A vote cast at any association meeting by any of such co-owners, whether in person or by proxy, is conclusively presumed to be the vote attributable to the lot concerned unless written objection is made prior to that meeting, or verbal objection is made at that meeting, by another co-owner of the same lot. In the event an objection is made, the vote involved shall not be counted for any purpose except to determine whether a quorum exists.

(b) The Association may change the basis and maximum of the assessments fixed by this Section prospectively for any annual period provided that any such change shall have the assent of sixty-seven percent (67%) of the votes of members voting in person or by proxy at a meeting duly called for this purpose.

The actual general assessment need not increase annually. The Board shall set the actual general annual assessment on an annual basis. Notice shall be given to each owner as provided in Section 8. The Board must set the actual general assessment to be an amount at or less than the Maximum Annual Assessment.

Section 4.4. Special Assessments for Capital Improvements. In addition to the annual assessments, the Association may levy in any assessment year a special assessment, applicable to that year only. If the quorum requirement is not met at such a meeting, another meeting may be called on at least thirty (30) days advance written notice and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than Sixty (60) days following the preceding meeting.

Section 4.7. Uniform Rate of Assessment: Periodic Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots. This method of determining the assessments, dues and charges may not be changed without the prior written approval of all first mortgagees. Annual, special and additional assessments may be collected on a monthly or quarterly basis, as the Trustees determine.

Section 4.8. Date of Commencement of Annual Assessments: Due Dates. The annual assessment provided for herein shall commence to accrue on the first day of the month following conveyance of the common area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year.

At least thirty (30) days prior to the commencement of each new assessment period, the Trustees shall send or cause to be sent a written notice of the annual assessment to each owner subject thereto. This notice shall not be a pre-requisite to validity of the assessment.

In the absence of a determination by the Trustees as to the amount of said assessment, the annual assessment shall be an amount equal to 90% of the maximum annual assessment determined as provided above.

The assessment due dates shall be established by the Trustees. The Trustees may provide for the payment of annual and special assessments in equal installments throughout the assessment year.

The Trustees shall prepare a roster of the properties and the assessments applicable thereto at the same time that it shall fix the amount of the annual assessment which roster shall be kept by the Treasurer of the Association, who shall record payments of assessments and shall allow inspection of the roster by any member at reasonable times.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified lot has been paid. Such certificates, when properly issued, shall be conclusive evidence of the payment of any assessment or fractional part thereof which is therein shown to have been paid.

Section 4.9. Effect of Non-Payment of Assessment: Remedies of the Association. Any assessment or installment thereof not paid within thirty (30) days after the due date thereof shall be delinquent and shall bear interest from the due date at the rate of eighteen percent (18%) per annum (or such lesser rate as the Trustees shall determine appropriate) until paid. In addition, the Trustees may assess a late fee for each delinquent installment which shall not exceed ten per cent (10%) of the installment.

The Trustees may, In the name of the Association,

(a) bring an action at law against the owner personally obligated to pay any such delinquent assessment without waiving the lien of assessment, or

There shall be added to the amount of any delinquent assessment the costs and expenses of any action, sale or foreclosure, and a reasonable attorney's fee, together with an account for the reasonable rental for the lot from time to time of commencement of the foreclosure. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental without regard to the value of the other security.

A power of sale is hereby conferred upon the Association which it may exercise. Under the power of sale the lot of an owner may be sold in the manner provided by Utah law pertaining to deeds of trust as if said Association were beneficiary under a deed of trust. The Association may designate any person or entity qualified by law to serve as Trustee for purposes of power of sale foreclosure.

No owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the common area or by abandonment of his lot.

Section 4.10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage held by an institutional lender or insured by the Federal Housing Administration or the Veterans Administration if the mortgage was recorded prior to the date the assessment became due. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to foreclosure of a first mortgage or any proceeding in lieu thereof shall extinguish the assessment lien as to payments which became due prior to such sale or transfer. No sale or transfer, however, shall relieve a lot or owner from personal liability for assessments coming due after he takes title or from the lien of such later assessments.

Section 4.11 Books, Records and Audit. The Association shall maintain current copies of the Declaration, Articles, Bylaws, Rules and other similar documents, as well as its own books, records and financial statements which shall all be available for inspection by lot owners and insurers as well as by holders, insurers and guarantors of first mortgages during normal business hours upon reasonable notice.
