The terms and provisions set forth in this Declaration, which are binding upon all Owners, are not exclusive, as Owners shall also be subject to the terms and provisions of the Articles and Bylaws of the Association to the extent the provisions thereof are not in conflict with the Declaration. Membership in the Association shall be appurtenant to each Lot and may not be separated from the interest of an Owner in any Lot. Ownership of a Lot shall be the sole qualification for membership in the Association; *provided, however,* that a Member’s voting rights and privileges in the Common Areas and Facilities may be regulated or suspended as provided in this Declaration, the Bylaws, or the Association Rules. Not more than one membership in the Association shall exist with respect to ownership of a single Lot.

2.2 Transfer. The membership held by any Owner shall not be transferred, pledged or alienated in any way, except upon the conveyance or encumbrance of such Lot and then only to the transferee or Mortgagee of such Lot. Any attempt to separate the membership in the Association from the Lot to which it is appurtenant shall be void and will not be reflected upon the books and records of the Association. In the event an Owner should fail or refuse to transfer the membership registered in such Owner’s name to the transferee of such Owner’s interest in such Lot, the Association shall have the right to record the transfer upon the books of the Association so that the name of the Member corresponds with the ownership of the Lot set forth in the Utah County Recorder’s office.

2.3 Voting Rights. All voting rights shall be subject to the restrictions and limitations provided herein and in the Articles, Bylaws, and Association Rules. The Association shall have one class of Members. Each Member shall be entitled to one (1) vote for each Lot such Member owns. When more than one person owns a portion of the interest in a Lot, each such person shall be a Member, but the vote for such Lot shall be exercised as they among themselves determine. Absent any other agreement among co-Owners of a single Lot, (i) a single co-Owner appearing at an Association meeting will be entitled to cast the one vote for the Lot, and (ii) if multiple co-Owners appear at an Association meeting, each Co-Owner will have a pro rata fractional vote based upon the ownership interests of the co-Owners appearing at such meeting. In no event shall more than one vote be cast with respect to any single Lot. The Association shall not be required to recognize the vote or written consent of any co-Owner that is not authorized to vote based upon a written designation of all such co-Owners delivered to the Association.

2.4 Approval of Members. Unless a different percentage is otherwise provided for in this Declaration, the Articles, or the Bylaws, the vote of a majority of the voting interest shall be required to approve any matter before the Members. Votes may be taken at a meeting held pursuant

to the requirements set forth in the Bylaws, or by an action by written consent. Quorum requirements for meetings of the Members shall be set forth in the Bylaws.

ARTICLE 3 COVENANT FOR MAINTENANCE AND ASSESSMENTS

3.1 Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed or other conveyance creating in such Owner the interest required to be deemed an Owner, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association: Regular Assessments, Special Assessments, Capital Improvement Assessments and Reconstruction Assessments, such Assessments to be fixed, established and collected from time to time as hereinafter provided. The Assessments, together with interest thereon provided, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment, together with such interest, late charges and costs and reasonable attorney's fees, shall also be the personal obligation of the Owner of such Lot at the time when the Assessment fell due, and of each subsequent Owner other than a Mortgagee. Any subsequent Owner of a Lot shall be deemed to have notice of the Assessments, whether or not a lien has been recorded. No Owner may waive or otherwise escape liability for an Assessment by abandonment of the Lot.

3.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the comfort, health, safety, security and welfare of the Owners and to perform the duties and exercise the powers of the Association enumerated in its Articles, Bylaws, and this Declaration.

3.3 Regular Assessments. The amount and timing of payment of Regular Assessments shall be determined by the Board pursuant to the Articles and Bylaws after giving due consideration to the current maintenance, operational, and other costs and the future needs of the Association. Prior to the beginning of each fiscal year of the Association, the Board shall estimate the total Common Expenses to be incurred for the upcoming fiscal year. The Board shall then determine the amount of the Regular Assessment to be paid by each Owner. Written notice of the annual Regular Assessments shall be sent to every Owner; provided that failure to provide adequate notice does not relieve the Owner's obligation to pay the Regular Assessment in installments as established by the Board. In the event the Board shall determine that the estimate of total charges for the current year is, or will become inadequate to meet all Common Expenses for any reason, it shall immediately determine the approximate amount of such inadequacy and issue a supplemental estimate of the Common Expenses and determine the revised amount of Regular Assessment against each Owner, and the date or dates when due

3.4 Capital Improvement Assessments. In addition to the Regular Assessments, the Association may levy in any fiscal year, a Capital Improvement Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or replacement of a described capital improvement upon the Common Areas and Facilities to the extent the same is not covered by the provision affecting Reconstruction Assessments, including the necessary fixtures and personal property related thereto. All amounts collected as Capital Improvement Assessments may only be used for capital improvements and shall be deposited by the Board in a separate bank account to be held in trust for such purposes. Said funds shall not be commingled

with any other funds of the Association. Notwithstanding the foregoing, the Board shall not undertake any Capital Improvement of the Common Areas and Facilities requiring a cost of \$1,000.00 or more without the affirmative vote of Members holding a majority of the voting power.

3.5 Rate of Assessment. All Regular, Reconstruction and Capital Improvement Assessments shall be fixed by the Board at a rate computed and assessed with respect to each improved Lot in the ratio that such Lot bears the total number of all improved Lots. All Regular, Reconstruction and Capital Improvement Assessments may be collected at intervals selected by the Board. For purposes of this paragraph, "improved Lots" means Lots that have a Building located thereon and that have received a certificate of occupancy. The total amount of Regular Assessments shall not exceed the previous year's Regular Assessments (determined for an entire 12 month period) by more than 15% without the affirmative vote of Members holding not less than sixty-seven (67%) of the voting power of the Members.

3.6 Certificate of Payment. The Association shall, upon demand, furnish to any Owner liable for Assessments, a certificate in writing signed by an officer or authorized agent of the Association, setting forth whether the Assessments on a specified Lot have been paid, and the amount of delinquency, if any. A reasonable charge may be collected by the Board for the issuance of these certificates, such certificates shall be conclusive evidence of payment of any Assessments therein stated to have been paid.

3.7 Exempt Property. The following portions of the Property shall be exempt from the Assessments created herein; all properties dedicated to and accepted by, or otherwise acquired by a public authority; and the Common Areas and Facilities.

3.8 Special Assessments. In addition to the Regular Assessments authorized in Section 3.3, the Association may levy a Special Assessment or Special Assessments from time to time. Special Assessments may be levied against one or more individual Lot or against all Lots. - d. a transfer or change of interest due to death, whether provided in a will, trust, or decree of distribution; or

ARTICLE 4 NONPAYMENT OF ASSESSMENTS

4.1 Delinquency. Any Assessment provided for in this Declaration which is not paid when due shall be delinquent on said due date (the "delinquency date"). f. Restriction on the Number of Residences That May be Leased. No more than one (1) Residence in the Project shall be leased at any given time. The Board shall create and maintain procedures to determine and track leases in the Project and ensure consistent administration and enforcement of these lease restrictions. Such procedures shall be made available to the Owners. In determining who shall be permitted to lease his Residence, the Board shall give first priority to the first request made in time, second priority to the second request made in time, and so forth. Notwithstanding the foregoing, the Board may refuse any Owner permission to lease if, at the time of the Owner's request, he has not paid all Assessments, fines, and fees charged against him by the Association.

Vehicles may not be parked in such a manner as to block access to garages, fire hydrants, sidewalks running perpendicular to drives, pedestrian crossing areas, designated fire lanes, or clear two-lane passage by vehicles on roads and drives. Violating vehicles will be towed, after reasonable efforts to contact the person or host to whom the vehicle is registered. In addition, the Owner to whom, or to whose invitee, the vehicle is registered, following notice and hearing may be levied a fine or fines specified in the Association Rules, unless at such hearing good and valid reasons are given for such violation. Costs of towing and enforcement may be collected as a common expense. If no fine is specified in the Association Rules, the fine shall be \$25 per day for the period that the vehicle violated this

No person commencing such construction, alteration, modification, removal or destruction prior to receipt of such written approval shall acquire any vested rights in any such improvement. A majority of the members of the ARC shall have the

power to act on behalf of the ARC, without the necessity of a meeting and without the necessity of consulting the remaining member or members of the ARC. All decisions rendered by the ARC must be by written instrument setting forth the action taken by the members consenting thereto.

c. The ARC may, at its sole discretion, withhold approval of any proposal if the ARC finds the proposal would be inappropriate for the particular Lot or incompatible with the Design Guidelines. Considerations such as siding, shape, size, color, design, height, solar access or other effects on the enjoyment of other Lots or Common Area, and any other factors which the ARC reasonably believes to be relevant, may be taken into consideration by the ARC in determining whether or not to approve any proposal.

d. Approval or disapproval by the ARC of any matter proposed to it or within its jurisdiction shall not be deemed to constitute precedent, waiver or estoppel impairing its right to withhold approval or grant approval as to any similar matter thereafter proposed or submitted to it.

e. Any Owner adversely impacted by action of the ARC may appeal such action to the Board. If, however, the ARC's duties are being carried out by the Board, then no such right to appeal shall exist.

f. All appeals and hearings shall be conducted in accordance with procedures set forth by the Board by resolution.

g. The ARC's approval of any proposal shall automatically be revoked within three (3) months after issuance unless construction or other work relating to the proposal has been commenced or the Owner has applied for and received an extension of time from the ARC.

h. The ARC may inspect from time to time, all work performed and determine whether it is in substantial compliance with the approval granted. If the ARC finds that the work was not performed in substantial conformation with the approval granted, or if the ARC finds that the approval required was not obtained, the ARC shall notify the Owner in writing of the noncompliance. The notice of noncompliance shall specify the particulars of noncompliance and shall require the owner to remedy the noncompliance by a specific date. Any Owner who receives a notice of noncompliance may appeal the notice in accordance with the appeals procedure set forth by the Board.

i. Neither the Board nor the ARC shall be liable to any Owner, occupant, builder or other person for any damage, loss or prejudice suffered or claimed on account of any action or failure to act of the ARC or a member thereof, provided only that the member has in accordance with the actual knowledge possessed by him or her, acted in good faith. The ARC is not responsible for determining compliance with structural and building codes, solar ordinances, zoning codes or other governmental regulations, all of which are the responsibility of the Owner.

8.5 Standards for Maintenance and Construction.

a. Maintenance of the exterior of Buildings and Improvements shall be accomplished in accordance with the Design Guidelines.

b. Throughout any period of construction upon a Lot, the Owner of such Lot shall keep the Lot and all streets used by construction equipment or trucks in clean and safe condition, shall remove daily all trash, rubbish, debris, mud and dirt therefrom, shall take all measures necessary or appropriate to control dust, blowing sand and erosion, whether by wind or water, on the Lot and shall so conduct all such construction so as not to interfere with free and ready access to existing Buildings and neighboring Lots.

c. All portions of a Lot which are disturbed either in the course of construction of a Dwelling or Structure or as a result of any other activities, but which remain unimproved with a Dwelling or Structure, shall be landscaped by the Owner thereof before any significant erosion or other soil damage occurs and in any event on or before a date six (6) months from the completion of said construction or other activity, all in accordance with plans and specifications which have been previously submitted to and approved by the Architectural Committee. Thereafter, the Association shall maintain such landscaping in a clean, safe, and attractive condition according to the rules promulgated by the Board. obt

8.6 Right of Association to Maintain and Install. In the event that the need for exterior maintenance or repair of a Residence or the Improvements thereto is caused through the willful or negligent acts of the Owner or the Owner's Occupants or Permittees, the cost of such exterior maintenance or repair shall be assessed against the Owner and his Lot as hereinafter set forth.

a. Upon finding by the Board that the need for exterior maintenance or repair was caused by the willful negligent acts of the Owner or the Owner's Occupants or Permittees, the Board shall give notice of its finding to the responsible Owner which shall briefly describe the maintenance or repair needed and the willful or negligent acts and set a date for hearing before the Board or a committee selected by the Board for such purpose.

b. Such hearing shall be held not less than ten (10) nor more than thirty (30) days from the date of said notice.

c. Such hearing shall be conducted according to such reasonable rules and procedures as the Board shall adopt and which shall provide the Owner with the right to present oral and written evidence and to confront and cross-examine adverse witnesses. If the Board or any committee renders a decision against the responsible Owner, it shall further set a date by which the deficiency is to be corrected by the responsible Owner. A decision of a committee may be appealed to the Board, but a decision of the Board shall be final.

d. If, after a hearing as described herein, the Board reaches a decision that the need for exterior maintenance or repair was caused by the willful or negligent acts of the Owner, its Occupants or Permittees, and the Association pays for such maintenance or repair, such amount shall be a Special Assessment to the affected Owner and Lot.

8.7 Destruction of Improvements. In the event of partial or total destruction of

Improvements upon the Common Areas and Facilities, it shall be the duty of the Association to restore and repair the same to its former condition as promptly as practical. The proceeds of any insurance maintained pursuant hereto shall be used for such purpose. In the event that the amount available from the proceeds of such insurance policies for such restoration and repair shall be insufficient to accomplish such repair or restoration, a Reconstruction Assessment may be levied by the Association to provide the necessary funds or such reconstruction, over and above the amount of any insurance proceeds available for such purpose. In the event any excess insurance proceeds remain, the Board shall distribute pro rata such excess funds to the Members, subject to the prior rights of Mortgagees whose interest may be protected by insurance policies carried by the Association. The rights of an Owner and the Mortgagee of his Lot as to such pro rata distribution shall be governed by the provisions of the Mortgage encumbering such Lot. All amounts collected as Reconstruction Assessments shall only be used for the purposes set forth in this Article and shall be deposited by the Board in a separate bank account to be held in trust for such purposes. Such funds shall not be commingled with any other funds of the Association. In the event of partial or total destruction of improvements upon any Lot, it shall be the duty of the Owner thereof to restore and repair the same to its former condition as promptly as practical.

ARTICLE 9 INSURANCE

9.1 Insurance Obtained by the Association. The Association shall purchase and maintain all insurance required to be obtained by the Association under the Act, Declaration, and Bylaws, and any additional insurance the Board deems necessary.

9.2 Hazard Insurance. The Association shall maintain blanket property insurance or guaranteed replacement cost insurance for the full replacement value of the improvements situated on each Lot, such insurance to afford protection against at least loss or damage by fire and other hazards covered by the standard extended coverage endorsement and such other risks as shall customarily be covered with respect to similar planned unit developments in the area of the Covered Property. The Association's blanket property insurance or guaranteed replacement cost insurance shall also cover limited common areas appurtenant to a dwelling on a lot, if any, and common areas in the project, insuring against all risks of direct physical loss commonly insured against, including fire and extended coverage perils. The premiums for insurance obtained by the Association under this Section shall be included as a Regular Assessment.

9.3 Liability Insurance. The Association shall obtain comprehensive general liability (CGL) insurance insuring the Association, the agents and employees of the Association and the Owners, against liability incident to the use, ownership, or maintenance of the Common Area and Limited Common Area or membership in the Association. The coverage limits under such policy shall not be less than One Million Dollars (\$1,000,000) covering all claims for death of or injury to any one person or property damage in any single occurrence.

9.4 Directors and Officers Insurance. The Association shall obtain Directors' and Officers' (D&O) liability insurance protecting the Board of Directors, Architectural Review Committee, other committees, the officers, and the Association against claims of, including

9.5 Adjustments. Any loss covered by insurance maintained by the Association shall be adjusted with the Association in accordance with the terms and conditions of the Act. The insurance proceeds payable for any such loss shall be paid in accordance with the terms and conditions of the Act.

9.6 Insurance by Lot Owners. Lot Owners shall not be prohibited from carrying insurance in addition to that provided for herein for their own benefit.

9.7 Waiver by Members. As to each of said policies which will not be voided or impaired thereby, the Members hereby waive and release all claims against the Association, the Board, and agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement by said persons, but to the extent of insurance proceeds received in compensation for such loss only.

9.8 Premiums and Proceeds. Insurance premiums for any such blanket insurance coverage obtained by the Association and any other insurance deemed necessary by the Association shall be a Common Expense to be included in the Regular Assessments levied by the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried, or otherwise disposed of as provided in herein. The Association is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers. Any two Trustees of the Association may sign a loss claim form and release form in connection with the settlement of a loss claim, and such signatures shall be binding on the Association and the Members.

9.9 Abandonment of Replacement Cost Insurance. Unless at least seventy-five percent (75%) of the Institutional Mortgagees based on one (1) vote for each First Mortgage have given their prior written approval, the Association shall not be entitled to fail to maintain the extended coverage fire and casualty insurance required by this Article on less than a one hundred percent (100%) current replacement cost basis.

9.10 Payment of Taxes or Premiums by First Mortgagees. First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Areas, unless such taxes or charges are separately assessed against the Owners, in which case the rights of First Mortgagees shall be governed by the provisions of their Mortgages. First Mortgagees may, jointly or singly, also pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for the Common Areas and First Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association. Entitlement to such reimbursement shall be reflected in an agreement in favor of any First Mortgagee which requests the same to be executed by the Association.

ARTICLE 10 EMINENT DOMAIN

The term "taking" as used in this Article shall mean condemnation by eminent domain or sale under threat of condemnation. In the event of a threatened taking of all or any portion of the Common Areas and Facilities, the Members hereby appoint the Board and such persons as the Board may delegate to represent all of the Members in connection with the taking. The Board shall act in its sole discretion with respect to any awards being made in connection with the taking and shall be entitled to make a voluntary sale to the condemner in lieu of engaging in a condemnation action. Any awards received on account of the taking shall be paid to the Association. In the event of a taking of less than all of the Common Areas and Facilities, the rules as to restoration and replacement of the Common Areas and Facilities and the improvements thereon shall apply as in the case of destruction of the improvements upon the Common Areas and Facilities. In the event of a total taking, the Board shall distribute pro rata any award to the Members. The rights of an Owner and the Mortgagee of such Owner's Lot as to such pro rata distribution shall be governed by the provisions of the Mortgage encumbering such Lot.

ARTICLE 11 RIGHTS TO THE COMMON AREAS AND FACILITIES

11.1 Members' Right of Enjoyment. There is hereby reserved and established for the benefit of each Owner and such Owner's Occupants and Permittees a nonexclusive easement for use and enjoyment in and to the Common Areas and Facilities and an irrevocable license to use and occupy the Limited Common Areas appurtenant to the Residence of such Owner and Owner's Occupants and Permittees, and such right shall be appurtenant to and shall pass with the interest required to be an Owner to every Lot, subject to the following provisions:

No such dedication or transfer, including, without limitation, the conveyance, lease or other transfer of any portion of the Common Areas and Facilities (including Limited Common Areas) to a special tax assessment district or to the City, shall be effective unless approved by Members holding not less than sixty-seven percent (67%) of the voting power of the Members.

c. The foregoing provisions of this Section shall not be deemed to give any Owner the right to connect to any utility line or facility without first complying with all the requirements of the utility company providing the service in question, including without limitation, the payment of all required connection fees and related charges.

12.2 Utilities. Easements over the Property for the installations and maintenance of electric, telephone, communication lines, water, gas, sanitary sewer lines and drainage facilities as shown on the recorded subdivision maps of the Property are hereby reserved and established for the benefit of each Owner and their respective successors and assigns.

ARTICLE 13 NATURE OF EASEMENTS, LICENSES, AND RIGHTS GRANTED

13.1 Easements Appurtenant. ARTICLE 14
RIGHTS OF LENDERS

14.1 Filing Notice; Notices and Approvals. A mortgagee shall not be entitled to receive any notice which this Declaration requires the Association to deliver to Mortgagees unless and until such Mortgagee, or its mortgage servicing contractor, has delivered to the Board a written notice stating that such Mortgagee is the holder of a mortgage encumbering a Lot within the Property. Such notice shall state whether such mortgagee is a First Mortgagee. Where the approval of any percentage of Mortgagees is required pursuant to this Declaration, it shall be deemed to mean the vote or approval of the percentage of only those mortgagees which have delivered such notice to the Board. Notwithstanding the foregoing, if any right of a Mortgagee under this Declaration is conditioned on a specific written request to the Association, in addition to having delivered the notice provided in this Section, a Mortgagee must also make such request, either in a separate writing delivered to the Association or in the notice provided above in this Section, in order to be entitled to such right. Except as provided in this Section, a Mortgagee's rights pursuant to this Declaration, including, without limitation, the priority of the lien of Mortgages over the lien of Assessments levied by the Association hereunder shall not be affected by the failure to deliver a notice to the Board. Any notice or request delivered to the Board by a Mortgagee shall remain effective without any further action by such Mortgagee for so long as the facts set forth in such a notice or request remain unchanged.

14.2 Priority of Mortgage Lien. No breach of the covenants, conditions, or restrictions herein contained nor the enforcement of any lien provisions herein, shall affect, impair, defeat or render invalid the lien or charge of any Mortgage made in good faith and for value encumbering any Lot, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or trustee's sale, or otherwise, with respect to a Lot, except as otherwise provided in this Article.

c. Any Mortgagee who obtains title to a Lot by reason of any of the Events of Foreclosure, or any purchaser at a private or judicial foreclosure sale shall take title to such Lot

free of any lien or claim for unpaid Assessments against such Lot which accrue prior to the time such Mortgagee or purchaser takes title to the Lot, except for liens or claims for a share of such Assessments resulting from a reallocation of such Assessments to all Lots within the Property.

d. Nothing in this Section shall be construed to release any Owner from his obligation to pay for any Assessment levied pursuant to this Declaration.

14.4 Other Rights of Institutional Mortgagees. Any Institutional Mortgagee, or its mortgage servicing contractor, shall, upon written request to the Association, be entitled to:

a. Inspect the books and records of the Association during normal business hours; and

d. Receive written notification from the Association of any default in the performance of the obligations imposed by this Declaration by the Owner whose Lot is encumbered by such Institutional Mortgage, which default has not been cured within sixty (60) days of a request therefore by the Association; provided, however, the Association shall only be obligated to provide such notice to Institutional Mortgagees whose written request thereof to the Association specifies the Lot or Lots to which such request relates.

14.6 Conflicts. In the event of any conflict between any of the provisions of this Article and any of the other provisions of this Declaration, the provisions of this Article shall control.

14.7 Voting Rights of Institutional Mortgagees. In the event of a default by the Owner of any Lot in any payment due under the terms of any Institutional Mortgage or the promissory note secured thereby, the Institutional Mortgagee or his representative shall have the right, upon giving written notice to such defaulting Owner and the Association and placing of record a notice of default, to exercise the voting rights of such defaulting Owner attributable to such Lot at any regular or special meeting of the Members held during such time as such default may continue. 1. Capitalized terms in these Bylaws are defined in Article I of THE AMENDED AND RESTATED DECLARATION OF PROTECTIVE COVENANTS, CONDITIONS, RESTRICTIONS, FOR COTTONWOOD COVE AT TANNER LANE OWNERS ASSOCIATION (“Declaration”).
2. These Bylaws shall amend and completely replace all bylaws, and any amendments thereto, recorded prior to the date of these Bylaws.
3. These Bylaws are adopted in order to complement the Declaration and to eliminate ambiguity, to further define the rights of the Association and the Lot Owners, to provide for the ability to more easily govern and operate the Association, and, to further the Association's efforts to safely, efficiently, and economically provide a quality living environment.

ARTICLE I DEFINITIONS

Except as otherwise provided herein or as may be required by the context, all terms defined in the Cottonwood Cove at Tanner Lane Declaration shall have the same meanings when used in these Bylaws.

- 1.1 “Board Member” means a member of the Board of Directors.

ARTICLE II APPLICATION

All present and future Lot Owners, tenants, or any other persons who may use the facilities at Cottonwood cove in any manner are subject to these Bylaws. The mere acquisition or rental of any of the Lots or parts thereof, or the mere act of occupancy or use of any said Lots or part thereof or the Common Areas will signify that these Bylaws are accepted, ratified, and will be complied with by said persons. These Bylaws govern the management of the business and the conduct of the affairs of the Association except as otherwise provided by statute, the Declaration, or the Articles of Incorporation. In the event of any conflict between the Declaration and these Bylaws, the Declaration shall govern.

ARTICLES III MEMBERS

3.1 Annual Meetings. The annual meeting of the Members shall be held each year on a day and at a time established by the Board of Directors. The purpose of the annual meeting is to elect Board Members and transacting such other business as may come before the meeting. If the

election of Board Members cannot be held at the annual meeting of the Members, or at any adjournment thereof, the Board of Directors shall cause the election to be held either at a special meeting of the Members to be convened as soon thereafter as may be convenient or at the next annual meeting of the Members.

3.2 Special Meetings. Special meetings of the Members may be called by a majority of the Board of Directors, the President, or upon the written request of Members holding not less than 20% of the voting interests of the Association. Any written request for a special meeting presented by the Members shall be delivered to the President and shall include the original signature of each Member affirmatively supporting such request along with a complete statement of the purpose of the meeting on each page containing signatures. The President shall then call, provide notice of, and conduct a special meeting within 20 days of receipt of the request. In case of failure to call such meeting within twenty (20) days after such request, such members may call the same.

3.3 Place of Meetings. The Board of Directors may designate any place in Salt Lake County, State of Utah reasonably convenient for the Members of the Association as the place of meeting for any annual or special meeting called by the Board of Directors. If no designation is made, or if a special meeting is otherwise called, the place of the meeting shall be at the principal office of the Association, which shall be the home of the current president. A waiver of notice signed by all of the members of the Association may designate any place, within the State of Utah, as the place for holding such meeting.

3.4 Notice of Meetings of the Members. The Board of Directors shall cause written or printed notice of the date, time, and place (and in the case of a special meeting, the purpose or purposes) for all meetings of the Members. Such written or printed notice shall be delivered to each Member of record entitled to vote at such meeting not more than sixty (60) nor less than 15 days prior to the meeting. Such notice may be emailed, hand-delivered, or mailed. If emailed, such notice shall be deemed delivered when sent to the Member's email address registered with the Association. If mailed, such notice shall be deemed to be delivered when deposited in the U.S. mail addressed to the Member at the Member's address registered with the Association, with first-class postage thereon prepaid. Each Member shall register with the Association such Member's current email address and mailing address for purposes of notice hereunder. Such registered email and mailing addresses may be changed from time to time by notice in writing to the Association. If no address is registered with the Association, a Member's Lot address shall be deemed to be the Member's registered address. An Owner may opt out of receiving notices from the Association via email by giving written notice to the President or manager that he/she will not accept notices by way of email.

3.5 Qualified Voters. A Member shall be deemed to be in "good standing" and "entitled to vote" at any meeting of the Association if he or she is in full compliance with all of the terms, covenants, conditions of the Declaration, or these Bylaws, and shall have fully paid his or her share of any Assessments (together with any interest and/or late fees) prior to the commencement of the meeting.

3.6 Record Date for Notice Purposes. Upon purchasing a Unit in the Project, each

Owner shall promptly furnish to the Association a certified copy of the recorded instrument by which ownership of such Unit has been vested in such Owner, which copy shall be maintained in the records of the Association. For the purpose of determining members entitled to notice of or to vote at any meeting of the members, or any adjournment thereof, the Board may designate a record date, which shall be no more than sixty (60) and no less than ten (10) days prior to the meeting. If no record date is designated, the date on which notice of the meeting is mailed shall be deemed to be the record date for determining members entitled to notice of or to vote at the meeting. The persons or entities appearing in the records of the Association on such record date as the Owners of record of Units in the Project shall be deemed to be the members of record entitled to notice of and to vote at the meeting of the members and any adjournments thereof.

3.7 Quorum. At any meeting of the Members, the presence of Members and holders of proxies entitled to cast more fifty percent (50%) of the voting interests of the Association shall constitute a quorum for the transaction of business. If however, such quorum shall not be present or represented at any meeting, the members present (whether represented in person or by proxy), though less than a quorum, may adjourn the meeting and reschedule for a time no earlier than twenty-four (24) hours, nor later than thirty (30) days after the set time for the original meeting. No notice of such rescheduled meeting shall be required except an oral announcement at the meeting to be rescheduled. The Members present shall constitute a quorum for the transaction of business at the rescheduled meeting.

3.8 Proxies. At each meeting of the Members, each Member entitled to vote shall be entitled to vote in person or by proxy provided, however, that the right to vote by proxy shall exist only where the instrument authorizing such proxy to act shall have been executed by the Member or by the Member's attorney when duly authorized in writing. If a Lot is jointly owned, the instrument authorizing a proxy to act may be executed by any one (1) owner of such Lot or the Members' attorneys when duly authorized in writing. Such instrument authorizing a proxy to act shall be dated, set forth the specific matters or issues upon which the proxy is authorized to act, and may allow the proxy to vote on any issue arising at any particular meeting or meetings. Such instrument shall be delivered at the beginning of the meeting to the Secretary of the Association or to such other officer or person who may be acting as secretary of the meeting. The secretary of the meeting shall enter a record of all such proxies in the minutes of the meeting.

3.9 Votes. With respect to each matter submitted to a vote of the Members, each Member entitled to vote at the meeting shall have the right to cast, in person or by proxy, the number of votes appertaining to the Lot of such Member, as shown in the Declaration. The affirmative vote of a majority of the votes entitled to be cast by the Members present or represented by proxy at a meeting at which a quorum was initially present shall be necessary for the adoption of any matter voted on by the Members, unless a greater proportion is required by the Articles, these Bylaws, the Declaration, or the Act. Each Member shall be entitled to one (1) vote for each Lot such Member owns. When more than one person owns a portion of the interest in a Lot, each such person shall be a Member, but the vote for such Lot shall be exercised as they among themselves determine. Absent any other agreement among co-Owners of a single Lot, (i) a single co-Owner appearing at an Association meeting will be entitled to cast the one vote for the Lot, and (ii) if multiple co-Owners appear at an Association meeting, each co-Owner will have a pro rata fractional vote based upon the ownership interests of the co-Owners appearing at such meeting. In

no event shall more than one vote be cast with respect to any single Lot. The Association shall not be required to recognize the vote or written consent of any co-Owner that is not authorized to vote based upon a written designation of all such co-Owners delivered to the Association.

3.10 Waiver of Irregularities. All inaccuracies and irregularities in calls or notices of meetings and in the manner of voting, in the form of proxies and the method of ascertaining Members present, and in the decision and votes of the Board of Directors or of the Owners shall be deemed waived if no objection is made either at the meeting or within thirty (30) days of the date of the meeting, or within 30 days of notice of any decision by the Board of Directors. The presence of a Lot Owner in person at any meeting of the Lot Owners shall be deemed a waiver on any notice requirements.

3.11 Informal Action by Members. Any action that is required or permitted to be taken at a meeting of the Members may be taken without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by enough Members such that the vote would have passed if all of Association Members had been in attendance at a regularly called meeting.

ARTICLE IV BOARD OF DIRECTORS

4.1. General Powers. The property, affairs and business of the Association shall be managed by the Board of Directors. The Board of Directors may exercise all of the powers of the Association, whether derived from the Act, the Declaration or these Bylaws, except such powers that the Articles, these Bylaws, the Declaration, or the Act vest solely in the Members. The Board of Directors shall, among other things, prepare or cause to be prepared, plan and adopt an estimated annual budget for the estimated annual common expenses, provide the manner of assessing and collecting assessments, and keep or cause to be kept sufficient books and records with a detailed account of the receipts and expenditures affecting the Project and its administration, and specifying the maintenance and repair expenses of the Common Areas. The books and records shall be available for examination by all members at convenient hours on working days that shall be set and announced for general knowledge. All books and records shall be kept in accordance with generally accepted accounting principles. The Board of Directors may by written contract delegate, in whole or in part, to a professional management organization or person such of its duties, responsibilities, functions, and powers as are properly delegable

4.2. Number, Tenure, and Qualifications. The Board of Directors shall be composed of five (5) persons, each of whom shall be an owner of a Lot in the Project and shall meet the qualifications in these Bylaws. Each Board Member shall hold his position for three (3) years or until his successor shall have been chosen and qualified, or until his death, or until his resignation, disqualification, or removal in the manner provided in these Bylaws, whichever first occurs.

4.3. Regular Meetings. The Board of Directors shall hold regular meetings at least quarterly, at the discretion of the Board of Directors. The Board of Directors may designate any place in Salt Lake County, Utah as the place of meeting for any regular meeting called by the Board of Directors. Meetings may also be held with Board Members appearing telephonically so long as any Board Member appearing telephonically consents to such appearance. If no designation is made, the place of the meeting shall be at the residence of the President of the Association.

4.4. Special Meetings. Special meetings of the Board of Directors may be called by the President, Vice President, or a majority of the Board Members on at least five (5) days prior notice to each Board Member. The person or persons authorized to call special meetings of the Board of Directors may fix any place, within Salt Lake County, as the place for holding the meeting. Notice shall be given personally, by regular U.S. Mail at such Board Member's registered address, by email, or by telephone. If mailed, such notice shall be deemed to be delivered when deposited in the U.S. mail so addressed, with first-class postage thereon prepaid. Any Board Member may waive notice of a meeting.

4.5. Notice to Owners of Meetings of the Board of Directors. The Board of Directors shall cause written notice of the date, time, and place for all meetings of the Board of Directors to be sent via email to each Owner who has requested such notice. Such written notice shall be delivered no less than 48 hours prior to the meeting except that, when a meeting is called to address an emergency and each member of the Board of Directors receives less than 48-hours' notice of the meeting, such Owners shall receive notice equal to that received by the members of the Board of Directors. Notice to Owners under this Section 4.5 shall be sent via email and shall be deemed delivered when sent to the Owner's email address registered with the Association. Such registered email may be changed from time to time by notice in writing to the Association. If members of the Board of Directors may attend the meeting by electronic means, notice to the Owners shall include information necessary to allow the Owner to attend by electronic means. For the purposes of this Section 4.5, a meeting of the Board of Directors shall mean a gathering of the Board of Directors, whether in person or by electronic means, at which the Board can take binding action.

4.6. Meetings of the Board of Directors Open to Owners. Each meeting of the Board of Directors shall be open to each Owner except that the Board of Directors may close a meeting to consult with an attorney for the purpose of obtaining legal advice; discuss ongoing or potential litigation, mediation, arbitration, or administrative proceedings; discuss a personnel matter; discuss a matter relating to contract negotiation, including review of a bid or proposal; discuss a matter that involves an individual if the discussion is likely to cause the individual undue embarrassment or violate the individual's reasonable expectation of privacy; or discuss a delinquent assessment or fine. At each meeting of the Board of Directors, each Owner shall be provided a reasonable opportunity to offer comments; the Board of Directors may limit comments of the Owners to a specific time period during the meeting. For the purposes of this Section 4.6, a meeting of the Board of Directors shall mean a gathering of the Board of Directors, whether in person or by electronic means, at which the Board can take binding action.

4.7. Quorum and Manner of Action. A majority of the then authorized number of Board Members shall constitute a quorum for the transaction of business at any meeting of the Board of Directors. The act of a majority of the Board Members present at any meeting at which a quorum is present and for which proper notice was provided to the Board Members shall be the act of the Board of Directors. The Board Members shall act only as the Board of Directors, and individual Board Members shall have no powers as such.

4.8. Compensation. No Board Member shall receive compensation for any services that such member may render to the Association as a Board Member; provided, however, that a Board Member may be reimbursed for expenses incurred in performance of such duties as a Board

Member to the extent such expenses are approved by a majority of the other Board Members. Nothing herein contained shall be construed to preclude any Board Member from serving the Project in any other capacity and receiving compensation therefore.

4.9. Resignation and Removal. A Board Member may resign at any time by delivering a written resignation to either the President or the Secretary. Unless otherwise specified therein, such resignation shall take effect upon delivery. A Board Member may be removed at any time, with or without cause, at a special meeting of the Members duly called for such purpose upon the affirmative vote of more than seventy-five percent (75%) of the voting interests of the Association.

4.10. Vacancies and Newly Created Board Memberships. If vacancies shall occur in the Board of Directors by reason of the death, resignation, disqualification, or removal of a Board Member as provided in Section 4.9, the Board Members then in office shall continue to act, and such vacancies shall be filled by a majority vote of the Board Members then in office, though less than a quorum. Any vacancy in the Board of Directors occurring by reason of removal of a Board Member by the Members may be filled by election by the Members at the meeting at which such Board Member is removed. Any Board Member elected or appointed hereunder to fill a vacancy shall serve for the unexpired term of his predecessor.

4.11. Waiver of Notice. Before or at any meeting of the Board of Directors, any Board Member may waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Board Member at any meeting thereof shall be a waiver of notice by that Board Member of the time, place, and purpose thereof.

4.12. Adjournment. The Board of Directors may adjourn any meeting from day to day for such other time as may be prudent or necessary, provided that no meeting may be adjourned for longer than thirty (30) days.

4.13. Nomination and Election of Board Members. Nomination for election to the Board of Directors shall be made by the Members of the Association by petition filed with the secretary of the Association prior to or at the Annual Meeting. Nominations may also be made from the floor at the annual meeting of Members. Members of the Board shall be elected either by a voice vote or by secret written ballot. Association Members or their proxies shall vote in accordance with the provisions of the Declaration and these Bylaws. The persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted. No two Board Members shall be related by blood or marriage nor shall any Board Member share joint ownership in a Unit with another Board Member.

ARTICLE V OFFICERS

5.1. Officers. The officers of the Association shall be a President, a Vice President, a Secretary, and a Treasurer, and such other officers as may from time to time be appointed by the Board of Directors. The Board may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such authority, and perform such duties as the Board of Directors may from time to time determine.

5.2. Election Tenure and Qualifications. The officers of the Association shall be chosen

by the Board of Directors annually at the first regular meeting of the Board of Directors following the annual meeting of the Members. Officers who are also members of the Board of Directors shall serve for a term equal to their term as a Director. Officers who are not also members of the Board shall serve for a term determined by the Board. In the event of failure to choose officers at such regular meeting of the Board of Directors, officers may be chosen at any regular or special meeting of the Board of Directors. Each such officer (whether chosen at a regular meeting of the Board of Directors or otherwise) shall hold such office at least until the next ensuing regular meeting of the Board of Directors and until a successor has been chosen and qualified, or until such officer's death, or until resignation, disqualification, or removal in the manner provided in these Bylaws, whichever first occurs. Any person may hold any two (2) or more of such offices, except that the President may not also be the Secretary. No person holding two (2) or more offices shall act in or execute any instrument in the capacity of more than one (1) office.
