**PROVO CITY ORDINANCE REGARDING ADDITIONAL KITCHENS**  
**IN ONE FAMILY RESIDENCES**  
 Section 14.34.440 of the Provo City Zoning Ordinance

***PURPOSES OF ORDINANCE***

1. Establishes criteria for allowing an additional kitchen in single family residences which are located in the RA (Residential-Agricultural), A1 (Agricultural), and R1 (One Family Residential) Zone, including a Performance Development Overlay (PD) zone used in combination with these zones; and
2. Distinguishes such allowance from that which would result in creation of a second dwelling unit or accessory apartment.

***CONDITIONS FOR ALLOWING ADDITIONAL KITCHENS:***

1. The dwelling unit shall have only one front entrance.
2. The dwelling unit shall have only one address.
3. An interior access shall be maintained to all parts of the home. This requirement is to assure that an accessory unit or apartment is not created. For example, there shall be no keyed and dead bolt locks, or other manner of limiting or restricting access from the additional kitchen(s) to the remainder of the home.
4. The dwelling unit shall have no more than one electrical meter.
5. Additional kitchen(s) may exist as part of the primary dwelling structure or be installed in an accessory or "out" building provided the use and occupancy limitations of this section are met and no second dwelling unit or accessory apartment is established in the primary or accessory buildings.
6. Upon request made by Provo City staff, residents of the dwelling unit shall allow, within reasonable hours, an inspection of the dwelling unit and any building accessory to the dwelling unit which has an additional kitchen in order to determine compliance with this policy.
7. Property owner must sign a written document prescribed by Provo City which declares that the dwelling unit will not be converted into two or more units without specific approval by authorized staff of both the Provo City Building Inspection and Zoning Divisions. Signature(s) on such a document shall be notarized and recorded with the Utah County Recorder's Office prior to issuance of a building permit and will remain as a part of the official records concerning the subject property.
8. Once an additional kitchen is approved, both present and future owners of the property must limit use of the one family residence to a family only, thus waiving the right to also have unrelated persons reside in the structure.
9. Construction of any such kitchen would then be required to meet Uniform Building Code standards.
