Total number of acres included in this application: \_\_\_\_\_

I CERTIFY THAT:

1. The agricultural land covered by this application constitutes no less than five (5) contiguous acres exclusive of the homestead and other non-agricultural acreage. Note: The tax commission may grant a waiver of the acreage limitation if an appeal is made by the property owner and submission of proof that the owner obtains 80% or more of his income from agricultural products on an acreage of less than five contiguous acres.
2. The above described eligible land is currently devoted to agricultural use and has been so devoted for five (5) successive years prior to this date.
3. For the five years immediately preceding year of application the average gross annual income received from agricultural products produced on the above described eligible land has been at least two hundred fifty dollars (\$250.00).
4. I am fully aware of the five (5) year roll-back provision which becomes effective upon a change in the use of all or part of the above described eligible land. I understand the provision of the roll-back tax which requires notice to the county assessor of any change in use of the land to other than agriculture and that a 100% penalty of the computed roll-back tax due will be imposed on failure to notify the assessor.

Under penalties provided by law, this application, including any accompanying schedules and/or statements, have been examined by me and to the best of my knowledge and belief are true and correct.
