The contract seller shall remain liable for all charges and assessments attributable in his Lot until fee simple charges and assessments attributable in his Lot until fee simple title to the Lot sold is conveyed. In the event the Owner of any Lot shall fail or refuse to transfer the Membership registered in his name to the purchaser of such Lot upon transfer of fee simple title thereto, the Board shall have the right to record the transfer upon the books of the Association. Such assessments, together with interest, costs, and reasonable attorney's fees for the collection thereof, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment fell due. Subject to the provisions of this Declaration protecting first Mortgagees, the personal obligation for delinquent assessments shall pass to the successors in interest of such Owner. The Board shall establish at least two (2) separate accounts (the "Maintenance Funds") into which shall be deposited all monies paid to the Association. At least one of the accounts (the "operating Fund") shall include funds for replacement, painting, repairs and operations which would reasonably be expected to occur on an annual or more frequent basis. At least one of the accounts (the "reserve Fund") shall include such funds as the Board determines shall constitute an adequate and reasonable reserve for replacement and repairs which would reasonably be expected to occur less frequently than on an annual basis. The Board shall not co-mingle any amounts deposited into any of the separate accounts.

Section 2. Purpose of Common Assessments. The Assessments levied by the Association shall be used to promote the common health, safety, benefit, recreation and welfare of the Owners and for the improvement and maintenance of the Common Area as provided herein. The assessments shall also be for an adequate reserve to be used as appropriate for maintenance, repairs and replacement of those elements of the Common Area that must be replaced on a periodic basis. However, disbursements from the Reserve Fund shall be made by the Board only for the specific purposes specified in this Article VI. Disbursements from the Operating Fund shall be made by the Board for such purposes as are necessary for the discharge of its responsibilities herein for the common benefit of all of the Owners, other than those purposes for which disbursements from the Reserve Fund are to be used. Nothing in this Declaration shall be construed in such a way as to permit the Association to use any assessments to abate any nuisance or annoyance emanating from outside the boundaries of the Property. Nothing contained herein shall limit, preclude or impair the establishment of additional Maintenance Funds are allocated for specified purposes authorized by this Declaration.

Section 3. Damage to Common Area by Owners. Any maintenance, repairs or replacements completed by the Association arising out of or caused by the willful or negligent act of the Owner, his family, guest, invites of lessees shall be done at said Owner's expense, or a Special Assessment therefore shall be made against his Lot.

Section 4. Basis of Maximum Common Assessment. Until January 1st of the year immediately following the conveyance of the First Lot in the Property to any Owner, the maximum Common Assessment under Article VI shall be Thirty Dollars (\$30.00) per Lot per month.

(a) From and after January 1st of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual Common Assessment may be increased by the Board above the annual Common Assessment for the previous year, effective January 1st of each year, not more than the greater of: (1) fifty percent (50%); or (2) the percentage by which the national average Consumer Price Index for All Urban Consumers (CPI-U), or the U.S. Department of Labor, Bureau of Labor Statistics, has increased as of November 1st immediately preceding over the said index as of one year prior thereto.

(b) From and after January 1st of the year immediately following the conveyance of the first Lot to an Owner, the annual Common Assessment may be increased by the Members above the greater of ten percent (10%) or the percentage determined with respect to the Consumer Price Index referred to above, by the vote or written assent of fifty-one percent (51%) of each class of Members of the Association who are in attendance at a meeting at which there is a quorum present and which meeting was called for the purpose of dealing with such assessment.

(c) The Board may fix an annual Common Assessment at any amount not in excess of the maximum.

Section 5. Capital improvement and Reconstruction Assessments. In addition to any Common Assessments, the Board may levy, in any assessment year, a Capital Improvement Assessment for the purpose of defraying, in whole or in part, the cost for any construction, reconstruction, repair or replacement of a capital improvement or other such addition upon the Property, including fixtures and personal property related thereto; provided that the total of any such assessment which is in excess of Five Thousand Dollars (5,000.00) shall require the vote or written consent of fifty-one percent (51%) of each class of Members of the Association who are in attendance at a meeting at which there is a quorum present and which meeting was called for the purpose of dealing with such assessments.

Section 6. Notice and Quorum for any Action Authorized Under Section 4 and 5.

Written notice of any meeting called for the purpose of taking any action by the Members authorized under Sections 4 and 5 above shall be sent to all Members not less than thirty (30) days, nor more than sixty (60) days, in advance of the meeting. At the first such meeting called, the presence of Members or of Proxies entitled to cast fifty-one (51%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be twenty-five percent (25%) of the voting power of the Association. No such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

Section 7. Equal Rate of Assessment. Common Assessments, Capital Improvement Assessments and Reconstruction Assessments provided for in this Article VI must be fixed at an equal rate for all Lots; provided, however, that the Association may, subject to the provisions of Section 3 of this Article, levy Special Assessments against particular Owners who have caused the Association to incur special expenses due to willful or negligent acts of said Owners, their guests or agents. All Common Assessments shall be collected on a regular monthly basis by the Boards.

Section 8. Date of Commencement of Common Assessments; Due Date. All assessments provided for herein shall be paid in regular installments after the assessment is made. The annual Common Assessment shall commence as to particular Lots within each Phase of development, as provided for herein, on the day of the closing of the sale or conveyance of any particular Lot by the Declarant to any contract purchaser of Owner with a proper proration on any monthly assessment if the closing takes place on a day other than the first day of the month. The first annual Common Assessment shall be adjusted according to the number of months remaining in the fiscal years as set forth in the By-laws. The Board shall fix the amount of the annual Common Assessment against each Lot as least thirty (30) days in advance of each Common Assessment period. Written notice of any change in the amount of the annual Common Assessment shall be sent to every Owner subject thereto, at least thirty (30) days prior to the effective date of such change. The due dates shall be established by the Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Association, setting forth whether the assessments on a specified Lot have been paid. A properly executed Certificate of the Association as to the status of assessments against a Lot shall be binding upon the Association as of the date of its issuance.

The Board shall cause to be prepared an annual balance sheet and operating statement reflecting income and expenditures of the Association for each fiscal year, including deposits in and withdrawals from the Reserve Fund and the Operating Fund, and shall cause to be distributed a copy of each such statement to each Member, and to each First Mortgagee who has filed a written request for copies of the same with the Board, in the manner provided in the By-laws of the Association. At least sixty (60) days prior to the beginning of each fiscal year, the Board shall prepare and distribute to the Members, a written, itemized estimate (budget) of the expenses to be incurred by the Association during such year in performing its functions under this Declaration (including a reasonable provision for contingencies and deposits into the Reserve Fund, less any expected income and accounting for any surplus from the prior year's maintenance Funds).

Each annual Common Assessment shall constitute an aggregate of separate assessments for each of the Maintenance Funds, reflecting an itemization of the amounts assessed and attributable to prospective deposits into the Reserve Fund, the Operating Fund and any other Maintenance Funds established by the Association. If the estimated sums prove inadequate for any reason, including nonpayment of any Owner's annual Common Assessment, the Board may, at any time, levy supplemental Common Assessments, subject to provisions of Section 4 of this Article, for any of the Maintenance Funds which shall be assessed equally against the Owner of each Lot.

Each Annual Common Assessment may be paid by the Owner to the Association in one check or payment, or in separate checks, as payments attributable to deposits into specified Maintenance Funds. In the event that any installments of the Common Assessment payment is less than the amount assessed and the payment does not specify the Maintenance Fund or Funds into which it should be deposited, the Maintenance Fund or Funds into which it should be deposited, the receipt of the Association from the Owner shall be credited in order of priority first to the Operating Fund, until that portion of the Common Assessment has been satisfied, and second to the Reserve Fund.

At the end of any fiscal year of the Association, the Owners may determine that all excess funds remaining in the Operating Fund, over and above the amounts used for the operation of the Association, may be returned to the Members proportionately, or may be retained by the Association and used to reduce the following year's Common Assessments. Notwithstanding anything contained in the Articles or By-laws to the contrary, if prior to dissolution of the Association the Association has not obtained tax exempt status from both the Federal and State Governments, then upon such dissolution of the Association, any amounts remaining in the Reserve Fund shall be distributed to or for the benefit of the Members in a proportion equal to their individual, respective contributions.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from liens resulting from assessments herein:

- (a) All Properties dedicated to and accepted by a local public authority, and
- (b) The Common Area.

ARTICLE VII - Effect of Non-Payment of Assessments (Remedies of the Association)

Section 1. Effect of Non-Payment of Assessments: Remedies of the Association.

Any installment of a Common Assessment, Capital Improvement Assessment, Special Assessment or Reconstruction Assessment not paid within thirty (30) days after the due date shall bear interest from the due date of such installment at the rate of eighteen percent (18%) per annum. If any installment of an assessment is not paid within thirty (30) days after it is due, the Owner responsible therefor may be required further by the Board to pay a late charge of Five Dollars (\$5.00) or five percent (5%) of the amount of the delinquent installment, whichever is greater. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. If any installment of a Common Assessment is not paid within thirty (30) days after its due date, the Board shall mail and acceleration notice to the Owner and to each First Mortgagee of a Lot which has requested a copy of the notice. The notice shall specify (1) the fact that the installment is delinquent, (2) the action required to cure the default, (3) a date, not less than thirty (30) days from the date the notice is mailed to the Owner, by which such default must be cured, and (4) that failure to cure the default on or before the date specified in the notice may result in acceleration of the balance of the installments of the Common Assessment for the then current fiscal year and the sale of the Lot. The notice shall further inform the Owner of his right to cure after acceleration and to bring a court action to assert the non-existence of a default or any other defense of the Owner to acceleration and sale. If the delinquent installments of Common Assessments and any charges thereon are not paid in full on or before the date specified in the notice, the Board, at its option, may declare all of the unpaid balance of the annual Common Assessment to be immediately due and payable without further demand and may enforce the collection of the full Common Assessment and all charges thereon in any manner authorized by law and this Declaration.

Section 2. Notice of Assessment. No action shall be brought to enforce any assessment lien provided for herein, unless at least thirty (30) days have expired following the date a Notice of Assessment is deposited in the United States mail, certified or registered, postage prepaid, to the Owner of the Lot, and a copy thereof has been recorded by the Association in the office of the County Recorder in which the Property is located: said Notice of Assessment must recite a good and sufficient legal description of any such Lot, the record Owner or reputed Owner thereof, the amount claimed (which may at the Association's option include interest on the unpaid assessment at eighteen percent (18%) per annum, plus reasonable attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the Association. Such Notice of Assessment shall be signed and acknowledged by an officer of the Association, and said lien shall be prior to any declaration of homestead recorded after the date on which this Declaration is recorded. The lien shall continue until fully paid or otherwise satisfied.

Section 3. Foreclosure. Any such sale provided for above may be conducted by the Board, its attorneys or other persons authorized by the Board in accordance with the provisions of the Utah Code Annotated, 1953 as amended, applicable to the exercise of powers of foreclosure sale in Mortgages and powers of sale in Deeds of Trust, or in any other manner permitted by law. The Association, through duly authorized agents, shall have the power to bid on the Lot at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Section 4. Curing of Default. Upon the timely curing of any default with respect to which a Notice of Assessment was filed by the Association, the officers thereof shall record an appropriate Release of Lien, upon payment by the defaulting Owner of a fee, to be determined by the Association, but not to exceed an amount equal to the last monthly common assessment fee, to cover the costs of preparing and recording such release. A certificate executed and acknowledged by any two (2) Members of the Board stating the indebtedness secured by the lien upon any Lot created hereunder shall be conclusive upon the Association and the Owners as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request at a reasonable fee, not to exceed fifteen percent (15%) of the last monthly common assessment fee.

Section 5. Cumulative Remedies. The assessment liens and the rights to foreclosure and sale thereunder, shall be in addition to and not in substitution for, all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

Section 6. Subordination of the Lien to First Mortgage. The lien of assessment provided for herein shall be subordinate to the lien of any first Mortgage (meaning any recorded Mortgage with first priority or seniority over other Mortgages) made in good faith and for value and recorded prior to the date on which the assessment came due. Sale or transfer of any Lot shall not affect the assessment lien. The sale or transfer of any Lot pursuant to the Mortgage foreclosure of first mortgage or deed in lien thereof shall extinguish the lien of such assessments as to the installments which became due prior to such assessments as to the installments which became due prior to such sale or transfer. No sale or transfer shall relieve the Owner from personal liability for such assessment, nor such Lot from liability for any installments or assessments thereafter becoming due or from the lien thereof.

ARTICLE VIII - Maintenance and Repair Obligation

Section 1. Maintenance Obligations of Owners. Subject to the duty of the Association to provide for maintenance as provided in Section 2, of this Article VIII, it shall be the duty of each Owner, at his sole cost and expense, subject to the provisions of this Declaration regarding Design Committee approval, to maintain, repair, replace and restore areas of the Property subject to his exclusive control, including any improvement thereon, in a neat, sanitary and attractive condition. Areas subject to the exclusive control of the Owner shall be deemed to include, but not be limited to, the structure of the Owner's Dwelling Unit and all exterior and interior portions of the Owner's Dwelling Unit. In the event that any Owner shall permit any Improvement, which is the responsibility of such Owner to maintain, to fall into disrepair or fail to so maintain such Improvement so as to create a dangerous, unsafe, unsightly or unattractive condition, or to otherwise violate this Declaration, the Design Committee shall have the right, but not the duty, upon fifteen (15) days prior notice to the Owner of such Lot, to correct such condition and to enter upon such Owner's Lot to make such repairs or to perform such maintenance and the costs thereof shall be charged to the Owner. Said costs shall constitute a Special Assessment and shall create a lien enforceable in the same manner as other assessments as set forth in this Declaration. The Owner shall pay promptly all amounts due for such work, and the costs and expenses of collection may be added, at the option of the Board, to the amounts payable by each Owner as Common Assessments.

Section 2. Maintenance Obligations of Association. In addition to the provisions of Section 1 of this Article VIII, the Association shall maintain in good order and repair all of the Common Area and any Improvement thereon, and all perimeter fences, if any. In addition to the maintenance and repairs set forth above, the Association shall provide all necessary landscaping and gardening to properly maintain and periodically replace when necessary the trees, plants, grass and other vegetation which is on the Common Area and on

Declaration of Covenants, Conditions
and Restrictions of Crofter's Cove,
a Covenanted Subdivision

the Lots. The Association shall further maintain, reconstruct, replace and refinish any paved surface in the Common Area. All of the foregoing obligations of the Association shall be discharged when and in such manner as the Board shall determine in its judgment to be appropriate.

Section 3. Damage and Destruction Affecting Dwelling Unit, Duty to Rebuild. If all of or any portion of any Lot or Dwelling Unit is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner of said Lot or Dwelling Unit to rebuild, repair or reconstruct said Dwelling Unit in a manner which will restore it substantially to its appearance and condition immediately prior to the casualty.

Section 4. Variance in Exterior Appearance and Design. Any Owner who has suffered damage may apply for approval to the Design Committee for permission to reconstruct, rebuild or repair his Dwelling Unit in a manner which will provide for an exterior appearance and design different from that which existed prior to the date of the casualty. Application for such approval shall be made in writing together with full and complete plans and specifications, working drawings and elevations showing the proposed reconstructions and the end result thereof. The Design Committee shall grant such approval only if the design proposed by the Owner shall result in a finished Dwelling Unit in harmony with the exterior design of other Dwelling Units on the Property. Failure of the Design Committee to act within thirty (30) days after receipt of such a request in writing coupled with the drawings and plot plans showing the full and complete nature of the proposed changes shall constitute approval thereof.

Section 5. Time Limitation. The Owner or Owners of any damaged Dwelling Unit, the Association and the Design Committee shall be obligated to proceed with all due diligence hereunder, and the responsible party shall commence reconstruction within six (6) months after the damage occurs and complete reconstruction within one (1) year after damage occurs, unless prevented by causes beyond their reasonable control.

Section 6. Design Committee. The Design Committee shall other powers as described herein under Article X, to which all Owners are bound.

ARTICLE IX - Use Restrictions

All real property within the Property shall be held, used and enjoyed pursuant to the following limitations and restrictions, subject to the exemption of the Declarant as provided in Section 6 of this Article IX:

Section 1. General Restrictions and Requirements.

(a) No improvement, excavation, fill or other work (including the installation of any wall or fence) which in any way alters any Residential Lot from its natural or improved state existing on the date such Residential Lot is first conveyed by Declarant to a purchaser shall be made or done except upon strict compliance with the provisions of this Article VIII and the provisions of Article X.

(b) Residential Lots shall be used only for single-family residential purposes, and no more than one house shall be constructed on any Residential Lot except that an additional guest house or servants quarters meeting the requirements of all applicable laws in effect from time to time may be constructed on a Residential Lot with the approval of the Design Committee. The facilities and improvements constituting part of the Common Areas shall be used only for the purposes and uses for which they are designed. The Common Areas shall be used only for their intended uses which do not injure or scar the Common Areas or the vegetation thereof, increase the cost of maintenance thereof or cause unreasonable embarrassment, disturbance or annoyance to Owners in their enjoyment of their Residential Lots and Living Units or the Common Areas.

(d) No noxious or offensive activity shall be carried on upon any Residential Lot, nor shall anything be done or placed thereon which may be or become a nuisance, or cause unreasonable embarrassment, disturbance, or annoyance to other Owners in the enjoyment of their Residential Lots and Living Units or the Common Areas. Without limiting the foregoing, no exterior speakers, horns, whistles, bells or other sound devices, except security devices used exclusively to protect the security of the Residential Lot and Living Unit thereon, shall be placed or used upon any Residential Lot without the prior written approval of the Design Committee.

(e) No furniture, fixtures, appliances or other goods and chattels shall be stored in such a manner as to be visible from neighboring Residential Lots, roads or Common Areas.

(f) Each Residential Lot and all improvements located thereon shall be maintained by the Owner thereof in good condition and repair, and in such manner as not to create a fire hazard, all at the Owner's expense. All walls and fences on common boundary lines or corners separating two or more Residential Lots shall be maintained jointly in equal shares by the owners of the Residential Lots abutting such fence or wall, provided that each Owner shall be responsible for painting the side of any party wall or fence facing his Residential Lot. All fences constructed on Residential Lots shall be constructed of materials suitable for the purposes for which the fence is constructed and shall be prior approved by the Design Committee pursuant to Article X. The Design Committee shall have the authority to create architectural standards for the construction of fences, including height limitations, setback requirements, and construction materials that can be used.

(g) Within one year of occupancy of each Living Unit in the Project, the front and side yards, and the back yards, shall be planted in lawn or other acceptable landscaping so as to enhance, and not detract, from the aesthetics of the Project. "Acceptable landscaping" shall be reasonably determined by the Design Committee which will reflect the majority view of the homeowners in the Project. Vegetation within any Residential Lot shall be planted and maintained in good condition at the Owner's expense in such a manner as to prevent or retard shifting or erosion. In order to protect the values of the Residential Lots, maintain uniformity and ascetically enhance the Project, the Owners agree to water and generally care for the trees in front of each Residential Lot. Any Owner who neglects to properly water or care for such trees shall repair or replace such damaged tree(s) with the same size and variety of trees.

(h) All garbage, rubbish, and trash shall be kept in covered containers. In no event shall such containers be maintained so as to be visible from neighboring Residential Lots, roads or Common Areas. The storage, collection and disposal of garbage, rubbish and trash shall be in strict compliance with applicable laws and the rules and regulations of the Board.

(j) No Residential Lot shall be resubdivided.

(k) All improvements shall be constructed in accordance with applicable building line and setback provisions of zoning ordinances.

(l) All structures constructed on any Residential Lot or the Common Areas shall be constructed with new materials unless otherwise permitted by the Design Committee; and no used structures shall be relocated or placed on any Residential Lot.

(m) No structure or improvement having a height of more than two and one-half (2 1/2) stories shall be constructed on any Residential Lot; provided, however, that the height of a structure or improvement may exceed two (2) stories if permitted by law and if the Design Committee determines that the proposed height is compatible with the physical site involved and adjoining properties.

(p) Each dwelling with a basement shall include a footing drain around the perimeter of the footings which connects into the storm drain system installed by Declarant. All downspouts shall tie into the footing drain.

(q) The Design Committee shall have the authority to establish architectural and design standards for the construction and installation of mailboxes to be installed by each Owner in the front of each dwelling and within the parkway area. Such standards may include height limitations, location, and construction materials to be used. Specifically, the Design Committee shall have the authority to select a uniform mailbox to be used throughout the entire project in order to create and maintain a uniform look throughout the Project. In the absence of such standards, each Owner shall provide a mailbox shall be constructed of the same brick or native stone used to construct the home, or as otherwise approved, in writing, by the Design Committee.

(u) Construction of a home upon a Residential Lot must commence within two (2) years from the date of sale of any such Residential Lot. No home shall be permitted to remain incomplete for a period in excess of one (1) year from the date of commencement of construction unless any delays are approved by the Design Committee.

(v) All Owners shall have the option of placing an accessory building on their respective lots. Such accessory buildings, their size, style, color, exterior coverings, shingles, and construction shall be selected only from those plans provided by Declarant at rates which Declarant shall charge.

(x) No accessory structures shall be constructed, placed or maintained upon any Residential Lot prior to the construction of a Living Unit, except by Declarant or except by written permit of the Design Committee; provided that this restriction shall not prohibit (i) temporary construction shelters or facilities maintained during, and used exclusively in connection with, and construction of a Living Unit, or (ii) any structure upon any Residential Lot to be used by Declarant as a sales office or otherwise in conjunction with the development of Residential Lots by Declarant.

(y) No Owner of any Residential Lot, except Declarant, shall build or permit the building thereon of any structure that is to be used as a model or exhibit unless a permit to do so is first granted by the Design Committee.

(z) No structure shall be occupied until (i) the same is substantially completed in accordance with plans and specifications previously approved by the Design Committee, and (ii) the City of Syracuse has properly issued a certificate of occupancy.

(aa) No improvement which suffers partial or total destruction shall be allowed to remain on any Residential Lot in such a state for more than three (3) months after the date of such destruction.

(bb) No outside toilet, other than self-contained portable toilet units used during construction, or a toilet installed in an enclosed structure in connection with a swimming pool, shall be placed or constructed on any Residential Lot or the Common Areas. All plumbing fixtures, dishwashers, garbage disposals, toilets and sewage disposal systems shall be connected to a sewage system.

(cc) No fuel tanks or similar storage facilities shall be constructed only with the prior written approval of the Board and in a manner approved by the Design Committee and which shall comply with all city, county, state, and federal rules, ordinances, statutes, regulations or other applicable laws.

(dd) No exterior antenna or satellite dish of any sort shall be installed or maintained on any Residential Lot except of a height, size and type approved by the Design Committee. No activity shall be conducted within the Property which interferes with television or radio reception.

(ee) Outside clotheslines shall not be permitted in any manner or in any location outside of the Single Family Detached House.

(ff) No drilling (except for a water well expressly permitted), refining, quarrying or mining operations of any kind shall be permitted upon any Residential Lot or the Common Areas, and no derrick, structure, pump or equipment designed for use in any such activity shall be erected, maintained or permitted on any Residential Lot or the Common Areas. There shall be no water well developed on any Residential Lot by the Owner thereof unless (i) a permit is first obtained from the Board and (ii) the Board first approves the location and facilities used in connection with such well.

(gg) There shall be no blasting or discharge of explosives upon any Residential Lot or the Common Areas except as permitted by the Board; provided that this provision shall in no way limit or restrict Declarant in its activities in connection with and during the development and sale of Residential Lots.

(hh) No signs whatsoever shall be erected or maintained upon any Residential Lot, except:

(i) Such signs as may be required by legal proceedings,

(ii) such signs as Declarant may erect or maintain on a Residential Lot prior to sale and conveyance,

(iii) One "For Sale" sign having a maximum face area of fifteen (15) square feet and referring only to the premises on which it is situated,

(iv) Other signs as prior approved by the Design Committee.

(ii) Except to the extent used by Declarant in connection with and during the development and sale of Residential Lots, no mobile home or similar facility, shall be placed upon any Residential Lot, the Common Areas or adjoining public streets except for temporary storage in strict accordance with the rules and regulations of the Board. No stripped down, wrecked or junk motor vehicles shall be kept, parked, stored or maintained on any Residential Lot, the Common Areas or adjoining public streets. No large commercial vehicle shall be parked on any Residential Lot, public streets or the Common Areas except within an enclosed structure or a screened area which prevents view thereof from adjoining Residential Lots, roads and Common Areas unless such vehicle is temporarily parked for the purpose of serving such Residential Lot or Common Areas. No long-term parking (over 48 hours) of any vehicle shall be permitted on the Common Area or on any Lot, except in a garage. No recreational vehicle shall be parked for longer than thirty (30) minutes on the Common Area or on any Lot except, subject to rules and regulations promulgated by

the Association, in a parking area within the Common Area designated as "recreational vehicle parking."

(jj) Maintenance of any animals on any Residential Lot shall be subject to the following restrictions and limitations:

(i) No bar, coop, shed, sty or building or any type shall be constructed, kept, maintained or permitted for the purposes of housing pigs, cows, sheep, goats, horses, poultry, or other livestock at any place within the limits of the Property.

(ii) No livestock of any kind, including, but not limited to, pigs, cows, goats, sheep, horses, etc. may be kept or maintained on any Residential Lot.

(iii) No dangerous or nuisance animals, as defined by the Board, may be maintained or kept on any Residential Lot.

(iv) No animals shall be permitted on the Common Areas except when accompanied by and under the control of the persons to whom they belong.

(v) The use and control of any animals shall be subject to further control by rules and regulations promulgated by the Board.

(kk) Subject to further control by rules and regulations promulgated by the Board, only two (2) common and generally recognized house pets shall be kept on any Residential Lot or in any living area. House pets shall be permitted on the Common Areas when accompanied by and under the control of the person to whom they belong. No animals of any kind shall be raised for commercial purposes unless prior written approval is obtained from the Board. No house pets shall be maintained outside the Dwelling Units. All house pets shall be maintained inside the Dwelling Units of each Lot.

(ll) There shall be no exterior fires, except fires started and controlled by the Association incidental to the maintenance and preservation of any portion of the Property and barbecue and incinerator fires contained within facilities or receptacles designed for such purposes. No Owner shall cause or permit any condition which creates a fire hazard, creates a nuisance, or is in violation of any fire prevention regulations.

(mm) There shall be no camping upon any Residential Lot or the Common Areas, except as permitted by the Board by written license. There shall be no hunting or discharge of firearms on any Residential Lot or the Common Areas.

Section 2. Single Family Residences, Business or Commercial Activity. Each Lot shall be used as residence for a single family. No part of the Property shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending or other such non-residential purpose, other than a home office permitted under applicable zoning ordinances, without the vote of seventy-five percent (75%) of the votes eligible to be cast by Members of the Association or the approval of the Design Committee. Provided, further, however, the Association shall never be permitted to allow more than twenty-five percent (25%) of the lots to be used as a non-owner occupied residence. No outbuildings shall be constructed on any Lot and nothing shall be placed upon or attached to the roof of any home constructed on a Lot. Notwithstanding any provisions herein to the contrary, nothing herein shall be construed as prohibiting the Declarant, its successors and assigns, from using any portion of the Property for a model home site, and display and sales office during the construction and sales period and for a period of two (2) years thereafter in accordance with the Recitals of this Declaration and Article IX, Section 1 (y), of this Declaration.

Section 3. Nuisances. No noxious or offensive activity (including but not limited to the major repair of motor vehicles) shall be carried on, in or upon any Lot or the Common Area, nor shall anything be done thereon which may be or become an unreasonable annoyance or nuisance to any other Owner. No loud noises or noxious odors shall be permitted on the Property, and the Board shall have the right to determine in accordance with the Bylaws if any noise, odor or activity producing such noises, odor or interference constitutes a nuisance. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smokey vehicles, large power equipment or large power tools, satellite dishes, radio or television antennas, evaporative coolers, permanent flag poles, or items which may unreasonably interfere with television or radio reception of any Owner in the Property, shall be located, used or placed on any portion of the Property, or exposed to the view of other Owners without the prior written approval of the Design Committee.

Section 4. Signs. No sign, poster, display, billboard or other advertising device of any kind shall be displayed to the public view on any portion of the Property or any Lot, without the prior written consent of the Design Committee, except signs used by Declarant, their successors or assigns, to advertise the Property during the construction and sale period. All signs or billboards and the regulations promulgated for the regulation thereof shall conform to the requirements of the Davis County, State of Utah ordinances.

Section 5. Common Area Facilities. Nothing shall be altered or constructed on or removed from the Common Area except upon the written consent of the Association.

Section 6. Declarant's Exemption. The Declarant or its successors or assigns may undertake the work of constructing Dwelling Units and developing all of the Lots included within the Property and any annexation thereto. The completion of that work and sale, rental and other disposal of Dwelling units is essential to the establishment and welfare of the Property as a residential community. As used in this Section and its subparagraphs, the words "its successors or assigns" specifically do not include purchasers of Lots improved with completed Dwelling Units. In order that said work may be completed and the Property be established as a fully occupied residential community as rapidly as possible, no Owner nor the Association shall do anything to interfere with, and nothing in this Declaration shall be understood or construed to:

(a) Prevent the Declarant, its successors or assigns, or its or their contractors or subcontractors, from doing on any Lot owned by the Declarant, whatever it determines to be necessary or advisable in connection with the completion of said work, including without limitation the alteration of its construction plans and designs as the Declarant deems advisable in the course of development; or

(b) Prevent the Declarant, its successor or assigns, or its or their representatives, from erecting, constructing, or maintaining on any Lot, or portion thereof, owned or controlled by the Declarant, or its successors or assigns or its or their contractors or subcontractors, such structures as may be reasonably necessary for the conduct of its or their business of completing said work and establishing the Property as a residential community and disposing of the same in Lots by sale, lease or otherwise; or

(c) Prevent the Declarant, its successors or assigns, or its contractors or subcontractors, from conducting on any Lot, or any portion thereof, owned or controlled by the Declarant, or its successors or assigns, its business of developing, subdividing, grading and constructing Dwelling Units and other improvements in the Property as a residential community and of disposing of Dwelling Units thereon by sale, lease or otherwise; or

(d) Prevent the Declarant, its successors or assigns, or its contractors or subcontractors, from maintaining such sign or signs on any Lot owned by or controlled by it as may be necessary in connection with the sale, lease or other marketing of Lots and Dwelling Units; or

(e) Prevent the Declarant, at any time prior to acquisition of title to a Lot by a purchaser from the Declarant, to establish on that Lot additional licenses, reservations and rights-of-way to itself, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the Property. The Declarant shall repair at its own cost or expense any damage caused by the Declarant to the Common Area as well as such damages caused to Lots or property still under the Declarant's control.

Section 7. Rubbish. No rubbish shall be stored or allowed to accumulate anywhere on the Property, except in sanitary containers and at such locations as the Board shall determine from time to time.

Section 8. Insurance Rates. Nothing shall be done or kept on the Property which will increase the rate of insurance on any property insured by the Association without the approval of the Board, nor shall anything be done or kept on the Property which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any law.

ARTICLE X - Architectural Control

Section 1. Organization of the Design Committee. There shall be a Design Committee consisting of not fewer than three (3) members. The members of the Design Committee need not be Owners. Declarant shall have the right to appoint, remove and increase the number of members of the Design Committee; provided that such right shall vest in the Board upon the expiration of any continuous period of eighteen (18) months during which Declarant at all times owns less than ten percent (10%) of the Residential Lots then covered by this Declaration. Declarant may voluntarily relinquish control of the Design Committee to the Board at any time. Whenever the Design Committee consists of more than three (3) members, it may designate subcommittees, each consisting of at least three (3) members. Unless authorized by the Board, the members of the Design Committee shall not receive any compensation, but all members shall be entitled to reimbursement from the Association for reasonable expenses incurred in the performance of any Design Committee function.

Section 2. Actions Requiring Approval. Subject to Article IX, no fence, wall, Living Unit, accessory or addition to a Living Unit visible from the Common Areas or public streets within the Property, or landscaping or other improvement of a Residential Lot visible from the Common Areas or public streets within the Property shall be constructed or

performed, nor shall any alteration of any structure on any Residential Lot, including a change in exterior color, be made, unless complete plans and specifications showing the nature, color, kind, shape, height, materials and location of the same shall first be submitted to and approved by the Design Committee.

Section 3. Standard of Design Review. Before granting any approval of plans and specifications, the Design Committee shall determine to its reasonable satisfaction that such plans and specifications (a) conform to all architectural standards contained in this Declaration and all further architectural standards promulgated from time to time by the Board and (b) provide for a structure, alteration, landscaping or other improvements in harmony as to external design, color and location with surrounding structures and topography.

Section 4. Design Committee Rules and Architectural Standards. The Board may, upon recommendation from the Design Committee, adopt and file as a matter of public record reasonable rules related to the efficient review of plans and specifications including requirements as to the number of sets of plans and specifications to be submitted, the fixing of a review or variance request fee not exceeding Fifty Dollars (\$50.00) per review or variance request, the details to be shown on plans and specifications, and design guidelines consistent with this Declaration and covering such matters as setbacks, height limitations, restrictions on minimum or maximum size and quality of structures.

Section 5. Approval Procedure. The Design Committee and any subcommittees thereof shall meet from time to time as necessary to perform the duties of the Design Committee. The vote or written consent of a majority of the Design Committee or any authorized subcommittee shall constitute the act of the Design Committee. Any plans and specifications submitted to the Design Committee shall be approved or disapproved within thirty (30) days after receipt by the Design Committee. If the Design Committee fails to take action within such period, the plans and specifications shall be deemed to be approved as submitted.

Section 6. Variance Procedure. The Board of Trustees of the Association, upon a favorable recommendation of the Design Committee, may authorize variances from compliance with any of the architectural provisions of this Declaration or any Supplemental Declaration, including restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental consideration may require. Such variances must be evidenced in a written document signed by at least two (2) officers or members of the Board of Trustees of the Association. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting

of such variance shall not operate to waive any of the terms and provisions of this Declaration or any Supplement Declaration for any purpose except as to the particular portion of the Property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting misuse of the premises, including, but not limited to, zoning ordinances and lot set-back lines or requirements imposed by any governmental or municipal authority. Notwithstanding anything herein to the contrary, all Lot owners shall have the right to construct a reasonable privacy screen or fence which is attached to the home on the Lot, subject to obtaining approval through the process set forth above, which approval shall not be unreasonably withheld. In considering the request for a variance with respect to a privacy screen or fence, the Board shall consider the configuration, size and materials and make sure that the interests of the other Lot owners and the Association are protected.

Section 7. Nonwaiver. The approval by the Design Committee of any plans and specifications for any work done or proposed shall not constitute a waiver of any right of the Design Committee to disapprove any similar plans and specifications subsequently submitted.

Section 8. Completion of Construction. Once begun, any improvements, construction, landscaping or alterations approved by the Design Committee shall be diligently prosecuted to completion in strict accordance with the plans and specifications approved by the Design Committee.

Section 9. Estoppel Certificate. Within thirty (30) days after written demand therefor is delivered to the Design Committee by any Owner and upon payment therewith to the Association of a reasonable fee from time to time to be fixed by the Board, the Design Committee shall issue an estoppel certificate in recordable form executed by any two of its members, certifying with respect to any Residential Lot of such Owner that as of the date thereof either (a) all improvements and other work made or done upon or within such Residential Lot by the Owner, or otherwise, comply with this Declaration, or (b) such improvements or work do not so comply, in which event the certificate shall also (i) identify the nonconforming improvements or work, and (ii) set forth the nature of such noncompliance. Any mortgagee or purchaser from the Owner shall be entitled to rely on such certificate with respect to the matters therein set forth.

Section 10. Disclaimer of Liability. Neither the Design Committee, nor any member thereof acting in good faith shall be liable to the Association or to any Owner for any damage, loss, or prejudice suffered or claimed on account of (a) the approval or rejection of, or the failure to approve or reject, any plans, drawings and specifications, (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications, (c) the development or manner of development of any of the Property, or (d) any engineering or other defect in approved plans and specifications.

Section 11. Compensation for Members. The members of the Design Committee shall receive reasonable compensation for services rendered, including reimbursement for expenses incurred by them in the performance of their duties hereunder, as determined by the Board from time to time.

Section 12. Inspection of Improvement. Inspection of any Improvement and the correction of defects therein shall proceed as follows:

(a) Upon the completion of any Improvement for which approved plans are required under this Article X, the Owner shall give written notice of completion to the Design Committee.

(b) Within sixty (60) days thereafter, the Design Committee or its duly authorized representative may inspect such Improvement. If the Design Committee finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such noncompliance within such sixty-day period, specifying the particulars of noncompliance, and shall require the Owner to remedy the same.

(c) If upon the expiration of thirty (30) days from the date of such notification the Owner shall have failed to remedy such noncompliance, the Design Committee shall notify the Board in writing of such failure. Upon Notice and Hearing the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated costs of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may either remove the noncomplying Improvement or remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Special Assessment against such Owner for reimbursement.

ARTICLE XI - Damage or Destruction to Common Area

Damage to or destruction of all or any portion of the Common Area shall be handled in the following manner, notwithstanding any provision in this Declaration to the contrary:

(a) In the event of damage or destruction to the Common Area, the Association shall cause such Common Area to be repaired and any Improvement thereon to be reconstructed substantially as it previously existed.

(b) If the insurance proceeds are insufficient to effect total restoration, then the Association shall cause such repair and reconstruction to be substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Reconstruction Assessment equally against each of the Lot Owners in accordance with the provisions of Article VI, Section 5, of this Declaration.

(c) Each Owner shall be liable to the Association for any damage to the Common Area not fully covered by insurance which may be sustained by reason of the negligence or willful misconduct of said Owner or of his family and guests, including minors and adults. Notwithstanding the foregoing, the Association reserves the right to charge a Special Assessment equal to the increase, if any, in the insurance premium directly attributable to the damage caused by such Owner. In the case of joint ownership of a Lot, the liability of such Owners shall be joint and several, except to the extent that the Association has previously contracted in writing with such joint Owners to the contrary. The cost of correcting such damage shall also be a Special Assessment against the Lot owned by Owner.

ARTICLE XII - Insurance

Section 1. Common Area. The Association shall keep any Improvement and all other insurable property on the Common Area insured against loss or damage by fire for the full insurance replacement costs thereof and including extended coverage for not less than 100% of the replacement cost of insurable property, and shall obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other property, whether real or personal, owned by the Association or by members of the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such

insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be payable to the Association, for the benefit of the Owners. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association shall be expenses payable by including the same in the Common Assessments made by the Association.

Section 2. Insurance Obligations of Owners. Unless the Association elects to insure each Dwelling Unit (in which case the individual Owner shall be responsible for any co-insurance or deductible with respect to any losses), each Owner shall insure his entire Dwelling Unit, including the structural portions of the Dwelling Unit, against loss or damage by fire or by any other casualty, under the standard form of extended endorsement and broad form now in use in the State of Utah or under such other insurance as may be required by a Mortgagee of the Dwelling Unit. All such insurance shall be for the full replacement value of the Dwelling Unit with automatic inflation coverage. All such policies shall contain a provision that the same shall not be cancelled or terminated except upon at least thirty (30) days written notice to the Association.

Section 3. Replacement or Repair of Property. In the event of damage to or destruction of any part of the Common Area, or any Improvement thereon or any other portion of the Property insured by the Association, the Association shall repair or replace the same from the insurance proceeds available, subject to the provisions of Article XI of this Declaration. If such insurance proceeds are insufficient to cover the costs of such repair or replacement of the property damaged or destroyed, the Association may make a Reconstruction Assessment against all Lot Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other Common Assessment made against such Lot Owners, in accordance with the provisions of Article VI, Section 5, of this Declaration. In the event of total destruction of all of the Improvements on the Property, the proceeds of the insurance carried by the Association shall be divided equally among the Lot Owners, provided that the balance then due on any valid encumbrance of record shall be first paid in order of priority, before the distribution of any proceeds to an Owner whose Lot is so encumbered.

Section 4. Waiver of Subrogation. As to each policy of insurance maintained by the Association, which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, the Managing Agent, the Declarant, and the agents and employees of each of the foregoing with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement by said persons, but only to the extent that insurance proceeds are received in compensation for such loss.

Section 5. Liability Insurance. The Association shall obtain comprehensive public liability insurance including medical payments, liquor liability insurance and malicious mischief, in the amount of \$1,000,000 per occurrence for personal injury and/or property damage arising from the activities of the Association or with respect to the Common Area including, if obtainable, a cross-liability endorsement insuring each insured against liability to each other insured. Such insurance shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association or other Owners. Such insurance must include other coverage in kinds and amounts commonly required by private institutional Mortgage investors for projects similar in construction, location and use.

Section 6. Miscellaneous.

(a) **Minimum Financial Rating of Carrier.** Each hazard insurance policy must be written by a hazard insurance carrier which has a financial rating by Best's Insurance Reports of Class VI or better. Hazard insurance policies are also acceptable from an insurance carrier which has a financial rating by Best's Insurance Reports of Class V, provided it has a general policy holder's rating of at least A. Each carrier must be specifically licensed or authorized by law to transact business within the State of Utah.

(b) **No Assessments.** Policies are unacceptable where: (i) under the terms of the carrier's charter, by-laws or policy, contributions or assessments may be made against the Association or any Owner or any First Mortgagee or its successors and assign; or (ii) by the terms of the carrier's charter, by-laws or policy, loss payments are contingent upon action by the carrier's board of directors, policyholders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent the Association or any Owner or any First Mortgagee, or its successor and assigns, from collecting insurance proceeds.

(c) **Other Requirements.** All policies of hazard insurance must contain or have attached the standard Mortgagee clause commonly accepted by private institutional Mortgage investors in the area in which the Property is located. The Mortgagee clause must provide that the insurance carrier shall notify the First Mortgagee named in such policies at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

(d) **Other Insurance and General.** The Association may also obtain, through the Board, Worker's Compensation Insurance and other liability insurance as it may deem desirable, insuring each Owner, the Association, the Board, members of the Design Committee, and the managing agent from liability in connection with the Common area, the premiums for which shall be expenses payable by the Common Assessments made against the Owners. Such insurance policies shall have severability of interest clauses or endorsements which shall preclude the insurer from denying the claim of an Owner because of the negligent act of the Association or other Owners. All policies shall be reviewed at least annually by the Board and the limits increased at its discretion.

ARTICLE XIII - Mortgage Protection Clause

Notwithstanding any and all provisions hereof to the contrary, in order to induce the Federal Home Loan Mortgage Corporation (FHLMC), the Government National Mortgage Association (GNMA) and the Federal National Mortgage Association (FNMA) to participate in the financing of the sale of Lots and Dwelling Units within the Property, the following provisions are added hereto And to the extent these added provisions conflict with any other provisions of the Declaration, these added provisions shall control);

Section 2. Right of First Refusal. Each First Mortgagee of a Mortgage encumbering a Lot which obtains title to such Lot pursuant to the remedies provided in such Mortgage, or by foreclosure of such Mortgage, or by deed (or assignment) in lieu of foreclosure, shall be exempt from any "right of first refusal." Any right of first refusal contained in the constituent documents of the Property, or hereinafter added shall not impair the rights of a First Mortgagee to (i) foreclose or take title to a Lot pursuant to the remedies provided in the Mortgage, or (ii) accept a deed or an assignment in lieu of foreclosure in the event of default of a Mortgagor, or (iii) interfere with the subsequent sale or lease of a Lot so acquired by the First Mortgagee.

Any First Mortgagee, or a purchaser who purchases a Lot from any First Mortgagee who obtains title to a Lot pursuant to a deed (or assignment) in lieu of foreclosure, or pursuant to the remedies provided in the Mortgage or foreclosure of the Mortgage, will not be liable for such Lot's unpaid dues or charges which accrue prior to the acquisition of title to such Lot by the First Mortgagee.

Section 4. First Mortgagee Approval. Unless at least one hundred percent (100%) of the First Mortgagees (based upon one (1) vote for each Mortgage owned) of the Lots have given their prior written approval, the Association shall not be entitled to:

- (a) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area owned directly or indirectly by the Association for the benefit of the Lots (the granting of an easement of public utilities or for other public purposes consistent with the intended use of such Common Area by the Association shall not be deemed a transfer within the meaning of this clause);
- (b) Change the method of determining the obligation, assessments, dues or other charges which may be levied against an Owner;
- (c) By act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural control of the Lots or Dwelling Units, the maintenance of the Lots or Dwelling Units, or the maintenance of the Common Area;

Section 5. Taxes and Charges in Default. First Mortgagees may, jointly and severally, pay taxes or other charges which are in default and which may or have become a charge against any portion of the Common Area and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such portion of the Common Area, and First Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

Section 6. First Mortgagee Priority. No provision of the Declaration, Articles or By-Laws shall give an Owner, or any other party, priority over any rights of any First Mortgagee pursuant to its Mortgage in the case of a distribution to such Owners of insurance proceeds or condemnation awards for losses to or a taking of any of the Common Area.

Section 7. Examination of Books and Records. First Mortgagees shall have the right to examine the books and records of the Association during normal business hours.

Section 8. First Mortgagees Written Notice of Amendments and Damage. Upon written request, all First Mortgagees shall be given (i) thirty (30) days written notice prior to the effective date of any proposed material amendment to the Declaration, the Articles or By-laws, and prior to the effective date of any termination of an agreement for professional management of the Property following a decision of the Owners to assume self-management of the Property; and (ii) immediate notice following any damage to the Common Area whenever the cost of the reconstruction exceeds Ten Thousand Dollars (\$10,000.00) and as soon as the Board learns of any threatened condemnation proceedings or proposed acquisition of any portion of the Property.

Section 9. Reserve Fund for Common Area. Association dues or charges shall include an adequate reserve fund for maintenance, repairs and replacement of those elements of the Common Area that must be replaced on a periodic basis and are payable in regular installments rather than by Special Assessments.

Each Owner hereby agrees that it will benefit the Association and the Members of the Association, as a class of potential Mortgage borrowers and potential sellers of their Dwelling Units if such

agencies approve the Property as a qualifying subdivision under their respective policies, rules and regulations, as adopted from time to time.

Section 13. Non-Owner Occupied Dwelling Units. No Owner may sell any Dwelling Unit constructed upon a Lot to a third party on a non-owner occupied basis without the prior written approval of the Board, which approval shall not be unreasonably withheld (provided that such approval shall not be given if granting such approval would result in more than twenty-five percent of the Dwelling Units being classified as non-owner occupied).

Section 14. Amendment to Article. Neither this Article XIII nor Section 6 of Article VII of this Declaration shall be amended without the approval of one hundred percent (100%) of the First Mortgagees.

Section 5. No Public Right or Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or part of the Property to the public, or for any public use.

Section 8. Notices. Any notice permitted or required to be delivered as provided herein shall be in writing and may be delivered either personally or by mail. Such address may be changed from time to time by notice in writing to the Association.

Section 9. No Representations or Warranties. No representations or warranties of any kind, express or implied, have been given or made by the Declarant or its agents or employees in connection with the Property or any portion of the Property, or any improvement thereon, its physical condition, zoning, compliance with applicable laws, fitness for intended use, or in connection with the subdivision, sale, operation, maintenance, costs of
