Location, to-wit:

Beginning at a point on the South boundary of grantors land, which point is 550 feet South and 2450 feet East, more or less, from the North East cor. of Sec. 24; thence N 35° 40' W. 45 feet to first tower; thence N 50° 30' W., 600 feet to second tower; thence N 50° 30' W., 600 feet to third tower; thence N 50° 30' W. 762 feet to Northernly boundary of grantors land. Together with the right to enter upon said premises along the route or line of said transmission line for the purpose of erecting said towers and transmission line, and thereafter to enter upon said land when necessary for the purpose of maintaining and repairing the same. Said tower not to be larger than sixteen feet at base, respectively.

upon Condition, however, that the party of the second part, its successors and assigns shall pay to the party of the first part, their heirs, successors and assigns, any and all damages that may be at any time occasioned by the owner of said line, its agents or servants, to the growing crops or premises of the party of the first part, their successors or assigns, while engaged in construction, reconstruction, inspection or repairing or maintenance or operation of said towers or transmission line.

In witness whereof, the party of the first part has hereunto set hand and seal, and the party of the second part has caused this agreement to be executed by its officer thereunto duly authorized, the day and year first above written.
