Grantor further grants to Grantee, and Grantee's employees, agents, and representatives, all reasonable rights of ingress, egress and regress, from time to time, on, across, to and from the Easement Property and adjoining lands of Grantor for access to the Utilities and the use and enjoyment of the Easement Property as permitted by this Agreement; provided, however, that the foregoing access rights shall be exercised and used in such a manner as not to cause unreasonable damage, destruction or interference with Grantor's access across, to and from the Easement Property.

2. **Grant of Road Easement:** Grantor hereby grants and conveys to Grantee a perpetual exclusive easement and right of way in, on, along, under and over the Easement Property to construct, install, maintain, operate, repair, inspect, protect, remove and replace a road and any appurtenances thereto (collectively, the "**Road**"), together with the right to trim, cut, fell and remove therefrom all trees, underbrush, obstructions, and other vegetation, structures, or obstacles within the limits of the Easement Property; subject, however, to existing easements for public roads and highways, public utilities, railroads and pipelines. For the avoidance of doubt, Grantee shall not be obligated to repair any damage to any improvements located on the Easement Property, or any adjacent real property of Grantor to the extent such improvements were constructed, erected, or otherwise placed on or about the Easement Property in violation of the terms and conditions of this Agreement.
