**AGREEMENT FOR  
A FUTURE  
CROSS-ACCESS EASEMENT**

This Agreement is entered into this 2 day of February, 2020 between the Utah Department of Transportation (UDOT) and Ivory Development LLC (Property Owner).

**RECITALS**

WHEREAS, Property Owner has received access approval to improve its property located at 1382 W, 1414 W, and 1450 W 11400 S in City of Southern Jordan County of Salt Lake, State of Utah, and legally described as follows:

Exhibit C

WHEREAS, as a condition of this access approval, Property Owner is required to enter into an agreement to create a future cross-access easement on its property to allow for ingress and egress between its property and the adjacent property located at 1472 W 11400 S; and

WHEREAS, the purpose of the easement is to allow traffic flow between the properties in one access and onto 11400 S Road/Street so as to relieve congestion and to create less traffic hazards; and

WHEREAS, at this time, the adjacent property located at 1472 W 11400 S is not seeking access approval, and the owner of that property is unwilling to grant a mutual cross-access easement at this time. It is anticipated that when the adjacent property is improved so as to require access approval, UDOT shall require that a cross-access easement be created to connect the two (2) properties. As required by UDOT, Property Owner agrees to grant an easement as set forth in this Agreement; and

WHEREAS, Exhibit B shall include a site plan showing the approximate location of the future easement.

**AGREEMENT**

Now therefore it is hereby agreed as follows:

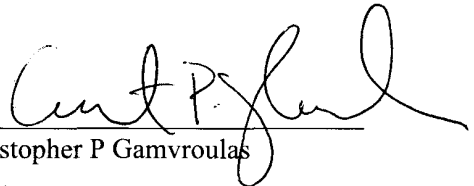

1. In fulfillment of the requirements imposed as a condition of access approval, Property Owner agrees, in the future and upon demand by UDOT, to grant a cross-access easement provided that the adjacent property owner located at 1472 W 11400 S and as shown in attached Exhibit A, likewise grants a similar cross-access easement over its property.
2. At such time as the adjacent property owner desires access, Property Owner agrees to grant the cross-access agreement and to execute all necessary documents to create the cross-access easement.

3. The easements to be created shall burden and benefit the parcels. The easements shall run with the land and shall be binding on and shall insure to the benefit of the property owners, their respective heirs, successors or assigns.
4. The easements to be created shall continue until expressly terminated by written agreement between the parties, their successors, or their assigns. Any agreement to terminate or modify the easements to be created shall be approved in writing by UDOT.
5. Property Owner agrees to make the necessary improvements to its property to allow the ingress and egress as set forth herein within a reasonable time after the creation of the cross-access easements.
6. Property Owner agrees to maintain the easement area that will be located in its property in a reasonable manner and at its sole expense.
7. Any violation or breach of this Agreement shall be considered a breach of the access permit, and UDOT shall have the authority to enforce this Agreement in any manner permitted by law.
8. This Agreement to create a cross access agreement shall be recorded with the Salt Lake County Register of Deeds.

**REQUIRED EXHIBITS:** Exhibit A is the required legal description of the subject adjacent property. Exhibit B shall include a site plan showing the approximate location of the future easement. Both referenced exhibits are required to be attached to this agreement prior to recording.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed on their behalf by the following duly authorized representatives as of the date appearing opposite their signature below.
