### W I T N E S S E T H:

WHEREAS, UHC is issuing its \$29,000,000 Multifamily Housing Revenue Bonds (River Rock Apartment Homes) Series 2021A (the "Series A Bonds") and its \$6,000,000 Multifamily Housing Revenue Bonds (River Rock Apartment Homes) Series 2021B (together, the "Bonds") for the purpose of funding a loan (the "Loan") to the Borrower to provide a portion of the funds necessary to finance the acquisition, rehabilitation and equipping by the Borrower of a residential multifamily housing project intended for rental to persons of low and moderate income, located in Salt Lake City, Utah, the legal site of which is described at Appendix "I" hereto (such land, with all buildings, fixtures, equipment and improvements now or hereafter constructed or installed thereon, is herein referred to as the "Project");

WHEREAS, UHC is also issuing its \$1,500,000 Subordinate Multifamily Housing Revenue Bonds (River Rock Apartment Homes) Series 2021C (the "Subordinate Bonds") for the purpose of funding a loan (the "Subordinate Loan") to the Borrower to provide additional funds necessary to finance the Project;

The Borrower hereby agrees that the Project shall be owned, managed and operated as a “qualified residential rental project” as such phrase is utilized in Section 142(d) of the Code. To that end the Borrower hereby represents, covenants and agrees as follows:

(a) the Project shall be constructed and equipped as a qualified residential rental project, the Borrower shall develop, own, manage and operate the Project as a qualified residential rental project containing residential units and facilities Functionally Related and Subordinate to such residential units, in accordance with Section 142(d) of the Code and related Treasury Regulations and each residential unit shall be similarly constructed and shall be rented or available for rental as required by Section 142(d) of the Code (residents being entitled to exclusive possession of such residential units);

(b) except as otherwise permitted by subsection (i) hereof, each Residential Unit in the Project contains complete and separate facilities for living, sleeping, eating, cooking (a cooking range, refrigerator and sink) and sanitation (including bathing) for a single person or a family;

(c) none of the Residential Units in the Project shall at any time be utilized on a transient basis; except as otherwise permitted by subsection (i) hereof, none of the Residential Units in the Project shall be leased or rented for a period of less than six months; none of the residents of the Project are residing at the Project for any ancillary purpose unrelated to housing (the Project being the sole residence of such residents during their occupancy); and neither the Project nor any portion thereof shall be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, nursing home, retirement home, sanitarium, rest home, trailer park or court or by a cooperative housing corporation (as defined in Section 216(b)(1) of the Code);

(d) preferential access to Residential Units will not be provided to any persons for use in connection with their trades or businesses and, once available for occupancy, each Residential Unit in the Project shall be rented or available for rental on a continuous basis to members of the general public during the Qualified Project Period;

(e) the Residential Units in the Project, other than the managers' units, shall be leased and rented to members of the general public in compliance with the Treasury Regulations and this Regulatory Agreement;

(f) substantially all (i.e., not less than 95%) of the Project shall consist of proximate buildings or structures located on one or more contiguous tracts of land which have similarly constructed residential units financed pursuant to a common plan together with Functionally Related and Subordinate facilities, all of which shall be owned by the same "person" (as such term is used in the Treasury Regulations) for federal tax purposes;

(g) the Borrower will not on the basis of age, sex, religion, race, color, creed, familial status, source of income, disability or national origin discriminate in the sale, lease or rental of any part of the Project, nor deny to any eligible applicant the opportunity to rent any Residential Unit in the Project on the basis of age, sex, religion, race, color, creed, familial status, source of income, disability or national origin. The Borrower will not advertise or in any other way make statements to occupants or prospective occupants of the Project to the effect that occupancy is restricted, or in any other way limited by, age, sex, religion, race, color, creed, familial status, source of income, disability or national origin;

(h) no building or structure in the Project containing fewer than five Residential Units shall be occupied by the Borrower or a related party (within the meaning of Section 1.103-10(e) of the Regulations) to the Borrower; and

(i) notwithstanding anything contained herein to the contrary, any Residential Unit shall not fail to be treated as a residential unit in a "qualified residential rental project" merely because such unit is a single-room occupancy unit (within the meaning of Code section 42).

Section 3. Low Income Tenants. To the end of satisfying the requirements of Section 142(d) of the Code and related Treasury Regulations relating to income limits, the Borrower hereby represents, covenants and agrees as follows:

(a) At all times during the Qualified Project Period, at least 40% of all Completed Units in the Project shall be occupied solely by Low Income Tenants; provided that for purposes of satisfying such requirement, the following general principles shall apply:

(i) The determination of whether the income of a resident of a Residential Unit in the Project exceeds the applicable income limit shall be made at least annually on the basis of the current income of such resident. If the income of a resident of a Residential Unit in the Project did not exceed the applicable income limit upon commencement of such resident's occupancy of such unit (or as of the date of any prior determination under subsection (i) above), the income of such resident shall be treated as continuing to not exceed the applicable income limit; provided, however, the preceding sentence shall cease to apply to any resident whose income as of the most recent annual determination under subsection (i) above exceeds 140% of the applicable limit if after such determination, but before the next determination, any Residential Unit of comparable or smaller size in the Project is occupied by any resident whose income exceeds the applicable income limit. If credit is allowed under section 42 of the Code with respect to the Project, the proviso in the immediately preceding sentence shall be applied by substituting "building" (within the meaning of section 42) for "Project."

(ii) A Residential Unit which was occupied by a Low Income Tenant shall be treated as occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not to exceed 31 days, at which time the character of the Residential Unit shall be redetermined.

(b) If necessary, the Borrower shall refrain from renting Residential Units to persons other than Low Income Tenants in order to avoid violating the covenant set forth in Section 3(a) above.

(c) The Borrower shall obtain and maintain on file a sworn income certification in the form attached as Appendix "III" hereto with respect to the occupants of a sufficient number of Residential Units in the Project to satisfy the covenant set forth in Section 3(a) above; and each such certification shall be in such form, signed by such person or persons, and obtained at such time or times, as is required hereby and by the applicable Treasury Regulations under Section

142(d) of the Code and shall promptly deliver to UHC, the Trustee, or the Subordinate Trustee, upon request, a copy of each such certification together with such additional certifications as UHC, the Trustee, or the Subordinate Trustee may reasonably require with respect thereto. The Borrower shall verify that the income provided by an applicant is accurate by taking the following steps as a part of the verification process: (1) obtain a federal income tax return for the most recent tax year, (2) obtain a written verification of income and employment from the applicant's current employer, or (3) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other verification of such applicant's income satisfactory to UHC.

(d) The Borrower shall submit or cause to be submitted to the Secretary of Treasury (at such time and in such manner as the Secretary shall prescribe) the annual certification required by Section 142(d)(7) of the Code (currently IRS form 8703) as to whether the Project continues to meet the requirements of Section 142(d). Any failure to comply with the provisions of the preceding sentence may subject the Borrower to penalties under the Code. The Borrower shall deliver a copy of all annual certifications submitted to the Secretary of Treasury, together with proof of mailing, to UHC within 30 days of submission to the Secretary of Treasury.

(e) The Borrower shall prepare and submit or cause to be prepared and submitted to UHC on or before the first day of each January 1 and July 1 during the Qualified Project Period beginning on the first day of January or July following the initial occupancy of any Residential Unit in the Project, a Certificate of Continuing Program Compliance attached hereto as Appendix "II" or as amended by UHC, duly executed by an authorized representative of the Borrower. In the event the Borrower is unable to deliver any Certificate of Continuing Program Compliance on a timely basis, the Borrower shall furnish to UHC, in writing, a detailed explanation of the reasons for such failure or inability to provide such Certificate of Continuing Program Compliance.

Section 4. Moderate Income Tenants. At all times during the Qualified Project Period, each Remaining Residential Unit shall be occupied solely by individuals or a family whose total combined Income on the date of their initial occupancy is less than 140% of the Area Median Gross Income. The Borrower shall maintain records evidencing compliance with such requirement. UHC, the Trustee, and the Subordinate Trustee may inspect all records of the Borrower with respect to the Project upon reasonable written notice.

Section 5. Covenants Run with the Land. The Borrower hereby declares its express intent that the covenants, restrictions, charges and easements set forth herein shall be covenants running with the land and shall pass to and be binding upon the Borrower's successors in title including any purchaser, grantee or lessee of any portion of the Project and any other person or entity having any right, title or interest therein and upon the respective heirs, executors, administrators, devisees, successors and assigns of the Borrower and any purchaser, grantee, developer or lessee of any portion of the Project

and any other person or entity having any right, title or interest therein. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof or interest therein shall contain an express provision making such conveyance subject to the covenants, restrictions, charges and easements contained herein; provided, however, that any such contract, deed or other instrument shall conclusively be held to have been executed, delivered and accepted subject to such covenants, regardless of whether or not such covenants are set forth or incorporated by reference in such contract, deed or other instrument. No breach of this Regulatory Agreement shall defeat, impair, render invalid, or otherwise affect the lien of a deed of trust, mortgage or similar encumbrance upon the Project given in good faith and for value.

Section 6. Uniformity; Common Plan. The provisions hereof shall apply uniformly to the entire Project to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 7. Remedies; Enforceability. In the event of a violation or attempted violation of any of the provisions hereof, UHC or any governmental entity succeeding to UHC's functions, the Trustee, the owner of the Bonds, the Subordinate Trustee and the Bondholder Representative (as defined in the Subordinate Indenture) may institute and prosecute any proceeding at law or in equity to abate, prevent or enjoin any such violation or attempted violation, to recover monetary damages caused by such violation or attempted violation, subject to the limitations set forth in Section 8.12 of the Loan Agreement and Section 5.1 of the Subordinate Financing Agreement. The provisions hereof are imposed upon and made applicable to the Project and shall run with the land and shall be enforceable against the Borrower and each purchaser, grantee, developer or lessee of the Project or any portion thereof of interest therein, at any time and from time to time, and the respective heirs, legal representatives, successors and assigns. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the same or obtain relief against or recover for the continuation or repetition of such breach or violation or any similar breach or violation thereof at any later time or times. The Borrower hereby agrees to pay, indemnify and hold UHC, the Trustee, the Subordinate Trustee and their officers, agents, directors and employees, and the successors and assigns of each of them, harmless from any and all liabilities, costs, expenses and fees, including all reasonable attorneys' fees and expenses, which may be incurred by UHC, the Trustee or the Subordinate Trustee, as applicable, in enforcing or attempting to enforce this Regulatory Agreement following any default on the part of the Borrower hereunder, whether the same shall be enforced by suit or otherwise; together with all costs, fees and expenses which may be incurred in connection with any amendment to this Regulatory Agreement or otherwise by UHC at the request of the Borrower (including the reasonable fees and expenses of Bond Counsel in connection with any opinion to be rendered hereunder).

Section 8. Amendment; Term; Termination. The Borrower shall cause this Regulatory Agreement to be duly recorded in the office of public records in the county where the Project is located as an encumbrance upon the Project Site and the Borrower shall deliver to the Trustee, the Subordinate Trustee and UHC a copy of a title insurance

policy or other evidence of such recording and an opinion of counsel in form and substance satisfactory to UHC to the effect that this Regulatory Agreement is a legal, valid and binding agreement enforceable in accordance with its terms against the Borrower. Prior to the effective date of any transfer of title to the Project, the Borrower shall deliver to the Trustee, the Subordinate Trustee and UHC an opinion of counsel in form and substance satisfactory to UHC to the effect that this Regulatory Agreement is a legal, valid and binding agreement of all persons acquiring any right, title or interest in or to the Project or any part thereof.

Except as otherwise set forth herein, this Regulatory Agreement and the covenants made by the Borrower herein shall remain in full force and effect until the expiration of the Qualified Project Period and the provisions hereof may not be amended or revised prior to such stated term, except by an instrument in writing duly executed by UHC, the Trustee (so long as the Bonds are outstanding), the Subordinate Trustee (so long as any Subordinate Bonds are outstanding) and the Borrower and duly recorded. UHC's, the Trustee's, and the Subordinate Trustee's agreement to execute any such amendment or revision shall be given only upon receipt of an opinion of Bond Counsel that such amendment or revision will not adversely affect the exclusion from gross income of interest on the Bonds or the Subordinate Bonds for federal income tax purposes and the Trustee or the Subordinate Trustee is entitled to execute such amendment without liability, upon its receipt of such opinion.

This Regulatory Agreement shall terminate upon receipt of evidence satisfactory to UHC that there has occurred an involuntary noncompliance caused by fire, seizure, requisition, change in federal law or action of a federal agency after the Delivery Date which prevents UHC from enforcing this Regulatory Agreement or condemnation, foreclosure, transfer of title by deed in lieu of foreclosure, or similar event, but only if within a reasonable period thereafter the Bonds are paid in full and canceled and the Subordinate Bonds are paid in full and canceled; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time during the Qualified Project Period subsequent to the termination of such provisions as the result of such foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an interest in the Project which constitutes an ownership interest therein for federal income tax purposes.

Upon expiration or sooner termination of this Regulatory Agreement and upon written request of the Borrower or any lender, UHC shall take such actions as shall be necessary upon the advice of its legal counsel to remove this Regulatory Agreement from the public records relating to the Project Site.

Notwithstanding any other provisions hereof, the parties hereto agree to amend this Regulatory Agreement upon receipt of written notice from UHC to conform to any amended Treasury Regulations (proposed or final), or any legislative enactment or final decision by a court of competent jurisdiction if necessary to maintain the tax-exempt status of the interest on the Bonds or the Subordinate Bonds when the same becomes applicable.

Section 9. Sale or Transfer of the Project. The Borrower intends to hold the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project, and hereby covenants and agrees not to voluntarily sell, transfer or otherwise dispose of the Project, or any portion thereof without having first delivered to UHC, the Trustee, and the Subordinate Trustee (i) reasonable evidence satisfactory to UHC that the Borrower's purchaser or transferee has assumed in writing and in full, the Borrower's duties and obligations under this Regulatory Agreement, acknowledgment of which shall be provided to the Borrower at its request, (ii) an opinion of counsel to the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement, and that this Regulatory Agreement is legal, valid, binding and enforceable on the transferee, (iii) evidence acceptable to UHC that either (A) the purchaser or assignee has experience in the ownership, operation and management of rental housing projects such as the Project without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, or (B) the purchaser or assignee has retained a property management firm with the experience and record described in subparagraph (A) above, (iv) evidence acceptable to UHC that no event of default exists under this Regulatory Agreement, the Loan Agreement, the Bond Loan Documents, the Subordinate Financing Agreement, or the Loan Documents and payment of all fees and expenses of UHC, the Trustee, and the Subordinate Trustee are current, and (v) an opinion of Bond Counsel to the effect that such sale will not adversely affect the exclusion of interest on the Bonds or the Subordinate Bonds from the gross income of the recipients thereof for federal income tax purposes, except with respect to interest on the Bonds or any Subordinate Bonds during any period such Bonds or Subordinate Bonds are held by a "substantial user" or a "related person" within the meaning of Section 147(a) of the Code. A voluntary sale by the Borrower shall not include a transfer by deed in-lieu of foreclosure or comparable conversion of the Loan or the Subordinate Loan. It is hereby expressly stipulated and agreed that any voluntary sale, transfer or other disposition of the Project in violation of the provisions of this Section 9 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Not less than 30 days prior to consummating any voluntary sale, transfer or disposition of any interest in the Project, the Borrower shall deliver to UHC, the Trustee, and the Subordinate Trustee a notice in writing explaining the nature of the proposed transfer.

Section 10. No Conflict with Other Documents. The Borrower warrants that it has not executed and will not execute any other agreement with provisions contradictory to, or in opposition to, the provisions hereof, and that in any event, the requirements of this Regulatory Agreement are paramount and controlling as to the rights and obligations herein set forth and supersede any other requirements in conflict herewith.

Section 11. Severability. The invalidity of any clause, part or provision of this Regulatory Agreement shall not affect the validity of the remaining portions thereof.

Section 12. Notices. All notices to be given pursuant to this Regulatory Agreement shall be in writing and shall be deemed given when mailed by certified or
