In the event said committee, or its designated representative, fails to approve or disapprove such design and location within thirty days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the erection of such building or the making of such

alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the members of such committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant.
