Notice of Reinvestment Fee Covenant for Warner Gateway Homeowner's Association

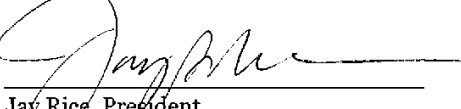

Under Utah Code § 57-1-46, Warner Gateway Homeowner's Association ("Association") gives notice that the property in the Warner Gateway Subdivision, located in Washington County, Utah, and more particularly described in Exhibit A ("Subdivision"), is subject to a reinvestment fee covenant. The reinvestment fee covenant obligates a buyer of a Lot in the Subdivision to pay a reinvestment fee upon the transfer of a Lot. The reinvestment fee covenant does not apply to the initial transfer of a Lot from the Declarant to a buyer.

1. The fee must be paid to the Association at the following address: 4968 South Holiday Pines Ct., Holiday, Utah 84117.
2. The amount of the fee is 0.5% of the value of the Lot at the time of closing, or a lesser amount as may be established by the Association's Board of Directors from time to time.
3. The fee is required to benefit the property in the Subdivision.
4. The purpose of the fee is to enable the Association to pay for the items identified in Utah Code § 57-1-46(1)(i)(ii)(A)-(H), as may be amended or supplemented from time to time.

The reinvestment fee covenant is intended to perpetually run with the land and to bind all successors in interest and assigns. The reinvestment fee covenant precludes the imposition of an additional reinvestment fee covenant on the property in the Subdivision.

Dated this 11th day of July, 2018.
