**COOPERATION AGREEMENT FOR NON-DISTRICT USE OF DISTRICT
LANDS AND INTEREST IN LANDS
(SLA)**

THIS COOPERATION AGREEMENT ("Agreement") is entered into effective this 24th day of October, 2019, between Metropolitan Water District of Salt Lake & Sandy ("District") and Comcast of California/Massachusetts/Michigan/Utah, Inc., a Pennsylvania corporation, with its Utah offices located at 1108 East South Union Avenue, Midvale, UT 84047 ("Applicant").

AGREEMENT PURPOSES

District owns and operates the Salt Lake Aqueduct ("SLA") Corridor and certain improvements located within or on the SLA Corridor. (As used in this Agreement "improvements" is intended to include all manner of works, equipment, facilities and infrastructure.) District is a political subdivision of the State of Utah responsible for transporting and treating public water, and as such District has regulatory authority to protect the SLA, SLA Corridor, District improvements and operations, and District water.

Applicant has requested permission for the non-exclusive use described below of that portion of the SLA Corridor also described below. District is willing to permit the described use of the described portion of the SLA Corridor, without representation or warranty whatsoever. Without intending to limit the scope of the immediately preceding disclaimer of **all** warranties, District specifically disclaims any representation or warranty of title, and any representation or warranty regarding the condition or fitness of the SLA Corridor for the intended use by Applicant.

District owns portions of the SLA Corridor in fee, and holds easements in other portions. This Agreement is intended to document the fact that Applicant's described use of the described portion of the SLA Corridor is acceptable to District and consistent with District regulations. Applicable District regulations are available to Applicant for review.

This Agreement grants a non-exclusive right to Applicant for only those uses of the SLA Corridor described herein. District has no authority to grant Applicant any right of use that is valid as against others who have title interests in the SLA Corridor lands in question, and this Agreement does not purport to do so. For example, where District holds an easement, any use by someone

other than the fee title holder likely requires the consent of the fee title holder, which District cannot give and does not purport to give. Nor does this Agreement purport to satisfy any legal requirement other than District regulations. Applicant is solely responsible to obtain and maintain all other required agreements, permits, licenses, etc., including any necessary planning or zoning approvals. District has not agreed to provide any assistance to Applicant in understanding or meeting these other requirements.

AGREEMENT TERMS AND CONDITIONS

The parties agree as follows:

I. APPLICANT'S USE OF SLA CORRIDOR.

Notwithstanding anything written in this Agreement, no permission is intended to be given to: 1) adversely impact in any respect District improvements; or 2) introduce any substance into District improvements or water; or 3) adversely impact in any respect District's operations.

(A) Description of Applicant's Use of SLA Corridor:

Applicant may install and maintain two 2-inch conduits with 0.625 and 0.875 coax inside to provide television, internet, and phone services to the Edelweiss community. Conduits will be installed along Snowy Peak Drive, as shown on Exhibit A. No structures, including pedestals, shall be installed within the SLA Corridor.

(B) Term:

Twenty-five (25) years. At or just prior to expiration of the term of this Agreement, the parties will discuss in good faith whether a new or renewed cooperation agreement may be in their respective interests. As used in this provision "good faith" means only that both parties will meet at reasonable times, with a view toward reaching a consensus and does not impose an obligation to act on either party in such a way that may then be contrary to that party's own best interests as seen by that party.

(C) Location by Stationing:

1323+39

(D) Legal Description of SLA Corridor Lands Applicant Will Be Using:

That portion of SLA Tracts 348A and 348B adjoining Edelweiss Phase 4 and as shown on Exhibit A. Tracts 348A and 348B are more accurately described as follows:

A strip of land 50 feet wide and included between two lines extended to the property lines and everywhere equally distant 25 feet on each side of that portion of the following described center line known as the Alpine-Draper Tunnel between Station 86+60.5 to Station 114+90.2 measured at right angles thereto; said center line is more particularly described as follows:

Beginning at Station 86+60.5 a point in the Southwest Quarter of Section 10, Township 4 South, Range 1 East, Salt Lake Base and Meridian, from which point the Northwest corner of said Section 10 bears North 5078.2 feet and West 2667.8 feet; thence North 30°30' West 2829.7 feet to Station 114+90.2 from which point the Northwest corner of said Section 10 bears North 2640 feet and West 1231.6 feet.

(E) Legal Description of Applicant's Property Benefited by this Agreement to Which the Rights and Responsibilities of Applicant Shall Run:

Not applicable.

(F) Plans, Drawings, Maps, Plats, etc. Attached and Incorporated Into This Agreement:

Exhibit A: Utility Plan

II. REIMBURSEMENT OF COSTS.

(A) In the event that Applicant is required to reimburse District for costs pursuant to this agreement, Applicant shall reimburse District for all costs reasonably incurred by District within thirty (30) days of mailing of an itemized invoice from District for such costs.

(B) If Agreement authorizes Applicant improvements which provide a public utility service, or similar public service, and except in times of emergency, removal or correction work will be accomplished by District with an appropriately skilled and licensed contractor, and reasonable steps will be taken to minimize disruption of public service.

III. WORK.

(A) Applicant warrants and agrees that no earthwork, construction work or other work performed by or for Applicant on the SLA Corridor or close enough to the SLA Corridor to present risk to District improvements or operations will take place except as expressly described in plans and specifications approved in writing by District. Any modifications to such plans and specifications must be approved in writing by District.

(B) Applicant warrants that all earthwork, construction work and other work will:

(i) strictly comply with plans and specifications approved in writing by District;

(ii) meet or exceed all applicable codes, ordinances, other legal requirements, and all applicable generally recognized written trade and industry standards and recommendations;

(iii) be performed by skilled, experienced, competent and properly licensed contractors and workers;

(iv) be conducted in a timely, careful, safe, workmanlike and professional manner;

(v) be conducted so as not to damage District improvements;

(vi) be consistent with *District Standard Specifications*, as they may from time to time change. *District Standard Specifications* are available to Applicant for review, and are incorporated herein by reference.

(C) District shall have the right, but no obligation, to inspect the progress of the work or to inspect materials at all times. District may also reasonably require inspection or testing by others of any work or materials. District shall have the right to stop work and require correction of any work, or replacement of any materials, which in its reasonable judgment does not comply with any term or condition of this Agreement. If, after notice from District which is reasonable under the circumstances, Applicant fails to remove or correct unacceptable work or materials, correction or removal of unacceptable work or materials may be accomplished by District, or its contractor, and Applicant shall reimburse District as described in Article II. District shall have no obligation whatsoever to review or supervise the method or manner in which the work is accomplished. District shall have no obligation whatsoever for the safety of workers or others on or adjacent to the job site. No approval, observation, inspection or review undertaken by District is intended to be for the benefit of Applicant, its contractors, suppliers, subcontractors, or their respective employees. Unless expressly stated in writing, any approval, observation, inspection or review by District shall not constitute an acceptance of work or materials that do not comply with the approved plans or specifications or this Agreement.

IV. MAINTENANCE OF APPLICANT'S IMPROVEMENTS.

(A) All of Applicant's improvements on the SLA Corridor, or close enough to the SLA Corridor to present risk to District improvements or operations, shall be maintained in a condition which:

(i) is reasonably satisfactory to District;

(ii) does not interfere with the ability of District to use, operate, repair, reconstruct, maintain, improve or modify the SLA, SLA Corridor or any District improvements for District's purposes, as those purposes may from time to time change;

(iii) is reasonably safe and attractive;

(iv) complies with all applicable codes, ordinances, other legal requirements, as well as generally recognized written trade and industry standards and recommendations; and

(v) complies with all applicable written regulations and policies of District including, but not limited to, *District Policies and Procedures* and *District Standard Specifications* as those policies and specifications may change from time to time.

(B) District may from time to time and as is reasonable have any or all of Applicant's improvements which are on the SLA Corridor inspected by qualified professionals. Applicant shall reimburse District as described in Article II above.

(C) If after notice from District that is reasonable under the circumstances, Applicant fails to correct any unacceptable condition of any of Applicant's improvements on the SLA Corridor, or close enough to the SLA Corridor to present risk to District improvements or operations, correction may be accomplished by District, and Applicant shall reimburse District as described in Article II above.

V. COSTS ADVANCED.

Applicant agrees to pay the sum of \$1,700.00 to District to cover some or all of the costs to District for its initial engineering and/or other costs incurred for the review of plans and specifications, preparation of documents, inspection of work and materials, and administration of this Agreement. Applicant further agrees to pay the sum of \$358.75 to District at the time of the signing of this Agreement for those uses described in I(A) of District lands. Applicant further agrees to reimburse District for any additional costs which District reasonably incurs as a result of Applicant's use of the SLA Corridor or enforcement of this Agreement.

VI. RIGHTS RESERVED.

(A) Any and all rights of Applicant under the terms of this Agreement shall be limited by, subject to, and subordinate to, any and all rights of District and District Trustees, employees, agents, and permittees to enjoy, manage, supervise, use, operate, occupy, enter, exit, inspect, repair, maintain, replace, improve or modify the SLA Corridor and any District improvements or operations. To the extent Applicant's use of the SLA Corridor increases the cost of District's exercise of its rights, Applicant may be required to reimburse the District as described in Article II above.

(B) District will make reasonable efforts to provide reasonable advance notice to Applicant of any work District reasonably recognizes as materially adverse to Applicant's authorized use of the SLA Corridor. District may implement electronic notice procedures. Applicant will be responsible to timely provide District with current contact information. Applicant accepts all risks that any or all of Applicant's improvements installed on the SLA Corridor may be modified, destroyed or reconstructed at Applicant's sole cost and expense to accommodate District's exercise of District rights to use the SLA Corridor. This provision is not intended to provide District with new or additional property rights to use the SLA Corridor.

(C) District reserves the right to issue additional licenses or permits for uses of the SLA Corridor. District will not provide a conflicting license without a finding that doing so is necessary for public purpose after reasonable efforts to notify the Applicant. District will make reasonable efforts to provide advance notice that is reasonable under the circumstances to

Applicant of additional licenses that District reasonably recognizes may be temporarily or permanently disruptive to Applicant's authorized use of the SLA Corridor. District may implement electronic notice procedures. It is acknowledged that District claims no right to grant permission for uses of the SLA Corridor except as to District's interests in the SLA Corridor. For example, where District holds only an easement for the SLA, District could not grant permission for uses by others that would be effective as to the fee title holder. This provision is not intended to provide District with new or additional property rights for licensing third party uses of the SLA Corridor.

(D) District and its officers, Trustees, employees and contractors shall have no liability for any damage to, or interference with Applicant's works or improvements as a result of the exercise by District of any of its rights.

(E) It is acknowledged that the District may support the construction of public, non-motorized trails on the SLA Corridor by public entities other than the District. It is acknowledged that District claims no right to grant permission for the construction or use of a public trail except as to District's interests in the SLA Corridor. For example, where District holds an easement District could not grant permission for public trail uses that would be effective as to the fee title holder. This provision is not intended to provide District with new or additional property rights to authorize trail uses.

(F) All reservations of rights by District under this Agreement are in addition to any and all other rights which District may have by operation of law or otherwise.

VII. CONTRACTORS, INSURANCE, BONDS.

Applicant shall be jointly and severally liable for any act, fault, error, omission or non-compliance with this Agreement by Applicant or any of Applicant's contractors, employees or subcontractors. Applicant warrants that all persons or entities performing earthwork or construction work on the SLA Corridor on behalf of Applicant will provide insurance and bonds in strict compliance with Exhibit B attached hereto and incorporated herein. Applicant, itself, shall maintain a broad form general liability policy of insurance in a form reasonably acceptable to the District in strict compliance with Exhibit B.

VIII. DEFENSE, INDEMNITY.

Applicant shall defend, indemnify and hold District and its officers, trustees and employees harmless, including costs and attorneys' fees, from any claim, demand, action or cause of action: (i) alleging that District was at fault in allowing Applicant's use of the SLA Corridor; or (ii) alleging that District was at fault in failing to supervise, inspect, direct, instruct, warn or otherwise manage or control Applicant's use of the SLA Corridor, or (iii) alleging that District knew of, should have known of, or had constructive knowledge of a dangerous condition created by Applicant or any employee, agent or contractor of Applicant; or (iv) alleging District is vicariously liable for acts or omissions of Applicant or any employee, agent or contractor of Applicant (under the Peculiar Risk Doctrine or otherwise), or (v) challenging in any manner Applicant's use of the SLA Corridor. This defense and indemnity obligation is not intended to hold District or its officers, trustees, or employees harmless from any claim that is not derivative of Applicant's use of the SLA Corridor. In no event shall any fault of Applicant or Applicant's employees or contractors be

reapportioned to District, its officers, trustees or employees. Applicant shall indemnify and hold District and its officers, trustees and employees harmless from any such reapportionment of fault. The described duty to defend and indemnify is not intended to run to the benefit of any District liability insurer to the extent such insurer would be responsible for defense costs or indemnity beyond District's deductible or self-insured retention.

IX. TERMINATION.

(A) Applicant's right to use the SLA Corridor under this Agreement shall expire completely upon the expiration of the term described in Article I above, absent a new agreement or written extension signed by both parties.

(B) Either party may, at their sole option, terminate this Agreement upon ninety (90) days written notice to the other party.

(C) District may, at its sole option, terminate this Agreement and Applicant's right to use the SLA Corridor for nonuse for a period of one (1) year.

(D) Should District reasonably determine Applicant is in breach of any of the terms and conditions of this Agreement, and if Applicant has not made diligent progress toward correcting that breach within a time set by District and reasonable under the circumstances, after Applicant receives written notice describing the breach and time for correction, then this Agreement may be terminated by District.

(E) The following, as described in this Agreement, shall survive any termination of this Agreement:

(i) All of Applicant's obligations to reimburse any costs incurred by the District;

(ii) All of Applicant's obligations to remove Applicant's improvements and make restoration;

(iii) All of Applicant's obligations to defend and indemnify District and its officer, trustees and employees, as described in this Agreement; and

(iv) All provisions regarding remedies, and limitations of warranties or representations.

(F) Notwithstanding termination, Applicant's use of the SLA Corridor following termination shall not be considered adverse and shall not cause any adverse possessory right or prescriptive right of Applicant to begin to accrue.

X. REMOVAL OF FACILITIES.

District will reasonably determine what portion of Applicant's improvements, if any, on the SLA Corridor will be removed upon termination of this Agreement and set a deadline and

specifications for removal and restoration. Such removal and restoration will be at the sole expense of the Applicant.

XI. REMEDIES.

(A) Applicant will first submit any claim or dispute to the authorized District representative. If the matter is not resolved satisfactorily, Applicant may submit the dispute or claim in concise written form with any supporting documentation to District's Board of Trustees, or committee assigned by the Board to hear the matter. If the matter is not resolved satisfactorily the dispute or claim will be submitted to non-binding mediation, with a qualified mediator selected by the parties, with each party sharing the cost of that non-binding mediation. After and only if these processes are first followed and Applicant's dispute or claim remains unresolved, an action may be brought in the Third Judicial District Court of the State of Utah In and For Salt Lake County. The prevailing party shall be awarded reasonable costs, including engineering, witness and attorneys' costs and fees. Under no circumstances shall District or its officers, trustees or employees be liable for any consequential damages resulting from interruption of Applicant's use of the SLA Corridor.

(B) If improvements are to be removed from the SLA Corridor by Applicant and are not removed timely as described in this Agreement, or items are prohibited under the terms of this Agreement or District regulations, District may, after giving Applicant sixty (60) days written notice, remove and dispose of such items from the SLA Corridor, or hire a contractor to do the same, and send Applicant an invoice for the reasonable out of pocket costs of such removal and disposal, to be paid as described in Article II of this Agreement.

XII. INTERPRETATION.

Because the SLA is critical public infrastructure, any ambiguity in this Agreement shall be interpreted in favor of District's full use and enjoyment of the SLA and SLA Corridor, with a minimum of delay, restriction or expense resulting from Applicant's use of the SLA Corridor. In the event of conflict between this Agreement and District written rules, regulations or policies, as the same may change from time to time, such District rules, regulations and policies shall control.

XIII. PRESUMPTION.

As against the Applicant, any calculation, determination or interpretation made by District in good faith with respect to this Agreement shall be *prima facie* correct, subject to rebuttal by a preponderance of the evidence.

XIV. SUCCESSORS, ASSIGNS.

Applicant's rights and obligation may not be assigned or transferred without the prior written consent of District, which District is under no obligation to give. Any bankruptcy filing by Applicant, other purported assignment by operation of law, or appointment of a receiver, shall be grounds for immediate termination of this Agreement. Any attempt to assign without the prior written consent of District shall be considered null and void and shall be grounds for immediate termination of this Agreement.

XV. AUTHORITY.

The person(s) signing on behalf of Applicant represents and warrants that they have been duly authorized by formal action of the governing body of Applicant to execute this Agreement on behalf of Applicant. Certifications of the authority of persons signing on behalf of Applicant are attached at Exhibit C.

XVI. NO WARRANTY.

(A) District makes no warranty or representation, either express or implied, as to the extent or validity of any grant or license contained in this Agreement.

(B) District makes no warranty or representation as to the condition of the SLA Corridor or any District improvements, or the fitness or compatibility of any of the same for use as described by Applicant.

XVII. COMPLIANCE WITH APPLICABLE LAWS.

(A) Applicant shall strictly comply with all applicable Federal, State, and local statutes, rules, regulations, codes, ordinances and other laws.

(B) Applicant shall strictly comply with all of District's Regulations for Non-District Use of Salt Lake Aqueduct and Point of the Mountain Aqueduct Rights of Way, as those regulations may change from time to time. Copies of those regulations have been made available to Applicant, which terms are incorporated into this Agreement as if restated here.

(C) If after reasonable notice from District, Applicant fails to bring Applicant's use of the SLA Corridor into compliance with this Agreement and any applicable Federal, State, and local statutes, rules, regulations, codes, ordinances and other laws, including, but not limited to, District's Regulations for Non-District Use of Salt Lake Aqueduct and Point of the Mountain Aqueduct Rights of Way, District may, at its sole option, effect such compliance and Applicant shall reimburse District as described in Article II above.
