TO HAVE AND TO HOLD the above-described and granted Land, Improvements, Rights, Tangible Property and Intangibles unto Trustee, its heirs, successors and assigns in fee simple in trust forever (the Land, Improvements, Rights, Tangible Property and Intangibles are collectively referred to herein as the "Security Property").

PROVIDED, HOWEVER, that these presents are upon the condition and the conveyance herein is made upon this special trust that if Trustor (a) shall pay or cause to be paid to Beneficiary the principal and all interest payable in respect of the Obligations at the time and in the manner stipulated in the Loan Documents, all without any deduction or credit for taxes or other similar charges paid by Trustor, (b) shall punctually perform, keep and observe all and singular the covenants and promises in the Loan Documents to be performed, kept and observed by and on the part of Trustor, and (c) shall not permit or suffer to occur any default under this

Deed of Trust or any other Loan Document, then this Deed of Trust and all the interests and rights hereby granted, bargained, sold, conveyed, assigned, transferred, pledged, delivered, set over, warranted and confirmed shall cease, terminate and be void, and may be cancelled or satisfied of record at Trustor's expense, but shall otherwise remain in full force and effect.

To secure payment of the Obligations and the full and faithful performance of the covenants and agreements in this Deed of Trust and the other Loan Documents, Trustor hereby grants, bargains, sells, conveys, assigns, transfers, pledges, sets over, warrants and confirms to Beneficiary a security interest in the Tangible Property and the Intangibles.

Trustor covenants with and warrants to Beneficiary: (a) that Trustor has good and marketable title to Security Property, is lawfully seized and possessed of the Land and Improvements in fee simple and has good right and authority to grant, bargain, sell, assign, and convey the same and to grant a security interest therein as provided herein, fully and absolutely waiving and releasing all rights and claims it may have in or to the Security Property as a homestead exemption or other exemption under any federal, state or local law now or hereafter in effect; (b) that the Security Property is unencumbered and free and clear of all liens, and security interests and title matters whatsoever except for any easements, restrictions or other title exceptions set forth on Exhibit "B" (the "Permitted Exceptions"); (c) that Trustor is now in a solvent condition and no bankruptcy or insolvency proceedings are pending or contemplated by Trustor or against Trustor; and (d) that Trustor shall forever warrant and defend the title and quiet possession of the Security Property unto Trustee and Beneficiary, and the validity and priority of the lien of this Deed of Trust, against the lawful claims and demands of all persons whomsoever. This warranty of title shall survive the foreclosure of this Deed of Trust and shall inure to the benefit of and be enforceable by any person who may acquire the Security Property pursuant to foreclosure, trustee's sale or other exercise by Beneficiary of the rights and remedies provided herein.

Trustor further covenants and agrees with Beneficiary as follows:

1. Payment and Performance. Trustor shall pay all sums due Beneficiary at the time and in the manner provided in the Loan Documents, and Trustor shall otherwise perform, comply with and abide by each and every one of the stipulations, agreements, conditions and covenants contained in the Loan Documents.

2. Taxes, Assessments and Charges. Trustor shall pay all taxes, assessments (whether general or special) and other charges whatsoever levied, assessed, placed or made against all or any part of the Security Property or any interest of Beneficiary therein, or against any Loan Document or any obligation thereunder; provided, Trustor may contest taxes and assessments as permitted by law so long as Trustor provides a bond or other adequate security to assure the payment of all taxes and assessments when finally determined. Absent such a contest and bonding, Trustor shall make such payment in full (and shall deliver to Beneficiary the paid receipts) not later than thirty (30) days before the last day upon which the same may be paid without the imposition of interest (except interest on special assessments payable by law in installments, in which case Trustor shall pay each such installment when due) or other late charge or penalty. If Trustor shall fail, neglect or refuse to pay any such taxes, assessments or

other charges as aforesaid, then Beneficiary at its option may pay the same, and any funds so advanced by Beneficiary shall bear interest, shall be paid and shall be secured as provided in paragraph 14.

3. Insurance.

(a) Trustor shall maintain property insurance with a reputable insurance company or companies with a Best's rating of AVIII or better, licensed in the state in which the Security Property is located and acceptable to Beneficiary, covering all the Improvements, the Tangible Property and all tangible personal property encumbered by this Deed of Trust, for an amount not less than their full insurable value on a replacement cost basis, for the benefit of Trustor and Beneficiary as their interests may appear, by policies on such terms, in such form and for such periods as Beneficiary shall require or approve from time to time, insuring with all risk or special form coverage, and coverage insuring against loss of rents and other income (for no less than twelve (12) full months) and when and to the extent required by Beneficiary, against any other risks. Regardless of the types or amounts of insurance required and approved by Beneficiary, Trustor shall assign and deliver to Beneficiary all policies of insurance which insure against any loss or damage to the Security Property or any part thereof, as collateral and further security for the payment of the Obligations, with loss payable to Beneficiary pursuant to a standard mortgagee clause acceptable to Beneficiary. Beneficiary is hereby authorized at its option to settle and adjust any claims arising out of any insurance coverage so maintained by Trustor. Any expense incurred by Beneficiary in the adjustment and collection of insurance proceeds shall be reimbursed to Beneficiary first out of any insurance proceeds.

(b) If Trustor fails to maintain such insurance in force, then Beneficiary at its option may effect such insurance from year to year and pay the premiums therefor, and any such sums advanced by Beneficiary shall bear interest, shall be paid and shall be secured as provided in paragraph 14.

(c) If any insurance proceeds are received for loss or damage to the Improvements or the Tangible Property, then Beneficiary at its option may retain such proceeds and apply them toward the payment of the Obligations (in any order of priority Beneficiary may deem appropriate in its sole discretion), or Beneficiary may disburse them to Trustor for the repair or restoration of the damaged Improvements or Tangible Property in the same manner as disbursements under a construction loan; Beneficiary shall not be obligated to see to the proper application by Trustor of any such disbursement.

(d) Trustor shall obtain and carry commercial general liability insurance with a reputable insurance company or companies with a Best's rating of AVIII or better, licensed in the state in which the Security Property is located, and acceptable to Beneficiary, which policy shall name Trustor as insured and Beneficiary as additional insured, with limits which Beneficiary may require from time to time and on such terms, in such form and for such periods as Beneficiary shall approve from time to time.

(e) In the event of a foreclosure of this Deed of Trust, the purchaser of the Security Property shall succeed to all the rights of Trustor in and to all policies of insurance required under this Deed of Trust, including any right to unearned premiums.

(f) Not less than thirty (30) days prior to the expiration date of each policy required under this Deed of Trust, Trustor shall deliver to Beneficiary a renewal policy or policies marked "premium paid" or accompanied by other evidence of payment satisfactory to Beneficiary.

(g) Each policy of insurance required under this Deed of Trust shall be non-cancelable without at least thirty (30) days' advance written notice to Beneficiary.

4. Escrow Account. At Beneficiary's option, Trustor shall pay to Beneficiary, together with and in addition to each regular installment of principal and/or interest payable under the Loan Documents, an amount deemed sufficient by Beneficiary to provide Beneficiary with funds in an escrow account sufficient to pay the taxes, assessments, insurance premiums and other charges next due at least thirty (30) days before the date the same are due. In no event shall Beneficiary be liable for any interest on any such funds held in the escrow account. At least thirty (30) days before the date the same are due, Trustor shall furnish to Beneficiary an official statement of the amount of said taxes, assessments, insurance premiums and other charges, and Beneficiary shall pay the same, but only if sufficient funds remain in the escrow account. In the event of any deficiency in the escrow account, Trustor shall upon notice from Beneficiary immediately deposit with Beneficiary such additional funds as Beneficiary may deem necessary to cure the deficiency, in its sole discretion. If Beneficiary elects to pay any such taxes, assessments, insurance premiums or other charges notwithstanding the escrow account deficiency, then all sums advanced by Beneficiary in excess of the escrow account balance shall bear interest, shall be paid and shall be secured as provided in paragraph 14. An official receipt for such sums shall be conclusive evidence of Beneficiary's payment and of the validity of the tax, assessment, insurance premium or other charge so paid. In the event of any default under this Deed of Trust or any other Loan Document, Beneficiary at its option may apply any or all funds in the escrow account against the Obligations or any other sums secured by this Deed of Trust, in any order of priority Beneficiary may deem appropriate in its sole discretion. At the time of any permitted transfer of the title to all of the Security Property then encumbered by this Deed of Trust, the balance in the escrow account shall inure to the benefit of such transferee without any specific assignment of such funds. Upon payment in full of the Obligations, the funds remaining in the escrow account (if any) shall be paid over to the record owner of the Security Property encumbered by this Deed of Trust as of the date of such full payment. Notwithstanding the foregoing, Beneficiary agrees not to exercise its right to collect escrows for insurance so long as (i) no Event of Default has occurred and is continuing, (ii) Trustor has obtained coverage by a so-called "blanket policy"; and (iii) all such insurance premiums are paid in a timely manner as and when due, and evidence of such payment is provided to Beneficiary no less than ten (10) days prior to any such payment being delinquent or overdue or beyond any deadline for maximum discounts, as determined by Beneficiary in Beneficiary's sole discretion; provided however, that Beneficiary shall have the right to immediately reinstate its right to collect escrows for insurance in the event conditions (i), (ii) or (iii) above are not met.

Notwithstanding the foregoing, Beneficiary agrees not to exercise its right to collect escrows for taxes as long as (i) no Event of Default has occurred and is continuing and (ii) all taxes are paid in a timely manner as and when due, and evidence of such payment is provided to Beneficiary.

5. Improvements and Development. Without the prior written consent of Beneficiary, which Beneficiary may grant or withhold in its sole reasonable discretion, except as otherwise permitted by that certain Construction Loan Agreement, dated of even date herewith, by and between Trustor and Beneficiary (the "Loan Agreement"), none of the Improvements covered by the lien of this Deed of Trust shall be removed, demolished or materially altered or enlarged (except as required in the event of fire, other casualty or condemnation). Notwithstanding the foregoing, Trustor shall have the right to remove and dispose of, free from the lien of this Deed of Trust, such Tangible Property as from time to time may become worn out or obsolete, provided that, simultaneously with or prior to such removal, Trustor shall have replaced any such Tangible Property with new Tangible Property (of at least the same quality as that of the replaced Tangible Property when it was new) which shall be free from any title retention or other security agreement or other encumbrance, and, by such removal and replacement, Trustor shall be deemed to have subjected such new Tangible Property to the lien of this Deed of Trust. Without the prior written consent of Beneficiary, which Beneficiary may grant or withhold in its sole reasonable discretion, except as otherwise permitted by the Loan Agreement, Trustor shall not undertake any development of the Land, nor construct any new Improvements thereon, nor initiate or join in or consent to any new (or any change in any existing) private restrictive covenant, zoning ordinance, master plan, site plan, easement, or other public or private restrictions limiting or defining the uses which may be made of the Security Property or any part thereof. Trustor shall complete and pay for any permitted development and/or improvements undertaken on the Land within a reasonable time after commencing the same.

6. Maintenance and Repair. Trustor shall do everything necessary to maintain the Security Property in good condition and repair, shall operate the Security Property in a first-class manner, shall not commit or suffer any waste, impairment, abandonment or deterioration of the Security Property, shall promptly pay all utility fees for services provided to the Security Property, and shall comply with (or cause compliance with) all applicable restrictive covenants and all statutes, ordinances and requirements of any governmental authorities having jurisdiction over the Security Property or the use thereof. In the event of any fire or other casualty loss or damage to all or any part of the Security Property, Trustor shall notify Beneficiary within forty-eight (48) hours of such occurrence. Trustor shall promptly repair, restore, replace or rebuild any part of the Security Property which may be damaged or destroyed by any casualty whatsoever or which may be affected by any condemnation, alteration of grade, or other public or quasi-public taking or injury, except to the extent precluded by Beneficiary's retention and application of the insurance or condemnation proceeds against the Obligations. If Trustor shall fail, neglect or refuse to repair or maintain the Security Property as aforesaid, then Beneficiary may at its option undertake such repairs or maintenance, and any funds advanced therefor by Beneficiary shall bear interest, shall be paid and shall be secured as provided in paragraph 14.

7. Assignment of Leases and Rents and Management Agreements.

(a) As further consideration for the making of the Loan evidenced by the Note, Trustor hereby absolutely, presently and unconditionally assigns and transfers to Beneficiary all rents, income, issues and profits of the Security Property and all right, title and interest of Trustor in and under all leases, tenancies, and occupancy agreements of any nature whatsoever (and any extensions and renewals thereof) now or hereafter affecting the Security Property (the "Leases"), together with any guaranties thereof and any security deposits or prepaid rent or other deposits or advances thereunder, to be applied by Beneficiary in payment of the Obligations, subject to the license granted to Trustor pursuant to this Section 7. As further security for the repayment of the Obligations, Trustor hereby assigns and transfers to Beneficiary all right, title and interest of Trustor in and under all management agreements of any nature whatsoever (and any extensions and renewals thereof) now or hereafter affecting the Security Property (the "Management Agreements").

(b) Trustor hereby empowers Beneficiary, its agents or attorneys, to demand, collect, sue for, receive, settle, compromise and give receipts for all of the rents received by Beneficiary that may become due under the Leases and to avail itself of and pursue all remedies for the enforcement of the Leases and Trustor's rights thereunder that Trustor could have pursued but for this assignment. Beneficiary is hereby vested with full power and authority to use all measures, legal and equitable, deemed necessary or proper by Beneficiary to enforce this assignment, to collect the rents so assigned, and/or to cure any default and perform any covenant of Trustor as the landlord under any of the Leases, including without limitation the right to enter upon all or any part of the Security Property and to take possession thereof to the extent necessary to exercise such powers. Beneficiary shall have the right (but not the obligation) to advance any sums necessary to exercise such powers, which sums shall bear interest, shall be paid and shall be secured as provided in paragraph 14. Trustor hereby empowers Beneficiary to use and apply all such rents and other income of the Security Property to the payment of the Obligations and all interest thereon and any other indebtedness or liability of Trustor to Beneficiary, and to the payment of the costs of managing and operating the Security Property, including without limitation: (i) taxes, special assessments, insurance premiums, damage claims, and the costs of maintaining, repairing, rebuilding, restoring and making rentable the Improvements; (ii) all sums advanced by Beneficiary (with interest thereon) for the payment of such costs or for any other reason permitted by this Deed of Trust or any other Loan Document; and (iii) all costs, expenses and reasonable attorney's fees actually incurred by Beneficiary in connection with the enforcement of this Deed of Trust and/or any Lease; all in such order of priority as Beneficiary may deem appropriate in its sole discretion. In the event any of the Leases contain an early termination clause that requires the tenant to pay a fee of any type to Trustor to exercise such early termination, Trustor shall place such fee(s) in an interest bearing escrow account with an escrow agent approved by Beneficiary. Once the entire space that was subject to the terminated lease(s) is re-leased on terms that are mutually acceptable to Trustor and Beneficiary, in the event there is not then existing an Event of Default under this Deed of Trust, the escrowed funds for that space, less any escrow fees, shall be released to Trustor. Provided, however, upon the occurrence of an Event of Default, which default is not cured within applicable cure periods, under this Deed of Trust, the escrowed funds, along with any

interest earned thereon, less any escrow fees, shall be released to Beneficiary and applied to the then outstanding principal balance of the Loan, with all terms of the Loan remaining unchanged.

(c) Beneficiary shall not be obliged to press any of the rights or claims of Trustor assigned hereby, nor to perform or carry out any of the obligations of the landlord under any Lease, and Beneficiary assumes no duty or liability whatsoever in connection with or arising from or growing out of the covenants of Trustor in any Lease. This Deed of Trust shall not operate to make Beneficiary responsible for the control, care, management or repair of all or any part of the Security Property, nor shall it operate to make Beneficiary liable for (i) the performance or carrying out of any of the terms or conditions of any Lease, (ii) any waste of the Security Property by any tenant or any other person, (iii) any dangerous or defective condition of the Security Property, nor (iv) any negligence in the management, upkeep, repair or control of all or any part of the Security Property resulting in loss or injury or death to any tenant, licensee, employee or stranger. Trustor hereby indemnifies and holds Beneficiary harmless against any and all liability, loss, claim, damage, costs and reasonable attorney's fees actually incurred whatsoever which Beneficiary may or might incur under any Lease or by reason of this assignment, and against any and all claims or demands whatsoever (and any related costs and reasonable attorney's fees actually incurred) which may be asserted against Beneficiary by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in any Lease. Nothing herein contained shall be construed as constituting Beneficiary a trustee or mortgagee in possession.

(d) Trustor hereby represents and warrants to Beneficiary (and shall be deemed to have represented and warranted to Beneficiary upon and as of the date of delivering to Beneficiary a copy of each Lease), except as previously or concurrently disclosed to and approved by Beneficiary in writing: (i) that each such copy delivered (or to be delivered) to Beneficiary is true, correct and complete; (ii) that Trustor is the sole owner of the entire landlord's interest in each Lease and has not previously assigned or pledged any Lease or any interest therein to any person other than Beneficiary; (iii) that all the Leases are in full force and effect and have not been altered, modified or amended in any manner whatsoever; (iv) that each tenant thereunder has accepted that tenant's respective premises and is paying rent on a current basis; (v) that no default exists on the part of such tenants or on the part of Trustor as landlord in their respective performances of the terms, covenants, provisions and agreements contained in the Leases; (vi) that no rent has been paid by any of the tenants for more than one (1) month in advance; (vii) that Trustor is not indebted to any tenant in any manner whatsoever so as to give rise to any right of set-off against or reduction of the rents payable under any Lease; and (viii) that no payment of rents to accrue under any Lease has been or will be waived, released, reduced, discounted or otherwise discharged or compromised by Trustor directly or indirectly, whether by assuming any tenant's obligations with respect to other premises or otherwise.

(e) Trustor covenants and agrees with Beneficiary that each Lease shall remain in full force and effect irrespective of any merger of the interests of the landlord and tenant thereunder.

(f) Trustor shall not enter into a proposed Lease (including the renewal or extension of an existing Lease) without the prior written consent of Beneficiary.

(g) Trustor (i) shall observe and perform all the obligations imposed upon the lessor under the Leases and shall not do or permit to be done anything to impair the value of any of the Leases as security for the Obligations; (ii) upon request, shall promptly send copies to Beneficiary of all notices of default which Trustor shall send or receive thereunder; (iii) shall enforce all of the material terms, covenants and conditions contained in the Leases upon the part of the tenant thereunder to be observed or performed; (iv) shall not collect any of the Rents more than one (1) month in advance (except security deposits shall not be deemed Rents collected in advance); (v) shall not execute any other assignment of the lessor's interest in any of the Leases or the rents; and (vi) shall not consent to any assignment of or subletting under any Leases not in accordance with their terms, without the prior written consent of Beneficiary.

(h) Trustor shall not, without the consent of Beneficiary, amend, modify or waive the provisions of any Lease or terminate, reduce rents under, accept a surrender of space under, or shorten the term of, any Leases (including any guaranty, letter of credit or other credit support with respect thereto).

(i) Intentionally Deleted.

(j) Although Trustor and Beneficiary intend that this instrument shall be a present, absolute and unconditional assignment of the Leases and the rents, income, issues and profits of the Security Property, it is expressly understood and agreed that so long as no Event of Default shall exist under this Deed of Trust and no default or event of default shall exist under any other Loan Document, Trustor may collect, and is hereby granted a license to collect, assigned rents, income, issues and profits for not more than one (1) month in advance of the accrual thereof, but upon the occurrence of any such Event of Default, which default is not cured within the applicable cure periods, under this Deed of Trust or the occurrence of any default or event of default under any other Loan Document, without the need for notice or demand, the license granted to Trustor herein shall automatically be revoked and Beneficiary shall be immediately entitled to possession of the rents, income, issues and profits, whether or not Beneficiary enters upon or takes control of the Security Property, and Beneficiary may apply all rents collected to the Obligations in such order and priority as Beneficiary so elects in its sole discretion. The tenants under all the Leases are hereby irrevocably authorized to rely upon and comply with (and shall be fully protected in so doing) any notice or demand by Beneficiary for the payment to Beneficiary of any rental or other sums which may be or thereafter become due under the Leases, or for the performance of any of the tenants' undertakings under the Leases, and none of them shall have any right or duty to inquire as to whether any default hereunder or under any other Loan Document shall have actually occurred or is then existing.

(k) Beneficiary shall have the right to approve any Management Agreement with respect to the Security Property hereafter entered into by Beneficiary, and all managers and management companies thereby selected by Trustor and, upon the occurrence of an Event of Default, which default is not cured within the applicable cure periods, under this Deed of Trust or the occurrence of a default or event of default under any other Loan Document or under the Management Agreement, such Management Agreement may be terminated by Beneficiary at no cost to Beneficiary upon prior written notice to the manager under the Management Agreement.

The manager under each existing Management Agreement (if any) has agreed to the foregoing and that its Management Agreement is subject and subordinate in all respects to this Deed of Trust. Any Management Agreement hereafter entered into by Trustor shall expressly provide that such Management Agreement may be terminated by Beneficiary at no cost to Beneficiary upon prior written notice to the manager under the Management Agreement and that the Management Agreement is subject and subordinate in all respects to this Deed of Trust. Trustor has heretofore delivered to Beneficiary a true and complete copy of any Management Agreements affecting the Security Property and any and all amendments or modifications thereof. Trustor agrees that it will not modify or amend any Management Agreement without Beneficiary's prior written consent.

8. Further Encumbrances.

(a) Trustor shall not grant any other lien, security interest, pledge, deed of trust, assignment, mortgage or other hypothecation on all or any part of the Security Property or any interest therein nor make any further assignment of the Leases and rentals of the Security Property without the prior written consent of Beneficiary, which Beneficiary may grant or withhold in its sole discretion; in the event of any such unpermitted lien, security interest, pledge, deed of trust, assignment, mortgage, or other hypothecation by Trustor, being herein called an "Encumbrance," Beneficiary shall be entitled, in addition to any other remedy available to it, to declare the Obligations immediately due and payable and to foreclose this Deed of Trust. Without intending to waive the right to consent granted to Beneficiary herein, any such other Encumbrance shall be junior to this Deed of Trust and to all permitted tenancies now or hereafter affecting the Security Property or any portion thereof and shall be subject to all renewals, extensions, modifications, releases, interest rate increases, future advances, changes or exchanges permitted by this Deed of Trust, all without the joinder or consent of such junior lienholder, secured party, pledgee, mortgagee or assignee and without any obligation on Beneficiary's part to give notice of any kind thereto. Trustor shall maintain in good standing any other Encumbrance to secure debt affecting any part of the Security Property from time to time and shall not commit or permit or suffer to occur any default thereunder, nor shall Trustor accept any future advance under or modify the terms of any Encumbrance which may then be superior to the lien of this Deed of Trust. Except for encumbrances permitted by Beneficiary, Trustor shall not commit or permit or suffer to occur any act or omission whereby any of the security represented by this Deed of Trust shall be impaired or threatened, or whereby any of the Security Property or any interest therein shall become subject to any attachment, judgment, lien, charge or other encumbrance whatsoever, and Trustor shall immediately cause any such attachment, judgment, lien, charge or other encumbrance to be discharged or otherwise bonded or transferred to other security. Trustor shall not directly or indirectly do anything or take any action which might prejudice any of the right, title or interest of Beneficiary in or to any of the Security Property or impose or create any direct or indirect obligation or liability on the part of Beneficiary with respect to any of the Security Property.

(b) Trustor will comply with and will punctually perform all of the covenants, agreements and obligations imposed upon it or the Security Property under the Permitted Exceptions in accordance with the terms, provisions and conditions contained therein, including, without limitation, Trustor's obligation to pay all amounts secured, evidenced or required

thereby. Trustor will not modify or permit any modification of any of the Permitted Exceptions without the prior written consent of Beneficiary.

9. Prohibited Transfers. Trustor shall not cause or permit or suffer to occur any of the following events (a "Disposition") without the prior written consent of Beneficiary, which Beneficiary may grant or withhold in its sole reasonable discretion, and if any of the same shall occur without such consent, then Beneficiary shall have the right, in addition to any other remedies available to it, to declare the Obligations immediately due and payable and to foreclose this Deed of Trust: (a) if all or any portion of the legal or equitable or beneficial title to all or any portion of the Security Property or any interest therein shall in any manner whatsoever be sold, conveyed or transferred, either voluntarily or by operation of law; or (b) in the case of any portion of the Security Property directly or indirectly owned by a corporation (or a partnership or joint venture or limited liability company or trust or other business entity), if any stock or partnership interest or joint venture interest or member interest or beneficial interest in such owner shall be transferred (whether among the then existing partners, stockholders, members or other beneficial owners, or otherwise), or if such stock or partnership interest or joint venture interest or limited liability company interest or beneficial interest shall be assigned, pledged, hypothecated, mortgaged or otherwise encumbered.

Trustor agrees to provide to Beneficiary its written request for Beneficiary's consent to any Disposition or Encumbrance at least fifteen (15) days prior to such proposed Disposition or Encumbrance. If a proposed Disposition entails an assumption of the Loan, then the fifteen (15) day period will commence upon Beneficiary's receipt of its completed Mortgage Loan Assumption Application with all required items. It is expressly agreed that, in connection with determining whether to grant or withhold consent to any Disposition or Encumbrance, the determination made by Beneficiary shall be conclusive and Beneficiary may require as conditions to granting such consent (1) an increase in the rate of interest payable under the Note, (2) payment to Beneficiary of a transfer fee, (3) payment of Beneficiary's reasonable attorneys' fees actually incurred in connection with such Disposition or Encumbrance, and/or (4) the express assumption of the payment of the indebtedness and performance of the Obligations by the party to whom such Disposition will be made (with or without, in Beneficiary's sole discretion, the release of Trustor from liability for such Obligations).

10. Further Assurances. From time to time and on demand, Trustor shall execute and deliver to Beneficiary (and pay the costs of preparing and recording) any further instruments required by Beneficiary to reaffirm, correct or perfect the evidence of the Obligations secured hereby and the lien and security interest of Beneficiary in all the Security Property and all additions, replacements and proceeds, including but not limited to mortgages, security agreements, financing statements, assignments and renewal and substitution notes.

11. Estoppel Letters and Information. Within three (3) days after request in person or within five (5) days after request by mail, Trustor shall furnish to Beneficiary a written statement, duly acknowledged, of the amount of principal and interest and other sums then owing on the Obligations and whether any offsets, counterclaims or defenses exist against the Obligations. Trustor shall promptly furnish to Beneficiary any financial or other information

regarding Trustor or the Security Property required by any Loan Document or which Beneficiary may reasonably request from time to time.

12. Notices. Whenever Trustor or Beneficiary are obliged to give notice to the other, such notice shall be in writing and shall be given personally, by an overnight courier which provides for a return receipt or by prepaid certified mail (return receipt requested), in which latter case notice shall be deemed effectively made when the receipt is signed or when the attempted initial delivery is refused or cannot be made because of a change of address of which the sending party has not been notified. Until the designated addresses are changed by notice given in accordance with this paragraph, notice to either party shall be sent to the respective address set forth on the first page of this Deed of Trust.

13. Default and Acceleration. At Beneficiary's option, all of the principal and interest and other sums secured by this Deed of Trust shall immediately or at any time thereafter become due and payable without notice to any Obligor, and Beneficiary shall immediately have all the rights accorded Beneficiary by law and hereunder to foreclose this Deed of Trust or otherwise to enforce this Deed of Trust and security interests evidenced hereby and in any other Loan Document, upon the occurrence of any of the following defaults (an "Event of Default"): (a) failure to pay any sum due under any Loan Document and the expiration of the grace period (if any) provided therein; or (b) failure to pay any tax, assessment, utility charge, or other charge against the Security Property or any part thereof as and when required by this Deed of Trust; or (c) any waste, impairment, abandonment, deterioration, removal, demolition, material alteration or enlargement of any existing Improvements, or the commencement of construction of any new Improvements, in either case without the prior written consent of Beneficiary, which Beneficiary may grant or withhold in its sole discretion; or (d) failure to keep in force the policies of insurance required by this Deed of Trust or any other Loan Document; or (e) Trustor's failure or refusal to provide any estoppel certificate within the time required by this Deed of Trust; or (f) Trustor's recordation of any notice limiting the amount of future advances that may be secured by this Deed of Trust; or (g) any unpermitted Encumbrance or Disposition (whether voluntary or by operation of law), conveyance or further encumbering of all or any part of the Security Property or any interest therein, or the additional assignment of all or any part of the rents, income or profits arising therefrom; or (h) Trustor's failure to remove any involuntary lien on the Security Property or any part thereof within thirty (30) days after its filing, or the filing of any suit against the Security Property upon any claim or lien other than this Deed of Trust (whether superior or inferior to this Deed of Trust); or (i) Trustor's failure to comply within thirty (30) days with a requirement, order or notice of violation of a law, ordinance, or regulation issued or promulgated by any political subdivision or governmental department claiming jurisdiction over the Security Property or any operation conducted on the Security Property (or, if such order or notice provides a time period for compliance, Trustor's failure to comply within such period), or, in the case of a curable noncompliance requiring longer than the applicable time period for its cure, Trustor's failure to commence to comply with said order or notice within said period or failure thereafter to pursue such cure diligently to completion; or (j) the issuance of any order by the state in which the Security Property is located, or any subdivision, instrumentality, administrative board or department thereof, declaring unlawful or suspending any operation conducted on the Security Property; or (k) if any representation, warranty, affidavit, certificate or statement made or delivered to Beneficiary by or on behalf of any Obligor from time to time in

connection with the Obligations or this Deed of Trust or any other Loan Document shall prove false, incorrect or misleading in any respect deemed material by Beneficiary; or (l) the dissolution or merger or consolidation or termination of existence of any other Obligor, or the failure or cessation or liquidation of the business of any Obligor, or if the person(s) controlling any Obligor which is a business entity shall take any action authorizing or leading to the same; or (m) any default by any Obligor in the payment of any indebtedness for borrowed money (whether direct or contingent and whether matured or accelerated) to Beneficiary, or if any Obligor shall become insolvent or unable to pay such Obligor's debts as they become due; or (n) the disposition or transfer or exchange of all or substantially all of any Obligor's assets for less than fair market value, or the issuance of any levy, attachment, charging order, garnishment or other process against the Security Property, or the filing of any lien against the Security Property (and the expiration of any grace period provided in any Loan Document for the discharge of such lien); or (o) if any Obligor shall make an assignment for the benefit of creditors, file a petition in bankruptcy, apply to or petition any tribunal for the appointment of a custodian, receiver, intervenor or trustee for such Obligor or a substantial part of such Obligor's assets, or if any Obligor shall commence any proceeding under any bankruptcy, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction, whether now or hereafter in effect, or if any Obligor shall by act or omission approve, consent to or acquiesce in the filing of any such petition or application against such Obligor or the appointment of any such custodian, receiver, intervenor or trustee or the commencement of any such proceeding against such Obligor or the entry of an order for relief with respect to such Obligor, or if any such petition or application shall have been filed or proceeding commenced against any Obligor which remains undismissed for thirty (30) days or more or in which an order for relief is entered, or if any Obligor shall suffer any such appointment of a custodian, receiver, intervenor or trustee to continue undischarged for thirty (30) days or more; or (p) if any Obligor while insolvent shall have concealed, transferred, removed, or permitted to be concealed or transferred or removed, any part of such Obligor's property with intent to hinder, delay or defraud any of such Obligor's creditors, or if any Obligor shall have made or suffered a transfer of any of such Obligor's properties which may be invalid under any bankruptcy, fraudulent conveyance, preference or similar law, or if any Obligor shall have made any transfer of such Obligor's properties to or for the benefit of any creditor at a time when other creditors similarly situated have not been paid; or (q) intentionally deleted; or (r) the existence of any uncured default under any other mortgage or encumbrance affecting any part of the Security Property then encumbered by this Deed of Trust (in the case of a default for which such mortgage or other encumbrance provides a grace period, if the default remains uncured after the expiration of that grace period), or Trustor's acceptance of any future advance under, or modification of the terms of, any such other mortgage or encumbrance which may then be superior to the lien of this Deed of Trust; or (s) Beneficiary's election to declare the Obligations due and payable under the provisions of any other Loan Document; or (t) any default in the observance or performance of any other covenant or agreement of any Obligor in this Deed of Trust or any other Loan Document, the occurrence of any other event prohibited by the terms of this Deed of Trust or any other Loan Document, or the violation of any other provision of this Deed of Trust or any other Loan Document. Provided that Lender's rights and interests in the Security Property are not in immediate jeopardy and that the Event of Default is reasonably subject to cure and is not willful or intentional, Trustor will have a period of thirty (30) days following receipt of written notice by Lender to cure any Event of Default specified in subsections (b), (c), (e), (h), (i), (j), (l), (n), (p), (q), or (t) above. No

consent or waiver expressed or implied by Beneficiary with respect to any default under this Deed of Trust shall be construed as a consent or waiver with respect to any further default of the same or a different nature; and no consent or waiver shall be deemed or construed to exist by reason of any curative action initiated by Beneficiary or any other course of conduct or in any other manner whatsoever except by a writing duly executed by Beneficiary, and then only for the single occasion to which such writing is addressed. In order to declare the Obligations due and payable because of Trustor's failure to pay any tax, assessment, insurance premium, charge, liability, obligation or encumbrance upon the Security Property as required by this Deed of Trust, or because of any other default, Beneficiary shall not be required to pay the same or to advance funds to cure the default, notwithstanding Beneficiary's option under this Deed of Trust or any other Loan Document to do so; no such payment or advance by Beneficiary shall be deemed or construed a waiver of Beneficiary's right to declare the Obligations due and payable on account of such failure or other default.

14. Advances by Beneficiary. In the event of any default, which default is not cured within the applicable cure periods, in the performance of any of Trustor's covenants or agreements contained in this Deed of Trust or any other Loan Document or the violation of any term thereof, Beneficiary shall have the right (but in no event the obligation) at its option to cure the default or take any other action Beneficiary deems necessary or desirable to protect its security (including without limitation the payment of any taxes, assessments, insurance premiums, charges, liens or encumbrances required of Trustor under this Deed of Trust), without thereby waiving any rights or remedies otherwise available to Beneficiary. If Beneficiary shall elect to advance at any time any sum(s) for the protection of its security or for any other reason permitted or provided by any of the terms of this Deed of Trust or any other Loan Document, then such sum(s) shall be deemed Obligations, shall be repaid by Trustor on demand, shall be secured by this Deed of Trust and shall bear interest until paid at the lesser of the Default Rate (as defined in the Note), or at the highest rate allowed by applicable law, commencing on the date they are advanced by Beneficiary. Beneficiary's lien on the Security Property for such advances shall be superior to any right or title to, interest in, or claim upon all or any portion of the Security Property junior to the lien of this Deed of Trust.

15. Receiver. In addition to all other remedies herein provided for, Trustor agrees that upon the occurrence of an Event of Default, which default is not cured within the applicable cure periods, Beneficiary shall, as a matter of right, be entitled to an ex parte appointment of a receiver or receivers for all or any part of the Security Property without notice and without regard to the value of the Security Property or the solvency of any person or persons liable for the payment of the indebtedness secured hereby, and Trustor does hereby consent to the appointment of such receiver or receivers, waives any and all defenses to such appointment and agrees not to oppose any application therefor by Beneficiary, but nothing herein is to be construed to deprive Beneficiary of any other right, remedy or privilege it may now have under the law to have a receiver appointed; provided, however, that the appointment of such receiver, trustee or other appointee by virtue of any court order, statute or regulation shall not impair or in any manner prejudice the rights of Beneficiary to receive payment of the rents and income. Any money advanced by Beneficiary in connection with any such receivership shall be a demand obligation owing by Trustor to Beneficiary and shall bear interest from the date of making such advancement by Beneficiary until paid at the Default Rate provided in the Note and shall be a

part of the Obligations and shall be secured by this Deed of Trust and by every other instrument securing the Obligations. The receiver or his agents shall be entitled to enter upon and take possession of any and all of the Security Property. The receiver, personally or through its agents or attorneys, may exclude Trustor and its agents, servants and employees wholly from the Security Property and have, hold, use, operate, manage and control the same and each and every part thereof, and keep insured, the properties, equipment and apparatus provided or required for use in connection with the business or business operated on the Security Property, and make all such necessary and proper repairs, renewals and replacements and all such useful alterations, additions, betterments and improvements as the receiver may deem judicious. Such receivership shall, at the option of Beneficiary, continue until full payment of all sums, hereby secured, then due and payable or until title to the Security Property shall have passed by foreclosure sale under this Deed of Trust and the period of redemption, if any, shall have expired.

16. Remedies.

(a) The rights and remedies of Beneficiary under this Deed of Trust or any other Loan Document or applicable law shall be cumulative and concurrent and may be pursued separately, successively or together against any Obligor(s), the Security Property, any other collateral for the Obligations, or any one or more of the foregoing, all at the sole discretion of Beneficiary, and may be exercised as often as occasion therefor shall arise, all to the maximum extent permitted by law. Beneficiary's pursuit of any remedy shall not preclude pursuit of any other remedy until Beneficiary shall have recovered all sums due Beneficiary, together with the accrued interest thereon and all costs of collection, including attorney's fees and appellate attorney's fees, with interest thereon. Neither Trustor nor anyone claiming through or under Trustor shall set up, claim or seek to take advantage of any appraisalment, valuation, stay, moratorium, marshalling, extension, exemption or redemption laws, now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust or the sale of the Security Property. To the maximum extent permitted by law, the Obligors, for themselves and all who may claim through or under any of them, hereby severally waive the benefit of all such laws and waive any and all rights to have the Security Property or any other collateral for the Obligations marshaled upon any foreclosure of this Deed of Trust or any other instrument securing the Obligations, and hereby severally agree that the Security Property and any such other collateral may be sold as an entirety or in such parcels, in such manner and in such order as Beneficiary in its sole discretion may elect.

(b) Upon the occurrence of an Event of Default which is not cured during the applicable cure period, if any, Beneficiary is authorized, whether prior or subsequent to the institution of any foreclosure proceedings, to enter upon the Security Property, or any part thereof, and to take possession of the Security Property and of all books, records and accounts relating thereto and to exercise, without interference from Trustor, any and all rights to construct, manage, possess, operate, protect or preserve the Security Property, including the right to rent the same for the account of Trustor, and to deduct from such rents all costs, expenses and liabilities of every character incurred by Beneficiary in collecting such rents and in managing, operating, maintaining, protecting or preserving the Security Property and to apply the remainder of such rents on the indebtedness secured hereby in such manner as Beneficiary may elect. All such costs, expenses and liabilities incurred by Beneficiary, if not paid out of rents as hereinabove

provided, shall constitute a demand obligation owing by Trustor and shall draw interest from the date of expenditure until paid at the Default Rate of interest set forth in the Note, all of which shall constitute a portion of the Obligations. If necessary to obtain the possession provided for above, Beneficiary may invoke any and all legal remedies to dispossess Trustor; provided, however, that nothing herein shall be deemed or construed to make Beneficiary a mortgagee in possession as a result of the exercise of its rights and remedies hereunder. In connection with any action taken by Beneficiary pursuant to this paragraph, Beneficiary shall not be liable for any loss sustained by Trustor resulting from any failure to lease the Security Property, or any part thereof, or from any other act or omission of Beneficiary in managing the Security Property unless such loss is caused by the willful misconduct or bad faith of Beneficiary, nor shall Beneficiary be obligated to perform or discharge any obligation, duty or liability under any lease or tenancy agreement covering the Security Property or any part thereof by reason of this instrument or the exercise of rights or remedies hereunder. Trustor shall, and does hereby agree to, indemnify Beneficiary for, and to hold Beneficiary harmless from, any and all liabilities, loss or damage which may or might be incurred by Beneficiary under any such lease or tenancy agreement or under this Deed of Trust or the exercise of rights or remedies hereunder and from any and all claims and demands whatsoever which may be asserted against Beneficiary by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in any such lease or tenancy agreement except for those arising out of the gross negligence or willful misconduct of Beneficiary. Should Beneficiary incur any such liability, the amount thereof, including costs, expenses and reasonable attorneys' fees actually incurred, shall be secured hereby and shall be a demand obligation hereunder. Nothing in this paragraph shall impose any duty, obligation or responsibility upon Beneficiary for the control, care, management or repair of the Security Property, or for the carrying out of any of the terms and conditions of any such lease or tenancy agreement; nor shall it operate to make Beneficiary responsible or liable for any waste committed on the Security Property by the tenants or by any other parties or for any dangerous or defective condition of the Security Property, or for any negligence in the management, upkeep, repair or control of the Security Property resulting in loss or injury or death to any tenant, licensee, employee or stranger. Trustor hereby assents to, ratifies and confirms any and all actions of Beneficiary with respect to the Security Property taken under this paragraph.

(c) Upon the occurrence of an Event of Default hereunder, which is not cured during the applicable cure period, if any, Beneficiary may foreclose this Deed of Trust by judicial proceedings, or direct Trustee, to exercise the power of sale set forth below, and thereon, the Security Property shall be sold according to law to satisfy and pay the Obligations, together with all costs and expenses of sale, including without limitation, reasonable attorney fees actually incurred for Beneficiary's attorneys at all trial and appellate levels. Then, upon filing any required notice of such election and demand for sale with Trustee, Trustee shall proceed to foreclose upon the Land, Improvements, Rights and the other Security Property as Beneficiary may elect in the manner provided by applicable law. If Beneficiary directs Trustee to exercise the power of sale, it shall be lawful for and the duty of Trustee, and Trustee is hereby authorized and empowered, to expose to sale and to sell the Security Property at public sale in accordance with the provisions of applicable law governing foreclosures under powers of sale. Trustee shall provide public notice of such foreclosure sale as provided by applicable law. Trustee shall sell and dispose of the Land, Improvements, Rights and other Security Property (en masse or in

separate parcels, as Beneficiary may determine in its discretion) and all the right, title and interest of Trustor, and its successors and assigns therein, at public auction all in accordance with the provisions of applicable law of the State where the Land is located. Such sale(s) shall be a perpetual bar, both in law and equity, against Trustor and its successors and assigns, and all other persons claiming the Land, Improvements, Rights and other Security Property, or any part thereof by, through, from or under Trustor. Beneficiary may purchase the Land, Improvements, Rights and other Security Property or any part thereof, and may bid in any part or all of the indebtedness secured hereby, and it shall not be obligatory upon the purchaser(s) at any such sale to see to the application of the purchase money.

Any costs incurred by Beneficiary or its attorney as a part of the cost of foreclosure in conjunction with Trustor's default hereunder shall be deemed allowable by Trustee in a foreclosure action. Such allowable costs shall include, but not be limited to, appraisal fees, reasonable attorney fees and all costs actually incurred by Beneficiary or its attorney in conjunction with securing, preserving and maintaining the Security Property and any Improvements contained thereon, such as, by way of example and not by way of limitation, costs incurred in conjunction with the appointment and/or institution of a receivership (whether or not a receiver be appointed).

(d) If permitted by applicable law, this instrument shall be effective as a mortgage from Trustor as mortgagor to Beneficiary as mortgagee creating a lien on and security interest in all of Trustor's right, title and interest in and to the Security Property, as well as a deed of trust and, upon the occurrence of an Event of Default, which default is not cured within the applicable cure periods, may be foreclosed, at the election of Beneficiary, as to any of the Security Property in any manner permitted by the laws of the state in which the Land is located.

(e) The proceeds of any foreclosure sale of the Security Property shall be applied:

FIRST, to the payment of all costs and expenses incident to such foreclosure sale, including, but not limited to, all reasonable attorneys' fees actually incurred and court costs and charges of every character, and the statutory fee to Trustee;

SECOND, to the payment in full of the Obligations (including, specifically, without limitation, the principal, interest, late charges and reasonable attorneys' fees actually incurred due and unpaid on the Note and the amounts due and unpaid and owed to Beneficiary under this Deed of Trust) in such order as Beneficiary may elect; and

THIRD, the remainder, if any, shall be paid in accordance with applicable statutory provisions or court order.

(f) Beneficiary may resort to any security given by this Deed of Trust or to any other security now existing or hereafter given to secure the payment of the Obligations, in

whole or in part, and in such portions and in such order as may seem best to Beneficiary in its sole discretion.

(g) To the full extent Trustor may do so, Trustor agrees that Trustor will not at any time insist upon, plead, claim or take the benefit or advantage of any law now or hereafter in force providing for any appraisal, valuation, stay, moratorium or extension, and Trustor, its representative, successors and assigns, hereby waive and release all rights of valuation, appraisal, notice of election or intention to mature or declare due the whole of the Obligations and all rights to a marshaling of the assets of Trustor, including the Security Property, in the event of foreclosure of the liens and security interests hereby created, or classification of the Security Property as "agricultural real estate." Trustor shall not have or assert any right under any statute or rule of law pertaining to the marshaling of assets, the exemption of homestead, the administration of estates of decedents to defeat, reduce or affect the right of Beneficiary under the terms of this Deed of Trust.

17. No Jury Trial. Beneficiary, Trustor and each Obligor hereby severally, voluntarily, knowingly and intentionally WAIVE ANY AND ALL RIGHTS TO TRIAL BY JURY in any legal action or proceeding arising under or in connection with this Deed of Trust or any other Loan Document or concerning the Obligations and/or the Security Property or pertaining to any transaction related to or contemplated in this Deed of Trust, regardless of whether such action or proceeding concerns any contractual or tortious or other claim. Each Obligor severally acknowledges that this waiver of jury trial is a material inducement to Beneficiary in extending the credit described herein, that Beneficiary would not have extended such credit without this jury trial waiver, and that such Obligor has been represented by an attorney or has had an opportunity to consult with an attorney regarding this Deed of Trust and understands the legal effect of this jury trial waiver.

18. Fees and Expenses. Trustor shall pay any and all costs, expenses and reasonable attorney's fees actually incurred by Beneficiary (regardless of whether in connection with any action, proceeding or appeal) to sustain the lien of this Deed of Trust or its priority, to protect or enforce any of Beneficiary's rights under this Deed of Trust or under any other Loan Document, to recover any indebtedness secured hereby, to contest or collect any award or payment in connection with the taking or condemnation of all or any part of the Security Property, or for any title examination or abstract preparation or appraisal or title insurance policy relating to the Security Property, and all such sums shall bear interest, shall be paid and shall be secured as provided in paragraph 14.

19. Condemnation. Immediately upon obtaining knowledge of the institution or pending institution of any proceedings for the condemnation of the Security Property or any portion thereof, Trustor shall notify Beneficiary thereof. Beneficiary may participate in any such proceedings and may be represented therein by counsel of its selection, and Trustor will deliver to Beneficiary all instruments requested by Beneficiary from time to time to permit or facilitate such participation. In the event of any such condemnation proceedings, the award or compensation payable is hereby assigned to and shall be paid to Beneficiary, and Beneficiary shall not be obligated to question the amount of any such award or compensation. At Beneficiary's option, all or any portion of the award or compensation shall be applied toward

payment of the Obligations (in any order of priority Beneficiary may deem appropriate in its sole discretion) or shall be disbursed to Trustor from time to time for the restoration of the Security Property in the same manner as disbursements under a construction loan; Beneficiary shall not be obligated to see to the proper application by Trustor of any such disbursement. Notwithstanding any such condemnation award or compensation or the rate of interest payable thereon, Trustor shall continue to pay interest on the Obligations except to the extent that Beneficiary shall have actually received and applied the award or compensation against the Obligations. If all of the Security Property is so taken but the award or compensation is insufficient to pay the Obligations in full, then at Beneficiary's option the unpaid balance shall be immediately due and payable.

20. Documentary Stamps and Intangible Taxes. If at any time the state in which the Security Property is located shall determine that an intangible tax, documentary tax or other similar tax shall be paid in connection with this Deed of Trust, or that additional intangible or other tax should be paid, then Trustor shall pay for the same, together with any interest or penalties imposed in connection with such determination, and Trustor hereby agrees to indemnify and hold Beneficiary harmless therefrom. If any such sums shall be advanced by Beneficiary, they shall bear interest, shall be paid and shall be secured as provided in paragraph 14.

21. No Shift of Taxes. If any federal, state or local law shall hereafter be enacted which (a) for the purpose of ad valorem taxation shall deduct the amount of any lien from the value of real property, or (b) shall impose on Beneficiary the payment of all or any part of the taxes or assessments or charges required to be paid hereunder by Trustor, or (c) shall change in any way the laws for the taxation of deeds of trust, mortgages or debts secured thereby or Beneficiary's interest in the Security Property, or shall change the manner of collecting such taxes, so as to affect this Deed of Trust or the debt secured hereby or the holder thereof, then upon demand Trustor shall pay such taxes or assessments or charges imposed on Beneficiary or shall reimburse Beneficiary therefor; provided, however, that if in the opinion of Beneficiary's counsel the requirement that Trustor make such payments might be unlawful or might result in the imposition of interest in excess of the maximum lawful rate, then Beneficiary shall have the right to declare the Obligations to be due and payable thirty (30) days after notice thereof to Trustor.

22. Uniform Commercial Code. This Deed of Trust is a "security agreement" and creates a "security interest" in favor of Beneficiary as a "secured party" with respect to all property included in the Security Property which is covered by the Uniform Commercial Code, including but not limited to the Tangible Property and Intangibles. Upon default under this Deed of Trust or any other Loan Document, Beneficiary may at its option pursue any and all rights and remedies available to a secured party with respect to any portion of the Security Property so covered by the Uniform Commercial Code, or Beneficiary may at its option proceed as to all or any part of the Security Property in accordance with Beneficiary's rights and remedies in respect of real property to the extent permitted by law. Trustor and Beneficiary agree that the mention of any portion of the Security Property in a financing statement filed in the records normally pertaining to personal property shall never derogate from or impair in any way their declared intention that all items of collateral described in this Deed of Trust are part of the real estate encumbered hereby to the fullest extent permitted by law, regardless of whether any such item is

physically attached to the Improvements or whether serial numbers are used for the better identification of certain items of Tangible Property. Specifically, the mention in any such financing statement of (a) the rights in or the proceeds of any insurance policy, (b) any award in eminent domain proceedings for a taking or for loss of value, (c) Trustor's interest as lessor in any present or future lease or right to income growing out of the use or occupancy of the Land or Improvements, whether pursuant to lease or otherwise, or (d) any other item included in the definition of the Security Property shall never be construed to alter any of the rights of Beneficiary as determined by this Deed of Trust or to impugn the priority of Beneficiary's lien and security interest with respect to the Security Property; such mention in a financing statement is declared to be for the protection of Beneficiary in the event any court shall hold that notice of Beneficiary's priority of interest with respect to any such portion of the Security Property must be filed in the Uniform Commercial Code records in order to be effective against or to take priority over any particular class of persons, including but not limited to the federal government and any subdivision or instrumentality of the federal government.

23. Payments to Beneficiary. Any payment made in accordance with the terms of the Loan Documents by any person at any time liable for the payment of the whole or any part of the Obligations, by any subsequent owner of the Security Property, or by any other person whose interest in the Security Property might be prejudiced in the event of a failure to make such payment (or by any partner, stockholder, member, manager, officer or director of any such person), shall be deemed, as between Beneficiary and all such persons who at any time may be so liable or may have an interest in the Security Property, to have been made on behalf of all such persons. Beneficiary's acceptance of any payment which is less than full payment of all amounts then due and payable to Beneficiary, even if made by one other than the person liable therefor, shall not constitute a waiver of any rights or remedies of Beneficiary.

24. Consent to Changes. Trustor consents and agrees that, at any time and from time to time without notice, (a) Beneficiary and the owner(s) of any collateral then securing the Obligations may agree to release, subordinate, increase, change, substitute or exchange all or any part of such collateral, and (b) Beneficiary and any person(s) then primarily liable for the Obligations may agree to renew, extend or compromise the Obligations in whole or in part or to modify the terms of the Obligations in any respect whatsoever. Trustor agrees that no such release, subordination, increase, change, substitution, exchange, renewal, extension, compromise or modification, no sale of the Security Property or any part thereof, no forbearance on the part of Beneficiary, nor any other indulgence given by Beneficiary (whether with or without consideration) shall relieve or diminish in any manner the liability of any Obligor, nor adversely affect the priority of this Deed of Trust, nor limit or prejudice or impair any right or remedy of Beneficiary. All Obligors and all those claiming by, through or under any of them hereby jointly and severally waive any and all right to prior notice of, and any and all defenses or claims based upon, any such release, subordination, increase, change, substitution, exchange, renewal, extension, compromise, modification, sale, forbearance or indulgence.

25. Governing Law. This Deed of Trust shall be governed by, and construed and enforced in accordance with, the laws of the State of Utah, excepting only that federal law shall govern to the extent it may permit Beneficiary to charge, from time to time, interest on the Obligations at a rate higher than may be permissible under applicable law.

26. No Usury. All amounts paid on the Obligations which are deemed interest shall, for the purpose of the calculation provided for herein, be deemed and considered to be spread over the entire period from the date hereof to the date of final payment of the Note. In no event shall any agreed to or actual exaction charged, reserved or taken as an advance or forbearance by Beneficiary as consideration for the Obligations exceed the limits (if any) imposed or provided by the law applicable from time to time to the Obligations for the use or detention of money or for forbearance in seeking its collection; Beneficiary hereby waives any right to demand any such excess. In the event that the interest provisions of the Loan Documents or any exactions required thereunder shall result at any time or for any reason in an effective rate of interest that transcends the maximum interest rate permitted by applicable law (if any), then without further agreement or notice the obligation to be fulfilled shall automatically be reduced to such limit and all sums received by Beneficiary in excess of those lawfully collectible as interest shall be applied against the principal of the Obligations immediately upon Beneficiary's receipt thereof, with the same force and effect as though the payor had specifically designated such extra sums to be so applied to principal and Beneficiary had agreed to accept such extra payment(s) as a premium-free prepayment or prepayments.

27. Severability. Any provision of this Deed of Trust which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction only, be ineffective only to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

28. Inspection and Watchmen. Beneficiary and any persons authorized by Beneficiary shall have the right, from time to time at the discretion of Beneficiary, to enter and inspect the Security Property. At any time after default under the terms of this Deed of Trust or any other Loan Document, if any of the Improvements or Tangible Property shall be unprotected or unguarded, or if any of the Improvements shall be allowed to remain vacant or deserted, then at its option Beneficiary may employ watchmen for the Security Property and expend any monies deemed necessary by Beneficiary to protect the same from waste, vandalism and other hazards, depredation or injury, and any sums expended by Beneficiary for such purpose shall bear interest, shall be paid and shall be secured as provided in paragraph 14.

29. Intentionally Deleted.

30. Indemnity. In the event Beneficiary and/or Trustee shall be named as a party to any lawsuit brought at any time against Trustor or with respect to the Security Property or this Deed of Trust or the Obligations, or if any claim shall be made against either of them in connection with the Security Property, then regardless of the merits of such lawsuit or claim, Trustor shall defend Beneficiary and Trustee and indemnify and hold Beneficiary and Trustee fully harmless from any and all claims, demands, damages, liabilities, judgments, penalties, losses, costs, expenses and attorney's fees arising out of or resulting from any such lawsuit or any appeal in connection therewith.

31. No Partnership. Trustor and Beneficiary hereby acknowledge and agree that Beneficiary is not, has never been, and shall not be deemed a partner or joint venturer of Trustor

or any other Obligor with respect to the Security Property, and that the relationship of Beneficiary to said parties is, has always been, and shall continue to be strictly the role of a lender. Trustor hereby (a) waives and relinquishes any and all claims, demands, counterclaims and/or defenses alleging the existence of any partnership, joint venture or other fiduciary relationship between any of them and Beneficiary, and (b) agrees to indemnify and hold Beneficiary harmless against any and all losses, damages, penalties, fines, forfeitures, legal fees and related costs, judgments, and any other fees, costs and expenses that Beneficiary may sustain as the result of any such allegation by any person whomsoever.

32. Environmental Laws; Governmental Requirements. Trustor represents and warrants to Beneficiary that Trustor has undertaken an appropriate inquiry into the previous ownership and uses of the Security Property consistent with good commercial or customary practice in an effort to minimize liability with respect to any Hazardous Substances (as hereinafter defined). To the best of Trustor's knowledge and except as otherwise disclosed to Beneficiary in writing, Trustor represents and warrants that (i) neither the Security Property nor the operations or activities conducted thereon violate any local, state or federal law, rule or regulation or duty under applicable common law pertaining to human health, safety, protection of the environment, natural resources, conservation, waste management or pollution (the "Environmental Laws"), including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. §9601 et seq.), the Resource Conservation and Recovery Act of 1976 (42 U.S.C. §6901 et seq.), the Clean Air Act (42 U.S.C. §7401 et seq.), the Federal Water Pollution Control Act (33 U.S.C. §1251 et seq.), the Emergency Planning and Community-Right-to-Know Act (42 U.S.C. §11001 et seq.), the Endangered Species Act (16 U.S.C. §1531 et seq.), the Toxic Substances Control Act (15 U.S.C. §2601 et seq.), the Occupational Safety and Health Act (29 U.S.C. §651 et seq.) and the Hazardous Materials Transportation Act (49 U.S.C. §1801 et seq.), and Utah environmental statutes and regulations, including, but not limited to, the Utah Hazardous Substances Mitigation Act, Utah Code Ann. § 19-6-301, et seq.; the Utah Underground Storage Tank Act, Utah Code Ann. § 19-6-401, et seq.; the Utah Air Conservation Act, Utah Code Ann. § 19-2-101, et seq.; the Utah Radiation Control Act, Utah Code Ann. § 19-3-101, et seq.; the Utah Water Quality Act, Utah Code Ann. § 19-5-101, et seq.; the Utah Solid and Hazardous Waste Act, Utah Code Ann. § 19-6-101, et seq.; the Hazardous Waste Facility Siting Act, Utah Code Ann. § 19-6-201, et seq.; and the Utah Solid Waster Management Act, Utah Code Ann. § 19-6-501, et seq.; and all amendments and implementing regulations thereto and regulations promulgated pursuant to said laws, all as amended from time to time; (ii) no hazardous substances, toxic substances or harmful substances, hazardous wastes, hazardous materials, pollutants or contaminants (including, without limitation, asbestos or asbestos-containing materials, lead based paint, polychlorinated biphenyls, petroleum or petroleum products or byproducts, flammable explosives, radioactive materials, or infectious substances) or any other substances or materials which are included under or regulated by the Environmental Laws (collectively, "Hazardous Substances") are located on, in or under or have been handled, generated, stored, processed or disposed of on or released or discharged from the Security Property (including underground contamination), except for those substances used by Trustor or any tenant under a Lease in the ordinary course of businesses in compliance with all Environmental Laws and under circumstances where no liability under any Environmental Law could reasonably be anticipated; (iii) the Security Property is presently free from contamination by Hazardous Substances and that the Security

Property and the activities conducted thereon do not pose any significant hazard to human health or the environment, and (iv) the Security Property complies in all respects with all laws applicable to access to handicapped or disabled persons, including, without limitation, the "Americans with Disabilities Act" and any current or future governmental law, regulation or ruling applicable to or, if applicable, concerning lead-based paint ("Governmental Requirements"). Trustor shall not cause or permit the Security Property to be used for the generation, handling, storage, transportation, disposal or release of any Hazardous Substances except as exempted or permitted under applicable Environmental Laws, and Trustor shall not cause or permit the Security Property or any activities conducted thereon to be in violation of any applicable Environmental Laws or Governmental Requirements. Trustor agrees to indemnify Beneficiary and hold Beneficiary and its directors, officers, employees, successors and assigns harmless from and against any and all claims, losses, damages (including all foreseeable and unforeseeable consequential damages), liabilities, fines, penalties, charges, interest, administrative or judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including without limitation reasonable attorneys' fees and expenses actually incurred), directly or indirectly resulting in whole or in part from the violation of any Environmental Laws or Governmental Requirements applicable to the Security Property or any activity conducted thereon, or from any past, present or future use, generation, handling, storage, transportation, disposal or release of Hazardous Substances at or in connection with the Security Property, or any decontamination, detoxification, closure, cleanup or other remedial measures required with respect to the Security Property under any Environmental Laws. All sums paid and costs incurred by Beneficiary with respect to the foregoing matters shall bear interest, shall be paid and shall be secured as provided in paragraph 14. This indemnity shall survive the full payment and performance of the Obligations and the satisfaction of this Deed of Trust, and it shall inure to the benefit of any transferee of title to the Security Property through foreclosure of this Deed of Trust or through deed in lieu of foreclosure.

33. Subrogation. Beneficiary is hereby subrogated (a) to the lien(s) of each and every mortgage, lien or other encumbrance on all or any part of the Security Property which is fully or partially paid or satisfied out of the proceeds of the Obligations, and (b) to the rights of the owner(s) and holder(s) of any such mortgage, lien or other encumbrance. The respective rights under and priorities of all such mortgages, liens or other encumbrances shall be preserved and shall pass to and be held by Beneficiary as security for the Obligations, to the same extent as if they had been duly assigned by separate instrument of assignment and notwithstanding that the same may have been canceled and satisfied of record.

34. Representations and Warranties. In order to induce Beneficiary to extend the credit secured hereby, Trustor represents and warrants that: (a) except as previously or concurrently disclosed in writing to Beneficiary, there are no actions, suits or proceedings pending or threatened against or affecting any Obligor or any portion of the Security Property or involving the validity or enforceability of this Deed of Trust or the priority of its lien, before any court of law or equity or any tribunal, administrative board or governmental authority, and no Obligor is in default under any other indebtedness or with respect to any order, writ, injunction, decree, judgment or demand of any court or any governmental authority; (b) the execution and delivery of this Deed of Trust and all other Loan Documents do not and shall not (i) violate any

provisions of any law, rule, regulation, order, writ, judgment, injunction, decree, determination or award applicable to any Obligor, nor (ii) result in a breach of, or constitute a default under, any indenture, bond, mortgage, lease, instrument, credit agreement, undertaking, contract or other agreement to which any Obligor is a party or by which any of them or their respective properties may be bound or affected; (c) this Deed of Trust and all other Loan Documents constitute valid and binding obligations of the Obligor(s) executing the same, enforceable against such Obligor(s) in accordance with their respective terms; (d) all financial statements of the Obligors previously delivered to Beneficiary have been prepared in accordance with accounting principles consistently applied and fairly present the correct respective financial conditions of the Obligors as of their respective dates, and the foregoing shall be true with respect to all financial statements of the Obligors delivered to Beneficiary hereafter; (e) there is no fact that the Obligors have not disclosed to Beneficiary in writing that could materially adversely affect their respective properties, businesses or financial conditions or the Security Property or any other collateral for the Obligations; (f) the Obligors have duly obtained all permits, licenses, approvals and consents from, and made all filings with, any governmental authority (and the same have not lapsed nor been rescinded or revoked) which are necessary in connection with the execution or delivery or enforcement of this Deed of Trust or any other Loan Document or the performance of any Obligor's obligations thereunder; (g) the Land and Improvements fully comply with all applicable restrictive covenants, zoning ordinances, subdivision and building codes, applicable health and environmental laws and regulations and, to the best of Trustor's knowledge, all other ordinances, orders and requirements issued by any state, federal or municipal authorities having jurisdiction over the Security Property; (h) the Land is served by electric, gas, sewer, water, telephone and other utilities required for its intended use and final certificates of occupancy have been or prior to occupancy will be issued by such governmental authorities as have jurisdiction over the construction and use of the Security Property; (i) the proceeds of the Obligations are not being used to purchase or carry any "margin stock" within the meaning of Regulation "U" of the Board of Governors of the Federal Reserve System, nor to extend credit to others for that purpose; (j) each extension of credit secured by this Deed of Trust is exempt from the provisions of the Federal Consumers Credit Protection Act (Truth-in-Lending Act) and Regulation "Z" of the Board of Governors of the Federal Reserve System, because Trustor is a person fully excluded therefrom, and/or because said extension of credit is only for business or commercial purposes of Trustor and is not being used for personal, family, household or agricultural purposes; (k) except for the security interest granted hereby, Trustor is, and as to portions of the Tangible Property and Intangibles to be acquired after the date hereof will be, the sole owner (or lessee in the case of Tangible Property leased by Trustor) of the Tangible Property and Intangibles, free from any adverse lien, security interest, encumbrance or adverse claim thereon of any kind whatsoever; (l) the Tangible Property will be kept on or at the Land and Improvements and (m) Trustor has its principal place of business in the state where the Land is located at the address set forth at the beginning of this Deed of Trust and Trustor will immediately notify Beneficiary in writing of any change in its principal place of business as set forth in the beginning of this Deed of Trust.

35. Business Entity. If Trustor is a corporation, partnership, limited liability company or other business entity, or if Trustor consists of more than one person and any such person is such a business entity, then each such business entity hereby represents and warrants as to itself, in order to induce Beneficiary to extend the credit secured hereby, that: (a) it is duly organized,

validly existing and in good standing under the laws of the jurisdiction of its creation and the state in which the Security Property is located; (b) it has all requisite power and authority (corporate or otherwise) to conduct its business, to own its properties, to execute and deliver this Deed of Trust and all other Loan Documents executed by it, and to perform its obligations under the same; (c) its execution, delivery and performance of this Deed of Trust and all other such Loan Documents have been duly authorized by all necessary actions (corporate or otherwise) and do not require the consent or approval of its stockholders (if a corporation) or of any other person or entity whose consent has not been obtained; and (d) the execution, delivery and performance of this Deed of Trust and all other Loan Documents do not and shall not conflict with any provision of its by-laws or articles of incorporation (if a corporation), partnership agreement (if a partnership), operating agreement (if a limited liability company) or trust agreement or other document pursuant to which it was created and exists. Ownership of the Security Property shall be and remain in a single-asset entity throughout the term of the Loan.

36. Rights not Impaired. The lien, security interest and other security rights of Beneficiary hereunder shall not be impaired by any indulgence, moratorium or release granted by Beneficiary, including, but not limited to: (a) any renewal, extension or modification which Beneficiary may grant with respect to any of the Obligations; (b) any surrender, compromise, release, renewal, extension, exchange or substitution which Beneficiary may grant in respect of the Security Property, or any part thereof or any interest therein; or (c) any release or indulgence granted to any endorser, guarantor or surety of any of the Obligations. In the event the ownership of the Security Property or any part thereof becomes vested in a person or entity other than Trustor, Beneficiary may, without notice to Trustor, deal with such successor or successors in interest with reference to this Deed of Trust and to the indebtedness secured hereby in the same manner as with Trustor, without in any way discharging Trustor's liability hereunder or for the payment of the indebtedness secured hereby. No sale of the Security Property, no forbearance on the part of Beneficiary and no extension of the time for the payment of the indebtedness secured hereby given by Beneficiary shall operate to release, discharge, modify, change or affect, in whole or in part, the liability of Trustor hereunder or for the payment of the indebtedness secured hereby or the liability of any other person hereunder or for the payment of the indebtedness secured hereby, except as agreed to in writing by Beneficiary.
