

GRANT OF EASEMENT

Long and short of the same
and the same

Know all men that the undersigned, a Washington corporation,
do hereby grant and extend to the City of Bountiful, a municipal corporation,
of the State of Utah, the power of the following de-
scribed tract of land situated in the County of Davis, State of Utah,

beginning on the east line of the Bamberger Railroad
right-of-way at a point 22.94 feet south and 281.2 feet
east of the southwest corner of Section Thirty (30),
Township Ten (2) North, Range One (1) East of the Salt
Lake Meridian, in the City of Bountiful, and running
thence north 26° 54' east 659 feet along the east line of
said right-of-way to a point 368.90 feet north of the
south line of said Section Thirty (30); thence east 579
feet more or less to the westerly line of a highway;
thence south 31° 30' west 685 feet along the westerly line
of said highway to a point 22.94 feet south of the south
line of said Section; thence west 505 feet more or less
to the point of beginning; and

WHEREAS, the CITY OF BOUNTIFUL, a municipal corporation
of the State of Utah, referred to herein as "Grantee", desires an
easement to install an anchor for its power transmission line,
which anchor will extend west fifty feet upon the above described
tract of land from a point on the easterly line of said tract of
land sixty-five feet northeasterly from the southeasterly corner
of said tract of land.

NOW THEREFORE, for valuable consideration received by the
Grantor, the adequacy of which is hereby acknowledged, the Grantor
does hereby grant and extend to the Grantee an easement to construct
and maintain an anchor for said power transmission line at the
location in the above described tract of land, specifically des-
cribed above; together with rights and privileges necessary or

F. 046 convenient for the installation, maintenance and use of said power transmission line anchor, including the right of ingress and egress over the above described tract of land to the location of said transmission line anchor.

The easement herein granted shall be subject to the following understandings and agreements of the Grantee:

1. That the Grantee shall be solely responsible and liable for any damage or injury to person or property arising from the installation, maintenance and continuation of said power transmission line anchor upon the above described tract of land, and will protect, indemnify and, at all times, hold the Grantor harmless from any liability whatsoever arising from damage or injury to person or property arising from the installation, maintenance or continuation of said power transmission line anchor upon said tract of land; and

2. At any time hereafter, upon written request by the Grantor or its successor or successors in title to the above described tract of land, the Grantee or its successors or assigns agrees, at its cost and expense, to remove said power transmission line anchor from the above described tract of land and perform such repairs as shall be necessary to reinstate the above described tract of land and the surface thereof in a condition comparable to that then surrounding the location of said power transmission line anchor, in which event and following such performance by the Grantee or its successors or assigns, this easement shall be of no

further force or effect and no longer binding upon the parties. 647

This easement, and the terms and provisions thereof, shall inure to the benefit of and be binding upon the successors and assigns of each the Grantor and the Grantee.

IN WITNESS WHEREOF, this instrument has been duly executed by and on behalf of the respective parties hereto this 14th day of June, 1961.
