancer of a Lot a reasonable fee of up to twenty-five dollars (\$25) or an amount greater if so provided in the Act.

5.11. **Personal Obligation and Lien.** All Assessments, together with any interest, late fees, collection costs, and attorney fees if collection efforts become necessary shall be, constitute, and remain: (a) a charge and continuing lien upon the Lot with respect to which such Assessment is made; and (b) the personal obligation of the person who is the Owner of such Lot at the time the Assessment falls due. No Owner may exempt himself or his Lot from liability for payment of Assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot. In a voluntary conveyance of a Lot, the grantee shall be jointly and severally liable with the grantor for all such unpaid Assessments, late payment fees, interest, and costs of collection, including reasonable attorney fees, which shall be a charge on the Lot at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore.

5.12. **Billing and Collection Procedures.** The Board shall have the right to adopt Rules setting forth procedures for billing and collection of Assessments, provided that such procedures are not inconsistent with the provisions hereof. The failure of the Association to send an invoice to an Owner shall not relieve any Owner of liability for any Assessment or charge under this Declaration, but the Assessment lien therefore shall not be foreclosed or otherwise enforced until the Owner has been given not less than thirty (30) days written notice prior to such foreclosure or enforcement, at the address of the Owner on the records of the Association, of the Assessment or installment and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. A copy of such notice may also be provided to the Occupant(s) of the Owner if the Owner is not a resident at the Project.

5.13. **Due Date and Delinquency.** Assessments shall be paid in a timely manner. Payments are due on the date determined by the Board. Payments are delinquent if received more than thirty (30) days from the date that they became due. Whenever an Assessment is delinquent, the Board may at its option invoke any one or more options or all of the sanctions granted in this Article or the Act.

5.14. **Collection Charge.** If the Association does not otherwise adopt or establish billing and collection procedures in the Rules, the following shall apply. Delinquent accounts shall be charged a late fee of twenty-five dollars (\$25.00) each month until the Owner's account (including all collection charges, costs, and attorney fees) is paid in full. Interest may accrue on all unpaid balances at the rate of eighteen percent (18%) per annum. Collection charges, interest, and late fees shall constitute part of the Assessment lien provided above until paid.

5.15. **Collection Action at Law.** The Association may exercise any or all of the following remedies to collect delinquent Assessments:

- 1) The Association may suspend such Owner's voting rights.

2) The Association shall have a lien against each Lot for any Assessment levied against the Lot and any fines or other charges imposed under this Declaration or the Bylaws against the Owner of the Lot from the date on which the Assessment, fine, or charge is due. This lien shall arise and be perfected as of the date of the recording of this Declaration. At any time, any Assessment or installment thereof is delinquent, the Association, by and through its Board or any Manager, may file a notice of lien in the deed records of Salt Lake County against the Lot with respect to which the delinquency pertains. Once filed, such lien shall accumulate all future Assessments or installments, interest, late fees, penalties, fines, attorney fees, and other appropriate costs properly chargeable to an Owner by the Association, until such amounts are fully paid. Said lien may be foreclosed at any time as allowed by law. The lien of the Association shall be superior to all other liens and encumbrances except: a lien or encumbrance recorded before the original Declaration was recorded; a first or second security interest on the Lot secured by a mortgage or trust deed that is recorded before the Association's notice of lien; or a lien for real estate taxes or other governmental assessments against the Lot. The Association through its duly authorized agents, may bid on the Lot at any foreclosure sale, and may acquire and hold, lease, mortgage, and convey the Lot.

3) The Association may bring an action to recover a money judgment for unpaid Assessments, fines, and charges under this Declaration against the Lot Owner without foreclosing or waiving the lien described above. Recovery on any such action, however, shall operate to satisfy the lien, or the portion thereof, for which recovery is made.

4) If a delinquent Owner is leasing his Lot or any portion thereof, the Board may, at its option, so long as an Assessment is more than sixty (60) days late, demand and receive from any tenant the rent due or becoming due and the payment of such rent to the Board shall discharge such tenant for rent due, and shall discharge the Owner for such Assessments to the extent of the amount so paid.

5) The Association may terminate water service.

6) Payments shall be credited first to collection costs (including attorney fees), then to interest and late fees, then to the oldest assessments, then the most recent assessments.

7) The Association shall have any other remedy available to it whether provided in the Governing Documents, the Act, or other law or in equity.

5.16. **Power of Sale.** The Association shall have all rights of foreclosure granted by the Act, both judicially and non-judicially. Pursuant to Utah Code Sections 57-1-20 and 57-8a-302, an Owner's acceptance of an interest in a Lot constitutes a simultaneous conveyance of the Lot in trust, with power of sale, to the Association's attorney of record, as trustee, for the benefit of the Association, for the purpose of securing payment of Assessments under the terms of this Declaration. The Association may appoint a qualified successor trustee by executing and recording a substitution of trustee form.

5.17. **Reserve Account.** The Board shall establish a reserve account to fund long-term maintenance and replacement of Common Areas. The Board shall follow any statutory requirement to conduct a reserve analysis and utilize such reserve analysis in making decisions regarding the funding of a Reserve Account. The Board shall not be personally liable for failure to fund the reserve unless willful or intentional misconduct is proven in a court of law.

5.18. **Reimbursement of Tax Collection by County Authorized.** It is recognized that under the Declaration that the Association may own the Common Areas, which may obligate it to pay property taxes or other fees to Salt Lake County. 5.19. **Reinvestment Fee.** The Board shall have the right to establish from time to time (but shall not be required to establish) a Reinvestment Fee assessment in accordance with this Section and Utah Code section 57-1-46. If established by the Board, the following terms and conditions shall govern Reinvestment Fees.

Additional paperwork required in a private sale between an Owner and purchaser may be obtained from the Association but may incur additional fees.

5.21. **Association Responsibility after Foreclosure.** If the Association takes title to a Lot pursuant to a foreclosure (judicial or non-judicial), it shall not be bound by any of the provisions related to the Lot that are otherwise applicable to any other Owner, including but not limited to obligations to pay assessments, taxes, or insurance, or to maintain the Lot. By taking a security interest in any Lot governed by this Declaration, Lenders cannot make any claim against the Association for nonpayment of taxes, Assessments, or other costs and fees associated with any Lot if the Association takes title to a Lot related to a failure to pay Assessments.

- 3) **Rulemaking.** The Association, through its Board, shall make, establish, promulgate, amend, and repeal Rules governing the conduct of persons and the operation and use of the Project as it may deem necessary or appropriate in order to assure a clean, aesthetically pleasing, peaceful, and orderly use and enjoyment of the Project. Pursuant to

4) **Assessments.** The Association shall adopt budgets and impose and collect Assessments as provided in Article V of this Declaration.

5) **Enforcement.** The Association shall perform such acts, whether or not expressly authorized by this Declaration, as may be reasonably necessary to enforce the provisions of the Governing Documents of the Association. Owners, Occupants, guests, and family members shall be jointly and severally liable for any fines incurred for violations of the Governing Documents.

6) **Capital Improvements.** Capital improvements to the Project that do not exceed approved budgeted amounts may be authorized by the Board of Directors alone. Capital improvements in excess of the annual budget require the approval of a majority of Owners in attendance at a duly called member meeting pursuant to the provisions of the Bylaws.

7) **Title to Common Areas.** The Association may hold title to Common Areas conveyed to it by its developer and pay all real property taxes and assessments levied upon any portion of the Common Areas, unless paid by the Owners, provided that the Association shall have the right to contest or compromise any such taxes or assessments.

8) **Employment of Agents, Advisers, and Contractors.** The Association may employ the services of any person or corporation as managers, hire employees to manage, conduct, and perform the business, obligations, and duties of the Association, employ professional counsel and obtain advice from such persons or firms or corporations such as, but not limited to, community association managers, landscape architects, accountants, recreational experts, architects, planners, lawyers, reserve study specialists, or what is convenient for the management, maintenance, and operation of the Project. Any agreement with a Manager shall not exceed a term of two (2) years, renewable by agreement of the parties for a successive two (2) year term, and shall be terminable by the Association upon no more than sixty (60) days' advance notice. The Board has no authority to enter into a management agreement or contract inconsistent with the terms of the Governing Documents or that provides for a termination fee or requirement for termination for cause.

9) **Litigation.** The Board may instigate litigation to enforce the provisions of this Declaration or any other Common Law or statutory right which the Association is granted. Other than litigation required for the collection of past due Assessments, the Association shall not commence any litigation without prior approval of a majority of the Members, if the litigation is expected to exceed the cost of fifteen thousand dollars (\$15,000) either in attorney fee expenses or in costs (including any expert reports).

10) **Water System.** The Association shall own, maintain, and have jurisdiction over all contractual rights to use water appurtenant to the culinary water system, including all the appurtenances for collecting, pumping, treating, conducting, and storing the water.

6.6. **Board of Directors.** The governing body of the Association shall be the Board of Directors. Except where a matter or vote is specifically reserved to the Owners, the Board shall act in all instances on behalf of the Association. Board Members shall be elected pursuant to the provisions set forth in the Bylaws. The Bylaws may set forth requirements for serving on the Board. Without limiting the generality of the foregoing, the Board may appoint one or more "Committees", and such Committees (which may consist of one or more Members, as determined by the Board) shall have such authority and duties as may be determined from time to time by the Board relating to the budgeting, operation, financial management and administration of the Project ("Delegated Duties"). While any Committee established by the Board shall report to the Board regularly regarding its activities, the Board may by express directive relinquish and transfer all authority and responsibility with respect to such Delegated Duties to an applicable Committee.

6.8. **Management.** The Project may be managed by a professional manager, selected by the Board to assist in the management and operation of the Project. The Board may delegate such of its powers and duties to the Manager as it deems appropriate; reserving the right, however, to control and oversee the administration thereof. Any powers and duties delegated to any Manager may be revoked by the Board at any time, with or without cause.

## **ARTICLE VII. MAINTENANCE**

7.1. **Association Maintenance.** The Association shall maintain, repair, and replace all Common Areas together with all improvements thereon and all easements appurtenant to the Common Area. The Association shall maintain, replace, and repair the private roads and common parking areas in the Project, including providing year-round access for properly equipped passenger vehicles, but the Association shall have no responsibility to maintain or repair any public streets within or adjacent to the Project. The Association may perform snow removal on the private roads within the Project and parking areas adjacent to the Project in its sole discretion. The Association makes no representation or guarantee for the accessibility of the roads or the availability of water. The Association shall maintain, replace, and repair the water lines and private culinary water system up to and including the individual meters for each Lot, along with the entry gate and all associated locks and components.

The Common Areas and all facilities and structures thereon shall be maintained by the Association in a safe condition and in a good and workmanlike manner such as to carry out the purpose for which such areas are intended. The Board in its sole discretion shall determine the maintenance standard of the Common Areas.

7.2. **Services.** The Association shall provide or contract for such services as the Board of Directors may reasonably deem to be of benefit to the Project, including, without limitation, water, snow removal, and shared utilities (if any) for all Lots.

7.3. **Owner Maintenance.** Each Owner shall have the obligation to provide exterior and interior maintenance of their Lot and Residence, including but not limited to painting, repair, replacement, and care of all Residence components, driveways, and utility lines that solely service the Lot or Residence. Owners shall be responsible for the maintenance, repair, and replacement of water lines between the meter and their Residence. Owners shall be responsible to maintain, repair, and replace any fences located within or on the boundaries of their Lot. Owners shall be responsible to repair any damage to roadways caused by Owners', Occupants', or guests' entry into Project for any purpose and must restore all damaged roadways to existing standards.

7.4. **Owner Maintenance Neglect.** The Association shall have the power and authority without liability to any Owner for trespass, damage, or otherwise, to enter upon any Lot for the purpose of maintaining and repairing a Residence or any improvement thereon; but only if the Owner fails to maintain and repair such Residence or improvement, or for the purpose of removing any improvement constructed, reconstructed, refinished, altered or maintained upon such Lot in violation of this Declaration or any Rules of the Association. The Board shall have the sole authority and discretion to set maintenance standards and to decide whether an Owner has failed to meet its maintenance obligations. Except as necessary to prevent personal injury or property damage in an emergency, the Association shall first provide reasonable notice and an opportunity to cure before exercising the power granted herein. All costs incurred by the Association in remedying Owner maintenance neglect shall be an Individual Assessment against the Owner's Lot as provided in Article V.

The Association shall also have the power and authority from time to time in its own name, on its own behalf, or in the name and behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoy any breach or threatened breach of this Declaration or any Rules promulgated by the Board, or to enforce by mandatory injunction or otherwise all the provisions of this Declaration and such Rules.

7.5. **Common Area Maintenance Caused by Owner Negligence.** If the need for maintenance or repair of Common Areas, roads, gate, the water system, or other area is caused through the willful or negligent acts of an Owner, or through the willful or negligent acts of the family, guests, tenants, or invitees of an Owner, the Board may cause such repairs to be made by the Association and the cost of such maintenance or repair work shall be added to and become an Individual Assessment to which such Lot is subject.

## ARTICLE VIII. INSURANCE

NOTICE: The Association's insurance policy does not cover Owner or Occupants' personal property and contents of their Residence, nor the personal liability of Owners or their Occupants.

8.1. **Insurance.** The Board shall obtain insurance as required in this Declaration, the Act, or other applicable laws. The Association may obtain insurance that provides more or additional coverage than the insurance required in this Declaration. Different policies may be obtained from different insurance carriers and standalone policies may be purchased instead

of, or in addition to, embedded, included coverage, or endorsements to other policies. Insurance premiums shall be a Common Expense.

8.2. **Property Insurance.** The Association shall maintain a blanket policy of property insurance covering the Common Area and any fixtures or equipment thereon that are the obligation of the Association to maintain. The Association may maintain broader coverage if afforded by the insurance contract.

1) The blanket policy shall exclude land and other items not normally and reasonably covered by such policies. The blanket policy shall be an "all in" or "all inclusive" insurance as those terms are used in the insurance industry and shall include insurance for any fixture, improvement, or betterment installed in Common Areas or otherwise permanently part of or affixed to Common Areas.

2) At a minimum, the blanket policy shall afford protection against loss or damage by: (1) fire, windstorm, hail, riot, aircraft, vehicles, vandalism, smoke, and theft; and (2) all perils normally covered by "special form" property coverage.

3) The blanket policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all property covered by such policy at the time the insurance is purchased and at each renewal date. The actual replacement cost of the property shall be determined by using methods generally accepted in the insurance industry.

4) The blanket policy shall include either of the following endorsements to assure full insurable value replacement cost coverage: (1) a Guaranteed Replacement Cost Endorsement under which the insurer agrees to replace the insurable property regardless of the cost; and (2) a Replacement Cost Endorsement under which the insurer agrees to pay up to one hundred percent (100%) of the Project's insurable replacement cost but not more. If the policy includes a coinsurance clause, it must include an Agreed Amount Endorsement which must waive or eliminate the requirement for coinsurance.

5) The Association shall keep an amount equal to the Association's property insurance policy deductible or \$10,000, whichever is less, in an operations savings account. This requirement shall not apply to any earthquake or flood insurance deductible.

6) If a loss occurs that is covered by a property insurance policy in the name of an association and another property insurance policy in the name of a lot owner, then the Association's policy provides primary coverage and the Lot Owner is responsible for the Association's policy deductible.

7) If, in the exercise of its business judgment, the Board determines that a claim is likely not to exceed the Association's property insurance policy deductible: (a) the Owner's policy is considered the policy for primary coverage to the amount of the Association's policy deductible; (b) an Owner who does not have a policy to cover the Association's property insurance policy deductible is responsible for the loss to the amount of the Association's policy deductible; and (c) the Association need not tender the claim to the Association's insurer.

8) The Association shall provide notice to each Owner of the Owner's obligation for the Association's policy deductible and of any change in the amount of the deductible.

9) The Association shall have no obligation to obtain or maintain any insurance covering Owners' personal and real property, and each Owner shall be responsible for

obtaining and maintaining such personal and real property insurance.

8.3. **Comprehensive General Liability (CGL) Insurance.** The Association shall obtain CGL insurance insuring the Association, the agents and employees of the Association, and the Owners, against liability incident to the use, ownership or maintenance of the Common Area or membership in the Association. The coverage limits under such policy shall not be less than One Million Dollars (\$1,000,000.00) covering all claims for death of or injury to any one person or property damage in any single occurrence. Such insurance shall contain a Severability of Interest Endorsement or equivalent coverage which would preclude the insurer from denying the claim of an Owner because of the negligence acts of the Association or another Owner.

8.4. **Director's and Officer's Insurance.** The Association shall obtain Directors' and Officers' liability insurance protecting the Board of Directors, the officers, and the Association against claims of wrongful acts, mismanagement, failure to maintain adequate reserves, failure to maintain books and records, failure to enforce the Governing Documents, and breach of contract (if available). This policy shall: (1) include coverage for volunteers and employees, (2) include coverage for monetary and non-monetary claims, (3) provide for the coverage of claims made under any fair housing act or similar statute or that are based on any form of discrimination or civil rights claims, and (4) provide coverage for defamation. In the discretion of the Board, the policy may also include coverage for any manager and any employees of the manager and may provide that such coverage is secondary to any other policy that covers the Manager or any employees of the Manager.

8.5. **Insurance Coverage for Theft and Embezzlement of Association Funds.** The Association may obtain insurance covering the theft or embezzlement of funds that shall: (1) provide coverage for an amount of not less than the sum of three (3) months' regular assessments in addition to the prior calendar year's highest monthly balance on all operating and reserve funds, and (2) provide coverage for theft or embezzlement of funds by: (a) Officers and Board Members of the Association, (b) employees and volunteers of the Association, (c) any manager of the Association, (c) officers, directors, and employees of any manager of the Association, and (d) coverage for acts.

8.6. **Worker's Compensation Insurance.** The Board shall purchase and maintain in effect workers' compensation insurance for all employees of the Association to the extent that such insurance is required by law and as the Board deems appropriate.

8.7. **Certificates.** Any insurer that has issued an insurance policy to the Association shall issue a certificate of insurance to the Association, and upon written request, to any Owner or Mortgagee.

8.8. **Named Insured.** The named insured under any insurance policy shall be the Association. Each Owner shall also be an insured under all property and CGL insurance policies.

8.9. **Right to Negotiate All Claims & Losses & Receive Proceeds.** Insurance proceeds for a loss under the Association's property insurance policy are payable to an Insurance Trustee if one is designated, or to the Association, and shall not be payable to a holder of a security interest. An Insurance Trustee, if any is appointed, or the Association shall hold any insurance proceeds in trust for the Association, Owners, and lien holders. Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property, if the property is to be repaired and restored as provided for in this Declaration. After any repair or

restoration is complete and if the damaged property has been completely repaired or restored, any remaining proceeds shall be paid to the Association. If the property is not to be repaired or restored, then any remaining proceeds after such action as is necessary related to the property has been paid for, shall be distributed to the Owners and lien holders, as their interests remain with regard to the Lots. Each Owner hereby appoints the Association, or any Insurance Trustee, as attorney-in-fact for negotiating all losses related thereto, including the collection, receipt of, and appropriate disposition of all insurance proceeds; the execution of releases of liability; and the execution of all documents and the performance of all other acts necessary to administer such insurance and any claim. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representatives, successors, or assigns of the Owner.

8.10. **Insurance Trustee.** In the discretion of the Board or upon written request executed by Owners holding at least 50% of the entire voting interest of the Association, the Board shall hire and appoint an insurance trustee ("Insurance Trustee"), with whom the Association shall enter an insurance trust agreement, for the purpose of exercising such rights under this paragraph as the Owners or Board (as the case may be) shall require.

8.11. **Owner Act Cannot Void Coverage Under Any Policy.** Unless an Owner is acting within the scope of the Owner's authority on behalf of the Association and under direct authorization of the Association, an Owner's act or omission may not void an insurance policy or be a condition to recovery under a policy.

8.12. **Waiver of Subrogation against Owners and Association.** All property and CGL policies must contain a waiver of subrogation by the insurer as to any claims against the Association and the Owners and their respective agents and employees.

8.13. **Applicable Law.** This Declaration is specifically subjecting the Association to the insurance requirements and provisions in Part 4 of the Act, and any amendments thereto and thereafter enacted by law. It is the intent of this provision that any future changes to the insurance law applicable to community associations shall apply to this Association.

## ARTICLE IX. USE RESTRICTIONS

9.1. **Use of Common Areas.** The Common Areas shall be used only in a manner consistent with their community nature and with the use restrictions applicable to Lots.

9.2. **Use of Lots.** All Constructed Lots shall have a single-family Residence and are restricted to such use. No gainful occupation, business, trade, or other nonresidential use shall be conducted on any Lot without the prior written consent of the Board and applicable governmental entities. Notwithstanding the foregoing, activities otherwise prohibited by this Section are permitted without Board approval if only normal residential activities would be observable outside of the Residence; the business activity does not involve persons coming on to the project who do not reside in the Project; the business activity does not involve the solicitation of Occupants or Owners; the business will not result in the increase of the cost of the Association's insurance; and that the activities would not be in violation of applicable local ordinances.

9.3. **Offensive or Unlawful Activities.** No noxious or offensive activities shall be carried on upon any Lot, or Common Area, nor shall anything be done or placed on any Lot or Common Area which interferes with or jeopardizes the quiet enjoyment of other Lots or the Common Areas, or which is a source of annoyance to residents. No unlawful use shall be

made of a Lot or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. No use shall be made of any Lot which would result in an increase in the cost of the Association's insurance or which would cause the improvements within the Project or any part thereof to be uninsurable against loss by fire or other perils included in insurance contracts, or cause such insurance to be canceled or suspected, or cause any company issuing such insurance to refuse renewal thereof.

9.4. **Recreational Vehicles.** Properly muffled multi-wheeled motorized vehicles are permitted in the Association, under the following conditions:

- Snowmobiles and four-wheelers are allowed, but only for access to and from the Owner's Lot, and not for recreational riding purposes.
- The Board shall have sole discretion in determining whether a vehicle is excessively noisy.
- The maximum speed limit on roads is ten (10) miles per hour or to a speed that does not raise dust.
- All riding must be on existing roads.
- The Board is authorized to adopt Rules that vary or expand upon the restrictions set forth in this Section.

9.5. **Animals.** The Board may adopt Rules and restrictions related to animals and pets including but not limited to requirements for registration, the use of leashes, waste clean-up, and noise and barking limitations. All pets must abide by all pet Rules adopted by the Board and at no time shall a pet create a nuisance as determined in the sole discretion of the Board. Owners are fully responsible for any property damage or personal injury to others caused by their animals.

9.6. **Machinery and Equipment.** No machinery or equipment of any kind shall be placed, used, operated, or maintained on or adjacent to any Lot except such machinery or equipment as is usual and customary in connection with the use, maintenance, or construction of a Residence or appurtenant structures. The Board shall have the authority to adopt additional Rules relating to machinery and equipment to clarify, alter, or expand the restrictions contained in this Section.

9.7. **Nuisances.** No resident shall create, maintain or permit a nuisance in, on or about the Project. For purposes of this Section a "nuisance" includes any behavior which annoys, disturbs or interferes with other residents and interferes with their right to the quiet and peaceful enjoyment of their property. A nuisance includes, but is not limited to, the following:

- 1) The development of any unclean, unhealthy, unsightly, or unkempt condition on, in or about a Lot or the Common Areas;
- 2) The storage of any item, property or thing that will cause any Lot or the Common Area to appear to be in an unclean or untidy condition or that will be noxious to the senses;
- 3) The accumulation of rubbish, unsightly debris, garbage, equipment, or other things or materials that constitute an eyesore as reasonably determined by the Board;
- 4) The storage of any substance, thing or material upon any Lot or in the Common Areas that will emit any foul, unpleasant or noxious odors, or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the other residents at the Project;

5) Actions or activities tending to cause embarrassment, discomfort, annoyance, distress or a disturbance to any other residents, their guests or invites, particularly if the police or sheriff must be called to restore order;

6) Maintaining any plants, animals, devices or items, instruments, equipment, machinery, fixtures, or things of any sort whose activities or existence in any way is illegal, noxious, dangerous, unsightly, unpleasant, or of a nature that diminishes or destroys the enjoyment of the Association by other residents, their guests or invitees;

7) Too much noise or traffic in, on or about any Lot or the Common Area after 10:00 p.m. and before 7:00 a.m., or excessive use of outside speakers or amplifiers;

8) Allowing pet to be unleashed and wander outside an Owner's Lot; continuous barking, meowing, or other animal noises; and failing to clean up immediately any feces deposited by a pet in the Common Area or another Owner's Lot.

9.8. **Signs.** The Association may regulate and restrict signs in the Project to the extent permitted by law in the Rules. Unless otherwise designated in the Rules, lawn signs are prohibited, except "For Sale" or "For Rent" signs. All other signs may only be erected or maintained in the Project, whether in a window or otherwise, with the prior approval of the Board. For Sale or For Rent signs may not exceed a surface area of five (5) square feet per side.

9.9. **Parking.** Owners, Occupants, and tenants must park entirely within the Owner's Lot. Parking is prohibited on the roads within the Project, at the entrance to Skyline View Lane, or in front of fire hydrants. At no time shall any vehicle be parked in a manner that would block an entrance to a Lot, a driveway, or at any other location within the Project, which would impair vehicular or pedestrian access, or snow removal. The Board may adopt additional Rules relating to the parking of vehicles within the Project, including, without limitation: winter specific restrictions, the size and dimensions of the vehicles parked within the Project; the admission and temporary parking of vehicles within the Project; the right to remove or cause to be removed any vehicles that are improperly parked; and the assessment of charges to Owners and Occupants who violate, or whose invitees violate, such Rules.

9.10. **Unsightly Items, Trash, and Storage.** No observable unsightly outdoor storage of any kind shall be permitted on a Lot which may be seen from the Association's roads or another Lot. Furthermore, the Board is authorized to adopt and implement reasonable Rules pertaining to unsightly items and exterior storage. The Board shall have the sole and absolute discretion to determine if an item is unsightly.

9.11. **Leasing.** The leasing of a Residence is permitted. Any agreement for the leasing, rental, or occupancy of a Residence (hereinafter in this Section referred to as a "lease") shall be in writing, a copy of which shall be provided to the Board along with the name and contact information for all adult tenants, vehicle information of the tenants, and any other information deemed necessary by the Board. All leases shall provide that the tenant is subject to and shall abide by the Governing Documents and the tenant's failure to do so shall constitute a breach of the lease agreement. The Board may adopt additional Rules governing the leasing of Residences including additional fees for Residences being leased. Within ten (10) days after delivery of written notice of the creation of a nuisance or violation of the Governing Documents by a tenant, the Owner shall proceed promptly to either abate or terminate the nuisance, or cure the default, and notify the Board in writing of his or her intentions. If the Owner fails to act accordingly, the Board may initiate eviction proceedings on

behalf of the Owner, and through this Declaration the Owner hereby assigns the Association the authority to do so.

9.12. **Solar Energy Systems.** Solar energy systems and attendant equipment must be installed in accordance with the Rules and Design Guidelines adopted by the Board for the installation of solar panels or other energy conservation equipment. Such rules may require that the installation be an integral and harmonious part of the architectural design of the Lot or Residence.

9.13. **Hunting and Firearms.** Hunting, target practice, or the discharge of firearms of any variety, shall not be permitted in the Project. Firearm activities are restricted since they will create substantial risks or hazardous conditions to Occupants. Lot Owners and their guests are prohibited from hunting anywhere in the area surrounding the Project; again, because of the hazard such activity may cause to Occupants of the Association.

9.14. **Entry Gates.** Securing all entrances/exits by locked gate and/or barricade is hereby deemed a right and a responsibility of the Association. Members are required to lock all gates immediately after passing through them. Members shall be liable for damages incurred from a failure to lock gates such as theft, vandalism, or other damage to or loss of property proved as failure to secure such gates by a Member or a Member's guest or invitee and the Board may commence litigation to enforce such. Periodic change of locks, keys and/or other security devices shall be made, at the discretion of the Board, to discourage unauthorized duplication of keys or other security devices issued to Members and others needing and having access to the roadways. Distribution of keys shall generally be made at the Annual Meeting under the direction of the Board.

9.15. **Culinary Water.** The Association shall own and operate the culinary water system serving the Association Lots. Ownership of a Lot within the Association shall entitle the Owner to one culinary water connection to the Association's system. Owners are responsible for the installation of all water lines from the meter to the Owner's Residence. The Association shall inspect the meter and connection prior to service. Water is restricted in use for culinary purposes only and cannot be used for outside lawns and gardens. The use of natural terrain and native plants is encouraged. The Association may adopt additional Rules and regulations governing the use and operation of the water system as are considered necessary to ensure the integrity of the system and adequacy of water supply to the Lots. Such Rules may include, but are not limited to, provisions for the termination of water service for failure to pay water service assessments or for use of the water in violation of adopted Rules and Restrictions. The Association shall establish rates and fees for the use of culinary water and the Association's water system as determined by the Board. Service hook-up fees shall be considered Individual Assessments for collection purposes.

9.16. **Fire Safety.** The Burning of combustible materials shall be restricted to prepared fire pits, barbeque pits, or similar areas where adequate fire control can be maintained. Owner's shall have their propane tanks routinely inspected. Each Owner agrees to indemnify the Association and the other Owners for any damage that may result from fire caused by the Owner or its Occupants.

9.17. **Governmental Laws.** All Salt Lake County ordinances and Salt Lake City public utilities ordinances are hereby incorporated into this Declaration and the Board shall have the authority, but not the obligation, to enforce any such ordinances as if they were specifically enumerated herein. Notwithstanding the foregoing, any restrictions set forth in this Declaration that are more restrictive than County or City ordinances shall be deemed controlling.

9.18. **Variances.** The Board may, at its option and in extenuating circumstances, grant variances from the restrictions set forth in this Article if the Board determines in its discretion (by unanimous vote): (1) either that the restriction would create an unreasonable hardship or burden on an Owner or Occupant, or that a change of circumstances since the recordation of this Declaration has rendered such restriction obsolete and unreasonable to enforce; and (2) that the activity permitted under the variance will not have any financial affect or any other substantial adverse effect on the other Owners or Occupants of the Project and is consistent with the high quality of life intended for residents of the Project. Any such variance shall be unenforceable and without any effect whatsoever unless reduced to writing and signed by every member of the then-existing Board. No variance may be granted that is inconsistent with the Act.

## ARTICLE X. ARCHITECTURAL CONTROLS

10.1. **Building Committee.** The Board may appoint a Building Committee, the function of which shall be to insure that all improvements and landscaping within the Project harmonize with existing surroundings and structures (herein the "Building Committee"). The Building Committee need not be composed of Owners. If such a committee is not appointed, the Board shall perform the duties required of the Building Committee. The Building Committee's responsibilities include but are not limited to reviewing and approving all exterior improvements within the Project and to ensure that Lot Owners maintain their Lot appearance and conditions in accordance with the terms of the Governing Documents.

### 10.2. **Architectural Controls.**

1) All lots in Forest Glen Plat "B&C" are zoned for residential single-family dwellings and their use will be governed accordingly.

2) No building shall be erected, placed, assembled, remodeled or renovated upon any lot in Forest Glen Plat "B&C" until detailed building plans have been submitted to the Building Committee and approved by them in writing. Conformity to and harmony with existing structures in the subdivision, together with respect for topography and ecology, shall govern the external design and location. An owner of more than one lot, where the lots lie adjacent to each other, may elect to build a single dwelling upon the Lots. No building activity shall begin before a road deposit is received by the Association. This includes "percolation tests", delivery of building materials and any other activity which may damage the road. The amount of a road deposit is to be established by the Board of Directors.

3) A hook-up to the main water supply line is hereby required for each Residence. The actual hook-up shall provide for the joining of a property owner's line of one half inch diameter (1/2"dia.) size to a shut off valve of corresponding size, and thence joined to a main line by a nipple and fitting of appropriate size to accommodate the two pipe sizes involved. The material shall be of galvanized iron, or equivalent, and shall not induce dissimilar metal conflict and/or corrosion. Prior to connection to the main line of the water system: (a) An inspection must be completed by the Association to ensure that the correct pipe size, fittings and materials are used for the connection; (b) The property owner will pay to the Association the established hook-up fee as determined by the Board of Directors and shall be considered an Individual Assessment. The fee is intended to offset the costs of providing the water system, maintenance, repair and other related expenses. A single water line hook-up is available to each Lot and cannot be sold or subleased to anyone else.

4) Where a hook-up to the Association's water system has occurred, the Association will bill the owner at the Constructed Lot rate.

5) An easement is reserved along all designated roads for entrance to and exit from the property. This easement is set at twenty feet (20') either side of the Lot as platted. Upon and within this forty (40') foot easement the roads for travel within Forest Glen Plat "B&C" will be constructed and maintained. No changes will be made to an existing road by an Owner without the written consent of the Board of Directors.

### 10.3. **Building Restrictions.**

1) Only detached single-family Residences may be created on any Lot.

2) Residences shall have a setback from the centerline of the existing roadway of at least twenty-five (25) feet and/or at least twenty-five (25) feet back from the platted property line of the Owner's Lot, whichever is greater. Residences shall have a setback from the side Lot lines of at least ten (10) feet. Where two or more adjacent Lots are to receive a single dwelling, they will be regarded as one building Lot according to the above provisions.

3) No Residence may be constructed in the subdivision with less than six hundred square feet (600') on the main or ground level, unless there is to be a second floor, in which case a minimum of five hundred square feet (500') for the ground level will be permitted. All structures shall employ dull finished roofs and siding materials. No bright or reflecting material will be acceptable. All painting shall be done in subdued or rustic colors and bright color will be permitted only as accent or trim.

4) When an owner undertakes construction of a Residence or other structure, the exterior must proceed to essential completion without undue interruption. The entire building process must proceed to essential completion as rapidly as is practical in reasonable time. The Constructed Lot assessment rate will begin to be assessed when an occupancy permit is issued or three years from the start of construction, whichever comes first.

5) Owners are required to repair any damage done to Common Area roads caused by construction activities and to restore the Common Area roads to pre-construction conditions.

10.5 **Variances.** The Board may authorize variances from compliance with any of the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental consideration may require. Such variances must be in writing and must be signed by the Board. If a variance is granted, no violation of the Governing Documents shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of a variance shall not operate to waive any Restrictions of the Governing Documents, other than those specifically identified in the variance, nor shall it affect an Owner's obligation to comply with all governmental laws and regulations.

10.6. **Liability for Damages.** The Board and/or the Building Committee shall not be held liable for damages because of any action, inaction, approval, or disapproval by it made pursuant to this Article.

## ARTICLE XI. ENFORCEMENT

11.1 **Enforcement of Governing Documents.** The Association or any Owner shall have the right to enforce, by proceedings at law or in equity, each provision of this Declaration, and other Governing Documents, including the right to prevent any violation of such, and the right to recover damages and other sums for such violation(s). The prevailing party in any action for the enforcement of any provisions of the Governing Documents (including but not limited to litigation and the appeal thereof) shall be entitled to collect court costs and reasonable attorney fees. Occupants, guests, and invitees shall be personally liable for any fine assessed as a result of their action in violation of the provisions of the Governing Documents. Failure to enforce any covenant or restriction within the Governing Documents shall in no event be deemed a waiver of the right to do so thereafter.

## ARTICLE XII. RIGHTS OF FIRST MORTGAGEE

12.1. **Title in Mortgagee.** Any first Mortgagee who obtains title to a Lot pursuant to the remedies provided in the Mortgage or foreclosure of the Mortgage will not be liable for such Lot's Assessments or charges which accrue prior to the acquisition of title of such Lot by the Mortgagee. However, such first Mortgagee shall be responsible for Assessments levied while it holds title to the Lot.

12.2. **Notice of Default by Lot Owner.** In the event an Owner neglects for a period of sixty (60) days or more to cure any failure on his part to perform his obligations under this Declaration or other Governing Documents, the Association, upon written request from the Mortgagee, shall give written notice of such fact to the Mortgagee covering such Owner's Lot.

12.3. **No Priority.** No provision herein is intended, nor shall it be construed, to give any Lot Owner, or any other party, priority over any rights of the first Mortgagee of a Lot pursuant to its Mortgage in the case of a distribution to such Lot Owner of insurance proceeds or condemnation awards for losses to or a taking of Common Areas.

## ARTICLE XIII. RIGHT OF ENTRY

13.1 **Right to Enter Lots.** The Association acting through the Board or its duly authorized agent shall have the right at all times upon reasonable notice of at least 48 hours to enter upon any Lot, without trespass, and regardless of whether or not the Lot Owner or Occupant thereof is present at the time, to abate any infractions, to fulfill its responsibilities, to exercise its rights, to make repairs or correct any violation of any of the Declaration or Rules, and in connection therewith shall have the further right to assess all costs incurred against the Owner, such Assessment to be secured by a lien provided in Article V. Notice shall not be necessary in case of an emergency originating in or threatening such Lot or any other part of the Project, including the sound or sight of running water, the smell or sight of smoke, abnormal or excessive noises, and foul smell. Owners shall also maintain up-to-date emergency contact information records with the Association, including any local representative an Owner may have. Owners shall be responsible for any costs incurred by the Association as a result of entering a Lot under this Section and shall indemnify and hold harmless the Association for all damages related to such entry, except for such damages resulting from recklessness or bad faith.

## ARTICLE XIV. AMENDMENTS

14.1 **Amendments.** This Declaration may be amended upon the affirmative vote of at least sixty-seven percent (67%) of the voting interests of the Association. No meeting shall be required for an amendment if the required vote for approval is obtained by written consent or ballot. Any amendment(s) shall be effective upon recordation in the office of the Salt Lake County Recorder. In such instrument the Board shall certify that the vote required by this Section for amendment has occurred. No acknowledgment of any signature used for voting shall be required.

## ARTICLE XV. MISCELLANEOUS

15.1. **Notices.** Any notice required or permitted to be given to any Owner according to the provisions of this Declaration shall be deemed to have been properly furnished if personally delivered, emailed, texted, or if mailed, postage prepaid, to the Person who appears as an Owner, at the latest email or mailing address for such Person appearing in the records of the Association at the time notice is sent. If no email, phone number, or mailing address has been provided, the physical address of the Lot owned by said Owner shall be used for notice purposes.

Unless an Owner notifies the Association in writing that they desire to receive notices via USPS mail, each Owner shall provide to the Board, or the Association's Manager, an email address that the Association may use to affect notice as described herein, along with a telephone number that can receive texts. Any notice sent via email or text shall be deemed to be delivered once the notice has been sent to the email address or phone number on file with the Association. Any notice sent by mail shall be deemed delivered when deposited in the United States mail. In the case of co-Owners, any such notice may be delivered or sent to any one of the co-Owners on behalf of all co-Owners and shall be deemed delivered to all such co-Owners. The declaration of an officer or authorized agent of the Association declaring under penalty of perjury that a notice has been sent to any Owner or Owners, in any manner that this Section allows, shall be deemed conclusive proof of such delivery.

Notice to the Association shall be delivered by registered or certified United States mail postage prepaid, addressed to the office of the Manager of the Association (if any); or if there is no Manager, the Registered Agent with the Utah Department of Commerce (if any); or if there is none, to the President of the Association. The Association shall have the right to designate an email or USPS mailing address for receipt of notices hereunder by Rule.

15.2. **Consent in Lieu of Voting.** In any case in which this Declaration requires authorization or approval of a transaction the assent or affirmative vote of a stated percentage of the votes present or represented at a meeting, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Members entitled to cast the required percentage of membership votes. The Association may use any method allowed under Utah law and the Utah Revised Nonprofit Corporation Act.

15.3. **Dissolution.** The Association may be dissolved by the affirmative assent in writing from 90% of the Owners. Upon dissolution, the Association shall transfer all of its agency or authority to the Owners or another entity to be used for purposes similar to those provided for in the Articles of Incorporation or this Declaration. In the event such dedication or transfer is not made or is not accepted, the Association's assets shall be transferred to a nonprofit corporation, trust, or other entity to be used for such similar purposes, and each

Owner shall continue to be obligated to make assessment payments for the maintenance and upkeep of the Common Areas, common roadways, and open space on a pro rata basis which conforms substantially with the assessments procedure, terms and conditions set forth in Article V.

15.4. **Interpretation and Severability.** The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is constructed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include the other gender. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

15.5. **Covenants to Run with Land.** This Declaration and all provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Association and all parties who hereafter acquire any interest in a Lot or in the Common Areas shall be subject to the terms of this Declaration and the provisions of any Rules, agreements, instruments, and determinations contemplated by this Declaration; and failure to comply with any of the foregoing shall be grounds for an action by the Association or an aggrieved Owner for the recovery of damages, or for injunctive relief, or both. By acquiring any interest in a Lot or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

15.6. **Fair Housing Accommodations.** Notwithstanding anything to the contrary in this Declaration, the Association, upon receipt of a written opinion from its counsel that such action is required, may make or permit reasonable accommodations or modifications to the Project that are otherwise prohibited by the Governing Documents, as required under Title VIII of the Civil Rights Act of 1968 (the Fair Housing Act) as amended, to accommodate a Person with a disability (as defined by Federal law at the time the accommodation is requested). Reasonable accommodations or modifications may include modifications to a Lot, the Common Area facilities and buildings, or deviations from provision of the Governing Documents. Any such modification and accommodation made under this Section shall not act as a waiver of the provisions of the Governing Documents with regard to any other Person or Owner.

15.7. **No Waiver.** Failure by the Association or by any Owner to enforce any Restriction or provision herein contained, or contained in the Bylaws or the Rules, in any certain instance or on any particular occasion shall not be deemed a waiver of such right of enforcement as to any such future breach of the same or any other Restriction or provision.

15.8. **Condemnation.** If a portion of the Common Area is taken by eminent domain, or sold under threat thereof, and is not comprised of and does not include any Lot, the Board shall cause the award to be utilized for repairing or restoring that area in the Project adjacent to the taking, and the portion of the award not used for restoration shall be added to the general funds of the Association. If a Lot is taken by eminent domain, or sold under threat thereof, leaving the Owner with a remnant that may not be practically or lawfully used for any purpose permitted by this Declaration, then that Lot's interest in the Common Areas shall be reallocated to the remaining Lots in proportion to their respective interests immediately before the taking.

15.9. **Security.** The Association shall in no way be considered an insurer or guarantor of security within or relating to the Project, including any Common Area in which the

Association may have an obligation to maintain, and the Association shall not be held liable for any loss or damage by reason of any failure to provide adequate security or any ineffectiveness of security measures undertaken. Owner(s) agree by purchasing a Lot in this Association that the Association and Board are not insurers of the safety or well-being of Owners or Occupants or of their personal property, and that each Owner or Occupant assumes all risks for loss or damage to persons, the Lots, the Common Areas, and to the contents of improvements located thereon to the extent not insured by the Association. EACH OWNER AND OCCUPANT UNDERSTANDS AND ACKNOWLEDGES THAT THE ASSOCIATION, AND BOARD HAVE NOT MADE ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND, AND THAT EACH OWNER OR OCCUPANT HAS NOT RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO THE SECURITY OF THE PROJECT.

15.10. **Effective Date.** The Declaration and any amendment hereof shall take effect upon its filing in the office of the Salt Lake County Recorder.

IN WITNESS WHEREOF, the Board of Directors has executed this Second Amended and Restated Declaration of Covenants, Conditions and Restrictions for Forest Glen Subdivision Plats "B" & "C" as of the day and year written below.

**BYLAWS  
OF  
FOREST GLEN PLAT "B&C" HOMEOWNERS ASSOCIATION**

These BYLAWS OF FOREST GLEN PLAT "B&C" HOMEOWNERS ASSOCIATION are effective upon recording in the Salt Lake County Recorder's Office pursuant to the Utah Community Association Act and the Utah Revised Nonprofit Corporation Act (referred collectively herein as the "Acts").

**RECITALS**

A. The Association is organized for any and all lawful purposes for which a nonprofit corporation may be organized under the Utah Revised Nonprofit Corporation Act, as amended, subject to the terms and conditions contained in the Declaration and Articles of Incorporation.

B. These Bylaws are adopted to complement the Declaration, to further define the rights of the Association and the Owners, to provide for the ability to effectively govern and operate the Association and the Project known as Forest Glen, and to further the Association's efforts to safely, efficiently, and economically provide a quality living environment.

**ARTICLE I  
DEFINITIONS**

1.1 Except as otherwise provided herein or as may be required by the context, all capitalized terms used herein shall have the same meaning and effect as used and defined in the Second Amended and Restated Declaration of Covenants, Conditions and Restrictions for Forest Glen Subdivision Plats "B" & "C".

**ARTICLE II  
APPLICATION**

2.1 All present and future Owners, Mortgagees, Occupants, and their invitees and guests, and any other persons who may use the facilities of the Project in any manner are subject to these Bylaws, the Declaration, and Rules. The mere acquisition or rental of any of the Residences or the mere act of occupancy or use of any said Residences or the Common Areas will signify that these Bylaws, the Declaration, and the Rules are accepted, ratified, and will be complied with by said persons.

**ARTICLE III  
OWNERS**

3.1 **Annual Meetings.** The Annual Meeting of the Owners shall be held each year on a day and time established by the Board. The purposes of the Annual Meeting will include the election of Board Members, the distribution of financial reports and budget, a review of any revisions to the Rules, distributing the most recent reserve study, and to transact such other business as may come before the meeting. The Board may from time to time by resolution change the month, date, and time for the Annual Meeting. If the Board fails to designate a date for the Annual Meeting, then the Annual Meeting shall be held on the second Thursday of

October each year.

3.2 **Special Meetings.** Special Meetings of the Owners may be called by a majority of the Board, the President, or upon the written request of Owners holding not less than fifty percent (50%) of the voting interests of the Association. Any written request for a Special Meeting presented by the Owners shall be delivered to the President and shall include the original signature of each Owner affirmatively supporting such request along with a complete statement of the purpose of the meeting on each page containing signatures. The President shall then call, provide notice of, and conduct a Special Meeting within 45 days of receipt of the Owner request.

3.3 **Place of Meetings.** The Board may designate any place in Salt Lake County that is reasonably convenient for the Owners as the place of meeting for any Annual or Special Meeting. If no designation is made, the place of the meeting shall be held at the entry gate.

3.4 **Notice of Meetings.** The Board shall cause written or printed notice of the date, time, and place (and in the case of a Special Meeting, the purpose or purposes) for all Owner meetings. Such written or printed notice shall be delivered to each Owner of record entitled to vote at such meeting not more than sixty (60) nor less than ten (10) days prior to the meeting. Such notice may be sent via email, text, hand-delivery, or regular mail. If sent by email or text, such notice shall be deemed delivered and effective on the date transmitted to the Owner's email address or telephone number registered with the Association. If mailed, such notice shall be deemed to be delivered and effective on the date deposited in the U.S. mail if addressed to the Owner's address registered with the Association. Each Owner shall register with the Association such Owner's current email address, phone number, and mailing address for purposes of notice hereunder. Such registered email, phone number, and mailing address may be changed from time to time by notice in writing to the Association. If no address is registered with the Association, an Owner's Residence shall be deemed to be the Owner's registered address and notice to the Residence address may be made by first-class mail or by posting the meeting notice on the front door. An Owner may opt out of receiving notices from the Association via email or text by giving written notice to the Board stating that the Owner will not accept notices by way of email or text.

3.5 **Qualified Voters.** An Owner shall be deemed to be in "good standing" and "entitled to vote" at any meeting of the Association if he or she has fully paid his or her Assessment account (together with interest or other fees) at least 48 hours prior to the commencement of the meeting and is not in violation of any provision of the Governing Documents.

3.6 **Record Date for Notice Purposes.** The Board may designate a record date, which shall not be more than sixty (60) nor less than ten (10) days prior to the meeting, for the purpose of determining Owners entitled to notice of any meeting of the Owners. If no record date is designated, the last date on which a notice of the meeting is mailed or delivered shall be deemed to be the record date for determining Owners entitled to notice. The persons or entities appearing in the records of the Association on such record date as the Owner(s) of record of Lots in the Project shall be deemed to be the Owners of record entitled to notice of the Owner meeting.

3.7 **Quorum.** At any duly called meeting of the Association, the presence of Owners and holders of proxies entitled to cast at least fifty percent (50%) of the total votes of the Association shall constitute a quorum for the transaction of business. The vote of the Owners representing a majority of the voting interest of the Owners in attendance in person or by

proxy, shall decide any vote or question brought before the meeting. Notwithstanding the foregoing, if the Act, the Articles of Incorporation, the Declaration (as amended), or these Bylaws require a fixed percentage of Owner interests to approve any specific action (e.g., amending Governing Documents), that percentage shall be required to approve such action.

If a quorum is not present at any meeting, the Board shall have the power to adjourn and reschedule the meeting. Any rescheduled meeting must occur within fifteen (15) days of the original meeting and may occur immediately after the original meeting at the Board's discretion. Notice of such rescheduled meeting shall not be required except an oral announcement at the meeting to be rescheduled. The number of Owners present, either in-person or by proxy, shall constitute a quorum for the transaction of business at the rescheduled meeting.

3.8 **Proxies**. At each Owner meeting, each Owner entitled to vote shall be entitled to vote in person or by proxy provided, however, that the right to vote by proxy shall exist only where the instrument authorizing such proxy to act shall have been signed by the Owner or by the Owner's attorney. A proxy may be written on paper or received via email, facsimile, text, or any other electronic or physical means. A signature as required herein shall mean any indication that the document is from and consented to by the person who is purported to have sent it. If a Lot is jointly owned, the instrument authorizing a proxy to act may be executed by any one (1) Owner of such Lot or the Owner's attorney when duly authorized in writing. A proxy given by an Owner to any person who represents the Owner at meetings of the Association shall be in writing, dated, and signed by such Owner. Such instrument may allow the proxy to vote on any issue arising at any particular meeting or meetings, or may set forth the specific matters or issues upon which the proxy is authorized to act. Proxies shall be filed with the Secretary (or with such other officer or person who may be acting as Secretary of the meeting) before the meeting is called to order. The Secretary shall record all proxies in the meeting minutes.

3.9 **Votes**. With respect to each matter submitted to an Owner vote, each Owner entitled to vote at the meeting shall have the right to cast, in person or by proxy, the number of votes appertaining to the Lot of such Owner, as shown in the Declaration. The affirmative vote of a majority of the votes entitled to be cast by the Owners present or represented by proxy at a meeting at which a quorum was initially present shall be necessary for the adoption of any matter voted on by Owners, unless a greater proportion is required by the Articles of Incorporation, these Bylaws, or the Declaration. The election of Board Members shall be by secret ballot. When a Lot is jointly owned, any Owner may exercise the vote for such Lot on behalf of all Co-Owners of the Lot. In the event of two (2) conflicting votes by Co-Owners of a Lot, no vote shall be counted for that Lot. In no event shall fractional or cumulative votes be exercised with respect to any Lot. Only those Owners whose accounts with the Association are not more than thirty (30) days delinquent shall be entitled to vote.

3.10 **Waiver of Irregularities**. All inaccuracies and irregularities in calls or notices of meetings and in the manner of voting, in the form of proxies and the method of ascertaining Owners present, and in the decision and votes of the Board or of the Owners shall be deemed waived by those Members in attendance if no objection is made at the meeting. For those Members who are not in attendance at the meeting, the right to challenge inaccuracies and irregularities in calls, notices, voting, and decisions shall be waived if no objection is made within thirty (30) days of the date of the meeting.

3.11 **Action Taken Without a Meeting**. Owners have the right to take any action in

the absence of a meeting which they could take at a meeting by obtaining the written approval of Owners in accordance with the requirements of Utah Code §16-6a-707 or § 16-6a-709 and any other applicable section of the Acts. Any action so approved shall have the same effect as though taken at an Owner meeting. Ballots or written consents may be obtained via any electronic or physical means including but not limited to email, facsimile, text, or paper document.

3.12 **Minutes of Meetings.** The Secretary shall take minutes of all meetings of the Owners. The minutes shall include, at a minimum, (1) the identification of the Persons present in person and by proxy, (2) the meeting date, (3) the identification of any issue that is voted on or decided in the meeting, (4) the number of votes cast for and against any issue decided upon, and (5) the exact wording of any resolution passed at the meeting. The failure to take appropriate minutes or otherwise comply with this section does not invalidate any action taken at a meeting. Draft meeting minutes for each annual meeting of the Owners shall be made available to all Owners within thirty (30) days of the annual meeting.

#### **ARTICLE IV BOARD OF DIRECTORS**

4.1 **Powers.** The Project and the affairs and business of the Association shall be managed by the Board of Directors. The Board may exercise business judgment and all of the powers of the Association, whether derived from the Declaration, these Bylaws, the Articles, or the Acts except such powers that the Declaration, these Bylaws, the Articles, and the Acts vest solely in the Owners.

4.2 **Number and Qualifications.** The property, business, and affairs of the Association shall be governed and managed by a Board of Directors composed of nine (9) Persons. Board Members must be at least 18 years old and must be an Owner or the spouse of an Owner of a Lot in the Project. If an Owner is a corporation, partnership, limited liability company, or trust, an officer, partner, member, manager, agent, trustee, or beneficiary of such Owner may be a Board Member. If a Board Member ceases to meet any required qualifications during the Board Member's term, such person's membership on the Board shall automatically terminate.

4.3 **Election.** The election of Board Members shall be made by a vote of the Owners through secret ballot at the Annual Meeting, or Special Meeting designated for such purpose. At such election, the Owners or their proxies may cast, with respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted.

4.4 **Term of Office.** At each Annual Meeting, the Owners shall elect the number of Board Members whose terms are to expire for a term of three (3) years. The terms shall be staggered and overlap so that elections for three (3) Board Member positions are held each year. Board Members may serve consecutive terms if reelected.

4.5 **Regular Meetings.** The Board shall hold meetings at least quarterly or more often at the discretion of the Board.

4.6 **Special Meetings.** Special meetings of the Board may be called by the President or a majority of Board Members on at least two (2) business days' prior notice to each Board Member.

4.7 **Meeting Notice.** Notice may be given to Board Members and Owners personally, by email, or by telephone, including text message. Notice shall be provided to Owners in the same manner as provided to Board Members. By unanimous consent of the Board, meetings may be held without call or notice to Board Members, but notice shall always be provided to those Owners who have requested notice of Board meetings.

4.8 **Quorum and Manner of Action.** A majority of then authorized Board Members shall constitute a quorum for the transaction of business at any Board meeting. The act of a majority of the Board Members present at any meeting at which a quorum is present and for which proper notice was provided shall be the act of the Board. The Board Members shall act only as the Board of Directors, and individual Board Members shall have no powers as such.

4.9 **Owner Attendance.** Any Owner may request notice of Board meetings by requesting such notice from a Board Member and providing a valid email address at which the Owner will receive notice. Owners who have requested notice of Board meetings shall be given notice along with the Board Members and shall be provided any call-in number or other means of attendance by electronic communication that is provided to Board Members. If Owners attend a Board meeting, the Board may select a specific period of time during the meeting and limit Owner comments to such time period. The Board in its sole discretion may set a reasonable length of time that each Owner may speak.

4.10 **Open Meetings.** Except as provided below in (a) through (f), Board meetings shall be open to Owners. The Board may hold a closed executive session during a meeting of the Board if the purpose of the closed executive session is to:

- (a) Consult with legal counsel of the Association to obtain legal advice and discuss legal matters;
- (b) Discuss existing or potential litigation, mediation, arbitration, or an administrative proceeding;
- (c) Discuss a labor or personnel matter;
- (d) Discuss a matter relating to the initial contract negotiations, including the review of a bid or proposal;
- (e) Discuss a matter involving a Person, if the Board determines that public knowledge of the matter would violate the Person's privacy; or
- (f) Discuss a delinquent assessment.

4.11 **Board Meetings Generally.** The Board may designate any place in Salt Lake County as the place of meeting for any regular or special Board meeting. The Board may allow attendance and participation at any Board meeting by telephone or any other electronic means that allows for Board Members or Owners to communicate orally in real time. If a Board meeting is held by telephone, the Association shall provide the call-in information such that Owners may call-in to access the meeting.

4.12 **Board Action.** Notwithstanding noncompliance with any provision within this Article, Board action is binding and valid unless set aside by a court of law. A person challenging the validity of a Board action for failure to comply with this Article may not bring the challenge more than sixty (60) days after the Board has approved the minutes recording the Board action.

4.13 **Compensation.** No Board Member shall receive compensation for any services that such member may render to the Association as a Board Member; provided, however, that a Board Member may be reimbursed for expenses incurred in performance of such duties as a Board Member to the extent such expenses are approved by a majority of the other Board Members. Nothing herein contained shall be construed to preclude any Board Member from serving the Project in any other capacity and receiving compensation therefore, so long as approved in advance by a majority of disinterested Board Members.

4.14 **Resignation and Removal.** Board Members may resign at any time by delivering a written resignation to either the President or the Secretary. Unless otherwise specified therein, such resignation shall take effect upon delivery. A Board Member may be removed at any time, with or without cause, at a Special Meeting of the Owners duly called for such purpose upon the affirmative vote of more than fifty percent (50%) of the entire voting interests of the Association. At such a meeting, the Owners shall vote for a new Board Member to fill the remaining term of the removed Board Member. Board Members may also be removed by a majority vote of the other active Board Members upon the occurrence of any of the following: failure to attend three (3) consecutive Board meetings, failure to remain current on Assessments, or a violation of the Governing Documents. If removal occurs based on the preceding sentence, then the remaining Board Members may appoint a replacement to serve the remaining term of the removed Board Member.

4.15 **Vacancies.** If vacancies occur in the Board for any reason (including death, resignation, or disqualification) except removal by the Owners, the Board Members then in office shall continue to act, and such vacancies shall be filled by a majority vote of the Board Members then in office, though less than a quorum. Any vacancy in the Board occurring by reason of removal of a Board Member by the Owners may be filled by election of the Owners at the meeting at which such Board Member is removed. Any Board Member elected or appointed hereunder to fill a vacancy shall serve for the unexpired term of his predecessor. Except by reason of death, resignation, disqualification, or removal, Board Members shall continue to serve until their successors are elected.

4.16 **Action Without a Meeting.** Board Members have the right to take any action in the absence of a meeting which they could take at a meeting subject to the requirements of Utah Code § 16-6a-813 and any other applicable sections of the Acts. Any action so approved shall have the same effect as though taken at a Board meeting.

4.17 **Waiver of Notice.** Before or at any meeting of the Board, any Board Member or Owner may waive notice of such meeting and such waiver shall be deemed the equivalent of proper notice. Attendance by a Board Member or Owner at any meeting thereof shall be a waiver of notice by that Board Member or Owner of the time, place, and purpose thereof.

4.18 **Adjournment.** The Board may adjourn any meeting from day to day for such other time as may be prudent or necessary, provided that no meeting may be adjourned for longer than thirty (30) days.

4.19 **Meeting.** A Board meeting does not include a gathering of Board Members at which the Board does not conduct or vote on Association business.

## ARTICLE V OFFICERS

5.1 **Officers.** The officers of the Association shall be a President, Vice President, Secretary, Treasurer, and such other officers as may be appointed by the Board.

5.2 **Election, Tenure, and Qualifications.** Officers shall be elected by the Board at the first Board meeting following each Annual Meeting of the Owners. Each such officer shall hold such office until the next ensuing meeting of the Board following the Annual Meeting of the Owners and until a successor has been elected and qualified, or until such officer's death, or until resignation, disqualification, or removal in the manner provided in these Bylaws, whichever first occurs. Any person may hold any two (2) or more of such offices, except that the President may not also be the Secretary. No person holding two (2) or more offices shall act in or execute any instrument in the capacity of more than one (1) office. No person can hold any two offices for more than 60 days.

5.3 **Subordinate Officers.** The Board may appoint such other officers or agents as it may deem advisable, each of whom shall have such title, hold office for such period, have such authority, and perform such duties as the Board may from time to time determine.

5.4 **Resignation and Removal.** An officer may resign at any time by delivering a written resignation to any member of the Board or to any managing agent of the Association. Unless otherwise specified therein, such resignation shall take effect upon delivery. An officer may be removed and replaced upon the affirmative vote of a majority of the Board Members at any time, with or without cause.

5.5 **Vacancies.** If a vacancy shall occur in any office by reason of death, resignation, removal, disqualification or any other cause, or if a new office shall be created, such vacancies or newly created offices may be filled by majority vote of the Board at any regular or special Board meeting.

5.6 **President.** The President shall be the chief executive of the Association. The President shall preside at meetings of the Board of Directors and at meetings of the Owners. At the meetings, the President shall have all authority typically granted to the person presiding over the meeting including but not limited to: (1) the right to control the order of the meeting, (2) the right to arrange for the removal of any disruptive Owner or person, (3) the right to impose and enforce reasonable rules and procedures related to the meeting such as those found in "Robert's Rules of Order" or "The Modern Rules of Order." The President shall sign on behalf of the Association all conveyances, mortgages, documents, and contracts, and shall do and perform all other acts and things as required by the Board.

5.7 **Vice President.** The Vice President shall perform all duties of the President when the President is absent or unable or refuses to act at any meeting of the Board or Owners. The Vice President shall perform such other duties as required by the Board.

5.8 **Secretary.** The Secretary shall keep the minutes of the Association and shall maintain such books and records as these Bylaws, the Declaration, Rules, or any resolution the Board may require such person to keep. The Secretary shall also act in the place of the Vice President in the event of the President's and Vice President's absence or inability or refusal to act.

5.9 **Treasurer.** The Treasurer shall be responsible to maintain the financial accounting of the Association, subject to the action of the Board, and when requested by the President, shall report the state of the finances of the Association at each meeting of the Owners and at any meeting of the Board. The Treasurer is responsible for the implementation of procedures to minimize the risk of embezzlement or improper use of Association funds and financial accounts. The Treasurer shall perform such other duties as required by the Board.

5.10 **Compensation.** No officer shall receive compensation for any services rendered to the Association as an officer, provided, however, that an officer may be reimbursed for expenses incurred in performance of such duties as an officer to the extent such expenses are approved by the Board.

## **ARTICLE VI COMMITTEES**

6.1 **Designation of Committees.** The Board may designate committees as it may deem appropriate in carrying out its duties, responsibilities, functions, and powers. No member of such committee shall receive compensation for services rendered to the Association as a member of the committee; provided, however, that the committee member may be reimbursed for expenses incurred in performance of such duties as a committee member to the extent that such expenses are approved by the Board. A committee shall not have any powers, duties, or responsibilities beyond those specifically assigned by the Board in a written resolution. The Board may terminate a committee at any time.

6.2 **Proceeding of Committees.** A committee may appoint its own presiding and recording officers and may meet at such places and times and upon such notice as such committee may from time to time determine. Committees shall keep records of its proceedings and shall regularly report such records to the Board.

6.3 **Quorum and Manner of Acting.** At each committee meeting, the presence of members constituting at least a majority of the authorized membership of such committee (but in no event fewer than two (2) members) shall constitute a quorum for the transaction of business, and the act of a majority of the members present at any meeting at which a quorum is present shall be the act of such committee. The members of any committee designated by the Board hereunder shall act only as a committee, and the individual members thereof shall have no powers as such. A committee may exercise the authority granted by the Board.

6.4 **Resignation and Removal.** A committee member may resign at any time by delivering a written resignation to the President, the Board, or the presiding officer of such committee. Unless otherwise specified therein, such resignation shall take effect upon delivery. The Board may at any time, with or without cause, remove any committee member.

6.5 **Vacancies.** If a vacancy shall occur in any committee due to disqualification, death, resignation, removal, or otherwise, the remaining members shall, until the filling of such vacancy by the Board, constitute the then total authorized membership of the committee and, provided that two (2) or more members are remaining, may continue to act. Such vacancy may be filled at any meeting of the Board.

## **ARTICLE VII INDEMNIFICATION**

7.1 **Indemnification.** In addition to the indemnification provisions and requirements set forth in the Declaration, no Board Member, officer, or committee member shall be personally liable for any obligations of the Association or for any duties or obligations arising out of any acts or conduct said Board Member, officer, or committee member performed for or on behalf of the Association. The Association shall and does hereby indemnify and hold harmless each person who shall serve at any time as a Board Member, officer, or committee member of the Association, as well as such person's heirs and administrators, from and against any and all claims, judgments and liabilities to which such persons shall become

subject, by reason of that person having heretofore or hereafter been a Board Member, officer, or committee member of the Association or by reason of any action alleged to have been heretofore or hereafter taken or omitted to have been taken by him as such Board Member, officer, or committee member and shall reimburse any such person for all legal and other expenses reasonably incurred in connection with any such claim or liability; provided that no such person shall be indemnified against or be reimbursed for or be defended against any expense or liability incurred in connection with any claim or action arising out of such person's willful or intentional misconduct. The rights accruing to any person under the foregoing provisions of this Section shall not exclude any other right to which such person may lawfully be entitled, nor shall anything herein contained restrict the right of the Association to indemnify or reimburse such person in any proper case, even though not specifically provided for herein or otherwise permitted. The Association, its Board Members, officers, committee members, employees, and agents shall be fully protected in taking any action or making any payment or in refusing so to do in reliance upon the advice of counsel.

7.2 **Other Indemnification.** The indemnification provided herein shall not be deemed exclusive of any other right to indemnification to which any person seeking indemnification may be under the Acts or under any agreement, vote of disinterested Board Members or otherwise, both as to action taken in any official capacity and as to action taken in any other capacity while holding such office. It is the intent hereof that all Board Members, officers, and committee members be and hereby are indemnified to the fullest extent permitted by the laws of the State of Utah and these Bylaws. The indemnification herein provided shall continue as to any person who has ceased to be a Board Member, officer, committee member, or employee and shall inure to the benefit of the heirs, executors and administrators of any such person.

7.3 **Insurance.** The Board, in its discretion, may direct that the Association purchase and maintain Directors and Officers insurance on behalf of any person who is or was a Board Member, officer, committee member, or employee of the Association or is or was serving at the request of the Association as a Board Member, officer, committee member, employee, or agent of another association, corporation, partnership, joint venture, trust or other enterprise against any liability asserted against, and incurred by, such person in any such capacity or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against liability under the provisions of this Article.

7.4 **Settlement by Association.** The right of any person to be indemnified shall be subject always to the right of the Association through the Board, in lieu of such indemnity, to settle any such claim, action, suit or proceeding at the expense of the Association by the payment of the amount of such settlement and the costs and expenses incurred in connection therewith.

## **ARTICLE VIII RULES AND PROCEDURES**

8.1 **Rules.** The Board shall have the authority to adopt and establish by resolution such Association Rules as it may deem necessary for the maintenance, operation, management, and control of the Project. The Board may from time to time, by resolution, alter, amend, and repeal such Rules and use their best efforts to see that they are strictly observed by all Owners and residents. Owners are responsible to ensure that their lessees, invitees, and guests strictly observe the Rules then in effect as well as the covenants and restrictions of the Declaration and shall be jointly and severally liable for their violations and resulting fines.

Copies of all Rules adopted by the Board shall be sent to all Owners at least ten (10) days prior to the effective date thereof. The Rules shall not be recorded.

**ARTICLE IX  
AMENDMENTS**

9.1 **Amendments.** The Bylaws may be amended, altered, or repealed and new Bylaws may be adopted upon the affirmative vote of at least sixty-seven percent (67%) of the voting interest of the Association. Any amendment(s) shall be effective upon recordation in the office of the Salt Lake County Recorder. In such instrument a Board Member shall execute the amendment and certify that the vote required by this Section has occurred. No acknowledgment of any Owner or Board Member signature shall be required.

**ARTICLE X  
MISCELLANEOUS PROVISIONS**

10.1 **Waiver.** No restriction, condition, obligation, or provision contained in these Bylaws shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur.

10.2 **Invalidity; Number; Captions.** The invalidity of any part of these Bylaws shall not impair or affect in any manner the validity, enforceability, or effect of the balance of these Bylaws. As used in these Bylaws, the singular shall include the plural, and the plural the singular. The masculine and neuter shall each include the masculine, feminine and neuter, as the context requires. All captions are intended solely for convenience of reference and shall in no way limit any of the provisions of these Bylaws.

10.3 **Conflicts.** These Bylaws are intended to comply with the Declaration. In case of any irreconcilable conflict, the Declaration shall control over these Bylaws.
