AGREEMENT

IN CONSIDERATION OF THE FOREGOING, AND FOR OTHER GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, and to induce Senior Lender to maintain the Senior Loan and continued acceptance of the Senior Security Instrument as security for the Senior Loan, the Subordinate Lenders, Borrower, EB5 Lender and Senior Lender agree as follows:

1. Subordination of Subordinate Loan Documents and EB5 Loan Documents.

1.1 The Subordinate Loan Documents and the liens against the Property now or hereafter created thereunder are hereby made subordinate to (i) the liens against the Development Property created by the Senior Security Instrument; (ii) the liens against the Property created by the EB5 Security Instrument; (iii) all of the terms, covenants and conditions contained in the Senior Loan Documents; (iv) all of the terms, covenants and conditions contained in the EB5 Loan Documents; (v) any and all advances and other increases in the indebtedness secured by the Senior Security Instrument including but not limited to advances made to improve the Development Property or protect the portion of the Project located on the Development Property and Senior Lender's interest therein and advances made following an event of default to complete the construction and sale of the Development Property and the portion of the Project located thereon (except as specifically set forth below); (vi) any and all advances and other increases in the indebtedness secured by the EB5 Security Instrument made to improve the Property or protect EB5 Lender's interest therein and advances made following an event of default to complete the construction and sale of the Property (except as specifically set forth below); (vii) all extensions, consolidations, amendments, modifications, protective advances (including without limitation protective advances in excess of the original loan amount) and supplements to the Senior Loan Documents, in all cases without the need for any written reaffirmation of subordination or other written agreement by any Subordinate Lender; and (viii) all extensions, consolidations, amendments, modifications, protective advances (including without limitation protective advances in excess of the original loan amount) and supplements to the EB5 Loan

Documents, in all cases to the extent relating to the Property and without the need for any written reaffirmation of subordination or other written agreement by any Subordinate Lender.

1.2 The EB5 Loan Documents and the liens against the Development Property now or hereafter created thereunder are hereby made subordinate to (i) the liens against the Development Property created by the Senior Security Instrument (to the extent the proceeds of the Senior Loan are used to improve the Development Property); (ii) all of the terms, covenants and conditions contained in the Senior Loan Documents; (iii) any and all advances and other increases in the indebtedness secured by the Senior Security Instrument, including but not limited to advances made to improve the Development Property or protect the portion of the Project located on the Development Property and Senior Lender's interest therein and advances made following an event of default to complete the construction and sale of the Development Property and the portion of the Project located thereon (except as specifically set forth below); and (iv) all extensions, consolidations, amendments, modifications, protective advances (including without limitation protective advances in excess of the original loan amount) and supplements to the Senior Loan Documents, in all cases without the need for any written reaffirmation of subordination or other written agreement by EB5 Lender.

2. Debt Subordination, Restriction on Repayment of Subordinate Indebtedness or EB5 Indebtedness.

2.1 Each Subordinate Lender agrees that its right to receive payments from Borrower or any guarantor of any amount then due under the Subordinate Loan Documents applicable to such Subordinate Lender ("**Subordinate Indebtedness**") shall be subordinated to (a) Senior Lender's right to receive payments from Borrower or any guarantor then due under the Senior Loan Documents, including, but not limited to, interest and any other amounts accruing after the commencement of any bankruptcy, insolvency, liquidation, reorganization or similar proceeding by or against Borrower or any guarantor of the Senior Loan, and any other interest or other amounts that would have accrued on the Senior Loan but for the commencement of such proceeding, whether or not such amounts are allowed as an enforceable claim in such proceeding and regardless of the value of any collateral securing the Senior Loan ("**Senior Indebtedness**"); and (b) EB5 Lender's right to receive payments from Borrower or any guarantor then due under the EB5 Loan Documents, including, but not limited to, interest and any other amounts accruing after the commencement of any bankruptcy, insolvency, liquidation, reorganization or similar proceeding by or against Borrower or any guarantor of the EB5 Loan, and any other interest or other amounts that would have accrued on the EB5 Loan but for the commencement of such proceeding, whether or not such amounts are allowed as an enforceable claim in such proceeding and regardless of the value of any collateral securing the EB5 Loan ("**EB5 Indebtedness**"). Until such time as (x) the Senior Loan and all sums now or hereafter secured by the Senior Security Instrument have been paid in full (and Senior Lender has no further obligation to fund the Senior Loan) and Borrower has otherwise complied in full with all of its obligations under the Senior Loan Documents and Senior Lender has released the Senior Security Instrument (all of the foregoing being referred to herein collectively as "**Repayment in Full of the Senior Loan**"); and (y) the EB5 Loan and all sums now or hereafter secured by the EB5 Security Instrument have been paid in full (and EB5 Lender has no further obligation to fund the EB5 Loan) and Borrower has otherwise complied in full with all of its obligations under the EB5 Loan Documents and EB5 Lender has released the EB5 Security Instrument (all of the foregoing being referred to herein collectively as "**Repayment in Full of the EB5 Loan**"), neither Borrower nor any guarantor shall make any payments of principal, interest or any other amounts due under the Subordinate Loan Documents. Notwithstanding the foregoing, so long as Borrower is not in default under any of the Senior Loan Documents, the EB5 Loan Documents or the Subordinate Loan Documents, Borrower may make its regularly scheduled principal and interest payments on the Subordinate Indebtedness in accordance with the terms of the Subordinate Loan Documents, but not (i) balloon payments, (ii) accelerated payments, (iii) prepayments, or (iv) payments resulting from a modification of the Subordinate Loan Documents not previously approved by Senior Lender and EB5 Lender in writing and at their sole election. Any payments received by Subordinate Lender in violation of the provisions of this Section and this Agreement shall be held by Subordinate Lender in trust for Senior Lender and shall be promptly paid over to Senior Lender.

2.2 EB5 Lender agrees that its right to receive payments from Borrower or any guarantor of any amount then due under the EB5 Loan Documents applicable to EB5 Indebtedness shall be subordinated to the Senior Indebtedness; *provided, however*, that notwithstanding the foregoing, EB5 Lender may at any time receive

payments then due under the EB5 Loan Documents to the extent such payments derive from proceeds generated by the Backcountry Property or Project sales on any portion of the Development Property that is not financed by Senior Lender, including, but not limited to, interest and any other amounts accruing after the commencement of any bankruptcy, insolvency, liquidation, reorganization or similar proceeding by or against Borrower or any guarantor of the EB5 Loan, and any other interest or other amounts that would have accrued on the EB5 Loan but for the commencement of such proceeding, whether or not such amounts are allowed as an enforceable claim in such proceeding and regardless of the value of any collateral securing the EB5 Loan (the "**Repayment Exceptions**"). Except as permitted by the Repayment Exceptions, until Repayment in Full of the Senior Loan, neither Borrower nor any guarantor shall make any payments of principal, interest or any other amounts due under the EB5 Loan Documents. Notwithstanding the foregoing, so long as Borrower is not in default under any of the Senior Loan Documents, Borrower may make its regularly scheduled principal and interest payments on the EB5 Indebtedness in accordance with the terms of the EB5 Loan Documents, but not (i) accelerated payments, (ii) prepayments, or (iii) payments resulting from a modification of the EB5 Loan Documents not previously approved by Senior Lender in writing and at its sole election. Any payments received by EB5 Lender in violation of the provisions of this Section and this Agreement shall be held by EB5 Lender in trust for Senior Lender and shall be promptly paid over to Senior Lender.

3. Release of Lien of Subordinate Security Instruments and EB5 Security Instrument; Partial Transfers.

3.1. Until Repayment in Full of the Senior Loan and Repayment in Full of the EB5 Loan, each Subordinate Lender will from time to time cause the lien of the Subordinate Security Instruments applicable to such Subordinate Lender to be promptly released and reconveyed from individual lots included in the Development Property and any single-family residence developed thereon (each a "**Unit**") upon the closing of the sale thereof; *provided*, that Senior Lender is releasing or reconveying the Senior Security Instrument from such Unit, independent of such Subordinate Lender's receipt of any payment; *provided, further*, that EB5 Lender is releasing or reconveying the EB5 Security Instrument from such Unit, independent of such Subordinate Lender's receipt of any payment. A Subordinate Lender's obligation to release the Subordinate Security Instruments applicable to such Subordinate Lender upon the sale of any Unit shall not be affected by any default under the Senior Loan Documents, the EB5 Loan Documents or the Subordinate Loan Documents applicable to such Subordinate Lender. Each Subordinate Lender agrees to execute and deliver Partial Reconveyances or Requests for Partial Reconveyance, as applicable, for release of Units from the Subordinate Security Instruments applicable to such Subordinate Lender in accordance with the requirements of this Section within five business days after written request from Senior Lender, EB5 Lender or any escrow agent for the sale of any such Unit.

3.2. Until Repayment in Full of the Senior Loan, EB5 Lender will from time to time cause the lien of the EB5 Security Instrument to be promptly released and reconveyed from individual Units upon the closing of the sale thereof; *provided*, that Senior Lender is releasing or reconveying the Senior Security Instrument from such Unit, independent of EB5 Lender's receipt of any payment. EB5 Lender's obligation to release the EB5 Security Instrument upon the sale of any Unit shall not be affected by any default under the Senior Loan Documents or the EB5 Loan Documents. EB5 Lender agrees to execute and deliver Partial Reconveyances or Requests for Partial Reconveyance, as applicable, for release of Units from the EB5 Security Instrument in accordance with the requirements of this Section within five business days after written request from Senior Lender or any escrow agent for the sale of any such Unit.

3.3 Each Subordinate Lender acknowledges and agrees that Senior Lender and EB5 Lender are relying on the agreements of such Subordinate Lender set forth in Section 3.1 above with respect to the release of portions of the Development Property in agreeing to maintain the Senior Loan and the EB5 Loan, as the case may be, and would not maintain the Senior Loan or the EB5 Loan, as the case may be, unless such Subordinate Lender agreed to the provisions regarding release set forth in that Section.

3.4 EB5 Lender acknowledges and agrees that Senior Lender is relying on the agreements of EB5 Lender set forth in Section 3.2 above with respect to the release of portions of the Development Property in agreeing to maintain the Senior Loan and would not maintain the Senior Loan unless EB5 Lender agreed to the provisions regarding release set forth in that Section.

4. No Defaults.

4.1 Each Subordinate Lender and Borrower hereby certify to Senior Lender and EB5 Lender that, to the knowledge of each after due inquiry, as of the date of this Agreement, there are no defaults existing under the Subordinate Loan Documents applicable to such Subordinate Lender, and no event has occurred that, with the giving of notice or the passing of time, or both, would constitute a default under the Subordinate Loan Documents applicable to such Subordinate Lender.

4.2 EB5 Lender and Borrower hereby certify to Senior Lender that, to the knowledge of each after due inquiry, as of the date of this Agreement, there are no defaults existing under the EB5 Loan Documents, and no event has occurred that, with the giving of notice or the passing of time, or both, would constitute a default under the EB5 Loan Documents.

5. Insurance, Condemnation and Transfer Proceeds.

5.1. In the event of any casualty loss, taking through eminent domain, sale, transfer, or other disposition of the Property, the proceeds resulting therefrom (including but not limited to insurance and condemnation proceeds) shall be applied in the following order of priority: (a) in accordance with the terms of the Senior Loan Documents until Repayment in Full of the Senior Loan, subject to payments permitted by the Repayment Exceptions; and (b) in accordance with the terms of the EB5 Loan Documents until Repayment in Full of the EB5 Loan.

5.2 Each Subordinate Lender agrees at any time and from time to time to execute such documents as Senior Lender, EB5 Lender or the insurer may reasonably require confirming that any rights that such Subordinate Lender may have as a loss payee or additional insured are expressly subject and subordinate to the rights of Senior Lender or EB5 Lender, as the case may be, as an additional insured or loss payee.

5.3 EB5 Lender agrees at any time and from time to time to execute such documents as Senior Lender or the insurer may reasonably require confirming that any rights that EB5 Lender may have as a loss payee or additional insured are expressly subject and subordinate to the rights of Senior Lender as an additional insured or loss payee, other than such rights contemplated by the Repayment Exceptions.

6. Standstill/Notice from Senior Lender/Stipulation to Receivership.

6.1. Until Repayment in Full of the Senior Loan and Repayment in Full of the EB5 Loan, no Subordinate Lender shall exercise any of its rights or remedies against the Property under the Subordinate Loan Documents applicable to such Subordinate Lender (including, without limitation, appointing a receiver or initiating foreclosure proceedings) without the prior written consent of Senior Lender and EB5 Lender, which consent shall be given or withheld in Senior Lender's and EB5 Lender's discretion. Any exercise of any remedy in connection with the Subordinate Loan Documents without such consent of Senior Lender and EB5 Lender shall be void *ab initio* and of no effect whatsoever.

6.2. Until Repayment in Full of the Senior Loan, EB5 Lender shall not exercise any of its rights or remedies against the Development Property under the EB5 Loan Documents (including, without limitation, appointing a receiver or initiating foreclosure proceedings) without the prior written consent of Senior Lender, which consent shall be given or withheld in Senior Lender's discretion, other than rights and remedies contemplated by the Repayment Exceptions. Any exercise of any remedy in connection with the EB5 Loan Documents without such consent of Senior Lender shall be void *ab initio* and of no effect whatsoever.

6.3 Each Subordinate Lender agrees that, after an event of default under the Senior Loan Documents or EB5 Loan Documents, such Subordinate Lender shall not oppose any request by Senior Lender or EB5 Lender, as the case may be, for the appointment of a receiver for the Project and shall execute such stipulations to the appointment of a receiver as Lender may reasonably request.

6.4 EB5 Lender agrees that, after an event of default under the Senior Loan Documents, EB5 Lender shall not oppose any request by Senior Lender for the appointment of a receiver for the Project and shall execute such stipulations to the appointment of a receiver as Lender may reasonably request.

7. Notice and Cure Rights.

7.1 Borrower hereby agrees to immediately provide EB5 Lender and the Subordinate Lenders with a copy of any notice of default or notice of foreclosure action received from Senior Lender. Prior to commencing a foreclosure action under the Senior Security Instrument (a "**Senior Foreclosure Action**"), Senior Lender shall provide EB5 Lender and the Subordinate Lenders with written notice of any default giving rise to the Senior Foreclosure Action (each, a "**Senior Loan Default Notice**"), and EB5 Lender and the Subordinate Lenders shall have the rights set forth below in this Section apply prior to any legal or other action by Senior Lender; *provided*, that failure of Senior Lender to send a Senior Loan Default Notice to EB5 Lender or the applicable Subordinate Lender shall not prevent the exercise of Senior Lender's rights and remedies under the Senior Loan Documents, nor shall such failure constitute a default by Senior Lender under this Agreement.

7.2 Borrower hereby agrees to immediately provide the Subordinate Lenders with a copy of any notice of default or notice of foreclosure action received from EB5 Lender. Prior to commencing a foreclosure action under the EB5 Security Instrument (an "**EB5 Foreclosure Action**"), EB5 Lender shall provide the Subordinate Lenders with written notice of any default giving rise to the EB5 Foreclosure Action (each, an "**EB5 Loan Default Notice**"), and the Subordinate Lenders shall have the rights set forth below in this Section apply prior to any legal or other action by EB5 Lender; *provided*, that failure of EB5 Lender to send an EB5 Loan Default Notice to the Subordinate Lenders shall not prevent the exercise of EB5 Lender's rights and remedies under the EB5 Loan Documents, nor shall such failure constitute a default by EB5 Lender under this Agreement.

7.3 EB5 Lender or any Subordinate Lender may, within 10 days after a Senior Loan Default Notice is deemed received pursuant to Section 13 hereof, cure the default described thereunder by (i) paying Senior Lender or the party entitled to payment of the amount due, and (ii) defending and holding harmless Senior Lender for all costs, expenses, losses, liabilities, obligations, damages and penalties incurred by Senior Lender due to or arising out of such default. If EB5 Lender or any Subordinate Lender completes such cure within such 10-day period, such default shall be deemed cured as to Borrower.

7.4 Any Subordinate Lender may, within 10 days after an EB5 Loan Default Notice is deemed received pursuant to Section 13 hereof, cure the default described thereunder by (i) paying EB5 Lender or the party entitled to payment of the amount due, and (ii) defending and holding harmless EB5 Lender for all costs, expenses, losses, liabilities, obligations, damages and penalties incurred by EB5 Lender due to or arising out of such default. If any Subordinate Lender completes such cure within such 10-day period, such default shall be deemed cured as to Borrower.

7.5 If the Senior Loan has been accelerated or any legal action has been commenced and is continuing under the Senior Loan Documents, upon 10 days prior written notice to Senior Lender, EB5 Lender and the Subordinate Lenders shall have the right to purchase, in whole but not in part, the Senior Loan for a price equal to the outstanding principal balance thereof, together with all accrued interest and other amounts due thereon (including, without limitation, any late charges, default interest and post-petition interest), and any interest charged by Senior Lender on any advances for monthly payments of principal and/or interest on the Senior Loan, including all costs and expenses (including legal fees and expenses) actually incurred by Senior Lender in enforcing the terms of the Senior Loan Documents.

7.6 Upon the occurrence of a default under the Subordinate Loan Documents, the applicable Subordinate Lender agrees to provide to Senior Lender, EB5 Lender and the other Subordinate Lenders a copy of any notice of default provided to Borrower. Upon the occurrence of a default under the EB5 Loan Documents, EB5 Lender agrees to provide to Senior Lender and the Subordinate Lenders a copy of any notice of default provided to Borrower.

8. Event of Default. Any (a) breach of the covenants or obligations of Borrower, EB5 Lender or the Subordinate Lenders under this Agreement, (b) any default under the EB5 Loan Documents, and (c) any default under the Subordinate Loan Documents, shall constitute an Event of Default under the Senior Loan Documents. Additionally, any (x) breach of the covenants or obligations of Borrower or the Subordinate Lenders under this Agreement, and (y) any default under the Subordinate Loan Documents, shall constitute an Event of Default under the EB5 Loan Documents. Similarly, any Event of Default under the Senior Loan Documents shall constitute an event of default under the EB5 Loan Documents and the Subordinate Loan Documents.

9. Further Assurances.

9.1 So long as the Senior Security Instrument shall remain a lien upon the Development Property or any part thereof, EB5 Lender, the Subordinate Lenders, any other holder of the EB5 Security Instrument or any other holder of the Subordinate Security Instruments, shall execute, acknowledge and deliver, promptly after being requested to do so, any and all further instruments in recordable form reasonably requested by Senior Lender or another holder of the Senior Security Instruments for the purpose of confirming and carrying out the purpose and intent of the foregoing covenants.

9.2 So long as the EB5 Security Instrument shall remain a lien upon the Property or any part thereof, the Subordinate Lenders or any other holder of the Subordinate Security Instruments, shall execute, acknowledge and deliver, promptly after being requested to do so, any and all further instruments in recordable form reasonably requested by EB5 Lender or another holder of the EB5 Security Instrument for the purpose of confirming and carrying out the purpose and intent of the foregoing covenants.

10. Modification of Senior Loan, EB5 Loan and Subordinate Loans. No renewal or extension of time of payment of the Senior Loan, no release or surrender of security for the payment thereof, no delay in the enforcement of payment thereof or in the enforcement of this Agreement, and no delay or omission in exercising any right or power under the Senior Security Instrument or any other document or agreement governing, evidencing or securing the Senior Loan, or under this Agreement, shall in any manner impair or adversely affect the rights of Senior Lender under this Agreement. No renewal or extension of time of payment of the EB5 Loan, no release or surrender of security for the payment thereof, no delay in the enforcement of payment thereof or in the enforcement of this Agreement, and no delay or omission in exercising any right or power under the EB5 Security Instrument or any other document or agreement governing, evidencing or securing the EB5 Loan, or under this Agreement, shall in any manner impair or adversely affect the rights of EB5 Lender under this Agreement. EB5 Lender and each Subordinate Lender hereby waive any further notice of the creation, existence, extension or renewal of the Senior Loan or of any modification of the Senior Loan or of any other actions or matters of any nature whatsoever in connection with the Senior Loan, except as set forth in paragraph 1.1 above. Each Subordinate Lender hereby waives any further notice of the creation, existence, extension or renewal of the EB5 Loan or of any modification of the EB5 Loan or of any other actions or matters of any nature whatsoever in connection with the EB5 Loan, except as set forth in paragraph 1.1 above. No modification or amendment of the Subordinate Loan Documents shall be binding unless Senior Lender and EB5 Lender has provided their written consent to such modification or amendment. No modification or amendment of the EB5 Loan Documents shall be binding unless Senior Lender has provided its written consent to such modification or amendment. In addition, (a) no Subordinate Lender may sell, assign, transfer, pledge, encumber, hypothecate or enter into participations for all or any part of its interest in the Subordinate Loan Documents applicable to such Subordinate Lender or the applicable Subordinate Indebtedness without Senior Lender's and EB5 Lender's written consent, and any such attempted sale, assignment, transfer, pledge, encumbrance, hypothecation or participation shall be void and of no force or effect; and (b) EB5 Lender may not sell, assign, transfer, pledge, encumber, hypothecate or enter into participations for all or any part of its interest in the EB5 Loan Documents or the EB5 Indebtedness without Senior Lender's written consent, and any such attempted sale, assignment, transfer, pledge, encumbrance, hypothecation or participation shall be void and of no force or effect.

11. Consent and Waiver.

11.1 Senior Lender, in making disbursements pursuant to the Senior Loan Documents, is under no obligation or duty to, nor has Senior Lender represented that it will, see to the application of the Senior Loan proceeds

by the person or persons to whom Senior Lender disburses such proceeds, and any application or use of such proceeds for purposes other than those provided for in the Senior Loan Documents shall not defeat the subordination herein made in whole or part.

11.2 EB5 Lender, in making disbursements pursuant to the EB5 Loan Documents, is under no obligation or duty to, nor has EB5 Lender represented that it will, see to the application of the EB5 Loan proceeds by the person or persons to whom EB5 Lender disburses such proceeds, and any application or use of such proceeds for purposes other than those provided for in the EB5 Loan Documents shall not defeat the subordination herein made in whole or part.
