ginning, as shown on the official map of said project on file in the office of the State
Road Commission of Utah. The above described tract of land contains 31.30 acres,
more or less, EXCEPT 0.18 acre, more or less, occupied by an existing road and 3.52
acres, purchased by the State Road Commission of Utah as Parcel No. UGI239-1oA of
Project No. UGI-239. Balance 27.60 acres, more or less.

The grantors also hereby grant to the grantees permission to locate and con-
struct within the grantors land and outside the limits of the highway right of way
all irrigation and/or waste water ditches made necessary by the construction of said
project. After the above described ditches are constructed, the grantees is there-
after relieved of all responsibility for the maintenance of said ditches.

Any and all water rights pertaining to the above described land are hereby
reserved by the grantor, and the grantees shall not be liable for any water assess-
ments now due or which shall become due.

To enable the grantees to construct and maintain a public highway as an
expressway, as contemplated by Chapter 63, Laws of Utah, 1945, the grantor hereby
releases and relinquishes to the grantees any and all rights of easements appurtenant to
the grantors remaining property by reason of the location thereof with reference to said
highway, including, without limiting the foregoing, all right of ingress to or egress from
that portion of the grantors remaining property contiguous to the lands hereby conveyed,
to or from said highway, over and across the lines hereinabove described between
Points "A" and "B", EXCEPTING and reserving to the grantor its successors
or assigns, the right of access to the nearest roadway of said highway over and across
the westerly right of way line for two 20 -foot
sections, which said sections center at points directly
opposite Highway Engineer's Station's 14+00 of "W" line survey and 60+00 of "X" line
(Expressway pruner) survey. Said access openings shall be accessible to south bound
traffic only.
