Unless delayed by City/County approval or insurance carrier approval, no damaged structure will be permitted to

Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property, if the property is to be repaired and restored as provided for in this Declaration. After any repair or restoration is complete and if the damaged property has been completely repaired or restored, any remaining proceeds shall be paid to the Association. If the property is not to be repaired or restored, then any proceeds remaining after such action as is necessary related to the property has been paid for, shall be distributed to the Owners and lien holders, as their interests remain with regard to the Units. Each Owner hereby appoints the Association, as attorney-in-fact for the purpose of negotiating all losses related thereto, including: the collection, receipt of, and the execution of releases of liability, and the execution of all documents and the performance of all other acts necessary to administer such insurance and any claim. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representative, successors or assigns of an Owner.

13.7 Owner Act Cannot Void Coverage under Any Policy. An Owner's act or omission may not void an insurance policy or be a condition to recovery under a policy or permit anything to be done or kept in or about the Unit that would result in an increase in the cost of insurance on the Property, or that would result in the cancellation of insurance on the Property, or that would result in the cancellation of insurance with respect to all or any part of the Property, or that would be in violation of any governmental law, ordinance, or regulation.

13.8 Waiver of Subrogation against Owners and Association. All property and CGL policies must contain a waiver of subrogation by the insurer as to any claims against the Association and the Owners and their respective agents and employees.

DAMAGE & DESTRUCTION

14.1 Immediately after damage or destruction by fire or other casualty to all or any part of the Common Areas and/or Limited Common Areas covered by insurance written in the name of the Association, the Board, or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Common Areas and/or Limited Common Areas. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Common Areas and/or Limited Common Areas to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

14.2 Any damage or destruction to the Common Areas and/or Limited Common Areas shall be repaired or reconstructed unless Owners representing at least seventy-five (75%) percent of the total vote of the Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the costs of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Areas and/or Limited Common Areas shall be repaired or reconstructed; provided, however, this provision shall not apply to construction mortgagees providing construction financing for such damaged property.

14.3 In the event, that it should be determined in the manner described above that the damage or destruction to the Common Areas and/or Limited Common Areas shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Common Areas and/or Limited Common Areas shall be restored to their natural state and maintained by the Association, in a neat and attractive condition.

ARTICLE XV
DISBURSEMENT OF PROCEEDS

15.1 If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Areas and/or Limited Common Areas shall be retained by and for the benefit of the Association and placed in a capital improvements and/or reserve account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner(s) shall be retained by and for the benefit of the Association and placed in a capital improvements and/or reserve account.

ARTICLE XVI
REPAIR AND RECONSTRUCTION

16.1 If the damage or destruction to the Common Areas and/or Limited Common Areas for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the members, levy a special assessment against all Owners as provided in the Governing Documents.

ARTICLE XVII
CONDEMNATION

17.1 Whenever all or any part of the Common Areas and/or Limited Common Areas shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of members representing at least sixty-seven percent (67%) of the total Association vote by any authority having the power of condemnation or eminent domain), each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows: if the taking involves a portion of the Common Areas and/or Limited Common Areas on which improvements have been constructed, then, unless within sixty (60) days after such taking the Owners representing at least sixty-seven percent (67%) of the total vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Areas and/or Limited Common Areas to the extent lands are available therefor, in accordance with plans approved by the Board of Directors of the Association. If the taking does not involve any improvements of the Common Areas and/or Limited Common Areas, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

ARTICLE XVIII
MISCELLANEOUS PROVISIONS

18.1 Violation Deemed a Nuisance. Any violation of these covenants that is permitted to remain on the Property is deemed a nuisance, and is subject to abatement by the Association or by any other Owner.

(a) Any single or continuing violation of the covenants contained in this Declaration may be enjoined in an action brought by an Owner or by the Association. In any action brought to enforce these covenants, the prevailing party shall be entitled to recover as part of its judgment the reasonable costs of enforcement, including reasonable attorney fees and court costs.

(b) Nothing in this Declaration shall be construed as limiting the rights and remedies that may exist at common law or under applicable federal, state or local laws and ordinances for the abatement of nuisances, health and safety, or other matters. This

Declaration is to be construed as being in addition to those remedies available at law.

(c) The remedies available under this Declaration and at law or equity generally are not to be considered as exclusive, but rather as cumulative.

(d) The failure to take enforcement action shall not be construed as a waiver of the contents contained in this Declaration in the future or against other similar violations.

18.2 Severability. Each of the covenants contained in this Declaration shall be independent of the others, and in the event that any one is found to be invalid, unenforceable, or illegal by a court of competent jurisdiction, the remaining covenants shall remain in full force and effect.

18.3 Consent, Power of Attorney, Waiver. By acceptance of a deed, lease, or other conveyance of an interest in Unit, each Owner or Occupant consents to the rights reserved to the Association in this Declaration, including but not limited to, the right to prepare, execute, file, process, and record necessary and appropriated documents and other items to establish and grant easements and to make necessary and appropriate amendments of this Declaration, the Plat and Bylaws. By such acceptance, each Owner or Occupant agrees to execute all documents and to do all other things as may be necessary or convenient to effect the same; and such acceptance shall be deemed an appointment of the Association, with full right of substitution, as the attorney-in-fact of such Owner or Occupant to execute such documents and to do such things on Owner's or Occupant's behalf; and such appointment, being coupled with an interest, shall be irrevocable for the specific period of the Association's reserved rights as set forth in this Declaration and shall not be affected by the disability of any such Owner or Occupant.

18.4 No Representations and Warranties. Each Owner and occupant understands, agrees, and acknowledges through taking title or residing in the Project that the Declarant, Association and the Board have not made any representations or warranties of any kind related to the Project and that each Owner or occupant has not relied upon any reorientations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose relative to the Project.

18.5 Conflicting Provisions. In the case of any conflict between the Governing Documents, the order of priority from the highest to the lowest shall be the Declaration, the Plat, the Articles, Bylaws, and then the Rules.

18.6 Amendment. At any time while this Declaration is in effect, the covenants herein contained can only be modified by the affirmative vote of the Owners representing not less than sixty-seven (67%) percent of the eligible Allocated Interest. No meeting or voting shall be required for an amendment, if the required, written consent is obtained from the requisite number of Owners.

18.7 Constructive Notice. Every person who owns, occupies or acquires any right, title or interest in any Unit in the Project is conclusively deemed to have notice of this Declaration and its contents, and to have consented to the application and enforcement of each of the provision of this Declaration against his/her Unit, whether or not there is any reference to this Declaration in the instrument by which he/she acquires interest in any Unit.

18.8 Notices. All notices under this Declaration are provided as set forth in the Bylaws.

18.9 Liberal Interpretation. The provisions of this Declaration shall be interpreted liberally to further the goal of creating a uniform plan for the development of the Project. Headings are inserted for convenience only and shall not be considered in interpretation of the provisions. Singular will include plural, and gender is intended to include masculine, feminine and neuter as well.
