The GRANTOR SHALL NOT construct or cause to allow to be constructed any permanent or temporary buildings or structures nor plant large trees whose root zones would contact or interfere with the utilities upon the Easement described herein, whether the same shall have been brought, placed, or constructed upon the said premises by Grantor or by Grantor's successors, guests, tenants, subsequent purchases, assigns, invitees, or anyone else. Should such structures be placed upon the Easement in violation of the preceding sentence, they shall be so placed at the Grantor's or the owner's sole risk and expense, and the owner, as from time to time constituted, shall solely be responsible for the cost and expense of removing and/or relocating the structure or improvement or any portion thereof from the Easement. The Easement may, however, be crossed or covered with sidewalks, curb and gutter, roadways, fences, or similar improvements. In the event that removal of any violating structures is required for the maintenance, repair, operation or replacement of the Grantee's line or lines located within the Easement, neither Grantor nor the owner of the subject property nor any other persons shall have any recourse whatsoever against the Grantee in the event any structure or improvement, or any portion thereof, must be removed and/or relocated and Grantee shall not be liable for any damage to such structure or improvement resulting from such maintenance, repair, operation or replacement activities. Otherwise, Grantee shall restore the premises to substantially the same condition that existed prior to the work after completing any construction, repair, replacement, or maintenance activity thereon.
