Grantor hereby agrees that **MAGNA WATER DISTRICT**, their officers employees, agents, representatives, contractors, and assigns shall have the right of ingress to and egress from the above described strip of property with such equipment as is necessary to install, maintain, operate, repair, inspect, protect, install and connect other transmission mains and laterals, remove and replace said facilities as may be required from time to time by Grantee.

Grantor shall have the right to use said premises except for the purpose for which these rights-of-way and easements are granted provided such use shall not interfere with said facilities or with the discharge or the conveyance of water and sewer through any pipelines installed by Grantee. Grantee shall have the right to clear and remove all trees and obstructions within the easements which may interfere with the use of the easements by the Grantee. Grantee shall have the right to excavate and refill ditches and/or trenches for the installation of said pipelines and appurtenant parts thereof.

Grantor shall not build or construct or permit to be built or constructed any building, or permanent structure over or across said easement or lower the contour thereof greater than two feet without the prior written consent of Grantee. This right-of-way and easement grant shall be binding upon and inure to the benefit of, the heirs, representatives, successors-in-interest and assigns of Grantors and the successors and assigns of Grantee and may be assigned in whole or in part by Grantee.

The property of Grantor shall be restored in as good of condition as when the same was entered upon by the Grantee or its agents. The Grantee agrees that the pipe will be structurally strong enough to facilitate the construction of future roads by Grantors over said easement.

Grantor has caused this instrument to be executed this 8th day of June, 2021.
