No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred, or maintained for any commercial purpose.

No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenants either to restrain violation or to recover damages.

Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

The provisions of this instrument or declaration shall be just as effective and binding upon the purchasers of any of the lots or parcels of land hereinabove described as if the provision hereof were a part of the plat of said Canyon Meadows submitted and approved by the City Commission of Provo City, Utah, and filed in the office of the Recorder of Utah County, Utah, on the 6th day of October, 1965, as Entry No. 15522, Map Filing No. 658.
