Murray, Utah 84107

Dear Mr. Youngberg:

This will confirm our verbal agreement on March 20, 1970 that we will relocate the irrigation ditch from the old location to along the east side of the following described property: "Commencing 3 1/2 chains North from the Southwest corner of the Northwest 1/4 of the Northeast 1/4 of Section 13, Township 2 South, Range 1 West, Salt Lake Meridian, and running thence East 159.38 feet, to the West line of the Denver & Rio Grande Western Railroad Company's land; thence along said land South 10° West 638 feet; thence West 52 feet to Section line; thence North 9 1/2 chains, more or less, to the place of beginning." The ditch will run south on the West line of the Denver & Rio Grande Western Railroad Company's land to a point approximately due east of the southeast corner of the Murray School District Bus Garage and then west to where it ties into the old existing ditch.

We hereby give you an easement on said ditch for your normal irrigation requirements. This will replace the old ditch right-of-way and is binding upon any future owner of this property.

Respectfully yours,

JERICO CONSTRUCTION COMPANY
