BE IT ORDAINED BY THE CLEARFIELD CITY COUNCIL

SECTION 6 Findings and Determinations of the Clearfield City Council

The Commission hereby makes the following findings and determinations:

- A. Conformity with Utah Neighborhood Development Act and Other Public Purposes. The Official Redevelopment Plan will redevelop the Project Area in conformity with the Act and in the interests of the public peace, health, safety and welfare in that:
1. It will enable the Agency to make financing alternatives available to parties electing to become participants in the Redevelopment Project and to developers, thereby providing necessary assistance for investment, redevelopment, rehabilitation within the Project Area.
 2. It will help to prevent erosion of the City's economic base.
 3. It will help attract desirable businesses to locate and expand within the Project Area and increase job opportunities for the City and State.
 4. It will facilitate revitalization of the Project Area.
 5. It will contribute in a variety of other ways to the redevelopment of the Project Area in conformity with the Act, and to the furthering of the interests of public peace, health, safety and welfare.
- B. Feasibility. The adoption and carrying out of the Official Redevelopment Plan is economically sound and feasible in that the Official Redevelopment Plan will proceed and be carried out only if and when financing becomes available. The financing of projects is primarily based upon the willingness of public and private entities to invest and develop in the Project Area.
- C. Conformity to Comprehensive Plan. The Official Redevelopment Plan conforms to the Clearfield City Plan, as amended, as more particularly shown in the Agency and Planning Commission Reports.

- D. Effects of Carrying Out the Redevelopment Plan. The carrying out of the Official Redevelopment Plan will promote the public peace, health, safety and welfare of the community, and will effectuate the purpose and policy of the Act in that it will promote and facilitate:
1. The elimination or reduction of conditions which may further erode the Project Area.
 2. Measures which will prevent further stagnation deterioration, and/or fragmentation within the Project Area.
 3. The attraction of desirable businesses into the Project Area, thereby creating jobs for the area.
 4. The revitalization and beautification of the Project Area.
 5. Other measures which will promote the public peace, health, safety and welfare and which would be consistent with the purposes of the Act.
- E. Eminent Domain. Under the requirements of the Utah Neighborhood Development Act, economic development project areas do not have the power of eminent domain. Therefore, the inclusion of the power of eminent domain will not be allowed in the plan or this project area.
- F. Relocation. The Project Area is vacant land, and therefore relocation will not be required within the Project Area

For any public hearing the Agency may give such general public notice as the City would normally provide in connection with a hearing on a proposed zoning change by the Clearfield City Planning Commission. The City hereby declares that it would have passed this Ordinance and each provision, section, subsection, sentence, clause, phrase, or word thereof, irrespective of the fact that any one or more provisions, section, subsection, clause, phrase, or word be declared unconstitutional or otherwise contrary to law.
