8. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood, except, that owners of Lots 5 to 31, inclusive, and Lots 36 to 40, inclusive, all in Block 1 shall be permitted to build and maintain on the rear 40 feet of such lots a stable for not more than three (3) horses or cows, or a coop for not more than 100 chickens, provided such buildings are built and maintained in accordance with regulations of the State Board of Health.

13. No individual sewage-disposal system shall be permitted on any lot unless such system is designed, located and constructed in accordance with the requirements, standards and recommendations of the Town of Roy, Weber County, State of Utah. In the event the committee, or its designated representative, fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

17. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years, unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

18. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.
