The Board may enact reasonable rules respecting the keeping of animals within the Project, including noise restrictions and may designate certain areas in which animals may not be taken or kept, or they may require that specific animals not be allowed on any part of the property. It is intended that all permitted pets shall be household pets that are kept indoors and not left outdoors overnight and such shall, at no time, become a nuisance to the other Owners within the Project. The Association shall not be liable for any injury caused by a pet, nor shall the Association be required to verify an Owner's compliance with this Article 7.4. Furthermore, if an Owner permits a guest to bring a dog to his or her Dwelling, that Owner shall be responsible for any damage or injury caused by the dog while it is in the Project and shall also indemnify the Association for any such damage or injury.

- 7.5 **No Short-Term Rentals.** No Lot or Dwelling shall be rented or leased for a period of less than one-year. No short-term rentals are permitted such as Airbnb, VRBO, HomeAway, or any other vacation rentals.
- 7.6 **Temporary Structure.** No trailer, basement, tent, shack, garage, barn or other out building erected in the subdivision shall at any time be used as a residence temporarily or permanently, nor shall any structure of a temporary character be used as a residence.
- 7.7 **No Obstructions.** There shall be no obstruction of the Common Area by any Owner. Owners shall neither store nor leave any of their property in the Common Area, except with the prior written consent of the Association
- 7.8 **Prohibition of Damage and Certain Activities.** Except with the prior written consent of the Association, nothing shall be done or kept in or on any Lot, in the Common Area, or in any other part of the Project which may result in cancellation or any insurance on the Project or any part thereof, nor shall anything be done or kept in or on any Lot or Dwelling which may increase the rate of insurance on the Project or any part hereof over that which the Association, but for such activity, would have to pay. Nothing shall be done or kept in or on any Lot or Dwelling or in the Common Area or any part thereof which would be in violation of any statute, rule, ordinance, regulation, permit, or other validly imposed requirement of any governmental authority. No damage to, or waste of, the Common Area or any part thereof shall be committed by any Owner or guest or invitee of any Owner, and each Owner shall indemnify and hold the Association and other Owners harmless against all loss resulting from any such damage or waste caused by such Owner, his guests, lessees, licensees, or invitees.
- 7.9 **Construction Period Exemption.** During the course of actual construction of any structures or improvements which are permitted to be located on the Project, the provisions, covenants,

conditions, and restrictions contained in this Declaration shall be deemed waived to the extent necessary or convenient to permit such construction; provided, however, that during the course of such construction, nothing shall be done which would result in a violation of any of said provisions, covenants, conditions, or restrictions following completion of such construction.

- 7.10 **Garbage Cans and Trash.** Garbage cans may be placed in the street for collection the afternoon or evening prior to the day of collection, and must be removed from the street within twelve (12) hours of collection. Garbage cans may not be stored in front of an Owner's Dwelling but must be stored in an Owner's garage or behind the Owner's sideyard fence where it is not visible from the street. No trash may be collected, placed or stored on any portion of an Owner's Lot.
- 7.11 **Decorations.** Year-around lawn decorations that are visible from the road (such as large sculptures, bird baths, etc.) may only be displayed with approval from the Board. Temporary holiday decorations and lighting are permitted, but should be removed shortly after the end of the holiday, weather permitting.
- 7.12 **Motorized Vehicles.** Motorized vehicles of any kind (including snow mobiles, dirt-bikes, etc) shall not be permitted in the Common Area.
- 7.13 **Satellite Dishes and Antennas.** All satellite, dish and television antennas installed on a Dwelling or on a Lot must be placed within the area identified on the Association's Satellite Dish Antenna Policy which is set forth in Exhibit "E", attached hereto.

ARTICLE VIII THE ASSOCIATION

- 8.1 **Membership.** Each Owner shall be entitled and required to be a Member of the Association. Membership shall begin immediately and automatically upon becoming an Owner and shall terminate immediately and automatically upon ceasing to be an Owner. If title to a Lot is held by more than one person, the membership appurtenant to that Lot shall be shared by all such persons in the same proportionate interests and by the same type of tenancy in which title to the Lot is held. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot. An Owner shall be entitled to one membership for each Lot owned by said Owner. Each membership shall be appurtenant to the Lot to which it relates and shall be transferred automatically by conveyance of that Lot. Ownership of a Lot within the Project cannot be separated from membership in the Association appurtenant thereto, and any devise, encumbrance, conveyance, or other disposition of a Lot shall be construed to be a devise, encumbrance, conveyance, or other disposition, respectively, of the Owner's membership in the Association, and the rights appurtenant thereto. No person or entity other than an Owner may be a member of the Association, and membership in the Association may not be transferred except in connection with the transfer of a Lot.

8.2 **Voting Rights.** The Association shall have the following-described two classes of voting membership:

- (a) **Class A.** Class A Members shall be all Owners, but excluding the Declarant until the Class B membership ceases. Class A Members shall each be entitled to one vote.
- (b) **Class B.** The Class B Member shall be in the Declarant and its assigns or successors, and shall consist of the interest the Declarant has in the existing Lots. For voting purposes the Class B Member shall be entitled to five (5) votes for each Lot owned by Declarant. The Class B Membership shall automatically cease and be converted to a Class A Membership on the first to occur of the following events:
 - (i) When the total number of votes held by all Class A Members exceeds the total number of votes held by the Class B Member.
 - (ii) The expiration of seven (7) years after the date on which this Declaration is filed for record in the office of the County Recorder of Morgan County, Utah.

8.3 **Board of Directors.** The Board of Directors shall consist of three (3) members. Declarant reserves the right to appoint all of the Board of Directors until the first of the following occurs:

- (a) Seven (7) years from the date of recordation of this Declaration.
- (b) The date on which ninety percent (90%) of the Lots in the Project have been conveyed to Owners other than Declarant or Declarant's successor in interest.

8.4 **Amplification.** The provisions of this Article VIII may be amplified by the Articles of Incorporation and Bylaws of the Association; provided, however, that no such amplification shall substantially alter or amend any of the rights or obligations of the Owners set forth in this Declaration.

8.5 **Liability of Board.** The Association shall indemnify every officer and member of the Board against any and all expenses, including but not limited to attorney fees reasonably incurred by or imposed upon any officer or member of the Board in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he or she may be a party by reason of being or having been an officer or member of the Board. The officers and members of the Board shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful and gross: misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Board shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or members of the Board may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Board free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which

any officer or member of the Board , or former officer or member of the Board , may be entitled. The Association shall, as a Common Expense, maintain adequate general liability, officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

**ARTICLE IX
RIGHTS AND OBLIGATIONS OF THE ASSOCIATION**

- 9.1 **The Common Area.** The Association shall be responsible, as described in herein and subject to the rights and duties of the Owners as set forth in this Declaration, for the exclusive management and control of the Common Area and all improvements thereon. Except as otherwise provided for in this Declaration, the Association shall be responsible for maintenance, repair, and replacement of all improvements or other materials located upon or used in connection with the Common Area. All goods and services procured by the Association in performing its responsibilities under this Section shall be paid for with funds from the Common Expense Fund.
- 9.2 **Manager.** The Association may by written contract delegate in whole or in part to a professional Manager such of the Association's duties, responsibilities, functions, and powers hereunder as are properly delegable. The services of any Manager retained by the Association shall be paid for with funds from the Common Expense Fund.
- 9.3 **Miscellaneous Goods and Services.** The Association may obtain and pay for the services of such personnel as the Association shall determine to be necessary or desirable for the proper operation of the Project, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or which it contracts. The Association may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Project, the enforcement of this Declaration, or any other matter. In addition to the foregoing, the Association may acquire and pay for as a Common Expense, insurance, some exterior lighting, and other necessary or desirable utility services for the goods and services common to the Lots.
- 9.4 **Rules and Regulations.** The Association by action of its Board of Directors may make reasonable rules and regulations governing the use of the Lots and of the Common Area, which rules and regulations shall be consistent with the rights and duties established in this Declaration. The Association may take judicial action against any Owner to enforce compliance with such rules and regulations or other obligations of Owners arising hereunder, or to obtain damages for noncompliance therewith, as permitted by law. The Association is empowered to adopt rules allowing for the termination of utilities upon non-payment of fees, as provided in Utah Code Annotated § 57-8a-309 (as amended), to adopt rules for the collection of lease payments from tenants as provided in Utah Code Annotated § 57-8a-310 (as amended), and to adopt rules allowing the Association to assess a fine against those residents, Owners or tenants who violate the Association's Declaration, bylaws or rules and regulations, which rules shall be consistent with those permitted in Utah Code Annotated § 57-8a-208 (as amended). In the event of such action, with or without the filing of a judicial action, the Association shall be entitled to recover its costs, including reasonable attorney

fees, from the offending Owner. During the Period of Administrative Control the Declarant is exempt from Association rules and rule making procedures.

- 9.5 **Construction Period Exemption.** During the course of actual construction of any structures or improvements which are permitted to be located on the Project, the provisions, covenants, conditions, and restrictions contained in this Declaration shall be deemed waived to the extent necessary or convenient to permit such construction; provided, however, that during the course of such construction, nothing shall be done which would result in a violation of any of said provisions, covenants, conditions, or restrictions following completion of such construction.
- 9.6 **Implied Rights.** The Association may exercise any right or privilege given to it expressly by this Declaration or by law, and every other right or privilege reasonably necessary to effectuate any such right or privilege.
- 9.7 **Reserves.** Following the Period of Administrative Control, the Association shall maintain an adequate reserve fund for maintenance, repair and replacement of those Common Areas that must be replaced on a periodic basis, and such reserves shall be funded from the monthly assessments described in Article X below.

ARTICLE X ASSESSMENTS

- 10.1 **Agreement to Pay Assessments.** Declarant, for and as the owner of the Project and every part thereof on the date hereof, hereby covenants, and each Owner of a Lot by the acceptance of instruments of conveyance and transfer therefor, whether or not it be so expressed in said instruments, shall be deemed to covenant and agree with each other and with the Association, to pay to the Association all assessments, both regular and special, made by the Association for the purposes provided in this Declaration. Such assessments shall be fixed, established and collected from time to time as provided in this Article X.
- 10.2 **Uniform Assessments.** Except as otherwise stated in this Declaration, Common Expense assessments shall be computed and uniformly assessed against all Lots in the Project.
- 10.3 **Annual Budget.** Annually, the Association shall prepare, or cause to be prepared, an operating budget setting forth an itemized statement of the anticipated receipts and disbursements for the coming calendar year and taking into account the general condition of the Common Area. Each such budget, together with a written statement from the Association outlining a plan of operation for the year in question and justifying in every important particular the estimates made, shall be submitted to the Owners annually. Said operating budget shall serve as the basis for the schedule of proposed monthly assessments for the annual period for which it is prepared. Said budget shall also constitute a major guideline under which the Association shall operate during such annual period.
- 10.4 **Basis of Annual Budget.** The annual budget shall be based upon the Association's estimates of the cash required to provide for payment of expenses ("Common Expenses")

arising out of or connected with maintenance and operation of the Common Areas. Such actual expenses and estimated expenses may include, among other things, the following: expenses of management; governmental taxes and special assessments; premiums for all insurance that the Association is required or permitted to maintain; repairs and maintenance; wages for Association employees, including fees for a Manager, if any; utility charges; legal and accounting fees; any deficit remaining from a previous period; creation of a reasonable contingency reserve and reserve fund required or allowed herein; and any other expenses and liabilities which may be incurred by the Association for the benefit of all of the Owners or by reason of this Declaration.

- 10.5 **Annual Assessments.** The Association shall establish a regular monthly assessment against each Owner which assessment shall be equal for each Owner and be paid by each Owner into a Common Expense fund ("Common Expense Fund"). The foregoing method of assessing the Common Expenses to the Owners may be altered by the Association so long as the method it adopts is consistent with good accounting practice and requires that the portion of Common Expenses borne by each Lot shall be equal. Each monthly installment of the regular assessment not timely paid by the 5th day of the month shall bear interest at the rate of one and one-half percent (1½ %) per month from the date it becomes due and payable until paid, as well as a late fee in an amount established by the Board, not to exceed \$50.00 per month. Failure of the Association to give timely notice of any assessment as provided herein shall not affect the liability of the Owner of any Lot for such assessment.
- 10.6 **Inadequate Funds.** In the event that the Common Expense Fund proves inadequate at any time for whatever reason, including nonpayment of any Owner's assessment, the Association may levy additional assessments as needed. No vote of the Owners shall be required to approve an assessment needed to repair or maintain portions of the Common Area that the Association is responsible to repair and maintain. Any amounts assessed pursuant hereto shall be apportioned equally among and assessed equally to all Lots. Notice in writing of the amount of such assessment and the time for payment thereof shall be given promptly to the Owners. No payment shall be due less than thirty (30) days after such notice shall have been mailed. All unpaid portions of any assessment shall bear interest at the rate of one and one-half percent (1½ %) per month from the date such portions become due until paid plus late fees as established by the Board not to exceed \$50.00 per month.
- 10.7 **Declarant's Obligations.** Notwithstanding the preceding provisions of this Article X to the contrary, Declarant or Declarant's successor in interest shall not be obligated to pay any Common Expense assessment or any other assessment to the Association. Assessments shall begin to become due when the Lot has been conveyed to a third party.
- 10.8 **Lien for Assessments.** All sums assessed to the Owner of any Lot within the Project pursuant to the provisions of this Article X, together with interest thereon as provided herein, is secured by virtue of this Declaration as a lien on such Lot in favor of the Association. To evidence a lien for sums assessed pursuant to this Declaration, the Association may prepare a written notice of lien in conformance with Utah law. Each Owner shall be deemed to have consented to the filing of a notice of lien against such Owner's Lot. Such notice shall be signed and acknowledged by a duly authorized officer of the Association or its attorney and

may be recorded in the office of the Morgan County Recorder. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by nonjudicial foreclosure by the Association in the same manner in which mortgages on real property may be foreclosed in the State of Utah. In any such foreclosure, the Owner shall also be required to pay to the Association any assessments against the Lot which shall become due during the period of foreclosure and the costs and expenses of such proceeding, the costs and expenses of filling the notice of lien, and all reasonable attorney fees.

- 10.9 **Personal Obligation of Owner.** The amount of any regular or special assessment against any Lot shall be the personal obligation of the Owner of such Lot to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any such personal obligation by waiver of the use and enjoyment of any of the Common Area or by abandonment of his Lot, or by waiving any services or amenities. In the event of any suit to recover a money judgment for unpaid assessments hereunder the involved Owner shall pay the costs and expenses incurred by the Association in connection therewith, including reasonable attorney fees.
- 10.10 **Non-Judicial Foreclosure.** All costs, expenses, assessments and fees owed to the Association for Common Expenses may be secured by a lien, which lien may be foreclosed in the same manner as foreclosures of deeds of trust under Utah law. The lien shall also secure and the Owner shall also be required to pay to the Association any assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the same as the Owner thereof. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney fees, and a reasonable rental for the Dwelling during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. If the Association elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Lot hereby irrevocably appoints the attorney of the Association, provided he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title, and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein. Declarant hereby conveys and warrants pursuant to U.C.A. Sections 57-1-20 and 57-8a-302 to Richard W. Jones, as trustee, an attorney licensed in the State of Utah, with power of sale, the Lot and all improvements to the Lot for the purpose of securing payment of assessments under the terms of the Declaration. The Association may appoint a substitute trustee by executing a substitution of trustee as authorized in Utah Code Annotated, Section 57-1-22, without amending this paragraph.

- 10.11 **Statement of Account.** Upon written request of any Owner, Mortgagee, prospective Mortgagee, or prospective purchaser of a Lot and payment of any reasonable fee assessed as authorized by law, the Association shall issue a written statement setting forth the following: (a) the amount of the unpaid assessments, if any, with respect to such Lot, and (b) the amount of the current regular assessment with respect to such Lot and the date such assessment becomes or became due. Such statement shall be conclusive upon the Association in favor of persons who rely thereon in good faith.
- 10.12 **Personal Liability of a Purchaser.** In a voluntary conveyance, the purchaser of a Lot shall be jointly and severally liable with the seller thereof for all unpaid assessments against such Lot up to the time of the grant of conveyance; provided, however, that the provisions of this Section shall not prejudice the purchaser's right to recovery from the seller of the amount of such assessments paid by the purchaser for such assessments.
- 10.13 **Amendment of Article.** Except as may be necessary to conform to the law, as it may be amended from time to time, this Article X shall not be amended unless the Owners of two-thirds (2/3) of the Lots in the Project consent and agree to such amendment by a duly recorded instrument.

ARTICLE XI INSURANCE

- 11.1 **Types of Insurance.** The Association shall obtain and keep in full force and effect at all times the following types of insurance coverage, provided by a company licensed to do business in the State of Utah:
- (a) **Public Liability and Property Damage Insurance.** The Association shall obtain a broad form of comprehensive public liability insurance coverage for the Common Area, in such amounts and in such forms as it deems advisable to provide adequate protection against liability for personal injury, death and property damage.
 - (b) **Fidelity Insurance or Bond & Directors and Officers Insurance.** Fidelity insurance or a bond in such amounts and in such forms as the Association deems appropriate to cover against dishonesty or employees or the Manager, destruction or disappearance of money or securities, and forgery, and adequate director's and officer's liability insurance (aka Errors and omissions insurance).
- 11.2 **Fire and Casualty Insurance.** The Association shall not be responsible to purchase insurance coverage on the Lots or on the Dwellings. Each Owner is required to obtain insurance on their own Lot and Dwelling for their own protection and benefit and as a requirement of any loan they may have on their Dwelling, which Owner's insurance is for the purpose of insuring the Dwelling against fire damage, water damage, water pipe damage, theft and vandalism, plus those additional types of losses normally covered by homeowners insurance that are not covered under the Association. Each Owner shall provide a copy of this Article XI to their insurance agent to make sure they obtain adequate and complete insurance coverage.

- 11.3 **Additional Coverage.** The provisions of this Declaration shall not be construed to limit the power or authority of the Association to obtain and maintain insurance coverage in addition to any insurance coverage required by this Declaration in such amounts and in such forms as the Association may from time to time deem appropriate.
- 11.4 **Adjustment and Contribution.** Exclusive authority to adjust losses under the insurance policies hereafter in force on the Project shall be vested in the Association. In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with insurance purchased by individual Owners or their Mortgagees.
- 11.5 **Insurance Carried by Owners.** Each Owner is responsible for and shall obtain insurance, at his own expense, providing coverage upon his own Lot and/or in his Dwelling, and for general liability coverage, including without limitation, coverage for personal injury, property damage, and such other risks as each Owner may deem appropriate.

**ARTICLE XII
COMPLIANCE WITH DECLARATION AND BYLAWS**

- 12.1 **Compliance.** Each Owner shall comply with the provisions of this Declaration, the Articles of Incorporation and Bylaws of the Association, rules and regulations promulgated by the Association, and the decisions and resolutions of the Association adopted pursuant thereto, as the same may be lawfully amended from time to time. Failure to comply with any of the same shall be grounds for an action to recover sums due and for damages or injunctive relief or both, maintainable by the Association or by an aggrieved Owner.
- 12.2 **Enforcement and Remedies.** The obligations, provisions, covenants, restrictions and conditions contained in this Declaration, or in any supplemental or amended Declaration, enforceable against the Association, shall be enforceable by Declarant or by any Owner of a Lot, by a proceeding for a prohibitive or mandatory injunction. The obligations, provisions, covenants, restrictions and conditions contained in this Declaration, or in any supplemental or amended Declaration, enforceable against an Owner or any other person, shall be enforceable by Declarant or the Association by a proceeding for a prohibitive or mandatory injunction or by a suit or action to recover damages or to recover any amount due or unpaid.

**ARTICLE XIII
REINVESTMENT FEE**

- 13.1 **Adoption of Reinvestment Fee.** The Association hereby adopts a Reinvestment Fee. The amount of the Reinvestment Fee shall not exceed 0.5% of the value of the Lot and Dwelling being sold. The Reinvestment Fee shall be paid by the purchaser of a Lot and Dwelling whenever the Lot and Dwelling are sold, transferred or conveyed to a new owner. Notwithstanding the foregoing, the purchaser of a Lot upon which a Dwelling has not yet been constructed shall not be required to pay a Reinvestment Fee.

- 13.2 **Amount of Reinvestment Fee.** The Reinvestment Fee shall initially be in the amount of \$3,000. By written resolution, the Board is authorized to increase or decrease the amount of the Reinvestment Fee, but in no event shall the Reinvestment Fee exceed the amount of .5% of the value of the Lot and Dwelling being transferred.
- 13.3 **Increases.** If the Board determines that an increase in the amount of the Reinvestment Fee is justified, it shall file for record in the office of the Morgan County Recorder an amendment to this Declaration, in the form of a Board Resolution, setting forth the amount of the new Reinvestment Fee.
- 13.4 **Runs with the Land.** The Reinvestment Fee and the covenant to pay the Reinvestment Fee runs with the property described in Exhibit "A", and is intended to bind successors in interest and assigns of the real property described in Exhibit "A", attached hereto.
- 13.5 **No Additional Reinvestment Fees.** The existence of this Reinvestment Fee precludes the imposition of an additional Reinvestment Fee on the property described in Exhibit "A", attached hereto.
- 13.6 **Duration.** The duration of the Reinvestment Fee covenant is for a period of 50 years.
- 13.7 **Purpose.** The purpose of the Reinvestment Fee required to be paid herein is for the use and improvement of the Association's Common Areas and any other areas the Association is required to maintain.
- 13.8 **Exceptions.** The Reinvestment Fee shall not be enforced in the following circumstances or situations:
- (a) an involuntary transfer;
 - (b) a transfer that results from a court order;
 - (c) a bona fide transfer to a family member of the seller within three degrees of consanguinity who, before the transfer, provides adequate proof of consanguinity;
 - (d) a transfer or change of interest due to death, whether provided in a will, trust, or decree of distribution; or
 - (e) the transfer of burdened property by a financial institution, except, a financial institution shall be required to pay the Association's costs directly related to the transfer of the burdened property in an amount of \$250.

**ARTICLE XIV
DECLARANT'S SALES PROGRAM**

- 14.1 **Declarant's Right to Promote and Sell the Project.** Notwithstanding any other provisions of this Declaration, until Declarant ceases to be an Owner ("Occurrence"), Declarant, its successor or assigns shall have the following rights in furtherance of any sales, promotional or other activities designed to accomplish or facilitate the sale of Lots owned by Declarant:

- (a) **Sales Offices and Model Lots.** Declarant, its successors and assigns, shall have the right to maintain sales offices, including a trailer, and model homes on Lots. Sales offices may be located on any Lot (at any location) owned by Declarant or may be located on any of the Common Area. Declarant shall have the right to maintain any number of model homes it may desire using the Lots Declarant owns.
 - (b) **Promotional Devices.** Declarant, its successors and assigns, shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners and similar devices at any place or places on the Common Area or Lots owned by Declarant, but any such devices shall be of sizes and in locations as are reasonable and customary.
 - (c) **Right to Use the Common Area.** Declarant shall have the right to use the Common Area of the Project to entertain prospective purchasers or to otherwise facilitate Lot sales, provided said use is reasonable as to both time and manner.
- 14.2 **Declarant's Rights to Relocate Sales and Promotional Activities.** Declarant shall have the right from time to time to locate or relocate its sales offices, trailer, model homes and signs, banners and similar devices, but in connection with each such location or relocation Declarant shall observe the limitations imposed by the preceding portions of this Article. Within a reasonable period of time after the happening of the Occurrence, Declarant shall have the right to remove from the Project any sales structures, fixtures, improvements, signs, banners and similar sales materials and properties.
- 14.3 **Limitation on Amending Association Documents.** During any time Declarant holds an ownership interest in any Lot or in any portion of the property, no amendment shall be made to the Declaration, Bylaws or Rules without the written consent and approval of the Declarant.

ARTICLE XV MORTGAGEE PROTECTION

- 15.1 **Mortgage Protection.** No breach of any of the covenants, conditions, restrictions, and limitations contained herein shall defeat or render invalid the lien of any Mortgage made in good faith and for value; provided, however, that all such covenants, conditions, restrictions and limitations contained herein shall be binding upon an Owner whose title is derived through foreclosures or trustee's sale.
- 15.2 **Priority of Liens.** No enforcement of any lien provision herein contained shall defeat or render invalid the lien of any Mortgage. All sums assessed in accordance with the provisions herein shall constitute a lien on each respective Lot prior and superior to all other liens except (1) all taxes, bonds, assessments, and other levies which, by law, would be superior thereto; and (2) the lien or charge of any recorded Mortgage on such Lot made in good faith and for value and recorded prior to the date on which any such assessment or assessments become due.

- 15.3 **Prior Liens Relate Only to Individual Lots.** All taxes, assessments and charges which may become liens prior to the first Mortgage under local law shall relate only to the individual Lot and not to the Project as a whole.
- 15.4 **Mortgage Holder Rights in Event of Foreclosure.** Any Mortgagee of a Mortgage of record which obtains title to a Lot by the foreclosure of the Mortgage on the Lot or any purchaser at a foreclosure sale, shall take the Lot free of any claims for unpaid assessments and charges against the Lot which accrued prior to the date of the acquisition of title to such Lot by such acquirer.
- 15.5 **Amendment.** No provision of this Article XV shall be amended without the consent of at least two-thirds of all first Mortgagees as appear on the official records of Morgan County, Utah, as of the date of such amendment, which consent may be deemed as permitted by the provisions of the Project Association Act, U.C.A. § 57-8a-220. However, should this Article XV be amended without the prior of at least two-thirds of all first Mortgagees, the first Mortgagees who have received a security interest in a Lot as indicated on the official records of Morgan County, Utah, will not be subject to the amendment but will be bound by the provisions of Article XV that existed of record at the time the first Mortgagee received a security interest. Any Mortgagee who receives a security interest in a Lot will be bound by the provisions of this Article XV that existed of record at the time the Mortgagee received a security interest in a Lot.

ARTICLE XVI DISPUTE RESOLUTION

- 16.1 **Statement of Intent.** Prior to purchasing a Lot, every Owner is capable of obtaining an inspection and is permitted to perform, or pay someone else to perform, any inspection on any Lot and Dwelling the Owner is purchasing regarding any aspect of the Project. Moreover, if any warranty is provided, it identifies only those items warranted by the Declarant. Having had the ability to inspect prior to purchasing a Lot, having received a written warranty if any warranty is provided, and having paid market price for a Lot in the condition the Lots and Common Area are in at the time of purchase, it is acknowledged that it is unfair and improper to later seek to have the Declarant and/or any subcontractor performing work in the Project to change, upgrade, or add additional work to the Project outside of any express warranty obligation. Moreover, the Owners (by purchasing a Lot) and the Declarant acknowledge and agree that litigation is an undesirable method of resolving disputes and conflicts in that it can be slow, expensive, uncertain, and can often negatively impact the sale value and ability to obtain financing for the purchase of Lots for years, unfairly prejudicing those Owners who must or want to sell their Lot during any period when litigation is pending. For this reason, the Owners by purchasing a Lot and the Declarant agree and acknowledge that claims and disputes shall not be pursued through court action, but shall be asserted and resolved only through certain specific alternative dispute resolution mechanisms and only after full disclosure, right to cure periods, and knowing approval of the Owners, as set forth herein. In addition, the Association and the Owners agree that they take ownership and possession of the Lots and Common Area AS IS, with no warranties of any kind except as otherwise required as a matter of law. The Declarant specifically disclaims

any warranties of merchantability, fitness for a particular use, or of habitability, to the full extent allowed by law.

16.2 **Arbitration.** To the fullest extent permitted by law, all claims and disputes of any kind that any Owner or the Association may have involving the Declarant, or any agent, employee, executing officer, manager, affiliate or owner of the Declarant, or any engineer or contractor involved in the design or construction of the Project, which arises from or is in any way related to a Lot, Dwelling, Common Area, or any other component of the Project (a "Dispute"), shall be submitted to final and binding arbitration. Binding arbitration shall be the sole remedy for resolving claims and disputes between or involving the Declarant and any Owner or between or involving the Declarant and the Association. Arbitration proceedings shall not be commenced unless the Pre-Arbitration Requirements set forth in Section 16.3 below have been satisfied in full. Without in any way limiting the foregoing, Disputes subject to binding arbitration shall include:

- (a) Any allegation that a condition in any of the Lots, Dwellings, or Common Area is a construction defect;
- (b) Any disagreement as to whether an alleged construction defect has been corrected;
- (c) Any disagreement about whether any warranties, including implied warranties, are applicable to the subject matter of any Dispute;
- (d) Any disagreement as to the enforceability of any warranties alleged to be applicable to the subject matter of any Dispute;
- (e) Any disagreement about whether any warranty alleged to be applicable to the subject matter of any Dispute has been breached;
- (f) Any alleged violations of consumer protection, unfair trade practice, or other statutes;
- (g) Any allegation of negligence, strict liability, fraud, and/or breach of duty of good faith, and all other claims arising in equity or from common law;
- (h) Any allegation that any condition existing in the Project or created by the Declarant, including construction-related noise, dust, and traffic, is a nuisance;
- (i) Any disagreement concerning the issues that should be submitted to binding arbitration;
- (j) Any disagreement concerning the timeliness of performance of any act to be performed by Declarant;
- (k) Any disagreement as to the payment or reimbursement of any fees associated with binding arbitration;
- (l) Any other claim or disagreement arising out of or relating to the sale, design, or construction of any of the Lots, Dwellings, or Common Areas.

16.3 **Pre-Arbitration Requirements.** An Owner or the Association may only pursue a claim against the Declarant, to the extent described herein or by law after the following dispute resolution efforts have been completed:

- (a) **Right to Cure:** the Owner shall provide to the Declarant a written Notice of Claim (defined below) and permit the Declarant one hundred eighty (180) days to cure or resolve the claim or defect or to try to get the builder or the appropriate subcontractor

to cure or resolve the claim or defect, prior to initiating any formal arbitration proceedings;

- (b) If the dispute is not resolved within the 180-day Right to Cure period, the parties agree to mediate the dispute prior to taking further action or commencing arbitration. If additional, different, or modified claims, damages, calculations, supporting information, or descriptions are added, provided to, or asserted against the Declarant that were not included in any previously submitted Notice of Claim, the Right to Cure period provided for in this section shall immediately apply again and any pending action or proceedings, including any mediation or arbitration, shall be stayed during the 180-day period.
- (c) "Notice of Claim" shall mean and include the following information: (1) an explanation of the nature of the claim, (2) a specific breakdown and calculation of any alleged damages, (3) a specific description of the claim along with any supporting opinions, information, or factual evidence upon which the claim is based, (4) photographs of any alleged condition, if applicable, (5) samples of any alleged defective conditions or materials, (6) all efforts taken to avoid, mitigate, or minimize the claim or any alleged damages arising therefrom, and (7) the names, phone numbers, and address of each person providing factual information, legal or factual analysis, or legal or factual opinions related to the claim.

16.4 Arbitration Approval. If a claim or dispute has not been resolved after satisfying and complying with the above-described "Pre-Arbitration Requirements," then the claimant (Owner or Association) shall have the right to proceed with binding arbitration; however, the Association shall not pursue or commence binding arbitration unless such action is first approved by a majority of the total votes of the Association after first obtaining a written opinion from legal counsel advising the Association of the likelihood of success on the merits of the claims, the anticipated costs and legal fees, the anticipated expert witness fees, and the likelihood of recovery if the Association prevails. The written opinion from legal counsel, addressing these topics, must be provided to all Owners before the formal vote on whether to proceed with binding arbitration. The binding arbitration shall be conducted by a member of the American Arbitration Association's Panel of Construction Arbitrators, or by a different arbitrator or arbitration service provider if mutually approved by the parties. The binding arbitration shall be conducted according to the rules and procedures set forth in the Construction Industry Arbitration Rules promulgated by the American Arbitration Association. The award of the arbitrator shall be final and may be entered as a judgment by any court of competent jurisdiction.

16.5 Attorney Fees and Costs. Each party shall bear its own attorney fees and costs (including expert witness costs) for the arbitration. The arbitrator shall not award attorney fees or expert witness fees to the prevailing party. The arbitration filing fee and other arbitration fees shall be divided and paid equally as between the parties.

16.6 Waiver. If any Owner, the Association, or the Declarant files a proceeding in any court to resolve any Dispute, such action shall not constitute a waiver of the right of such party, or

a bar to the right of any other party, to seek arbitration of that or any other Dispute and such court shall, upon motion of any party to the proceeding, stay the proceeding before it and direct that such Dispute be arbitrated in accordance with the terms set forth herein.

- 16.7 **Subrogation.** The Association and each Owner waives any right to subrogation against the Declarant and any builder and engineer in the Project. This waiver shall be broadly construed and applied to waive, among other things, any attempt by any insurer of any Owner or of the Association from pursuing or exercising any subrogation rights, whether arising by contract, common law, or otherwise, against the Declarant, the engineer, and builder, and their officers, employees, owners, and representatives. To the full extent permitted by law, the Association and Owners hereby release Declarant, the Project engineer, and builder, their respective officers, employees, owners, and representatives from any and all liability to the Association and all Owners, and anyone claiming through or under them by way of subrogation or otherwise, for any loss, injury, or damage to property, caused by fire or any other casualty or event, even if such fire or other casualty shall have been caused by the fault or negligence of Declarant or builder, their officers, employees, owners, and representatives. The Association and each Owner agrees that all policies of insurance shall contain a clause or endorsement to the effect that this release and waiver of subrogation shall not adversely affect or impair such policies or prejudice the right of the Association or any Owner to recover thereunder. The Association and all Owners shall indemnify and defend the Declarant, the builder, and any of their officers, employees, owners, or representatives from any claims barred or released by this provision, including but not limited to any claim brought under any right of subrogation.
- 16.8 **No Right of Action Created.** Nothing in this Declaration or in this Article XVI shall grant or otherwise create a right of action by the Association against the Declarant, the developer or the builder, that does not otherwise already exist under Utah law.

ARTICLE XVII GENERAL PROVISIONS

- 17.1 **Intent and Purpose.** The provisions of this Declaration and any supplemental or amended Declaration shall be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of the Project. Failure to enforce any provision, restriction, covenant, or condition in this Declaration, or in any supplemental or amended Declaration, shall not operate as a waiver of any such provision, restriction, covenant, or condition or of any other provisions, restrictions, covenants, or conditions.

Such right of amendment shall apply without regard to the subject matter or the nature of the amendment involved, and such amendment shall not take away any substantive legal rights of those Owners who own a Lot at the time of such amendment by the Declarant.

or any part thereof, or from any action taken to comply with any law, ordinance or order of a governmental authority.

- 17.9 **Owner's Obligations.** All obligations of an Owner under and by virtue of the provisions contained in this Declaration shall continue, notwithstanding that he may be leasing, renting, or selling on contract his Lot. Satellite Dish Antenna Policy

The Heights at Whisper Ridge Subdivision Satellite Dish Antenna Policy

Any lot owner wishing to use or install a satellite dish or antenna (hereinafter "Dish") on their dwelling should consult with the Association Board prior to installation. The objective of this policy is maintain visual attractiveness.

A Dish must be one meter or less in diameter, and designed to receive direct broadcast satellite service, including direct to home satellite service, or to receive or transmit fixed wireless signals via satellite. Dishes that are one meter or less in diameter or diagonal measurement and designed to receive video programming services via MMDS (wireless cable) or to receive or transmit fixed wireless signals other than via satellite may also be considered.

The Board will consider a properly completed *The Heights at Whisper Ridge Subdivision Satellite Dish Antenna Approval Form* on the reverse side of this document as a request for Dish installation. A decision on whether to approve the location of the Dish will be discussed by the Board at the next regularly scheduled Board meeting after the request has been received.

Consideration will be given to each request according to the prioritized list of acceptable locations listed below. These prioritized locations have been established to help The Heights at Whisper Ridge Subdivision meet FCC regulations, and to minimize any negative visual impact the Dish may have on the appearance of the The Heights at Whisper Ridge Subdivision community.

The dwelling owner is to have a professional representative from his/her desired satellite service provider conduct a site survey to check the listed areas to determine where an acceptable signal can be received, and fill out that part of the form prior to submission.

A dwelling owner wishing to install a Dish should consider the first area listed below before any other location. If, and only if, the first area cannot receive an acceptable signal, he/she may consider the second area. If, and only if, the second area cannot receive an acceptable signal, he/she may consider the third area. If, and only if, the third area cannot receive an acceptable signal, he/she may consider the fourth area.

The same prioritized list of locations applies to all dwellings. They are:

First Area: On the dwellings rear roof not visible from the street in front of the dwelling.

Second Area: The rear exterior wall of the dwelling.

Third Area: Wholly within the dwelling's deck or patio area.

Fourth Area: On the roof of the dwelling in an area that is least likely to be observed from the street.

Approval will be based on the requested location for the Dish. If the dwelling owner changes the desired location after approval has been granted, for whatever reason, another Approval Form will need to be submitted indicating the new location, and the reason for the change. If none of the prioritized areas can receive an acceptable signal, the Board will consider another location in an area that is least likely to detract from the visual appearance of the community.

In some cases, the Board may be willing to consider an alternate location to the prioritized list of areas even if an acceptable signal can be received in at least one of those areas. This option would be considered only if the Board believes that the alternate location provides a better overall visual impact for the community than do those locations on the prioritized list.

In some cases the Board may ask a dwelling owner to paint the antenna to match the surrounding building and/or plant bushes or shrubs that could help to minimize the visual impact to the The Heights at Whisper Ridge Subdivision community.

The installation of a Dish which receives a signal, but does not transmit, may be done by the dwelling owner or his/her designee. However, any Dish which also transmits RF radiation must be installed by a professional installer. That installer must provide documentation certifying that the installation has been done in such a way, as to be safe to all residents.

A violation of any part of this policy will result in a fine being assessed to the dwelling owner in the amount of \$50.00 for each week of violation. If the fine is not paid within thirty (30) days, interest will be charged at the legal rate.

The Heights at Whisper Ridge Subdivision Satellite Dish Antenna Approval Form

A dwelling owner wishing to use a satellite dish or antenna is asked to complete this form, submit it to the Board for approval, and receive written approval from the Board before installation of a Dish. The process for approval is as follows:

1. The dwelling owner desiring to install a Dish must first read and understand the *The Heights at Whisper Ridge Subdivision Satellite Dish Antenna Policy* on the reverse side of this document. Questions should be directed to a member of the Board.
2. The dwelling owner contacts her/his desired satellite service provider and requests a site survey.
3. The site survey is performed by a service provider representative to determine which prioritized area can receive an acceptable signal.
4. The service provider must complete the site survey portion of this document, provide his company contact information, and sign the document in the appropriate places.
5. The dwelling owner completes the form (including any information needed to justify a request for use of an Alternate Area), signs the agreement, and submits the form to the Board.
6. The Board reviews the request at the next regularly scheduled meeting, determines if changes must be made, or what conditions may apply, and votes on the request.
7. If the proposal is accepted, the approval form is signed by the appropriate members of the Board and a copy is returned to the dwelling owner. *(If rejected, the form is returned with an explanation of what must be modified in order to gain approval.)*
8. The Board President and the Dwelling Owner sign the Satellite Agreement
9. The dwelling owner may then proceed with the Dish installation, following the instructions and conditions established by the committee.
