In the event the Developer does not reimburse the City or its successors and assigns within such ten days, the City, its successors or assigns, shall have (i) the right to exercise any and all rights which the City, its successors or assigns, might have at law to collect the same, and (ii) have a lien on the Parcel to the extent of the amount paid by the City, its successors or assigns, but not reimbursed by the Developer, which amount shall bear interest at a rate equal to the then published “Prime Rate” of Wells Fargo Bank, N.A., plus two percent (2%) per annum (the “Interest Rate”) (the Parties acknowledging that such rate may not be the lowest or “best” rate), or the highest legal rate of interest, whichever is less, from the date of billing until paid. Such lien may be filed for record as a claim against the Developer, in the form required by law, in the Salt Lake County Recorder’s Office, which lien shall contain at least the following information:

- (d) A description of the Parcel.

The lien so claimed shall attach from the date of recordation in the amount claimed, and it may be enforced and foreclosed in any manner allowed by law, including, but not limited to, suits to foreclose a mechanic’s lien, trust deed, or mortgage under applicable law. Such lien, when so established against the real property described in such lien, shall be prior and superior to any right,

title, interest, lien, or claim which may be or is acquired or attached to such real property after the time of recording the claim of lien, but shall in any event be subordinate to the lien of a Qualified Mortgagee (as defined below), if so agreed to in writing by the City. Notwithstanding the foregoing, the City agrees that it will enter into an intercreditor agreement among the Lender, the City and the Developer, pursuant to which the City shall agree not exercise such remedies if it is given such alternative rights and remedies as the City shall reasonably agree.

6.3 Breach Shall Not Permit Termination. No breach of this Agreement shall entitle the Developer to cancel, rescind or otherwise terminate this Agreement.

6.4 No Limitation of Remedies; Sole Discretion. The various rights and remedies herein contained, except as otherwise provided in this Agreement, shall not be considered as exclusive of any other right or remedy, but shall be construed as cumulative and shall be in addition to every other remedy now or hereafter existing at law, in equity or by statute. No delay or omission of the right to exercise any power or remedy shall impair any such right, power or remedy or be construed as a waiver of any default or nonperformance or as acquiescence therein. The Developer and the successors and assigns of the Developer, shall be jointly and severally liable for any default under this Agreement; and any action with regard to such default may be instituted against all or any one of them. All decisions and determinations made by the City under this Section 6 may be made in the City's sole discretion. Notwithstanding the foregoing, the City agrees that if it exercises its Option under the Option to Repurchase Agreement, it shall have no further remedies hereunder and its rights under the Guaranty shall be limited to payment of the Deficit Amount (as such term is defined in the Option to Repurchase Agreement).

6.5 City Default. The City shall be deemed to be in default hereunder in the event the City fails to meet, comply with, or perform any covenant, agreement, or obligation on its part required within the time limits (including applicable cure periods) and the manner required in this Agreement, and thereafter fails to cure any such default within 30 days of its receipt of a written notice of default from the Developer; provided, however, that in the event that the nature of such default is such that more than 30 days are reasonably required for its cure, then such default will not be deemed to be an Event of Default if the City shall commence such cure within such 30 days period and shall thereafter diligently prosecute such cure to completion; provided, further, that the maximum additional time to complete such cure shall be 30 days (60 days in total). Following an Event of Default, the Developer shall have all remedies at law or in equity, which shall include the right to restrain by injunction any violation or threatened violation and by decree to compel specific performance of any terms, covenants or conditions of this Agreement.

6.6 Lender's and Mortgagee's Right to Cure. Notwithstanding the provisions of Sections 6.1 to 6.5, if, during the cure period specified in Section 6.1, either (i) Lender gives City (1) written confirmation, in a form reasonably acceptable to City, that Lender has assumed all responsibilities for completing the construction of the Developer Improvements and commences within a reasonable time to cure and diligently prosecutes the cure to completion ("Cure Notice"), or (2) written notice that a successor to the Lender has acquired title to the Parcel during a foreclosure proceeding or under any arrangement or proceeding in lieu of foreclosure, and that the successor to Lender has assumed all responsibilities for completing the construction of the Developer Improvements and commences within a reasonable time to cure and diligently prosecutes the cure to completion ("Purchaser Notice"); or (ii) master tenant, if one exists, gives City written confirmation that it has assumed all responsibilities for completing the construction of the Developer Improvements and commences within a reasonable time to cure and diligently

prosecutes the cure to completion (“Master Tenant Cure Notice”), City will forebear from exercising any of its rights and remedies under this Agreement with respect to the default described in the Notice of Default following City’s receipt of the Master Tenant Cure Notice, the Purchaser Notice, or Cure Notice (each, a “Forbearance Period”). During the Forbearance Period City specifically reserves the right to take the following actions:

(a) Provide a notice of default for an Event of Default not specifically described in a prior Default Notice and exercise any remedies available to City as a result of that Event of Default (which Event of Default will also be subject to cure by Lender or its successors and/ or assigns as provided in this Section).

(b) Pursuing and enforcing all other provisions of this Agreement and the Closing Documents, other than revesting the Parcel in City pursuant to the Option to Repurchase Agreement.

(c) Noticing or publishing any notice with respect to the holding of or conducting business at, or noticing or publishing notice of actions taken at, any regularly scheduled or special meeting of City.

#### **SECTION 7: Mortgage Protection and Notices**

7.1 **Definitions.** As used in this Agreement, each of the following terms shall have the indicated meaning:

(a) “Mortgage” means a mortgage, or a deed of trust, or other security agreement recorded in the Official Records.

(b) “Mortgagee” means the mortgagee under a mortgage, the beneficiary under a deed of trust or the secured party under any security agreement recorded with respect to the Parcel or any portion thereof in the Official Records.

(c) “Official Records” means the official records of the Salt Lake County Recorder, State of Utah.

(d) “Qualified Mortgagee” means a Mortgagee of which the City has been given written notice, including such Mortgagee’s name and address. Those Mortgagees include the Lenders.

7.2 **Obligations of Mortgagee.** Unless and until it enters into possession or acquires title pursuant to foreclosure or any arrangement or proceeding in lieu of foreclosure, any Qualified Mortgagee shall have no obligation to take any action to comply with, and may not be compelled to take any action to comply with, and shall have no liability under, this Agreement.

7.3 **Notices; Right to Cure.** On delivering to the Developer any notice, demand or other communication pursuant to the provisions of this Agreement and the Option to Repurchase Agreement, the City shall at the same time deliver copies of such notice to each Qualified Mortgagee at the latest address provided to the City by such Qualified Mortgagee, and to the Investor at the latest address provided to the City by such Investor. Although otherwise effective with respect to the Developer, no notice delivered to the Developer shall affect any rights or remedies of a Qualified Mortgagee or Investor unless a copy of such notice has been delivered to such Qualified Mortgagee or Investor in accordance with the immediately preceding sentence.

Each Qualified Mortgagee or Investor shall have the right to remedy a default, or cause the same to be remedied within the time allowed to the Developer.

7.4 Performance. A Qualified Mortgagee shall have the right to act for and in the place of the Developer to the extent permitted by the applicable Mortgage or otherwise agreed to by the Developer in writing. The City shall accept performance by or on behalf of a Qualified Mortgagee as if the same had been performed by the Developer. A Qualified Mortgagee shall have the right, to the extent the Developer agrees in writing, to appear in a legal action or proceeding on behalf of the Developer in connection with the Parcel.

7.5 Recognition. Within 30 days of a written request therefor together with evidence as the City may reasonably require that a proposed Qualified Mortgagee in fact meets the requirements of a Qualified Mortgagee as set forth herein, the City agrees to execute, acknowledge and deliver to such Qualified Mortgagee an instrument stating that such Qualified Mortgagee is a "Qualified Mortgagee" entitled to the benefits of this Section 8.

7.6 Estoppel Certificate. Within ten days after a written request by the Developer, a Qualified Mortgagee or a proposed Qualified Mortgagee, and upon payment of the City's reasonable legal costs incurred in connection with the issuance thereof, the City shall issue a certificate confirming or not confirming if not accurate:

- (a) that this Agreement is in full force and effect;
- (b) that to the City's knowledge no default (or event which with the giving of notice or passage of time, or both will constitute default) exists on the part of the Developer or the City under this Agreement; and
- (c) such other matters pertaining to this Agreement as may reasonably be requested.

The Person requesting the certificate shall be entitled to rely on the certificate.

8.8 Invalid Provisions. 8.9 Further Acts. In addition to the acts and deeds recited herein and contemplated to be performed, executed and delivered by the City and the Developer, the City and the Developer agree to perform, execute, and deliver or cause to be performed, executed, and delivered any and all such further acts, deeds, and assurances as may be necessary to consummate the transactions contemplated hereby.
