DRINKING WATER SOURCE PROTECTION ZONE

Pursuant to Utah Code Annotated, Section 19-4-113, and Hurricane City Ordinance No. 2020-14, drinking water source protection zones are designated for wells owned by Washington County Water Conservancy District, a Public Water Supply Agency (PWSA) as follows:

Zone 1: the area within a one hundred foot (100') radius from each wellhead, the site description of which is set forth below, Well Site Descriptions, incorporated herein by reference, and demonstrated on the maps set forth in Exhibit A, Well Protection Zones, incorporated herein by reference.

WELL SITE DESCRIPTION FOR SAND HOLLOW WELL #1(UT 27073-WS007):

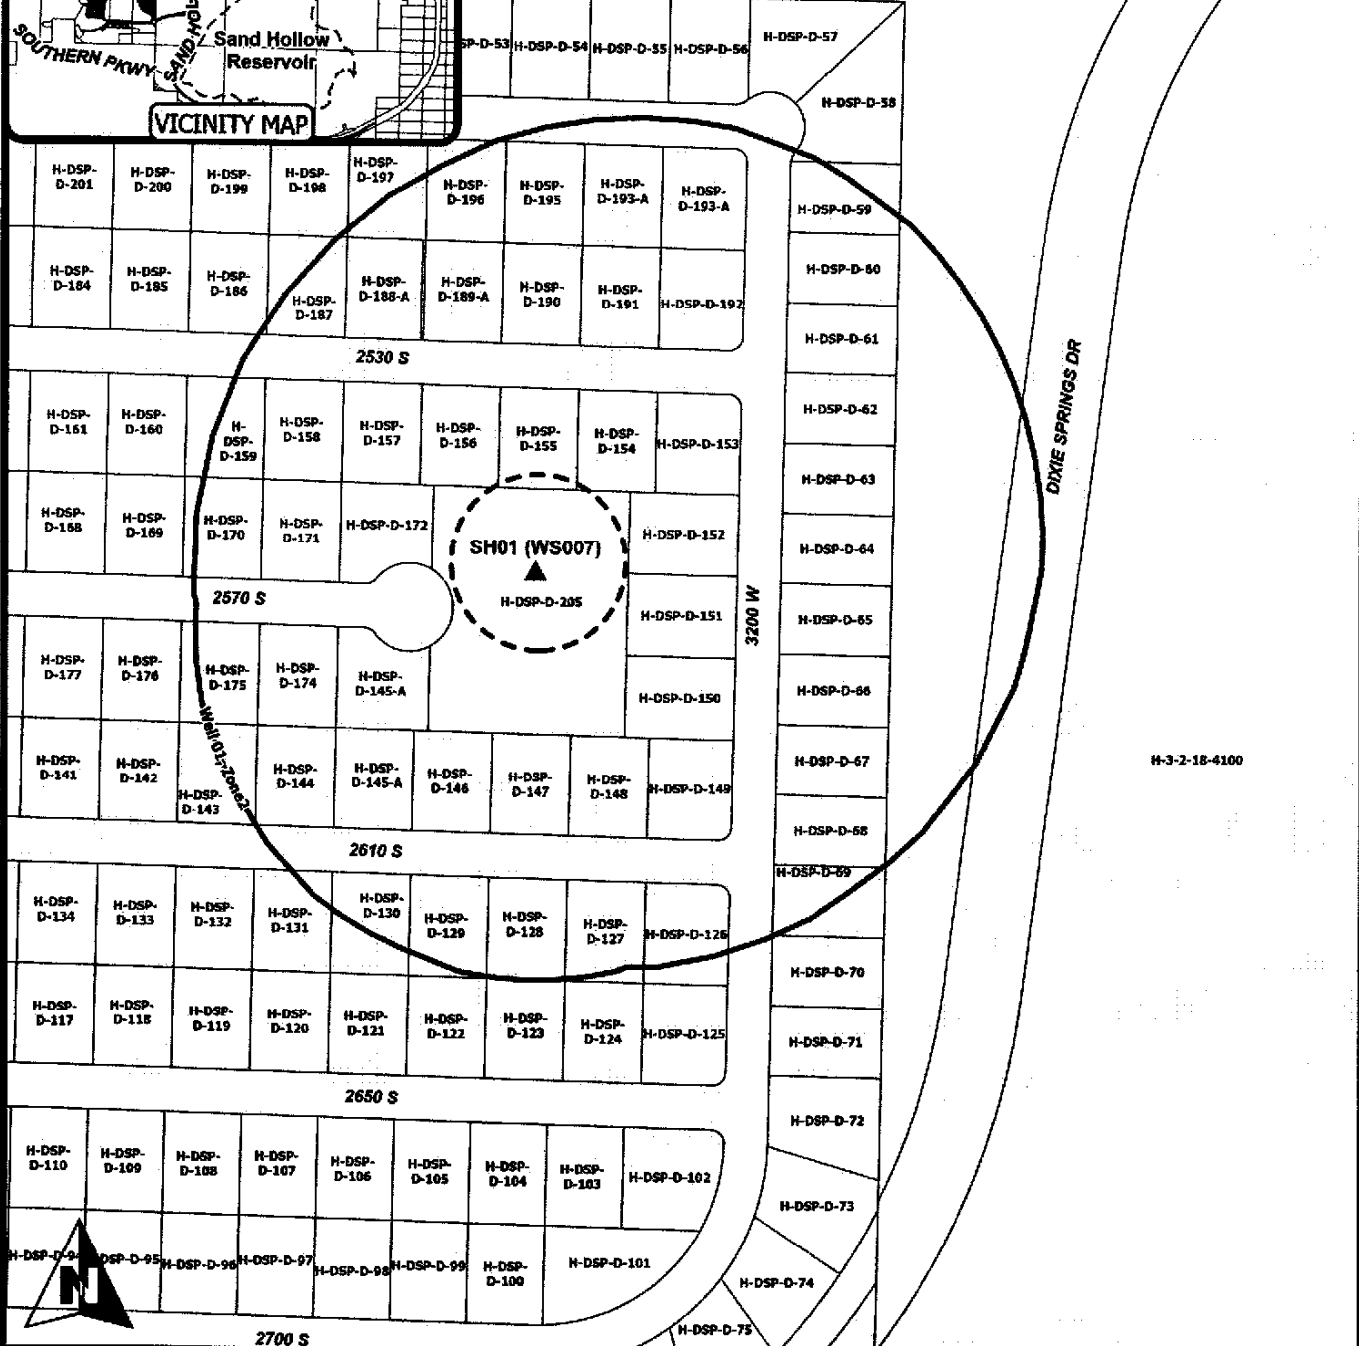

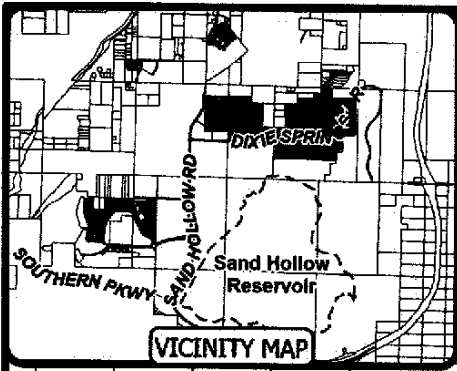

North 1005 feet and East 932 feet from the West Quarter corner of Section 18, Township 42 South, Range 13 West, Salt Lake Base and Meridian.

Zone 2: the area within a two hundred fifty (250) day ground water time of travel to the wellhead (as set forth above), as demonstrated on the map set forth in Exhibit A.

****Signature on following page.**

EXHIBIT A: WELL PROTECTION ZONES (MAP)

Under the guidelines and requirements in the City of Hurricane Drinking Water Source Protection Ordinance No. 2020-14, this map identifies wells owned and operated by the Washington County Water Conservancy District for public use known as the Sand Hollow Wells. This map indicates Zones 1 and 2 of each well's water source protection area. The location of each well is attached in Exhibit A.
