14. Cooperation. The parties hereto agree to cooperate reasonably to attempt to resolve any disputes that may arise in the future between them with respect to the use of the Easement Property by Grantee and Grantor.

15. No Waiver. Failure of a party hereto to insist upon strict performance of any provisions hereof shall not be construed as a waiver for future purposes with respect to any such provision or option. No provision of this instrument shall be deemed to have been waived unless such waiver is in writing and signed by the party alleged to have waived its rights.

16. Interpretation. The Section headings in this Agreement are for convenience only and shall not be considered or referred to in resolving questions of interpretation and construction. The use of the singular in this Agreement shall include the plural, where the context is otherwise appropriate.
