DAVID K. RICHARDS & COMPANY a corporation of Utah,  
with its principal place of business in Salt Lake City, Salt Lake  
County, Utah, the owner of the following described real property  
situated in Salt Lake County, State of Utah, to-wit:

Lots 1 through 22 MOUNT OLYMPUS COVE NO. 6  
SUBDIVISION, a subdivision of Salt Lake County,  
Utah, according to the official plat thereof on  
file and of record at the office of the Salt Lake  
County Recorder.

Does hereby place the hereinafter designated restrictive covenants  
upon all of the lots of said subdivision.

## I

Lots 1 through 22 shall be known as "residential  
lots." No structure shall be erected, altered, placed or per-  
mitted to remain on any "residential lot" other than one detached  
single family dwelling, a private garage, a guest house and out-  
buildings for pets as hereinafter described.

No residential structure, nor any part thereof shall  
be erected, altered, placed or permitted to remain on any parcel  
of land containing less than an entire residential lot, unless  
said parcel shall have a width of least 105 feet at the front  
building set back line.

No building shall be erected, placed, or altered on any  
premises in said development until the building plans, specifica-  
tions, and plot plan showing the location of such building have  
been approved as to conformity and harmony of external design  
with existing structures in the development, and as to location  
of the building with respect to topography and finished ground  
elevation by an architectural committee composed of DAVID K.  
RICHARDS and other members selected by him or by a representative  
designated by the members of said committee. In the event of  
death or resignation of any members of said committee, the remain-  
ing member, or members, shall have full authority to approve or  
disapprove such design and location, or to designate a representa-  
tive with like authority. In the event all the members of said  
committee die or in the event the committee ceases to function  
then 50% of the owners of the lots in said subdivision shall have  
the right to elect a committee. In event said committee, or its  
designated representative fails to approve or disapprove such  
design and location 30 days after said plans and specifications  
have been submitted to it, or in any event, if no suit to enjoin  
the erection of such building or the making of such alterations  
have been commenced prior to the completion thereof, such approval  
will not be required and this covenant will be deemed to have  
been fully complied with. Neither the members of such committee  
nor its designated representative shall be entitled to any compen-  
sation for services performed pursuant to this Covenant. This  
committee shall have the right to vary the requirements as set  
forth in Section II, but said variance shall not be valid unless  
obtained in writing.

II

Every detached single family dwelling erected on any one of the above described residential lots shall have a minimum area above the ground of 2,000 square feet, exclusive of garages and open porches. No structure on the lower side of COVECREST DRIVE shall rise more than one story above the street, and no structure on the upper side shall rise more than two stories at the 30 foot setback.

III

No outbuilding shall be erected, altered, placed or permitted to remain nearer than eight (8) feet to either side line of a lot unless no portion of said building extends nearer to the street line than sixty-five (65) feet.

The minimum side yard for any dwelling shall be ten (10) feet and the total width of the two required side yards shall be not less than twenty-four (24) feet.

IV

No residential structure shall be erected or placed on any building site, which has an area of less than 10,000 square feet.

V

No noxious or offensive trade or activity shall be carried on upon any building site nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

VI

No trailer, basement, tent, shack, garage, barn or other outbuilding erected on a building site covered by these Covenants shall at any time be used for human habitation temporarily or permanently, nor shall any structure of a temporary character be used for human habitation.

VII

Easements are reserved as shown on the recorded plat for utility installation, pipelines, ditches, and maintenance. Nothing in this paragraph contained shall be interpreted as prohibiting construction of walks, driveways, porches, etc., over such easements, subject to the rights of those with easements to make necessary repairs and conduct necessary maintenance along such easements.

VIII

No animals or poultry of any kind other than house pets shall be kept or maintained on any part of said property.

IX

No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line without approval as hereinafter set forth.

No fence, walls, or hedge over six (6) feet in height shall be erected or grown at any place on said premises; provided, however, that the restrictions set forth in this section may be waived or nullified by the owners of more than fifty per cent (50) of the numbered lots within this subdivision obtained in writing.

## X

No structure shall be moved onto any residential building site hereinbefore described or any part thereof unless it meets with the approval of one hundred per cent (100%) of the fee title holders of other lots in this subdivision, such approval to be given in writing.

## XIII

No lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

## XIV

These Covenants are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 1994 at which time said covenants shall be automatically extended for successive periods of 10 years unless by vote of a majority of the then owners of the building sites covered by these Covenants it is agreed to change said covenants in whole or part.

If the parties hereto, any of the, or their heirs, or assigns, shall violate or attempt to violate any of the Covenants herein, it shall be lawful for any other person or persons owning any real property situated in said tract, to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such Covenant, and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any one of these Covenants or any part thereof by judgements or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.
