North of the S.W. corner of Lot 19, Block 10, South Ogden Survey; thence East 30.3 Ft.; thence North $74^{\circ}15'$ East 1289.5 Ft., more or less, to the intersection of the West line of Wall Avenue and the South line of the North divided half of 32nd Street; thence South $0^{\circ}58'$ West along the West line of Wall Avenue 124.1 Ft. to the place of beginning; together with any interest of Bamberger Railroad Company in the closed portion of Pacific Avenue adjacent to the West end of the real property immediately above described.

West of Pacific Avenue

Also, beginning at a point where the North line of Section 5, Township 5 North, Range 1 West, Salt Lake Meridian, intersects with the West line of Pacific Avenue, Ogden, Utah, said point being South $89^{\circ}45'30''$ East 815.75 Ft. from the N.W. corner of said Section 5, and running thence South 97.68 Ft., more or less; thence Westerly 35.0 Ft., more or less, to the East property line of Union Pacific Railroad Company; thence Northerly along the East right-of-way line of Union Pacific Railroad Company, 175 Ft., more or less; thence Easterly 25.0 Ft., more or less, to the West line of said Pacific Avenue; thence Southerly along the West line of Pacific Avenue, 77.3 Ft., more or less, to the point of beginning; together with any interest of Bamberger Railroad Company in the closed portion of Pacific Avenue adjacent to the East end of the real property immediately above described.

The additional parcels of real property hereby conveyed and hereinafter to be described in this conveyance, for the most part lie end to end and extend along and on both sides of the center line of a portion of the presently existing main line track of Bamberger Railroad Company. The side boundaries of these additional parcels are hereinafter described, in most but not all instances, by descriptions of said side boundaries with reference and in relationship to segments of the center line of said portion of the existing main line track of Bamberger Railroad Company. Said center line of the portion of the existing main line track of Bamberger Railroad Company which is material to and necessary for the descriptions of the side boundaries of most of the additional parcels of real property hereby conveyed is described as follows:

road Company, which is a point South $89^{\circ}45'30''$ East 684.8 Ft. and North $5^{\circ}49'30''$ East 14.2 Ft. from the Southwest corner of

Section 32, Township 6 North, Range 1 West, Salt Lake Meridian, which said point is hereinafter referred to in this conveyance as Point 1; and running thence South $74^{\circ}15'$ West, in part through the S.W. $1/4$ of said Section 32, and in

part through the N.W. $1/4$ of Section 5, Township 5 North, Range 1 West, Salt Lake Meridian, to a point 181 Ft. South of the North corner common to Sections 5 and 6, Township 5 North, Range

1 West, Salt Lake Meridian; thence continuing into the N.E. $1/4$ of said Section 6, South $74^{\circ}15'$ West 387 Ft., more or less, to a point South $52^{\circ}32'$ West 470.7 Ft. from the N.E. corner of said Section 6; which said point is hereinafter referred to in this conveyance as Point 2; thence continuing South $74^{\circ}15'$ West 738.4 Ft. to a point which is South $89^{\circ}50'30''$ East 1557.6 Ft. and South 489.7 Ft. from the N.W. corner of the N.E. $1/4$ of said Section 6; which said point is hereinafter referred to in this conveyance as Point 3;

thence continuing South $74^{\circ}15'$ West 168.9 Ft. to a point of curve of a $2^{\circ}30'$ curve to the left; thence continuing around said $2^{\circ}30'$ curve 579.7 Ft. to a point; which said point is hereinafter referred to in this conveyance as Point 4;

thence continuing around said $2^{\circ}30'$ curve 860.3 Ft. to a point of tangency of said $2^{\circ}30'$ curve; and then briefly departing from the center line of the existing main line track of Bamberger Railroad Company, and instead thence continuing along the center line of what once was the former Northerly track of a double track of Bamberger Railroad Company, but which Northerly track is no longer in existence, South $38^{\circ}15'$ West 379.0 Ft., more or less, to a point on the North and South $1/4$ Section line through said Section 6; then leaving the center line of the former Northerly track above referred to and thence running South $0^{\circ}09'$ West along said $1/4$ Section line 19.2 Ft., more or less, to a point back on the center line of the existing main line track of Bamberger Railroad Company, which said point on the center line of the existing main line track is South $0^{\circ}09'$ West 1643.3 Ft. from the North $1/4$ corner of said Section 6; and which said point is also 392.2 Ft. Southwesterly measured along the center line of a reverse curve in the existing main line track of Bamberger Railroad Company from the point of tangency described immediately above; and which said point is also 15 Ft. distant Southeasterly from, as measured at right angles to, the portion of the center line extended of the former Northerly track above described; which said point is hereinafter referred to in this conveyance as Point 5;

West Half Section 6 T5N, R1W thence continuing South $38^{\circ}15'$ West 4291.7 Ft. through the S.E. $1/4$ of the N.W. $1/4$ and through the S.W. $1/4$ of said Section 6, to a point on the West line of said Section 6, said point being North 187.37 Ft. from the S.W. corner of said Section 6; which said point is hereinafter referred to in this conveyance as Point 6;

E. corner of said Section 1; which said point is hereinafter referred to in this conveyance as Point 7;

N. E. Quarter Section 12 T5N, R2W thence continuing South $38^{\circ}15'$ West 3424.4 Ft. through the N. E. $1/4$ of Section 12, Township 5 North, Range 2 West, Salt Lake Meridian, to a point on the center line of a 4-Rod road known as 4400 South Street or Orchard Road, which point is on the East and West $1/4$ Section line of said Section 12, and which point is also West 909.4 Ft. along said $1/4$ Section line from the S. E. corner of the S. W. $1/4$ of the N. E. $1/4$ of said Section 12; which said point is hereinafter referred to in this conveyance as Point 8;

South Half Section 12 T5N, R2W thence continuing South $38^{\circ}15'$ West 1812.9 Ft. through the N. W. $1/4$ of the S. E. $1/4$ and into the S. W. $1/4$ of said Section 12, to a point of curve of a $3^{\circ}01'$ curve to the left; thence continuing around said $3^{\circ}01'$ curve to the left a distance of 843.3 Ft. to a point of tangency; thence continuing South $12^{\circ}45'$ West 501.6 Ft. to a point on the South line of the S. W. $1/4$ of said Section 12, said point being on the center line of a 4-Rod road known as 4800 South Street or Bingham Road, which point is also South $89^{\circ}35'$ West 1145.76 Ft. from the S. E. corner of said S. W. $1/4$ of said Section 12; which said point is hereinafter referred to in this conveyance as Point 9;

N. W. Quarter Section 13 T5N, R2W thence continuing South $12^{\circ}45'$ West 2715.7 Ft., to a point on the East and West $1/4$ Section line of the N. W. $1/4$ of Section 13, Township 5 North, Range 2 West, Salt Lake Meridian, which point is South $89^{\circ}46'$ East 933.1 Ft. from the S. W. corner of the N. W. $1/4$ of said Section 13; which said point is hereinafter referred to in this conveyance as Point 10;

thence continuing South $12^{\circ}45'$ West 2008.5 Ft. to a point of curve of a $2^{\circ}02'$ curve to the left; thence continuing around said curve to the left 634.2 Ft. to a point of tangency; thence continuing on a straight line South 61.1 Ft. to a point on the South Section line of the S. W. $1/4$ of said Section 13, said point

S. W. Quarter Section 13 T5N, R2W being on the center line of a 100 Ft. wide road known as 5600 South Street or Roy Road, which point is also East 417.8 Ft. from the S. W. corner of said S. W. $1/4$ of said Section 13; which said point is hereinafter referred to in this conveyance as Point 11;

N. W. Quarter Section 24 T5N, R2W thence continuing South 2639.6 Ft. through the N. W. $1/4$ of Section 24, Township 5 North, Range 2 West, Salt Lake Meridian, to a point on the East and West $1/4$ Section line of said Section 24, which point is South $89^{\circ}51'$ East 424.3 Ft. from the S. W. corner of the N. W. $1/4$ of said Section 24; which said point is hereinafter re-

ferred to in this conveyance as Point 12;

S. W. Quarter thence continuing South 636.7 Ft. into the S. W.
Section 24 1/4 of said Section 24, to a point on the Weber/
T5N, R2W Davis County line; thence continuing South
2013.0 Ft. into Davis County and through the
S. W. 1/4 of said Section 24, to a point on the South line of
said Section 24, which point is South $89^{\circ}47'$ East 427.4 Ft.
from the S. W. corner of the S. W. 1/4 of said Section 24;
which said point is hereinafter referred to in this conveyance
as Point 13;

N. W. Quarter thence continuing Southerly 519 Ft., more or less,
Section 25 through the N. W. 1/4 of Section 25, Township 5
T5N, R2W North, Range 2 West, Salt Lake Meridian, around
the center line of an imperfect reverse curve first
to the right and then to the left, which distance is measured along
the center line of said curves, to a point which is 15 Ft. due West
of the center line of the track above described running to Point 13
above mentioned, if said center line was produced in a straight
line Southerly from said Point 13; thence continuing on a straight
line due South 2139.6 Ft., more or less, to a point on the East
and West 1/4 Section line of said Section 25, which point is South
 $89^{\circ}55'$ East 416.4 Ft. from the S. W. corner of the N. W. 1/4 of
said Section 25; which said point is hereinafter referred to in
this conveyance as Point 14;

S. W. Quarter thence continuing South 2654.6 Ft. through the
Section 25 S. W. 1/4 of said Section 25, to a point in the
T5N, R2W South line of said Section 25, which point is East
406.8 Ft. from the S. W. corner of the S. W. 1/4
of said Section 25; which said point is hereinafter referred to
in this conveyance as Point 15;

N. W. Quarter thence continuing South 1378.1 Ft. through the
Section 36 N. W. 1/4 of Section 36, Township 5 North,
T5N, R2W Range 2 West, Salt Lake Meridian, to a point
of curve of a 2° curve to the left; thence con-
tinuing around said curve to the left 1314.0 Ft. to a point on
the East and West 1/4 Section line of said N. W. 1/4 of said
Section 36, which point is South $89^{\circ}58'$ East 704.7 Ft. from
the S. W. corner of the N. W. 1/4 of said Section 36; which
said point is hereinafter referred to in this conveyance as
Point 16;

S. W. Quarter thence continuing Southeasterly into the S. W. 1/4
Section 36 of said Section 36, around said 2° curve to the left
T5N, R2W 146.9 Ft. to a point directly West of Bamberger
Railroad Company Mile Post #28-10, which said
point is South $80^{\circ}28'50''$ East 783.8 Ft. from the N. W. corner
of the S. W. 1/4 of said Section 36; which said point is herein-
after referred to in this conveyance as Point 17; and which said
point ends this description of the portion of said center line of
the existing main line track of the Bamberger Railroad Company
material to and necessary for the descriptions of the additional
parcels hereby conveyed.

7-106

The Third additional parcel of real property above referred to and hereby conveyed includes all that irregularly shaped real property on both sides of and adjacent to the segment of the center line above described between Point 3 and Point 4 above referred to, which said parcel is described by metes and bounds rather than by reference to said center line as follows: Beginning at a point South 42°04' East 999.5 Ft. from the North 1/4 corner of said Section 6, and running thence South 69°45' East 265.6 Ft.; thence South 23° East 175 Ft.; thence North 57°42' East 680.5 Ft.; thence North 207.8 Ft.; thence South 74°15' West 758.7 Ft.; thence South 55° West 197.7 Ft. to the point of beginning.

The Fourth additional parcel above referred to and hereby conveyed

includes all that irregularly shaped real property on both sides of and adjacent to the segment of the center line above described between Point 4 and Point 5 above referred to, which said parcel is described by metes and bounds as follows:

Commencing at the point where the extension of a curved line parallel to that segment of the center line above described between Point 4 referred to above and the point of tangency between Point 4 and Point 5 referred to above, and 77 Ft. distant Southeasterly from, as measured at right angles to, said segment of said center line, intersects the Westerly end line of the Third additional parcel above described, and running thence Southwesterly around a curved line to the left which is parallel to and 77 Ft. distant Southeasterly from, as measured at right angles to, said center line above described between Point 4 and the point of tangency between Point 4 and Point 5, above described, to a point which is 77 Ft. distant Southeasterly from, as measured at right angles to, said center line at said point of tangency; thence continuing South $38^{\circ}15'$ West in a straight line to a point on the North and South $1/4$ Section line of said Section 6, said point being South $0^{\circ}09'$ West 1744.0 Ft. from the North $1/4$ corner of said Section 6; thence North along said $1/4$ Section line 231.2 Ft.; thence continuing North $38^{\circ}15'$ East on a straight line to a point opposite the point of tangency on said center line between Point 4 and Point 5 above described, said point opposite the said point of tangency being 66 Ft. Northwesterly from, as measured at right angles to, said center line above described where it passes through said point of tangency; thence continuing around a curve to the right on a curved line parallel to and 66 Ft. distant Northwesterly from, as measured at right angles to, said center line between Point 4 and the point of tangency between Point 4 and Point 5 above described, to a point where said curved line intersects the Westerly end line of the Third additional parcel described above, the point of such intersection being 66 Ft. distant Northwesterly from, as measured at right angles to, the segment of said center line above described passing through Point 4; thence continuing South $69^{\circ}45'$ East along said Westerly end line of the Third additional parcel above described to the point of beginning of this description of this Fourth additional parcel; together with a triangular plot of real property commencing at the N.W. corner of the S.W. $1/4$ of the N.E. $1/4$ of said Section 6; and running thence South 278.9 Ft.; thence North $38^{\circ}15'$ East 355 Ft.; thence West 220 Ft., to the point of beginning.

The Fifth additional parcel of real property above referred to and hereby conveyed includes all that real property bounded for a distance of 749.5 Ft., measured Southwesterly from Point 5 above referred to along the center line above described, on the S.E. side by a line, and any extension thereof necessary to intersect the Easterly end line hereinafter described of this parcel, which said side boundary line is parallel to and 62 Ft. distant Southeasterly from, as measured at right angles to, that segment of the center line above described between Point 5 and Point 6 referred to above; and bounded for the same said distance of 749.5 Ft. on the Northwesterly side by a line, and any extension thereof necessary to intersect the Easterly end line hereinafter described of this parcel, which said side boundary line is parallel to and 115 Ft. distant Northwesterly from, as measured at right angles to, that same

parcel; thence North $38^{\circ}15'$ East along said Southeasterly boundary line to the point of beginning of this triangular plot.

Also, a second triangular plot of land, beginning at a point 420 Ft. West along the $1/4$ Section line from the S.E. corner of the N.W. $1/4$ of said Section 6, and running thence North to the Southeasterly boundary line of the Fifth additional parcel above described; thence Southwesterly along said boundary line to a point where it intersects the South line of the N.W. $1/4$ of said Section 6; thence East along the South line of said $1/4$ Section to the place of beginning of this second triangular plot.

The Sixth additional parcel of real property above referred to and hereby conveyed includes all that real property bounded for a distance of 238.6 Ft., measured Southwesterly from Point 6 to Point 7 along the center line above described, on the Southeasterly side by a line, and any extension of said line necessary to intersect the end lines of this Sixth additional parcel hereinafter described, which said line is parallel to and 67 Ft. distant Southeasterly from, as measured at right angles to, the segment of said center line above described between Point 6 and Point 7; and on the Northwesterly side by a line, and any extension of said line necessary to intersect said end lines of this parcel, which said line is parallel to and 95 Ft. distant Northwesterly from, as measured at right angles to, said segment of said center line between Point 6 and Point 7; and on the Easterly end by a line running due North and South through said Point 6, said line extending sufficiently to intersect the side boundary lines above described of this parcel; and on the Westerly end by a line running due East and West through said Point 7, said line extending sufficiently to intersect the side boundary lines above described of this parcel.

The Seventh additional parcel of real property above referred to and hereby conveyed includes all that real property bounded for a distance of 3424.4 Ft., measured Southwesterly from Point 7 above referred to along the center line above described between Point 7 and Point 8, on the Southeasterly side by a line, and any extension of said line necessary to intersect the end lines of this Seventh additional parcel hereinafter described, which said line is parallel to and 67 Ft. distant Southeasterly from, as measured at right angles to, the segment of said center line above described between Point 7 and Point 8; and bounded on the Northwesterly side by a line, and any extension of said line necessary to intersect said end lines of this parcel, which said line is parallel to and 95 Ft. distant Northwesterly from, as measured at right angles to, the segment of said center line between Point 7 and Point 8; and bounded on the Northerly end by a line running due East and West through said Point 7, said line extending sufficiently to intersect the side boundary lines above described of this parcel; and bounded on the Southerly end by a line running due East and West through said Point 8, said line extending sufficiently to intersect the side boundary lines above described of this parcel; together with a triangular plot on the Southeasterly side of said Seventh additional parcel described as follows: Beginning at a point on the Southeasterly side boundary of the

Point 11 to Point 12, on its Easterly side by a line parallel to and 25 Ft. distant Easterly from, as measured at right angles to, that segment of the center line above described between said Point 11 and Point 12; and bounded on its Westerly side for a distance of 1319.5 Ft., measured Southerly from Point 11 along said center line above described between Point 11 and Point 12, by a line parallel to and 41 Ft. distant Westerly from, as measured at right angles to, the said center line above described between Point 11 and Point 12; and then bounded on its Westerly side for the next additional distance of 1320.1 Ft., measured Southerly along said center line to Point 12, by a line parallel to and 48 Ft. distant Westerly from, as measured at right angles to, said center line above described between Point 11 and Point 12; and also bounded on the Westerly side by a short line connecting the adjoining ends of the side boundary lines above described which are not otherwise connected; and bounded on its Northerly end by a line running due East and West through Point 11 and extending sufficiently to intersect both side boundaries of this parcel above described; and, bounded on its Southerly end by a line running North 89°51' West through Point 12 above described and extending sufficiently to intersect both side boundaries of this parcel above described; together with an additional plot along the West boundary line immediately above described which plot is described as follows: Beginning at a point where the West boundary line above described intersects the South line of the N.W. 1/4 of the N.W. 1/4 of Section 24, Township 5 North, Range 2 West, and running thence North 300 Ft.; thence South 14901' West 103 Ft.; thence South 200 Ft. to the South line of said N.W. 1/4 of the N.W. 1/4 of said Section 24; and running thence East along said South line of said N.W. 1/4 of the N.W. 1/4 of said Section 24, a distance of 25 Ft. to the point of beginning of this additional plot.

The Twelfth additional parcel of real property above referred to and hereby conveyed includes all that real property bounded for a distance of 636.7 Ft., measured Southerly from Point 12 along the center line above described to the Weber/Davis County line, on the Easterly side by a line, and any extension thereof necessary to intersect the Northerly end line hereinafter described of this parcel, which said side boundary line is parallel to and 84 Ft. distant Easterly from, as measured at right angles to, that segment of said center line above described between Point 12 and Point 13; and bounded for the same distance of 636.7 Ft. on the Westerly side by a line, and any extension thereof necessary to intersect the Northerly end line hereinafter described of this parcel, which said side boundary line is parallel to and 48 Ft. distant Westerly from, as measured at right angles to, the same segment of the center line above described between Point 12 and Point 13; and then bounded for the next additional distance of 1311.8 Ft. measured Southerly along the above described center line on the Easterly side by a line which is parallel to and 84 Ft. distant Easterly from, as measured at right angles to, the segment of the said center line above described between Point 12 and Point 13; and bounded for the same said distance of 1311.8 Ft. on the Westerly side by a line which is parallel to and 41 Ft. distant Westerly from, as measured at right angles to, the segment of said center line above described between Point 12 and

Point 13; and then bounded for the next additional distance of 701.2 Ft., measured Southerly along the above described center line to Point 13, on the Easterly side by a line, and any extension thereof necessary to intersect the Southerly end line hereinafter described of this parcel, which is parallel to and 157 Ft. distant Easterly from, as measured at right angles to, the segment of said center line above described between Point 12 and Point 13; and bounded for the same said distance of 701.2 Ft. on the Westerly side by a line, and any extension thereof necessary to intersect the Southerly end line hereinafter described of this parcel, which is parallel to and 41 Ft. distant Westerly from, as measured at right angles to, the segment of the center line above described lying between Point 12 and Point 13; and this parcel is also bounded on its sides by such short lines, at right angles to the segment of said center line between Point 12 and Point 13, as are necessary to connect those adjoining ends of the side boundary lines hereinabove described which do not otherwise connect; and this Twelfth additional parcel is bounded on its Northerly end by a straight line running North $89^{\circ}51'$ West through Point 12, said line extending sufficiently to intersect both side boundary lines of this parcel above described; and this Twelfth additional parcel is bounded on its Southerly end by a straight line running North $89^{\circ}47'$ West through Point 13, said line extending sufficiently to intersect both side boundary lines of this parcel above described.

The Thirteenth additional parcel of real property referred to and hereby conveyed as described by metes and bounds rather than by side and end boundary lines is described as follows: Beginning at Point 13 hereinabove described in this conveyance, and running thence South $89^{\circ}47'$ East 157 Ft.; thence South 693.0 Ft.; thence North $89^{\circ}47'$ West 132.0 Ft.; thence South 1965.1 Ft. to the East and West $1/4$ Section line of Section 25, Township 5 North, Range 2 West; thence North $89^{\circ}55'$ West 83.5 Ft.; thence North 2658.1 Ft., more or less, to the North line of said Section 25; thence South $89^{\circ}47'$ East 41.0 Ft. to the point of beginning of this description of this Thirteenth additional parcel.

The Fourteenth additional parcel above referred to and hereby conveyed includes all that real property bounded for a distance of 2654.6 Ft., measured Southerly from Point 14 along the center line above described to Point 15, on its Easterly side by a line, and any extension thereof necessary to intersect the end lines hereinafter described of this parcel, which side boundary line is parallel to and 106 Ft. distant Easterly from, as measured at right angles to, the segment of the center line above described between Point 14 and Point 15; and bounded for the same said distance of 2654.6 Ft. on its Westerly side by a line, and any extension thereof necessary to intersect the end lines hereinafter described of this parcel, parallel to and 43.5 Ft. distant Westerly from, as measured at right angles to, the same segment of said center line above described between Point 14 and Point 15; and bounded on its Northerly end by a line running North $89^{\circ}55'$ West through Point 14, said line extending sufficiently to intersect both side boundary lines of this parcel above described; and bounded on its Southerly end by a line running due East and West through Point 15, said line extending sufficiently to inter-

sect both side boundary lines of this parcel above described; together with an additional plot of property adjacent to the West side boundary line of this Fourteenth additional parcel which additional plot is described as follows: Beginning at a point on the Westerly boundary line of this Fourteenth additional parcel immediately above described, which point is 363.3 Ft. East and 50.0 Ft. North of the S. W. corner of Section 25, Township 5 North, Range 2 West, Salt Lake Meridian, and running thence North along said Westerly boundary line 233 Ft.; thence West 32.5 Ft.; thence South 233 Ft.; thence East 32.5 Ft. to the point of beginning of this description of this additional plot.
