DECLARATION OF RESTRICTIONS

WHEREAS, the following described property in Salt Lake County, Utah, namely:

All of lots 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, and 18 BOWLING GREEN Number 3, a subdivision of Salt Lake County Utah according to the official plat thereof, recorded in the office of the Salt Lake County Recorder,

Now stands of record in the name of the owner, GRANBO INC., a corporation of the State of Utah, and

WHEREAS, the owner is desirous of creating restrictions and covenants affecting the use and enjoyment of such property,

NOW THEREFORE, in consideration of the premises and as a part of the general plan for the improvement of said lots, the owner, GRANBO INC., does hereby declare the property hereinabove described to be subject to the restrictions herein recited, which restrictions shall operate as a blanket encumbrance upon said property, and shall be deemed to be incorporated by reference in all conveyances of said property, or any part thereof, and all conveyances of said property, or any part thereof, shall be subject to said restrictions, which are and shall operate as covenants running with the land for the benefit of and giving the right of enforcement to the undersigned, its successors and assigns, and grantees who are, or become owners of any lots.

THE RESTRICTIONS ARE AS FOLLOWS:

(1) No structure shall be erected, altered, placed or permitted to remain on any of the lots above described which is used, intended or designed to be used for purposes other than as a detached single family dwelling, and, in addition thereto, a private garage for not more than two cars, and such other structures as may be allowed under paragraph "11" hereof.

(2) No building, outhouse, garage, fence, wall, retaining wall, or other structure of any kind shall be erected, constructed, placed or maintained on said real property, or any

part thereof, nor shall there be any changes made to the exterior by way of alteration, addition, repairing, remodeling or adding, unless prior to the commencement of any construction, excavation, or other work, two complete plans and specifications thereof, including front, side and rear elevations and floor plans for each floor and basement, color scheme thereof, and two plot plans indicating, and fixing the exact location of such structure, or such altered structure, on the lot with reference to the street and side lines thereof, shall have been first submitted in writing for approval, and approved in writing by a committee, which committee is provided for in Paragraph "6". In no event shall the fences placed on any of the lots extend toward the street, either in front or at the side of the house, beyond the nearest extension of the house or garage to the street, nor shall any fence exceed six feet in height above the finished surface of the ground.

(3) In the event the proposed improvement be only for repainting or redecorating the exterior of such structure without remodeling or changing it, or making additions thereto, it shall be necessary to file in duplicate the color schemes of such proposed work, and have the same approved in writing prior to the commencement of such work.

(4) The Committee shall endorse the plans and specifications, etc. on all work performed, whether for decoration or alteration, and shall return one set of approved plans and specifications to the owner, and retain one set in a file for a permanent record.

(5) When the construction of any building on any lot is once begun, work thereon must be prosecuted diligently, and it must be completed within a reasonable time. No building shall be occupied during construction, or until made to comply with all requirements of this Declaration.

(6) The Building and Architectural Committee shall be composed of Robert T. Bowles, John T. Bowles, Arvid W. Bowles, and Trussler Bowles, or by a representative designated by a majority of the members of said Committee. In the event of death or resignation of any member of said committee, the remaining members shall have full authority to approve or disapprove such design and location or to designate a representative with like authority. Neither the members of such Committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The powers and duties of such Committee and of its designated representative, shall cease on and after January 1, 1991. Thereafter, the approval described in this Covenants shall not be required unless prior to said date, and effective thereon a written instrument shall be executed by the then record owners of a majority of said lots, and duly recorded appointing a representative, or representatives, who shall thereafter exercise the same powers previously exercised by said Committee. It is the intent of these Deed Restrictions to define the name "Committee" wherever it appears in the Deed Restrictions to mean the "Building and Architectural Committee" referred to in this paragraph.

(7) No noxious or offensive trade or activity shall be carried on upon any residential lot, nor shall anything be done thereon which may be or will become any annoyance or nuisance to the neighborhood.

(8) No trailer, basement, tent, shack, garage, barn or other outbuilding erected in the tract shall at any time be used as a residence, temporarily or permanently, nor shall any structure of a temporary character be used as a residence. Nor shall any house be moved upon any lot, or any part of a lot, in this section unless permission is given by Committee mentioned above in Paragraph "6".

(9) No dwelling, outhouse or garage on any lot

shall be painted any color other than the original color of the residence located thereon, unless and until written approval shall have been secured from the Committee.

(10) No animals, bird or fowl, including but not limited to horses, hogs, cattle, cows, goats, sheep, rabbits, hares, dogs, cats, pigeons, pheasants, game birds, game fowl, or poultry (except as in Paragraph "11" hereof permitted) shall be kept or maintained on any part of said property.

(11) Dogs and cats may be kept upon any lot in reasonable numbers as pets for the pleasure and use of the occupants of said lot. The Committee shall have the right to determine what is a reasonable number of such animals. Rabbits and poultry may not be kept upon any lot for any purpose, unless and until authorized in writing by the Committee, and in granting any such authorization the Committee shall have the right to limit the number and prescribe the conditions under which any such rabbits and poultry may be kept. In no event shall any roosters or any other noisy fowl be kept for any purpose on any lot.

(12) No dwelling shall be permitted on any lot in the tract with a ground floor area of main structure, exclusive of one-story open porches and garages, which shall be less than 1200 square feet in the case of a one-story structure.

(13) Easements affecting all lots are reserved over the rear five feet of each lot, and an easement shall be reserved five feet in width along sideyard lines as shall be required to meet the installation of utilities and their maintenance.

(14) No signs, billboards or advertising structures may be erected or displayed on any of the lots, except Bowling Green Number 3 project signs and signs in connection with business properties and except that a single sign, not more than 3 x 5 feet in size, advertising a specific lot or house for sale, or for rent, may be displayed on the premises affected, nor shall

any trash, ashes or any other refuse be thrown or dumped on any lot, or any part thereof, Nor shall any rubbish or trash or waste soil or material be dumped into the street except in prescribed garbage containers.

(15) No carport on any lot shall be used for storage or clothes drying purposes.

(16) No structure shall be moved on to any lot unless it shall conform to and be in harmony with existing structures on other lots and with restrictions set out in these restrictions.

No residential building lot may be re-divided or sold in pieces other than as shown on the official plat for the purpose of constructing additional dwellings thereon.

These covenants are to run with land and shall be binding on all parties and all persons claiming under them until January 1st, 1991, at which time the said Covenants shall be automatically extended for successive periods of ten years unless by vote of a majority of the then owners of the lots it is agreed to change said Covenants in whole or in part.

If the parties hereto, or any of them or their heirs or assigns shall violate or attempt to violate any of the Covenants herein, it shall be lawful for any other person or persons, owning any real property situated in said development or subdivision to prosecute any proceedings at law or in equity against the persons or persons, violating or attempting to violate any such covenant, and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any one of these Covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

The restrictions herein contained shall be known to be in addition to and not in conflict with the Zoning Ordinance now in force as enacted by Salt Lake County, Utah.
