Received of the AMERICAN TELEPHONE AND TELEGRAPH COMPANY OF WYOMING

One and no/100 Dollars, in consideration of which... herby grant unto said Company, its associated and allied companies, their respective successors, assigns, lessees and agents, the right, privilege and authority to construct, reconstruct, operate and maintain lines of telephone and telegraph, consisting of such poles, wires, cables, conduits, guys, anchors and other fixtures and appurtenances as the grantee may from time to time require, upon, across, over and/or under the property which...

and upon, along and/or under the roads, streets or highways adjoining the said property, with the right to trim from time to time any trees along said lines so as to keep the wires and cables cleared at least thirty-six inches and the right to permit the attachment of and/or carry in conduit wires and cables of any other company. The grantor for himself, his heirs, executors, administrators and assigns hereby covenants that no wire line will be erected or permitted on said property which in the judgment of the grantee, its successors and assigns, will interfere with its service or endanger its lines and that no injurious structure will be erected or permitted on said property within 50 feet of said lines. Said sum being received in full payment for the rights herein granted.

It is understood and agreed that a single pole line or run of conduit with the necessary fixtures and appurtenances may be constructed and maintained under the foregoing; if, however, the grantee, its successors and assigns, hereafter within five years, desires to construct and maintain an additional pole line or run of conduit, with the necessary fixtures and appurtenances, at a separation of not to exceed seventy feet therefrom, it may do so, under this grant and with the rights herein contained, by paying to the grantor, or grantors herein, or to his or their heirs, executors, administrators or assigns, the sum of Three Hundred and no/100 \$300.00 Dollars.
