AMENDED AND RESTATED DECLARATION OF
COVENANTS, CONDITIONS AND RESTRICTIONS OF
RIVER VIEW TOWNHOUSES
A PLANNED RESIDENTIAL UNIT DEVELOPMENT

THIS AMENDED AND RESTATED DECLARATION is made and executed this ____ day of _____, 2006, by the RIVERVIEW TOWNHOUSES HOMEOWNERS ASSOCIATION, INC., a Utah Non-Profit Corporation (the "Association"). The Association may hereinafter also be referred to as and shall be considered the "Declarant" pursuant to the provisions of the Utah Condominium Ownership Act.

RECITALS:

A. The Association is a Non-Profit Corporation, whose shareholders are the Owners of the individual Residential Lots located within that certain tract of land (the "Property") in the City of Ogden, County of Weber, State of Utah, which is more particularly described in Exhibit "A" attached hereto and by this reference made a part hereof. The Association also collectively owns the Common Areas around the Residential Lots, and is charged with maintaining and regulating the Property, among other things. The Association, by and through these covenants, desires to maintain and regulate the Residential Lots and Common Areas.

B. The Association desires to provide for preservation of the values and amenities of the Property and for maintenance of the Common Areas. To this end and for the benefit of the Property and the Owners thereof, The Association hereby subjects the Property to these Amended and Restated covenants, restrictions, easements, charges and liens set forth in this Declaration, which shall be recorded in the official records of Weber County, State of Utah.

C. The Association has deemed it desirable, for the efficient preservation of the values and amenities of the Property, to create an entity which possesses the powers to maintain and administer the Common Areas, collect and disburse the assessments and charges provided for in the Declaration and otherwise administer and enforce the provisions of the Declaration. For such purposes, the Association has caused to be incorporated under the laws of the State of Utah, as a nonprofit corporation, the River View Townhouses homeowners Association (the "Association").

D. The Association has been subject to Covenants recorded at Entry No. 1686133, Book 2054, Page 2376 (the "Existing Covenants"). The Association has found that the Existing Covenants are contradictory and confusing, and the Association is recording these Amended and Restated Covenants, Conditions and Restrictions (the "Amended Covenants") to clear up the confusion and allow the Association to run more smoothly. Any changes to the Existing Covenants by the Amended Covenants shall hereinafter have binding effect and the Amended Covenants shall be the covenants that shall be binding upon the Association and its Owners in the future.

NOW, THEREFORE, for the foregoing purposes, the Association declares that the

Property shall be subject to this Declaration and that the Property is and shall be held, transferred, sold, conveyed and occupied subject to the covenants, restrictions, easements, charges and liens hereinafter set forth.

.ARTICLE I - DEFINITIONS

The Association shall be an Owner with respect to any Residential Lot owned by it. The designations "Owner" and "Member" shall be synonymous for purposes of this Declaration.

1.10 Property shall mean the Property described in Exhibit "A" attached hereto, which includes all land covered by this Declaration, including Common Areas and Residential Lots.

1.11 Residential Lot shall mean and refer to any one of the forty-eight (48) plots of land and improvements thereon within the boundary of the Property as shown upon and designated on the Plat for private ownership. Each Residential Lot is individually numbered and is intended to be used and occupied by a single family.

1.15 Structural Maintenance Areas shall mean, as the same may from time to time exist, the exterior surfaces of all attached row residential townhouse structures, the patio fences (excluding fences installed by homeowners pursuant to a license issued by the Association), the exterior roofing material of the townhouse structures, the exterior lighting fixtures, and the exterior sidewalks on the lots; structural maintenance areas shall specifically exclude all glass areas.

ARTICLE II - PROPERTY

2.01 Submission. The Property consists of the real property situated in Ogden City, Weber County, State of Utah, described in Exhibit "A" attached hereto and by this reference made a part hereof. The Property has been subdivided into Residential Lots 1 through 48, RIVER VIEW TOWNHOUSES, a Planned Residential Unit Development, as identified in the Plat.

2.02 Division into Residential Lots and Common Areas. The Property is hereby divided into forty-eight (48) Residential Lots, each consisting of a fee simple interest in a portion of the Property as set forth in the Plat. All portions of the Property not designated as Residential Lots

shall constitute the Common Area, which is owned by the Association for the benefits of all Owners in accordance with the provisions of this Declaration.

ARTICLE III - MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

3.01 Membership. Every Owner upon acquiring title to a Residential Lot shall automatically become a Member of the Association and shall remain a Member thereof until such time as his/her ownership of such Residential Lot ceases for any reason, at which time his/her membership in the Association with respect to such Residential Lot shall automatically cease and the successor Owner shall become a Member. Membership in the Association shall be mandatory and shall be appurtenant to and may not be separated from the ownership of a Residential Lot.

3.02 Voting Rights. The Association shall have the following Voting Rights. Members shall be entitled to one vote for each Residential Lot in which the interest required for membership in the Association is held. In any decision to be made that includes the input of the Members (as provided for in Article II, Paragraph 9 of the Association Bylaws), a vote of a quorum of the Members (in accordance with Article II, Paragraph 9 of the Association Bylaws) at any meeting of the Members is required to implement any decision.

3.03 Multiple Ownership Interests. In the event there is more than one Owner of a particular Residential Lot, the vote relating to such Residential Lot shall be exercised as such Owners may determine among themselves, but in no event shall more than one vote be cast with respect to any Residential Lot. A vote cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the entire vote attributable to the Residential Lot concerned.

3.04 Record of Ownership. Every Owner shall promptly cause to be duly filed of record a copy of the conveyance document to him/her of his/her Residential Lot with the secretary of the Association, who shall maintain a record of ownership of the Residential Lots. Any Owner who mortgages his Residential Lot or any interest therein by a Mortgage which has priority over the lien of any assessment provided herein shall notify the secretary of the Association of the name and address of the mortgagee and also of the release of such Mortgage; and the secretary of the Association shall maintain all such information in the record of ownership.

ARTICLE IV - DUTIES AND POWERS OF THE ASSOCIATION

4.01 Duties of the Association. Without limiting any other duties, which may be imposed upon the Association by its Articles of Incorporation or this Declaration, the Association shall have the obligations and duties to do and perform each and every one of the following for the benefit of the Owners and the maintenance and improvement of the Property:

- (a) The association shall accept all Owners as Members of the Association.

(b) The Association shall accept title to all Common Areas conveyed to it by the Association.

(c) The Association shall maintain, repair, and replace, the Common Areas in all phases (including the maintenance and resurfacing of all roadways and snow removal and maintenance of drainage facilities), and, at the discretion of the Board, any Property dedicated to any governmental authority and situated immediately adjacent to the Property if the Board determines that such dedicated Property is not being maintained or landscaped in a condition comparable to the Common Areas.

(d) To the extent not assessed to or paid by the Owners directly, the Association shall pay all real property taxes and assessments, levied upon any portion of the Common Areas, provided that the Association shall have the right to contest or compromise any such taxes or assessments.

(e) The Association shall obtain and maintain in force the policies of insurance required by Article X of this Declaration.

4.02 Powers and Authority of the Association. The Association shall have all the powers set forth in its Articles of Incorporation, together with its general powers as a nonprofit corporation, and the power to do any and all things which may be authorized, required or permitted to be done by the Association under and by virtue of this Declaration, the Utah Condominium Ownership Act, the Utah Community Association Act, or any other applicable statute, including the power to levy and collect assessments as hereinafter provided. Without in any way limiting the generality of the foregoing, the Association shall have the following powers:

(a) The Association shall have the power and authority at any time and from time to time and without liability to any Owner for trespass, damage or otherwise, to enter upon any Residential Lot for the purpose of inspecting, maintaining and repairing such Residential Lot or any improvement thereon if for any reason the Owner fails to maintain and repair such Residential Lot or improvement, or for the purpose of removing any improvement or structural change/alteration constructed, reconstructed, refinished, altered or maintained upon such Residential Lot in violation of Article VIII of this Declaration. The Association shall also have the power and authority from time to time in its own name, on its own behalf, or in the name and behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of this Declaration or any rules and regulations promulgated by the Board, or to enforce by mandatory injunction or otherwise all of the provisions of this Declaration and such rules and regulations.

(b) In fulfilling any of its duties under this Declaration, including its duties for the maintenance, repair, operation or administration of the Common Areas and Residential Lots (to the extent necessitated by the failure of the Owners of such Residential Lots) or in exercising any of its rights to construct improvements or other work upon any of the Common Areas, and provided that any contract for goods or services having a term of

more than one (1) year shall state that it may be terminated by either party at the end of the first year or at any time thereafter upon not less than ninety (90) days' written notice, the Association shall have the power and authority (i) to pay and discharge any and all liens placed upon any Common Areas on account of any work done or performed by the Association in the fulfillment of any of its obligations and duties of maintenance, repair, operation or administration and (ii) to obtain, contract and pay for, or otherwise provide for:

(1) Maintenance, repair and replacement of all roadways and appurtenant improvements, including the removal of snow thereon, on such terms and conditions as the Board shall deem appropriate;

(2) Construction, maintenance, repair and landscaping of the Common Areas, including all surface run-off, drainage and detention facilities, on such terms and conditions as the Board shall deem appropriate;

(3) Such insurance policies or bonds as the Board may deem appropriate for the protection or benefit of the Association, the members of the Board, the members of the Design Committee and the Owners;

(4) Such utility services, including (without limitation) culinary water, secondary water, sewer, trash removal, electrical, telephone and gas services, as the Board may from time to time deem desirable;

(5) The services of architects, engineers, attorneys and certified public accountants and such other professional or nonprofessional services as the Board may deem desirable;

(6) Fire, police and such other protection services as the Board may deem desirable for the benefit of the Owners or any of the Property; and

(7) Such materials, supplies, furniture, equipment, services and labor as the Board may deem necessary.

(c) The Board may delegate any of its powers under this Declaration to a Managing Agent or a Committee, including a Design Committee; provided, however, that the Board cannot delegate to such Managing Agent or Committee the power to execute any contract binding on the Association for a sum in excess of \$5,000 nor the power to sell, convey, mortgage or encumber any Common Areas.

(d) The Association shall have the power and authority to hire a responsible corporation, partnership, firm, person or other entity, to maintain the grounds of an owner's Residential Lot should an Owner fail to do so. The cost to maintain a Residential Lot shall be charged to the Owner of the Residential Lot and may be included in the monthly assessment to the Owner.

4.03 Association Rules. The Board from time to time and subject to the provisions of this Declaration may adopt, amend, repeal and enforce rules and regulations governing, among other things, (a) the use of the Common Areas; (b) the use of any roads or utility facilities owned by the Association; (c) the collection and disposal of refuse; (d) the maintenance of animals on the Property; (e) signs; (f) parking; and (g) other matters concerning the use and enjoyment of the Property and the conduct of residents, including minimum standards of property maintenance consistent with this Declaration.

4.04 Fines. In addition to the rules and regulations governing the items mentioned in Section 4.03 above, the Board may also adopt, amend and repeal fines related to any Owner's (or the Owner's guest, lessee, or other invitee) failure to abide by said rules and regulations. The Board may add the fines to the monthly assessments provided for in Section 5.01 below, and those amounts will become a continuing lien upon the Owner's Residential Lot.

4.05 Limitation of Liability. No member of the Board acting in good faith shall be personally liable to any Owner, guest, lessee or any other person for any error or omission of the Association, its representatives and employees, the Board, the Design Committee or the Managing Agent.

ARTICLE V - ASSESSMENTS

5.01 Personal Obligation and Lien. Each Owner shall by acquiring or in any way becoming vested with his/her interest in a Residential Lot, be deemed to covenant and agree to pay to the Association the monthly and special assessments described in this Article, together with late payment fees, interest and costs of collection, if and when applicable. All such amounts shall be, constitute and remain: (a) a charge and continuing lien upon the Residential Lot with respect to which such assessment is made until fully paid; and (b) the personal, joint and several obligation of the Owner or Owners of such Residential Lot at the time the assessment falls due. No Owner may exempt himself or his Residential Lot from liability for payment of assessments by waiver of his rights in the Common Areas or by abandonment of his Residential Lot. In a voluntary conveyance of a Residential Lot, the grantee shall be jointly and severally liable with the grantor for all unpaid monthly and special assessments, late payment fees, interest and costs of collection which shall be a charge on the Residential Lot at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. In the event that an Owner is leasing his/her Residential Lot to a tenant and the Owner is sixty (60) days or more behind on any assessment the Owner owes to the Association, the Association may make demand upon the tenant to pay the rent directly to the Association, in accordance with Utah Code Section 57-8a-205, until the past due assessments have been paid in full.

5.02 Purpose of Assessments. Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents of the Property. The use made by the Association of funds obtained from

assessments may include payment of the cost of: taxes and insurance on the Common Areas; maintenance, repair, and improvements of the Common Areas; management and supervision of the Common Areas; establishment and funding of a reserve to cover major repair or replacement of improvements within the Common Areas; and any expense necessary or desirable to enable the Association to perform or fulfill its obligations, functions or purposes under this Declaration or its Articles of Incorporation. The Association shall maintain an adequate reserve fund or funds for maintenance, repairs and replacement of those elements of the Common Areas that must be maintained, repaired or replaced on a periodic basis.

5.03 Monthly Assessments. The Board shall from time to time and in its discretion set the amount of the monthly assessment in an amount reasonably estimated by the Board to be sufficient to meet the obligations imposed by this Declaration and on the basis specified in Section 5.07 below.

5.04 Special Assessments. From and after the date set under Section 5.08 of this Article, the Association may levy special assessments in addition to monthly assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments, or (b) the cost of any construction, reconstruction, or unexpectedly required repairs or replacement of the Common Areas. Any such special assessment must be assented to by a majority (51%) of the votes of the membership, which Owners present in person or represented by proxy are entitled to cast at a meeting duly called for that purpose. Written notice setting forth the purpose of such meeting shall be sent to all Owners at least ten (10) but not more than thirty (30) days prior to the meeting date.

5.05 Quorum Requirements. The quorum at any meeting required for any action authorized by Section 5.04 above shall be as follows: At the first meeting called, the presence of Owners or of proxies entitled to cast fifty-one percent (51%) of all of the votes of the Owners shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirements set forth in Section 5.04, i.e., notice must be in writing and sent to all of the Owners at least ten (10) days but not more than thirty (30) days prior to the meeting) at which a quorum shall be one-half of the quorum that was required at the immediately preceding meeting, i.e., twenty-five percent (25%) of the Owners present in person or by proxy. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting. If no quorum is present at the second meeting, then no action shall be taken.

5.06 Special Assessment on Specific Residential Lots. In addition to the monthly assessment and any special assessment authorized pursuant to Section 5.04 above, the Board may levy at any time special assessments (a) on every Residential Lot especially benefited by any improvement to adjacent roads, sidewalks, planting areas or other portions of the Common Areas made on the written request of the Owner of the

Residential Lot to be charged, (b) on every Residential Lot the Owner or occupant of which shall cause any damage to the Common Areas necessitating repairs, and (c) on every Residential Lot as to which the Association shall incur any expense for maintenance or repair work performed, or enforcement action taken, pursuant to Section 4.02(a) of Article IV or other provisions of this Declaration. The aggregate amount of any such special assessments shall be determined by the cost of such improvements, repairs, maintenance or enforcement action, including all overhead and administrative costs, and shall be allocated among the affected Residential Lots according to the special benefit or cause of damage or maintenance or repair work or enforcement action, as the case may be, and such assessment may be made in advance of the performance of work. If a special benefit arises from any improvement which is part of the general maintenance obligations of the Association, it shall not give rise to a special assessment against the Residential Lots benefited.

5.07 Uniform Rate of Assessment. All monthly and special assessments authorized by Section 5.03 or 5.04 above shall be fixed at a uniform rate for all Residential Lots, regardless of ownership or whether or not the Residential Lots are improved with living Units. No amendment of this Declaration changing the allocation ratio of such assessments shall be valid without the consent of the Owners of all Residential Lots adversely affected.

5.08 Monthly Assessment Due Dates. The monthly assessments provided for herein shall be due on the first day of each month, and shall be deemed late thirty (30) days after it is due. At least fifteen (15) days prior to the effective date of any change in the amount of monthly assessments, the Association shall give each Owner written notice of the amount and first due date of the assessment concerned.

5.09 Certificate Regarding Payment. Upon the request of any Owner or prospective purchaser or encumbrancer of a Residential Lot and upon the payment of a reasonable fee to the Association to cover administrative costs, the Association shall issue a certificate stating whether or not payments of all assessments respecting such Residential Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who rely thereon in good faith.

5.10 Effect of Nonpayment Remedies. Any assessment not paid when due shall, together with interest and costs of collection, be, constitute, and remain a continuing lien on the affected Residential Lot. If any assessment is not paid within thirty (30) days after the date on which it becomes due, the Board may assess a late fee in the Board's discretion, and the unpaid amount thereof, including any late fees, shall bear interest from the due date at the rate of two percent (2%) per month; and the Association may bring an action against the Owner who is personally liable or may foreclose its lien against the Residential Lot, or both. Any judgment obtained by the Association in connection with the collection of delinquent assessments and related charges shall include reasonable attorney's fees, court costs and every other expense incurred by the Association in enforcing its rights.

5.11 Priority of Lien to Mortgages. The lien of the assessments provided herein shall be treated under the Utah Condominium Ownership Act, Section 57-8-1, et seq., and shall not be subordinate to the lien of any first Mortgage to a bank, savings and loan association, insurance company or other institutional lender where the lien of the assessments was recorded prior in time to the first Mortgage and therefore has priority over the first Mortgage; and the holder of any such first Mortgage or purchaser who comes into possession of a Residential Lot by virtue of the foreclosure of such Mortgage or the exercise of a power of sale under such mortgage, or by deed in lieu of foreclosure, shall only take free of such assessment lien as to any assessment which accretes or becomes due prior to the time such holder or purchaser takes possession of such Residential Lot if said first Mortgage was recorded prior to the assessment lien in the Weber County Recorder's Office; provided, that to the extent there are any proceeds of the sale on foreclosure of such Mortgage or by exercise of such power of sale in excess of all amounts necessary to satisfy all indebtedness secured by and owed to the holder of such Mortgage, the lien shall apply to such excess. No sale or transfer shall relieve any Residential Lot from the lien of any assessment thereafter becoming due.

ARTICLE VI - PROPERTY RIGHTS AND CONVEYANCES

6.01 Easement Concerning Common Areas. Each Owner shall have a nonexclusive right and easement of use and enjoyment in and to the Common Areas. Such right and easement shall be appurtenant to and shall pass with title to each Residential Lot and in no event shall be separated therefrom. Any Owner may delegate the right and easement of use and enjoyment described herein to any family member, household guest, tenant, lessee, contract purchaser, or other person who resides on such owner's Residential Lot. Notwithstanding the foregoing, no Owner shall have any right or interest in any easements forming a portion of the Common Areas except for the necessary parking, access, communication, utility, drainage and sewer purposes for which such easements are intended for use in common with others.

6.02 Form of Conveyancing. Any deed, mortgage, deed of trust, or other instrument conveying or encumbering title to a Residential Lot shall describe the interest or estate involved substantially as follows:

Lot No. _____ of the RIVER VIEW TOWNHOUSES,
 A Planned Residential Unit Development, according to the Plat thereof recorded at Entry No. _____ in Book _____, Page _____, of the Official Records of Weber County, which Residential Lot is contained within the RIVER VIEW TOWNHOUSES Planned Residential Unit Development identified in the "Declaration of Covenants, Conditions, and Restrictions of the RIVER VIEW TOWNHOUSES, a Planned Residential Unit Development" recorded at Entry No. _____, in Book _____ at Page _____. SUBJECT TO the covenants, conditions, restrictions, easements, charges and liens provided for in said Declaration of Covenants, Conditions and Restrictions.

Whether or not the description employed in any such instrument is in the above-

specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Residential Lot. Any lease of a Residential Lot shall be in writing and shall provide that the terms of the Lease shall be subject in all respects to the provisions of this Declaration and the Articles of Incorporation and By-laws of the Association and that any failure by the lessee to comply with the terms of such documents shall be a default under the Lease.

6.03 Transfer of Title to Common Areas. The Association shall convey to the Association title to the various Common Areas free and clear of all liens (other than the lien of current general taxes and the lien of any nondelinquent assessments, charges, or taxes, imposed by governmental or quasi-governmental authorities), as each such Common Area is substantially completed.

6.04 Limitation on Easement. An Owner's right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

(a) The right of the Association to govern by rules and regulations the use of the Common Areas for the Owners so as to provide for the enjoyment of the Common Areas by every Owner in a manner consistent with the preservation of quiet enjoyment of the Residential Lots by every Owner, including the right of the Association to impose reasonable user charges for the use of facilities (other than open areas) within the Common Areas and reasonable limitations on the number of guests per Owner who at any given time are permitted to use the Common Areas;

(b) The right of the Association to suspend an Owner's right to the use of any amenities included in the Common Areas for any period during which an assessment on such Owner's Residential Lot remains unpaid and for a period not exceeding ninety (90) days for any infraction by such Owner of the provisions of this Declaration or of any rule or regulation promulgated by the Board;

(c) The right of the City of Ogden and any other governmental or quasi-governmental body having jurisdiction over the Property to enjoy access and rights of ingress and egress over and across any street, parking area, walkway, or open area contained within the Common Areas for the purpose of providing police and fire protection, transporting school children, and providing any other governmental or municipal service; and

(d) The right of the Association to dedicate or transfer any part of the Common Areas to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association, provided that such dedication or transfer must first be assented to in writing by (1) all holders of first mortgages secured by Residential Lots and (2) the Owners of at least seventy-five percent (75%) of the

Residential Lots (not including Residential Lots owned by The Association). No such dedication or transfer, however, may take place without the Association first receiving approval from the City of Ogden pursuant to all applicable state and county laws, rules and ordinances in effect at the time of such proposed dedication or transfer.

6.05 Reservation of Access and Utility Easements. The Association reserves easements for access, electrical, gas, communications, cable television and other utility purposes and for sewer, drainage and water facilities, (whether servicing the Property or other premises or both) over, under, along, across and through the Property, together with the right to grant to the Association, the City of Ogden, or any other appropriate governmental agency or to any public utility or other corporation or association, easements for such purposes over, under, across, along and through the Property upon the usual terms and conditions required by the grantee thereof for such easement rights, provided, however, that such easement rights must be exercised in such manner as not to interfere unreasonably with the use of the Property by the Owners and the Association and those claiming by, through or under the Owners or the Association; and in connection with the installation, maintenance or repair of any facilities as provided for in any of such easements, the Property shall be promptly restored by and at the expense of the person owning and exercising such easement rights to the approximate condition of the Property immediately prior to the exercise thereof.

6.06 Easements for Encroachments. If any part of the Common Areas as improved by the Association now or hereafter encroaches upon any Residential Lot or if any structure constructed by the original builder on any Residential Lot now or hereafter encroaches upon any other Residential Lot or upon any portion of the Common Areas, a valid easement for such encroachment and the maintenance thereof, so long as it continues, shall exist. If any structure on any Residential Lot shall be partially or totally destroyed and then rebuilt in a manner intended to duplicate the structure so destroyed, minor encroachments of such structure upon any other Residential Lot or upon any portion of the Common Areas due to such reconstruction shall be permitted; and valid easements for such encroachments and the maintenance thereof, so long as they continue, shall exist.

6.07 Easements for Construction, Development and Maintenance Activities. The Association reserves for itself easements and rights of ingress and egress over, under, along, across and through the Property and the right to make such noise, dust and other disturbance as may be reasonably incident to or necessary for the (a) improvement of the Common Areas and construction, installation and maintenance thereon or roads, walkways, buildings, structures, landscaping, and other facilities designed for the use and enjoyment of some or all of the Owners, (b) construction, installation and maintenance on lands within, adjacent to, or serving the Property of roads, walkways, and other facilities, planned for dedication to appropriate governmental authorities, and (c) maintenance of the Property or any improvement thereon, if any.

ARTICLE VII - USE RESTRICTIONS

7.01 Single Family Residence. Each Residential Lot shall be used as a residence for a single family and for no other purpose.

7.02 Business or Commercial Activity. No part of the Property shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending or other such non-residential purposes; excepting professional and administrative occupations without external evidence thereof, for so long as such occupations are in conformance with Ogden City ordinances and are merely incidental to the use of the Living Unit as a residential home.

7.03 Nuisances. No noxious or offensive activity (including but not limited to the repair of motor vehicles) shall be carried on, in or upon any Residential Lot or the Common Area, nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any other Owner. No loud noises or noxious odors shall be permitted on the Property, and the Board of Directors shall have the right to determine in accordance with the By-Laws if any noise, odor or activity producing such noise, odor or interference constitutes a nuisance. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devises (other than security devices used exclusively for security purposes), noisy or smoky vehicles, large power equipment or large power tools, unlicensed off road motor vehicles or other items which may unreasonably interfere with television or radio reception of any Owner in the Property, shall be located, used or placed on any portion of the Property, or exposed to the view of other Owners without the prior written approval of the Design Committee.

7.04 Signs. No sign, poster, display, billboard or other advertising device of any kind shall be displayed to the public view on any portion of the Property or any Residential Lot, without the prior written consent of the Design Committee, except one sign for each living Unit (displayed in windows only), of not more than three (3) feet by two (2) feet, plain white with black block letters, advertising the property for sale, or except signs, regardless of size, used by a licensed realtor, to advertise any living Unit for sale. All signs or billboards and the conditions promulgated for the regulation thereof shall conform to the requirements of the Ogden City ordinances.

7.05 Parking and Vehicular Restrictions. No Owner of a Residential Lot shall park, store or keep any vehicle except wholly within the parking area designated therefor, and no inoperable vehicle shall be stored on the Property. No Owner shall park, store or keep on any part of the Property or street (public or private) within the Property any large commercial-type vehicle (dump truck, cement-mixer truck, oil or gas truck, delivery truck and any other vehicular equipment, mobile or otherwise, deemed to be a nuisance by the Board) or any recreational vehicle (camper unit, motor home, truck, trailer, boat, mobile home or other similar vehicle)(except as otherwise provided by the Board). The above excludes camper trucks up to and including three-quarter (3/4) ton when used for everyday-type transportation

and subject to approval by the Board of Directors. No Owner of a Residential Lot shall conduct major repairs or major restorations of any motor vehicle, boat, trailer, aircraft or other vehicle upon any portion of any Residential Lot or upon the Common Area. No inoperable vehicle or junk or dilapidated vehicle or unregistered vehicle or uninsured vehicle shall be kept, stored or placed or left in any parking area, common area, limited common area, Residential Lot area or on any street within or surrounding any such area. No guest, family, or other invitee of an Owner or an Owner's tenant may park in any area other than the Owner's parking space(s) or the parking spaces designated as guest parking spaces.

7.06 Animal Restriction, Garden Restriction. No animals, livestock, reptiles or poultry of any kind shall be raised, bred or kept on any Residential Lot or the Common Area, except usual and ordinary dogs, cats, fish, birds and other household pets may be kept on Residential Lots subject to rules and regulations adopted by the Association, provided that they are not kept, bred or maintained for commercial purposes or in unreasonable quantities. As used in this Declaration, "unreasonable quantities" shall ordinarily mean more than two (2) pets per household, provided, however, that the Association (or the Design Committee or such other person or entity as the Association may from time to time designate) may determine that a reasonable number in any instance may be more or less. The Association, acting through the Board of Directors, shall have the right to prohibit maintenance of any animal which constitutes, in the opinion of the Board, a nuisance to any other Owner. Animals belonging to Owners, occupants or their licensees, tenants or invitees within the Property must be either kept inside the residential structure (or on any enclosed and fenced patio) of that owner, or, if temporarily outside the structure, on a leash being held by a person capable of controlling the animal. Should any animal belonging to an Owner be found unattended out of the residential structure and not being held on a leash by a person capable of controlling the animal, such animal may be removed by The Association (for so long as it owns any interest in the Property) or a person designated by The Association to do so, or by any person authorized by the Association, to a pound under the jurisdiction of the local municipality in which the Property are situated and subject to the laws and rules governing said pound, or to a comparable animal shelter. Furthermore, any Owner shall be absolutely and strictly liable to each and all remaining Owners, their families, guests, tenants and invitees, for any unreasonable noise or damage to person or property caused by any animals brought or kept upon the Property by an Owner or by members of his family, his tenants or his guests; and it shall be the absolute duty and responsibility of each such Owner to clean up after such animals which have used any portion of the Common Area. No garden shall be kept, raised, installed or maintained in any common area, limited common area or Residential Lot area.

7.07 Trash. No rubbish, trash or garbage or other waste material (including dog waste) shall be kept or permitted upon any Residential Lot or Common Area, except in sanitary containers located in appropriate areas screened and concealed from view, and no odor shall be permitted to arise therefrom so as to render the Property or any portion thereof unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to its occupants. There shall be no exterior fires whatsoever except barbecue fires contained within receptacles therefor and fire pits in the patios designed in such a manner that they do not create a fire hazard. No clothing or household fabrics shall be hung, dried or aired in such a way in the Property as to be visible to other

property, and no lumber, grass, shrub or tree clippings or plant waste, metals, bulk material or scrap or refuse or trash shall be kept, stored or allowed to accumulate on any portion of the Property except within an enclosed structure or appropriately screened from view.

7.08 View Obstructions. No fence, hedge, wall or other dividing instrumentality over six feet (6') in height measured from the ground on which it stands shall be constructed or maintained on any Residential Lot, except that the Association may vary or exceed said height or location of any fence in accordance with its architectural plans. Each Owner by accepting a deed to a Residential Lot hereby acknowledges that any construction by the Association may impair the view of such Owner and hereby consents to such impairment.

7.09 Temporary or Permanent Outbuildings. No outbuilding, basement, tent, shack, shed, storage unit or other temporary building or improvement of any kind shall be placed upon any portion of the Property either temporarily or permanently without the express written permission of the Association Board and/or Design Committee. No garage, trailer, camper, motor home or recreation vehicle shall be used as a residence in the Property, either temporarily or permanently.

7.10 Common Area Facilities. Nothing shall be altered or constructed in or removed from the Common Area except upon the written consent of the Association.

7.11 Outside Installations. No radio station or shortwave operators of any kind shall operate from any Residential Lot of Living Unit unless approved by the Board of Directors. Exterior radio antenna, television antenna, or other antenna may be erected or maintained in the Property, subject to the approval of the Design Committee.

7.12 Insurance Rates. Nothing shall be done or kept in the Property which will increase the rate of insurance on any property insured by the Association without the approval of the Board, nor shall anything be done or kept in the Property which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any law.

7.13 Drilling. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind, shall be permitted upon or in any Residential Lot, nor shall oil wells, tanks, tunnels or mineral excavations or shafts be permitted upon the surface of any Residential Lot or within five hundred feet (500') below the surface of the Property. No derrick or other structure designed for use in boring for water, oil or natural gas shall be erected, maintained or permitted upon any Residential Lot.

7.14 Further Subdivision. No Owner shall further partition or subdivide his Residential Lot; provided however, that this provision shall not be construed to limit the right of an Owner (1) to sell his Residential Lot; or (2) to transfer or sell any Residential Lot

to more than one person to be held by them as tenants-in common, joint tenants, tenants by the entirety or as community property. The terms of any such lease or rental agreement shall be subject in all respects to the provisions of this Declaration and Bylaws of the Association, and any failure by the Lessee of such Residential Lot to comply with the terms of this Declaration or the Bylaws of the Association shall constitute a default under the lease.

7.15 Drainage. There shall be no interference with the established drainage pattern over any Subdivision within the Property, unless an adequate alternative provision is made for proper drainage and is first approved in writing by the Design Committee. For the purposes hereof, "established" drainage is defined as the drainage which existed at the time the overall grading of the Property was completed by the original contractor, or that which is shown on any plans approved by the Design Committee, which may include drainage from the Common Area over any Residential Lot or Residential Lots in the Property.

7.16 Water Supply Systems. No individual water supply, sewage disposal system, or water softener system shall be permitted on any Residential Lot in the Property unless such system is designed, located, constructed and equipped in accordance with the requirements, standards and recommendations of the Weber County Health Department, the Design Committee, and all other applicable governmental authorities.

7.17 No Renting. Pursuant to a vote of the Owners, the Covenants are hereby amended so that from this day forward, only owner occupants may live in any Living Unit. Owner-occupied shall mean that the owner or owners of record or the immediate family of the same (lawful spouse, father, mother, child or children, brother(s) or sister(s)) reside in and designate the Living Unit as their primary residence. No Owner may rent or lease any Living Unit to any third party who is not a member of their immediate family. If an Owner determines that they are no longer going to occupy a Living Unit, the Owner must sell the Living Unit or leave it vacant. Because notice of a change such as this one must be prospective to comport with the due process requirements of the Constitutions of the United States and the State of Utah, Owners who are currently leasing their Living Unit to a third party non-family member will be "grandfathered" and excepted from this rule. However, upon the sale or other transfer by one of these "grandfathered" Owners to a new Owner, the new Owner will be subject to these requirements and may not lease the Living Unit to a third party non-family member. Upon receiving notice of any violation of this covenant, the Board may initiate legal proceedings to enforce this covenant against any Owner who is not "grandfathered," and the prevailing party in any resulting litigation will be entitled to reimbursement of all of its attorneys fees and costs from the losing party.

ARTICLE VIII - ARCHITECTURAL CONTROL

8.01 Organization of the Design Committee. There shall be a Design Committee consisting of not fewer than three (3) members. The Association shall have the right to appoint, remove and increase the number of members of the Design Committee. The Association may voluntarily relinquish control of the Design Committee to the Board at anytime. Whenever the Design Committee consists of more than three (3) members, it

may designate subcommittees, each consisting of at least three (3) members. Unless authorized by the Board, the members of the Design Committee shall not receive any compensation, but all members shall be entitled to reimbursement from the Association for reasonable expenses incurred in the performance of any Design Committee function, if they perform said function with Board approval of the performance and the reimbursement.

8.02 Actions Requiring Approval. No fence, wall, accessory (including holiday decorations, screen doors, wind chimes, hanging baskets, hot tubs, etc.), addition, change, or alteration to a Living Unit visible from the Common Areas or public streets within the Property, or landscaping (including trees, shrubs, bushes, flowers, etc.) or other improvement of a Residential Lot visible from the Common Areas or public streets within the Property shall be constructed, performed or added, nor shall any alteration of any structure on any Residential Lot, including a change in exterior color, be made, unless complete plans and specifications showing the nature, color, kind, shape, height, materials and location of the same shall first be submitted to and approved by the Design Committee. Any permanent structure such as fences and screen doors, must be professionally installed.

8.03 Standard of Design Review. Before granting any approval of plans and specifications, the Design Committee shall determine to its reasonable satisfaction that such plans and specifications (a) conform to all architectural standards contained in this Declaration and all further architectural standards promulgated from time to time by the Board and (b) provide for a structure, alteration, landscaping or other improvements in harmony as to external design and location with surrounding structures and topography.

8.04 Design Committee Rules and Architectural Standards. The Board may, upon recommendation from the Design Committee, adopt and file as a matter of public record reasonable rules related to the efficient review of plans and specifications including requirements as to the number of sets of plans and specifications to be submitted, the fixing of a review or variance request fee not exceeding Fifty Dollars (\$50.00) per review or variance request, the details to be shown on plans and specifications, and design guidelines consistent with this Declaration and covering such matters as setbacks, height limitations, restrictions on minimum or maximum size and quality of structures

8.05 Approval Procedure. The Design Committee and any subcommittees thereof shall meet from time to time as necessary to perform the duties of the Design Committee. The vote or written consent of a majority of the Design Committee or any authorized subcommittee shall constitute the act of the Design Committee. Any written plans and specifications submitted to the Design Committee shall be approved or disapproved within thirty (30) days after receipt by the Design Committee.

8.06 Variance Procedure. If plans and specifications submitted to the Design Committee are disapproved because such plans and specifications are not in conformity with applicable architectural standards, the party or parties making such submission may submit a

request for variance to the Design Committee, which shall make a written recommendation of approval or disapproval of the requested variance to the Board. The Board shall approve or disapprove the request for variance in writing.

8.07 Nonwaiver. The approval by the Design Committee of any plans and specifications for any work done or proposed shall not constitute a waiver of any right of the Design Committee to disapprove any similar plans and specifications.

8.08 Completion of Construction. Once begun, any improvements, construction, landscaping or alterations approved by the Design Committee shall be diligently prosecuted to completion in strict accordance with the plans and specifications approved by the Design Committee.

8.09 Exemption of the Association. The provisions of this Article shall not apply to any improvement, construction, landscaping or alteration made or performed by the Association on any Residential Lot or portions of the Common Areas at any time.

8.10 Estoppel Certificate. Within thirty (30) days after written demand therefor is delivered to the Design Committee by any Owner and upon payment therewith to the Association of a reasonable fee from time to time to be fixed by the Board, the Design Committee shall issue an estoppel certificate in recordable form executed by any two of its members, certifying with respect to any Residential Lot of such Owner that as of the date thereof either (a) all improvements and other work made or done upon or within such Residential Lot by the Owner, or otherwise, comply with This Declaration, or (b) such improvements or work do not so comply, in which event the certificate shall also (i) identify the nonconforming improvements or work, and (ii) set forth the nature of such noncompliance. Any mortgagee or purchaser from the Owner shall be entitled to rely on such certificate with respect to the matters therein set forth.

8.11 Disclaimer of Liability. Neither the Design Committee, nor any member thereof acting in good faith shall be liable to the Association or to any Owner for any damage, loss, or prejudice suffered or claimed on account of (a) the approval or rejection of, or the failure to approve or reject, any plans, drawings and specifications, (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications, (c) the development or manner of development of any of the Property, or (d) any engineering or other defect in approved plans and specifications.

ARTICLE IX - MAINTENANCE AND REPAIR OBLIGATIONS

9.01 Structural Maintenance Areas. No improvement, excavation or work which in any way alters the Structural Maintenance Areas from their natural or existing state on the date any such area is conveyed by The Association to a purchaser of a Residential Lot shall be made or done by any person other than the Association or its authorized agents. The Association shall maintain, or provide for the maintenance in good order and repair of, and shall reconstruct, replace or refinish the improvements within the Structural Maintenance Areas.

9.02 Maintenance Obligations of Owners. Subject to the duty of the Association to provide for maintenance as provided in Article IX, Section 9.03, of this Declaration, it shall be the duty of each Owner, at his sole cost and expense, subject to the provisions of this Declaration regarding Design Committee approval, to maintain, repair, replace and restore areas subject to his exclusive control, in a neat, sanitary and attractive condition. Areas subject to the exclusive control of the Owner shall be deemed to include, but not be limited to, the interior and all glass portions of the Owner's Living Unit and the patio area on that individual Owner's Residential Lot. In addition to decorating and keeping the interior and exterior of the Owner's Living Unit in good repair, each Owner shall be responsible for the maintenance and/or replacement of any plumbing fixtures, refrigerators, heating equipment and blowers, dishwashers, disposals, ranges, washers, dryers and barbeques that may be in or connected with the Living Unit. In the event that any Owner shall permit any improvement, which is the responsibility of such Owner to maintain, to fall into disrepair or not to be so maintained so as to create a dangerous, unsafe, unsightly or unattractive condition, or to otherwise violate this Declaration, the Design Committee shall have the right, but not the duty, upon fifteen (15) days' prior written notice to the Owner of such Residential Lot, to correct such condition and to enter upon such Owner's Residential Lot to make such repairs or to perform such maintenance and the cost thereof shall be charged to the Owner. Said cost shall be a special assessment and shall create a lien enforceable in the same manner as other assessments as set forth in this Declaration. The Owner shall pay promptly all amounts due for such work, and the costs and expenses of collection may be added, at the option of the Board of Directors, to the amounts payable by each Owner as monthly assessments. If an Owner (or the Owner's family, tenant, guest, or other invitee) damages any portion of the Common Area or any improvements located on the Common Area or any Living Unit, the Owner shall be responsible to repair or pay to repair any damage or pay for any replacement.

9.03 Maintenance Obligations of Association. Subject to the provisions of Section 9.02 of this Article, the Association shall maintain, or provide for the maintenance of all of the Common Area and all improvements thereon in good order and repair, and shall likewise provide for the painting and minor repair and replacement as necessary of the Structural Maintenance Areas, commonly metered utilities, and any and all utility laterals and buildings. In addition to building maintenance, the Association shall provide all necessary landscaping and gardening to properly maintain and periodically replace when necessary the trees, plants, grass and other vegetation which is on the Common Area at the time that it is conveyed to the Association and on an Owner's Residential Lot up to the foundation lines of the residential dwelling and up to the fences surrounding the enclosed patio areas. The Association shall further maintain, reconstruct, replace, refinish, and paint any paved surface in the Common Area. All of the foregoing obligations of the Association shall be discharged when and in such manner as the Board of Directors of the Association shall determine in their judgment to be appropriate. The Association shall also maintain and keep in good state of repair, any fence located along the edge of any public street contiguous to the Property or on the perimeter of the Property. The City of Ogden is granted the right to come on to the Common Areas for the purpose of repairing and maintaining the same and fence aforesaid. In the event the Association fails in its obligations as provided for herein, the

Association agrees to reimburse the City for all expenses expended in connection therewith. The Association may contract with any Owner to fulfill the maintenance obligations of the Association, provided that (1) the Owner must meet any licensing requirements of any governmental entity to provide said maintenance, if any, and (2) the Association must obtain at least one (1) bid from another individual or company with no connection to the Association. If the Association determines that the Owner's bid is competitive and that the Owner will provide maintenance of the same or better quality than any outside bidder, the Association may hire the Owner to provide the required maintenance.

9.04 Damage and Destruction Affecting Residences-Duty to Rebuild. If all or any portion of any Residential Lot or Living Unit is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner of said Residential Lot or Living Unit to rebuild, repair or reconstruct said residence in a manner which will restore it substantially to its appearance and condition immediately prior to the casualty.

9.05 Variance in Exterior Appearance and Design. Any Owner who has suffered damage may apply for approval to the Design Committee for reconstruction, rebuilding or repair of his residence in a manner which will provide for an exterior appearance and design different from that which existed prior to the date of the casualty. Application for such approval shall be made in writing together with full and complete plans and specifications, working drawings and elevations showing the proposed reconstructions and the end result thereof. The Design Committee shall grant such approval only if the design proposed by the Owner should result in a finished residence in harmony with exterior design of other residences on the Property. Failure of the Design Committee to act within thirty (30) days after receipt of such a request in writing coupled with the drawings and plot plans showing the full and complete nature of the proposed changes shall constitute approval thereof. If the obligation for repair falls upon the Association, Design Committee approval will not be required prior to the commencement of such work.

9.06 Time Limitation. The Owner or Owners of any damaged residence, the Association and the Design Committee shall be obligated to proceed with all due diligence hereunder, and the responsible party shall commence reconstruction within six (6) months after the damage occurs and complete reconstruction within one (1) year after damage occurs, unless prevented by causes beyond their reasonable control.

ARTICLE X - INSURANCE

10.01 Liability Insurance. The Board shall procure and maintain from a company or companies holding a rating of "AA" or better from Best's Insurance Reports a policy or policies (herein called "the Policy") of Public Liability Insurance to insure the Association, the Board and the Managing Agent and employees of the Association against claims for bodily injury and property damage arising out of the conditions of the Common Areas or activities thereon under a Comprehensive General Liability form. Such insurance shall be for such limits as the Board may decide, but not less than those limits

customarily carried by properties of comparable character and usage in the City of Ogden, such coverage to include protection against water damage liability, liability for non-owned and hired automobiles, liability for property of others and such other risks as shall customarily be covered with respect to property similar in construction, location and use. The Policy shall contain a "Severability of Interest" endorsement which shall preclude the insurer from denying the claim of any Owner because of negligent acts of the Association or other Owners and a cross-liability endorsement pursuant to which the rights of the named insureds as between themselves are not prejudiced. The Policy shall provide that the Policy may not be cancelled by the insurer unless it gives at least thirty (30) days' prior written notice thereof to the Board and every other person in interest who shall have requested in writing such notice of the insurer. Any such coverage procured by the Board shall be without prejudice to the right of the Owners to insure their personal liability for their own benefit at their own expense.

10.02 Additional Insurance: Further General Requirements. The Board may also procure insurance which shall insure the Common Areas and the Association, the Board, the Managing Agent or the Owners and others against such additional risks as the Board may deem advisable. Insurance procured and maintained by the Board shall not require contribution from insurance held by any of the Owners or their mortgagees. Each policy of insurance obtained by the Board shall, if reasonably possible, provide: (a) a waiver of the insurer's rights of subrogation against the Association, the Owners and their respective directors, officers, agents, employees, invitees and tenants; (b) that it cannot be cancelled, suspended or invalidated, due to the conduct of any particular Owner or Owners; (c) that it cannot be cancelled, suspended, or invalidated due to the conduct of the Association or any directors, officer, agent, or employee of the Association without a prior written demand that the defect can be cured and (d) that any "no other insurance" clause therein shall not apply with respect to insurance maintained individually by any of the Owners.

10.03 Review of Insurance. The Board shall periodically, and whenever requested by twenty percent (20%) or more of the Owners, review the adequacy of the Association's insurance program and shall report in writing the conclusions and action taken on such review to the Owner of each Residential Lot and to the holder of any mortgage on any Residential Lot who shall have requested a copy of such report. Copies of every policy of insurance procured by the Board shall be available for inspection by any Owner.

10.04 Residential Lots Not Insured by Association. The Association shall have no duty or responsibility to procure or maintain any fire, liability, extended coverage or other insurance covering any Residential Lot and Acts and events thereon.

10.05 Insurance Obligations of Owners. Each Owner shall insure his entire Living Unit, including the structural portions of the Living Unit, against loss or damage by fire or by any other casualty, under the standard form of extended endorsement and broad form now in use in the State of Utah or under such other insurance as may be required by any Mortgagee of the residence. All such insurance shall be for the full replacement value of the Living Unit. Each non-participating Owner shall, within thirty (30) days after recordation of the conveyance of his Residential Lot from The Association and thereafter at least ten (10) days prior to the expiration, termination, cancellation or

modification of any existing policy, furnish to the Association duplicate copies of policies or certificates thereof, showing that such insurance is currently in force certified by the insurance company or by its duly authorized agent. All such policies shall contain a provision that the same shall not be cancelled or terminated except upon at least thirty (30) days' written notice to the Association.

10.06 Replacement or Repair of Property. In the event of damage to or destruction of any part of the Common Area facilities, or other Improvements in the Property insured by the Association, the Association shall repair or replace the same from the insurance proceeds available, subject to the provisions of Article XI of this Declaration. If such insurance proceeds are insufficient to cover the costs of such repair or replacement of the property damaged or destroyed, the Association may make a special assessment against all Residential Lot Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other monthly assessments made against such Residential Lot Owners, in accordance with the provisions of Article V, Section 5.04, of this Declaration. In the event of total destruction of all of the Improvements in the Property, the proceeds of the insurance carried by the Association shall be divided proportionately among the Residential Lot Owners, such proportion based upon the original base sales price of each improved Residential Lot at the time it was initially sold by The Association, provided that the balance then due on any valid encumbrance of record shall be first paid in order of priority, before the distribution of any proceeds to an Owner whose Residential Lot is so encumbered.

10.07 Waiver of Subrogation. As to each policy of insurance maintained by the Association, which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, the Manager The Association, and the agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement by said persons, but only to the extent that insurance proceeds are received in compensation for such loss.

10.08 Fidelity Coverage. The Association shall obtain fidelity coverage against dishonest acts on the part of directors, managers, trustees, employees or volunteers responsible for handling funds collected and held for the benefit of the Residential Lot Owners. The fidelity bond or insurance must name the Association as the named insured and shall be written in an amount sufficient to provide protection which is in no event less than one and one half times the insured's estimated annual operating expenses and reserves. In connection with such coverage, an appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers.

10.09 Other Insurance and General. The Association may also obtain, through the Board, Workers Compensation Insurance and other liability insurance as it may deem desirable, insuring each Residential Lot Owner and the Association, Board of Directors and Manager, from liability in connection with the Common Area, the premiums for which are

common expenses included in the Common Assessments made against the Owners. Such insurance policies shall have severability of interest clauses or endorsements which shall preclude the insurer from denying the claim of a Residential Lot Owner because of the negligent acts of the Association or other dwelling unit owners. All policies shall be reviewed at least annually by the Board of Directors and the limits increased at its discretion. Notwithstanding any other provisions herein, the Association shall continuously maintain in effect such casualty, flood and liability and bonds and other insurance meeting the requirements for planned unit developments established by the Federal National Mortgage Association (FNMA), the Government National Mortgage Association (GNMA), and the Federal Home Loan Mortgage Corporation (PHI AC), so long as there are any mortgages on any of the properties.

ARTICLE XI - CONDEMNATION
