The Primary Maverik Easement Area and the Secondary Maverik Easement Area are collectively known here in as, the “*Maverik Easement Area*.” The Reciprocal Easement Area, as it pertains to Shefco and Maverik, and the Maverik Easement Area, as it pertains to Maverik, are sometimes referred to herein individually as, an “*Easement Area*,” or collectively as, the “*Easement Areas*.”

TERMS AND CONDITIONS

NOW, THEREFORE, in consideration of the above-mentioned recitals, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and based upon the mutual promises and covenants set forth herein, the Parties agree as follows:

1. Recitals. The recitals set forth above are true, correct and complete in all material respects, and the parties hereto incorporate the above recitals by this reference.

2. Easements.

2.1. Reciprocal Grant of Easement. Each Party, as grantor, hereby grants and conveys to the other Party, as grantee, and to their successors and assigns, a private, nonexclusive easement on, over, across, through and under that portion of the Easement Area to be improved by a common access drive as more particularly described and depicted on Exhibit C, attached hereto and incorporated herein, including but not limited to: (i) the construction, installation and placement of a private access drive that may consist of curbs, gutters, and asphalt pavement (collectively, the “*Access Drive*”); (ii) the maintenance, repair, restoration, and replacement of the Access Drive; and (iii) ingress to and egress from the Maverik Parcel (as it relates to the portion of the Access Drive located on the Shefco Parcel) and the Shefco Parcel (as it relates to the portion of the Access Drive located on the Maverik Parcel) over and across the Access Drive to the publicly dedicated streets known as River Road. The Access Drive is located along a portion of the northwest boundary of the Maverik Parcel and a portion of the southwest boundary of the Shefco Parcel.

2.2. Grant of Easement to Maverik. Shefco hereby grants and conveys to Maverik, a perpetual, nonexclusive access easement on, over and across the Maverik Easement Area for the benefit of the Maverik Parcel and for the purpose of pedestrian and vehicular access to and from the Maverik Parcel.

3. Reservation by the Parties. Each Party reserves the right to use its respective parcel for any use not inconsistent with the other Party’s use of its respective Easement Area as granted herein. Furthermore, Shefco reserves the right to use the Maverik Easement Area for any use not inconsistent with Maverik’s use of the Maverik Easement Area as granted herein.

4. Condition of Easement Areas. The Parties accept the Easement Areas and all aspects thereof in an "as is," "where is" condition, without warranties, either express or implied, "with all faults," including but not limited to both latent and patent defects, and the existence of hazardous materials, if any. The Parties hereby waive all warranties, express or implied, regarding the title, condition and/or use of the Easement Areas.

5. Access. The Parties, and their agents, employees, consultants, guests, invitees, licensees, customers and other reasonably related, or similar, parties (the "**Permitted Users**") shall have the right to enter upon the Easement Areas for the purposes permitted by this Agreement. The Parties and their Permitted Users shall enter upon the Easement Areas at their sole risk and hazard, and each Party, and their successors and assigns, hereby release the other Party from any claims relating to the condition of their respective Easement Area and/or the entry upon such Easement Area by the releasing Party or their Permitted Users.

6. Abandonment of Easements. The approval by the City of St. George of the application for the construction and improvements of the Maverik Parcel and Shefco Parcel was conditioned upon the conveyance of the Easement Areas outlined in this Agreement. The Easement Areas shall not be abandoned or vacated by the Parties without the City of St. George's prior written consent, which consent will not be unreasonably withheld and which consent must be recorded in the Washington County Recorder's Office prior to the abandonment or vacation of the Easement Areas.

7. Maintenance.

7.1. General Maintenance. Subject to the terms of Section 7.2, the Parties agree to maintain their respective parcels, including but not limited to the Easement Area located on each Party's respective parcel, in good order and repair and promptly repair any damage, other than normal wear and tear, to the Easement Area. If a Party or its Permitted Users cause damage (other than normal wear and tear) to the Easement Area or the other Party's parcel, said Party shall be responsible, at its sole cost and expense, to repair said damage caused by such Party (the Party that caused, or whose Permitted Users caused, the damage) or its Permitted Users, which repair shall promptly commence, but in no case later than ten (10) days following written notice from the other Party, and shall diligently pursue repair of the damage to completion.

7.2. Maintenance of Access Drive. The Maintaining Party (hereinafter defined) shall cause the Access Drive to be properly maintained and repaired in a good, clean, safe, orderly and working condition; provided that each Party, at its sole cost and expense, will maintain any sidewalks, street lighting, and other improvements located on its parcel. Notwithstanding the above, if a Party damages the Access Drive, such Party, at its sole cost and expense, shall be responsible to repair such damage; provided, however, that this provision does not apply to normal wear and tear that may result from the anticipated use of the Access Drive. The initial "**Maintaining Party**" shall be Maverik. The Maintaining Party may resign as the Maintaining Party at any time. If the non-maintaining Party is not satisfied with the maintenance and service provided by the Maintaining Party, the Parties agree to discuss the maintenance issues in good faith and attempt to reach an amicable resolution, including the possibility of having the non-maintaining Party assume the obligations of the Maintaining Party. If no Party is

willing to be the Maintaining Party, the Parties shall decide in writing to collectively maintain the Access Drive or retain a third party to do so with the Parties each contributing one-half (1/2) the cost of collectively retaining a third party to maintain the Access Drive.

7.3. Contribution Toward Construction and Maintenance Costs. The non-maintaining Party shall pay to the Maintaining Party one-half (1/2) of the costs incurred by the Maintaining Party to maintain, repair and replace the Access Drive within thirty (30) days after receipt of a detailed statement itemizing the costs incurred by the Maintaining Party to maintain, repair and replace the Access Drive. If the asphalt needs to be resurfaced or if any maintenance or repair needs to be performed the cost of which would exceed \$5,000, both Parties must agree on such work and the cost thereof.

8. Self Help. In the event a Party fails to fulfill its obligations to maintain and repair the Easement Area (the "**Defaulting Party**") pursuant to Section 7 above, after ten (10) days written notice from the other Party (the "**Non-Defaulting Party**") to perform in accordance with this Agreement (unless in case of emergency wherein no written notice will be required), the Non-Defaulting Party may, in its commercially reasonable discretion, enter the Easement Area for the purpose of maintaining the Easement Area and the Defaulting Party shall pay the Non-Defaulting Party, upon demand, the Non-Defaulting Party's actual costs incurred in maintaining the Easement Area. A case of emergency includes, but is not limited to, restricting vehicular access across the Easement Area to and from a Party's parcel for a period of twenty-four (24) consecutive hours.

9. Compliance with Laws. The Parties will comply with all applicable present or future laws, statutes, codes, acts, ordinances, rules, regulations, orders, judgments, decrees, injunctions, permits, licenses, authorizations, directions and requirements of and agreements with all governments, departments, commissions, boards, courts, authorities, agencies, officials and officers.

10. Insurance. Each Party shall obtain and maintain a policy of commercial general liability insurance sufficient to insure their respective interests against claims for personal injury, bodily injury, death, and property damage occurring on, in or about their respective Easement Area. If either Party is self-insured, such Party shall have the right to satisfy its insurance obligations hereunder in accordance with such Party's self-insurance program so long as such Party maintains actuarially sound reserves.

11. Indemnification. The Parties and their successors and assigns hereby agree to indemnify, defend and hold each other harmless from and against any and all liens, encumbrances, costs, demands, claims, judgments, and/or damage caused by or arising out of the use of the Easement Area by the indemnifying Party and/or their Permitted Users, or their successors or assigns and their Permitted Users. The terms and conditions of this provision shall remain effective, notwithstanding the expiration or termination of this Agreement.
