NOW, THEREFORE, in consideration of the premises and for the benefit that will or may accrue to them in the disposition of the lots aforesaid, said owner does hereby covenant, with all persons who may become owners of the parcels of land within or a part of the above described property purchased from or through them and does hereby restrict the use of the property to those uses which are hereinafter set forth.

1. Land, Use and Building Type.

All the lots in said tract shall be known and described as residential lots and shall be used for residential purposes only. 2. Architectural Control.

No building shall be erected, placed or altered on any lot until the construction plans and specifications and plans showing location of the structure with respect to said lot, have been approved by Bernard P. The ground floor area of the main structure, exclusive of one story open porches and garages, shall be not less than 1050 square feet, regardless of whether the house is a one story or story and a half.

4. Building Location.

No building shall be located on any lot nearer to the front lot line than 30 feet or nearer than 8 feet on one side and 8 feet on the other side of any one lot with respect to side yard lines. No building shall be located nearer than 1 foot from the interior lot line which shall include garages and other accessory buildings.

The purposes of this covenant with respect to eaves, steps and open porches shall not be considered as part of the building. Provided, however, that this shall not be construed to permit any portion of any building on any lot to encroach upon another lot.

5. Lot Area and Width.

No dwelling shall be erected or placed on any lot having a width of less than 65 feet at the minimum building set-back line nor shall any dwelling be erected or placed on any lot or portion of a lot having an area of less than 8000 square feet.

9. No animals of any kind shall be raised, bred or kept on any lot except that dogs, cats or other household pets may be kept provided they are not kept, bred or maintained for any commercial purpose.

10. Membership Committee.

The architectural control committee will be composed of Bernard P. Brockbank and Willard V. Fuller, or if Bernard P. Brockbank or Willard V. Fuller are not available to act, either through death or incapacity or lack of further interest in the subdivision, then the persons interested may elect a representative to act for them, each lot having one vote. Neither Bernard P. Brockbank or Willard V. Fuller, nor any other person acting for the property holders of the above described property shall be entitled to any compensation for any services performed.

11. It is understood that when Bernard P. Brockbank or Willard V. Fuller is not available that the then record owners of a majority of the lots shall have the power at any time to change the representative designated to act for them.

12. Procedure.

The approval or disapproval of the plans as required in these covenants shall be in writing. In the event the authorized person fails to approve or disapprove within thirty days after the plans and specifications have been submitted to him or if no suit to enjoin the construction has been commenced prior to the completion thereof, approval shall not be required, and the covenants shall be deemed to have been fully complied with.

13. Term.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of 50 years from the date these covenants are recorded.

14. Enforcement.

Enforcement shall be by proceedings at law or in equity against any persons violating or attempting to violate any covenant either to restrain violation or to recover damages.
