483

Such land is referred to herein as "the premises"; such right of way is referred to herein as the "right of way".

SECTION II

Term

The rights granted herein shall be possessed and enjoyed by Grantee, its successors and assigns, so long as the sewer line or pipelines and appurtenances constructed pursuant hereto shall be maintained and operated by Grantee, its successors or assigns.

SECTION III

Right of Access

Grantee and its employees and agents shall, at all times, have free access to the sewer line right of way for the purposes described herein.

SECTION IV

Rights of Grantor

Grantor reserves the right to use and enjoy the premises to the fullest possible extent without unreasonable interference with the exercise by Grantee of the rights granted herein, including, but not limited to, the right to place along, across and over the right of way as many roads, streets, sidewalks, passageways, electric light and power lines, water lines and other utilities as Grantor may desire. If any utility line is placed parallel to such right of way, such line shall not be placed directly over any sewer line therein.

SECTION V

Surface Damage

Grantee agrees to bury all pipelines constructed upon the premises at a sufficient depth so that they will not interfere with Grantor's use of the premises.

SECTION VI

Restoration of Surface

After the installation of the sewer line on this right of way, and after the abandonment or expiration of this grant for any cause, Grantee shall remove all pipes and other property placed on the premises by or for Grantee, fill and level all ditches, ruts and depressions caused by construction or removal operations, remove all debris resulting therefrom, remove all stakes and posts that Grantee may have put into the ground, and generally restore the surface of the premises to as near its original condition as may be possible, including restoration of the road surface where damaged, all within a reasonable time after the installation of such pipeline or abandonment or expiration of this grant.

SECTION VII

Appurtenant Facilities

Grantee shall have no right to locate any surface in connection with the sewer line right of way which would interfere with the Grantor's use or the public's use of the premises.

of way as a roadway or highway.

SECTION VIII

Title

It is hereby recognized by the parties to this agreement that the Grantor herein does not individually hold record title to all of the property described herein, but claims an interest in the property for use of the property as a public road right of way. Grantor further only grants this easement and right of way to such portions of the above described property as lies within its boundaries. It is further recognized that the Grantor is not owner in fee simple of all of the premises described herein and that its interests on part or all of the described premises may be limited to a road and utility right of way.

SECTION IX

Agreement to Hold Harmless

Grantee hereby agrees to hold Grantor harmless from any claim that may be asserted against the Grantor arising out of the use of the easement herein granted and the construction and maintenance of the wastewater collection lines.

SECTION X

Effect of Agreement

This agreement shall be binding upon the heirs, legal representatives, successors and assigns of the parties hereto.

IN WITNESS WHEREOF, the parties have executed this agreement in Uintah County, Utah, on the 24 day of February, 1981.
