Insurance

Section 1. Insurance Obligations of the Association. The Association shall insure each entire Dwelling Unit, including the structural portions of the Dwelling Unit, against loss or damage by fire or by any other casualty, under the standard form of extended endorsement and broad form now in use in the State of Utah or under such other insurance as may be required by any mortgagee of the residence. All such insurance shall be for the full replacement value of the Dwelling Unit and for the benefit of the Owner.

Each Dwelling Owner is responsible for ensuring adequate insurance coverage. The Association will periodically obtain building replacement estimates from a qualified contractor to ensure sufficient coverage. In the event of damage or destruction to the Dwelling Units, insurance claim proceeds will be used exclusively for the repair or reconstruction of the property for which the insurance was carried. If insurance proceeds are inadequate for total repair or reconstruction, it is the Dwelling Owner's responsibility to restore the Unit to its former condition.

Section 2. Common Area. The Association shall keep all buildings, improvements and all fixtures of the Common Area insured against loss or damage by fire for the full insurance replacement cost thereof and may obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other property, whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association and the Owner as beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of and proceeds shall be payable to the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the Assessments made by the Association.

Section 3. Replacement or Repair of Property. In the event of damage to or destruction of any part of the Common Area facilities or other improvements in the Properties insured by the Association, the Association shall repair or replace the same from the insurance proceeds available, subject to provisions of Article XII of this Declaration. If such insurance proceeds are insufficient to cover the costs of such repair or replacement of the property damaged or destroyed, the Association may make a Reconstruction Assessment against all Lot Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other Assessments made against such Lot Owner in accordance with the provisions of Article VI, Section 5 of this Declaration.

3. All other provisions of the Declaration not amended hereby shall remain the same.

IN WITNESS WHEREOF, the Association has executed this Amendment the day and year first above written.
