Section 2. Owners' Easements of Enjoyment. Every owner has a right and easement of use and enjoyment in and to the common area. This easement is appurtenant to and passes with the title to every lot, subject to:

- (a) The right of the Association to charge reasonable admission, use, service and other fees for the use of any service or recreational storage, or parking facility situated upon the common area. No fees shall be charged for parking specifically designated on the plat as appurtenant to a lot.

However, area within the surveyed lot boundaries but outside the originally constructed townhome walls shall be treated as limited common area for use purposes, and as exterior area for maintenance purposes. After the initial construction on a lot, subsequent construction, if any, on that lot must nevertheless conform to the location, size, and appearance of the originally constructed townhome.

ARTICLE III - MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every owner is a member of the Association. The term "owner" includes contract purchasers but does not include persons who hold an interest merely as security for the performance of an obligation unless and until title is acquired by foreclosure or similar proceedings. Membership is appurtenant to and may not be separated from lot ownership. Membership in the Association automatically transfers upon transfer of title by the record owner to another person or entity.

Section 2. Voting Rights. The Association has two classes of voting membership:

CLASS A. Class A members are all members with the exception of the Declarant, as defined in the Declaration. Class A members are entitled to one vote for each lot owned. When more than one person holds an interest in any lot, the group of such persons shall be a member. The vote for such lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any lot. A vote cast at any association meeting by any of such co-owners, whether in person or by proxy, is conclusively presumed to be the vote attributable to the lot concerned unless written objection is made prior to that meeting, or verbal objection is made at that meeting, by another co-owner of the same lot.

In the event an objection is made, the vote involved shall not be counted for any purpose except to determine whether a quorum exists.

CLASS B. The Class B member is the Declarant. The Class B member is entitled to three (3) votes for each Lot owned. The Class B membership may be converted to Class A membership on the happening of any of the following events, whichever occurs earlier:

- (a) the surrender of Class B membership status by the express written action of the Declarant in the case of expansion (as provided under the Declaration) which occurs while the Declarant has Class B membership, the Declarant's memberships appurtenant to the lots in the expansion area shall be Class B memberships; or
- (b) when the total votes outstanding in the Class A membership is equal to the votes outstanding in the Class B membership; or
- (c) the date which is seven (7) years after the date of the recording of the Declaration.

Section 3. Presidency. The declarant shall appoint a President for the association after 75 percent of the homes are sold and closed. The president shall appoint officers to assist in running the association for one year. After one year, a vote is cast for the owners to elect a President, Vice President, and Secretary/Treasurer to best serve the needs of the association. After the election is held the association is turned over to the owners.

ARTICLE IV - FINANCES AND OPERATIONS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant and each subsequent owner of any lot by acceptance of a deed therefore whether or not it shall be so expressed in any such deed or other conveyance, covenants and agrees to pay to the Association (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided; (3) any other amount or assessment levied or charged by the Association or Board of Trustees pursuant to this Declaration, and (4) interest, costs of collection and a reasonable attorney's fee, as hereinafter provided. All such amounts shall be a charge on the land and shall be a continuing lien upon the property against which each such person who was the owner of such property at the time when the assessments fell due. Successors-in-title shall not be personally liable for assessments delinquent at the time they took title unless that obligation is expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used (a) for the purpose of promoting the recreation, health, safety, and welfare of the residents of the properties and (b) for the improvement and maintenance of properties, services, and facilities devoted to this purpose. The assessments must provide for but are not limited to the payment of taxes on Association Property and insurance maintained by the Association; the payment of the cost of repairing, replacing, maintaining and constructing or acquiring additions to the common and limited common areas; the payment of the cost of repairing, replacing, and maintaining the exterior of the townhomes, townhome front yards and the rear landscape easement; the payment of administrative expenses of the Association; insurance deductible amounts; the establishment of a reserve account for repair, maintenance and replacement of those common and limited common areas which must be replaced on a periodic basis; and other amounts required by this Declaration or that the Trustees shall determine to be necessary to meet the primary purposes of the Association. The assessments may provide, at the discretion of the Trustees, for the payment of other charges including, without limitation, maintenance, management, utility, cable television, trash collection, sewer and water charges, information and counseling, recreational and referral services, transportation to facilitate access to social services and related services.

Section 3. Maximum Annual Assessment. Until January 1 following recording of this Declaration, the maximum annual assessment shall be Nine Hundred Dollars (\$900.00) per lot. This amount shall be the basis of calculation for future maximum annual assessments.

- (a) From and after the date, referred to above the maximum annual assessment shall be increased each year not more than five percent (5%) above the maximum assessment for the previous year, without a vote of the membership.
- (b) The Association may change the basis and maximum of the assessments fixed by this Section prospectively for any annual period provided that any such change shall have the assent of sixty-seven percent (67%) of the votes of each class of members, voting in person or by proxy, at a meeting duly called for this purpose.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments, the Association may levy in any assessment year a special assessment, applicable to that year only. Special assessments may only be levied to defray, in whole or in part, the cost of any construction, reconstruction, repair or replacement of common or limited common area structures, fixtures and personal property related thereto. Special assessments must have the assent of sixty-seven percent (67%) of the votes of each class of the members authorized to vote, in person or by proxy, at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3, and 4. Written notice of any meeting of members called for the purpose of taking any action authorized under Section 3, 4 or 5 shall be sent to all members at least thirty (30) days in advance of said meeting. At the first meeting called, the presence at the meeting of members, or of proxies, entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the quorum requirement is not met at such a meeting, another meeting may be called, on at least thirty (30) days advance written notice, and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment: Periodic Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots; provided, however, that assessments shall not accrue against the Declarant so long as the Declarant has Class B membership. This method of determining the assessments, dues and charges may not be charged without the prior written approval of all first mortgagees.

Annual, special and additional assessments may be collected on a monthly or quarterly basis, as the Trustees determine and will begin on the day of closing.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessment provided for herein shall commence to accrue on the first day of the month following conveyance of the common area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. In the absence of a determination by the Trustees as to the amount of said assessment, the first annual assessment shall be an amount equal to 90% of the maximum annual assessment provided above.

At least thirty (30) days prior to the commencement of each new assessment period, the Trustees shall send or cause to be sent a written notice of the annual assessment to each owner subject thereto. Receipt of notice shall not be a prerequisite to validity of the assessment.

The assessment due dates shall be established by the Trustees. The Trustees may provide for the payment of the annual and special assessments in equal installments throughout the assessment year.

The Trustees shall prepare a roster of the properties and the assessments applicable thereto at the same time that it shall fix the amount of the annual assessment, which roster shall be kept by the Treasurer of the Association, who shall record payments of assessments and shall allow inspection of the roster by any member at reasonable times.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified lot has been paid. Such certificates, when properly issued, shall be conclusive evidence of the payment of any assessment or fractional part thereof which is therein shown to have been paid.

Section 8. Effect of Non-Payment of Assessment - Remedies of the Association. Any assessment or installment thereof not paid within thirty (30) days after the due date therefore shall be delinquent and shall bear interest from the due date at the rate of eighteen percent (18%) per annum (or such lesser rate as the Trustees shall determine appropriate) until paid. In addition, the Trustees may assess a late fee for each delinquent installment which shall not exceed ten percent (10%) of the installment.

The Trustees may, in the name of the Association, (a) bring an action at law against the owner personally obligated to pay any such delinquent assessment without waiving the lien of assessment, or (b) may foreclose the lien against the property in accordance with the laws of the State of Utah applicable to the foreclosure of mortgages, or in any other manner permitted by law, and/or (c) may restrict, limit, or totally terminate any or all services performed by the Association in behalf of the delinquent member.

There shall be added to the amount of any delinquent assessment the costs and expenses of any action, sale or foreclosure, and a reasonable attorney's fee, together with an account for the reasonable rental for the lot from time of commencement of the foreclosure. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental without regard to the value of the other security.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage held by an institutional lender if the mortgage was recorded prior to the date the assessment became due. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to foreclosure of a first mortgage of any proceeding in lieu thereof, shall extinguish the assessment lien as to payments which became due prior to such sale or transfer. No sale or transfer, however, shall relieve a lot or owner from personal liability for assessments coming due after he takes title or from the lien of such later assessments.

Section 10. Books, Records and Audit. The Association shall maintain current copies of the Declaration, Articles, Bylaws, Rules and other similar documents, as well as its own books, records and financial statements which shall all be available for inspection by lot owners and insurers as well as by holders, insurers and guarantors of first mortgages during normal business hours upon reasonable notice. Charges shall be made for copying, researching or extracting from such documents. A lot owner or holder, insurer or guarantor of a first mortgage may obtain an audit of Association records at its own expense so long as the results of the audit are provided to the Association.

ARTICLE V- INSURANCE

Section 1. Casualty Insurance on Insurable Common Area. The Trustees shall keep all insurable improvements and fixtures of the common area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the common area shall be written in the name of, and the proceeds thereof shall be payable to, the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are common expenses which shall be included in the regular annual assessments made by the Association.

In addition to casualty insurance on the Common Area, the Trustees may elect to obtain and continue in effect, on behalf of all owners, adequate blanket casualty and fire insurance in such form as the Trustees deem appropriate in an amount equal to the full replacement value, without deduction for depreciation or coinsurance, of all the townhomes including the structural portions and fixtures thereof. Insurance premiums from any such blanket insurance coverage, and any other insurance premiums paid by the Association to be included in the regular annual assessments as levied by the Association. The insurance coverage with respect to the townhomes shall be written in the name of, and the proceeds thereof shall be payable to the Association as trustee for the owners.

Section 2. Casualty Insurance on Townhomes. Unless the Association shall elect to provide a blanket casualty policy, each owner shall be responsible to keep all attached improvements insured against such losses or damages as the Owner shall elect. Owner shall repair and replace any damage to the improvements for which insurance is to be carried.

Section 3. Replacement or Repair of Property. In the event of damage to or destruction of any part of the common area improvements, the Association shall repair or replace the same from the insurance proceeds available. If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may make a reconstruction assessment against all lot owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other common assessments made against such lot owner.

In the event that the Association is maintaining blanket casualty and fire insurance on the townhomes, the Association shall repair or replace the same to the extent of the insurance proceeds available.

In the event of damage or destruction by fire or other casualty to any portion of the development covered by insurance written in the name of the Association, the Trustees are empowered to and shall represent the members in any proceedings, negotiations, settlements or agreements. The Association is appointed attorney-in-fact of each owner for this purpose.

Section 4. Liability Insurance. The Trustees shall obtain a comprehensive policy of public liability insurance covering all of the common and limited common property for at least \$1,000,000.00 per occurrence for personal or bodily injury and property damage that results from the operation, maintenance or use of the common areas. Liability insurance policies obtained by the Association shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of an owner because of negligent acts of the Association or other owners.

Section 5. Fidelity Insurance. The Trustees may elect to obtain fidelity coverage against dishonest acts on the part of managers, trustees, officers, employees, volunteers, management agents or others responsible for handling funds held and collected for the benefit of the owners or members. In procuring fidelity insurance the Trustees shall seek a policy which shall (1) name the Association as obligee or beneficiary, plus (2) be written in an amount not less than the sum of (i) three months' operating expenses and (ii) the maximum reserves of the Association which may be on deposit at any time, and (3) contain waivers of any defense based on the exclusion of persons who serve without compensation from any definition of "employee."

Section 6. Annual review of Policies. All insurance policies shall be reviewed at least annually by the Trustees in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacements of the property which may be damaged or destroyed.

ARTICLE VI - ARCHITECTURAL CONTROL COMMITTEE

No structure, building, fence, wall or addition, extension or expansion of any of the foregoing shall be commenced, erected or maintained upon the properties, nor shall any exterior addition or change or alteration to any lot or townhome be made until the plans and specifications showing the nature, kind, shape, height, materials, colors and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Trustees or, if such a committee is in existence, by an Architectural Control Committee, composed of three (3) or more representatives appointed by the Trustees. In the event said Trustees, or their designated committee fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and compliance with this article will be deemed to have been made.

The Architectural Control Committee shall have the power to adopt and amend standards and regulations.

Notwithstanding the foregoing, without prior written approval of at least sixty seven percent (67%) of the owners, neither the Association nor the Architectural Control Committee shall have the power, by act or omission to change, wave or abandon any plan, scheme or regulations pertaining to the architectural design or the exterior appearance or maintenance of townhomes and lots, and the maintenance of the common and limited common areas, including walls, fences, driveways, lawns and plantings.

The Declarant shall not be required to comply with the provisions of this paragraph in the Declarant's initial construction of the Properties.

ARTICLE VII - EXTERIOR MAINTENANCE

Section 1. Exterior Maintenance. In addition to maintenance upon the common area and limited common area, the Association shall provide exterior maintenance upon each townhome, front yard, and that area within the rear landscaping and utility easement that are not encompassed by fence (as shown on the recorded maps.), including, but not limited to the following: paint, repair, replace and care for roofs, gutters, down spouts, exterior building surfaces, fences, street signs, lights, mailboxes, trees, shrubs, grass, walks, driveways, streets and other exterior improvements. The cost of regular exterior maintenance shall be a common expense and shall be added to and become part of the regular annual assessment.

Section 2. Maintenance by Owner. Each owner shall be solely responsible for maintenance to glass, doors and screens on his lot or townhome, and for any maintenance on his lot or townhome required due to willful or negligent acts. In the event an owner shall fail to perform this maintenance in a manner satisfactory to the Trustees, as determined by a 2/3 vote, they shall have the right to have such maintenance performed. The cost of such maintenance shall be added to and become part of the assessment to which such lot is subject.

Section 3. Access at Reasonable Hours. For the purpose solely of performing the maintenance required by this article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the owner, to enter upon any lot or limited common area at reasonable hours.

ARTICLE VIII - USE RESTRICTIONS

Section 1. Construction, Business and Sale. Notwithstanding any provisions to the contrary herein contained, it shall be expressly permissible for Declarant to maintain such facilities and conduct such activities as in the sole opinion of Declarant may be reasonably required, convenient or incidental to the construction and sale of lots during the period of construction and sale of said lots and upon such portion of the premises as Declarant deems necessary including but not limited to a business office, storage areas, construction yard, signs, model units and sales offices. As part of the overall program of development of the properties into a residential community and to encourage the marketing thereof, the Declarant shall have the right of use of the common area and facilities thereon, including any community buildings, without charge during the sales and construction period to aid in its marketing activities.

Section 2. General Use Restrictions. All of the properties which are subject to this declaration are hereby restricted to residential dwellings and buildings. Section 4. Quiet Enjoyment. No noxious or offensive activity shall be carried on upon any part of the properties nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood, or which shall in any way interfere with the quiet enjoyment of each of the owners or which shall in any way increase the rate of insurance.

Section 5. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any of said lots, except that dogs, cats or other household pets, two or less in total number, may be kept provided that they are not kept, bred or maintained for any commercial purpose. Notwithstanding the foregoing, no animals or fowl may be kept on the property which result in an annoyance or are obnoxious, by noise, smell or otherwise to lot owners. All pets must be kept on the lot or on a leash when in the common areas and owners must clean up after their pets. These provisions may be made more restrictive by Rule of the Association.

Section 6. Use of Common Area. Except for the rights of ingress and egress, owners are hereby prohibited and restricted from using any of said common area, other than as permitted in this declaration of covenants or as may be allowed by the Trustees. It is expressly acknowledged and agreed by all parties concerned that this restriction is for the mutual benefit of all owners of lots in the properties and is necessary for the protection of the interests of all said owners in and to the common area.

As part of the overall program of development of the properties into a residential community and to encourage the marketing thereof. The Declarant shall have the right of use of the common area and facilities thereon, including any community buildings, without charge during the sales and construction period to aid in its marketing activities.

Section 7. Parking. No motor vehicle which is inoperable shall be allowed within the Properties, and any motor vehicle which remains parked over 72 hours shall be subject to removal by the Association, at the owner's expense. If parking spaces are designated on the plat with numbers corresponding to lot numbers, each such space is for the exclusive use of the lot owner with the corresponding number. If parking areas are not designated on the plat with lot numbers, the Trustees may assign vehicle parking space for each lot. Parking spaces within the Properties shall be used for parking of motor vehicles actually used by the owner or his immediate family or guests for personal use and not for commercial use, and for non-resident parking. Recreational vehicles, boats, travel trailers and similar property may not be parked within the Properties unless permitted by rule of the Association. Overnight parking is not allowed on any street within the Properties.

Section 8. Fences and Hedges. No fences, hedges or walls shall be erected or maintained upon any property except such as are installed in accordance with the initial construction of the buildings located thereon or as approved by the Trustees.

Section 9. External Apparatus. No lot owner shall cause or permit anything (including, without limitation, awnings, canopies or shutter) to hang, be displayed or otherwise affixed to or placed on the exterior walls or roof or any part thereof, or on the outside of windows or doors, without the prior written consent of the Trustees.

Section 10. Exterior Television or Other Antennas. Section 13. Interior Utilities. All utilities, fixtures and equipment included within a lot, commencing at a point where the utility lines, pipes, wires, conduits or systems enter boundaries of a lot, shall be maintained and kept in repair by the owner thereof. An owner shall do no act nor any work that will impair any easement or hereditament nor do any act nor allow any condition to exist which will adversely affect the other lots or owners.

Section 14. Leases. Any lease or rental agreement shall be in writing and shall provide that the terms of the lease shall be subject in all respects to the provisions of this Declaration, the Articles of Incorporation. By laws and Rules and Regulations of the Association and that any failure by lessee to comply with the terms of such documents shall be a default under the lease. All leases shall contain a verbatim restatement of the following Sections 15 and 16.

ARTICLE IX - EASEMENTS

Section 1. Encroachments. Each lot and the property included in the common and limited common areas shall be subject to an easement for encroachments created by construction, settling and overhangs, as designed or constructed by the Declarant. A valid easement for said encroachments and for the maintenance of same, so long as it stands, shall and does exist. In the event the structure containing lots is partially or totally destroyed, and then rebuilt, the owners of the lots so affected agree that minor encroachments of parts of the adjacent lots or common or limited common areas due to construction shall be permitted and that a valid easement for said encroachment and the maintenance thereof shall exist.

Units ten through sixteen shall not have nor cause to be constructed any attachment wether permanent or temporary of a roof extension, awning or overhang that extends more than 15 feet from the plane of the existing rear wall on said units. This provision is intended to protect the adjoining subdivision of Holandale Estates from having a roof structure within 10 feet of the common boundaries between said subdivision and Sierra Cove.

Section 2. Utilities. There is hereby created a blanket easement upon, across, over and under all of the properties for ingress, egress, limited to water, sewers, gas, telephone and electricity. By virtue of this easement, it shall be expressly permissible for all public utilities serving the properties to lay, construct, renew, operate and maintain conduits, cables, pipes, mains, ducts, wires and other necessary equipment on the properties, provided that all such services shall be placed underground. Notwithstanding anything to the contrary contained in this section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on the properties except as initially programmed and approved by the Declarant or thereafter approved by Declarant or the Association. Should any utility furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, Declarant or the Association shall have the right to grant such easement on said property without conflicting with the terms hereof. All utilities that are installed in, upon, under or through the common areas of the properties shall be maintained under the direction of the Association.

Section 3. Police, Fire and Ambulance Service. An easement is hereby granted to all police, fire protection, ambulance services and all similar persons to enter upon the streets and common and limited common areas in the performance of their duties.

Section 4. Maintenance by Association. Section 5. Other Easements. The easements provided for in this Article shall in no way affect any other recorded easement.

ARTICLE X - PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as part of the original construction of the home upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by fire or Other Casualty.
