B. C. No dwelling shall be permitted on any lot at a cost of less than \$14,000.00, including lot, based upon cost levels prevailing on the date of these covenants are recorded, it being the intention of the covenant to assure that all dwellings shall be of quality of workmanship and materials substantially the same or better than that which can be produced on the date these covenants are recorded at the minimum cost stated herein for the minimum permitted dwelling size. The ground floor area of the main structure, exclusive of one-story open porches and garages, shall not be less than 800 sq. ft. for a one-story dwelling, nor less than 650 feet for a split-level dwelling.

D. The minimum side yard for any dwelling shall be eight (8) feet, private garages and other accessory buildings located at least ten (10) feet in the rear of the main building shall have a minimum side yard of not less than one (1) foot, provided that

The minimum depth of the front yard for main buildings and for private garages shall be twenty-five (25) feet. All accessory buildings, other than private garages which have a side yard of at least eight (8) feet, shall be located at least ten (10) feet in the rear of the main building.

N. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenants either to restrain violating or to recover damages.
