AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants, terms and conditions set forth herein, Developer and Ivins City hereby agree as follows:

- (1) Recitals; Findings. The foregoing recitals are incorporated and made an integral part of this Agreement by this reference. The City finds that the development of the Property pursuant to this Agreement and applicable City ordinances will result in meaningful planning and economic benefits to, and shall further the health, safety and welfare of, the City and its residents by, among other things: (i) requiring development of the Property in a manner consistent with the applicable rules, regulations and policies of the City; (ii) providing for the dedication of infrastructure improvements to be completed as set forth herein and/or as consistent with current State or City regulations; and (iii) preserving the natural beauty and view of the surrounding environment through agreed upon construction materials and building height limitations. The City is entering into and approving this Agreement pursuant to its authority under the Act and City ordinances, policies and regulations and has made certain determinations with respect to the Property and, in the exercise of its legislative discretion, has elected to approve this Agreement as an agreement, compromise, and settlement as to the matters covered by this Agreement.
- (2) Project Phasing. The development of the multiple phases of the Project shall be governed as follows:
 - (a) Lots within the approved Preliminary Plan for Mojave Flats may be grouped together into phases and recorded on a Final Plat so long as there are fire access roads that comply with City Code as required by this Agreement.

Nothing in this Agreement shall limit the future exercise of the police power by Ivins City in enacting zoning, subdivision, development, transportation, environment, open space, and related land use plans, policies, ordinances, and regulations after the date of this Agreement.

- (11) Integration. This Agreement contains the entire Agreement with respect to the subject matter hereof and integrates all prior conversations, discussions or understanding of whatever kind or nature and may only be modified by a subsequent writing duly executed by the parties hereto.
- (12) Severability. If any part or provision of this Agreement shall be determined to be unconstitutional, invalid or unenforceable by a court of competent jurisdiction, then such a decision shall not affect any other part or provision of this Agreement except that specific provision determined to be unconstitutional, invalid or unenforceable. If any condition, covenant or other provision of this Agreement shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.
