For value received, Integrated Gazelle, LLC, a Utah limited liability company (“Grantor”), hereby grants Rocky Mountain Power, an unincorporated division of PacifiCorp its successors and assigns, (“Grantee”), an easement for a right of way 10 feet in width and 2,290 feet in length, more or less, for the construction, reconstruction, operation, maintenance, repair, replacement, enlargement, and removal of underground electric power transmission, distribution and communication lines and all necessary or desirable accessories and appurtenances thereto, including without limitation: wires, fibers, cables and other conductors and conduits therefor; and pads, transformers, switches, cabinets, and vaults on, across, or under the surface of the real property of Grantor in Salt Lake County, State of Utah more particularly described as follows and as more particularly described and/or shown on Exhibit(s) A attached hereto and by this reference made a part hereof:

At no time shall Grantor place or store any flammable materials (other than agricultural crops), or light any fires, on or within the boundaries of the right of way. To the fullest extent permitted by law, each of the parties hereto waives any right it may have to a trial by jury in respect of litigation directly or indirectly arising out of, under or in connection with this agreement. Each party further waives any right to consolidate any action in which a jury trial has been waived with any other action in which a jury trial cannot be or has not been waived.
