REC FOR: VALLEY VIEW CAMP

LETTER OF AGREEMENT

This Letter of Agreement is entered into this 5th day of June, 2008, between Liberty Real Estate Development, LLC. and Foothill Associates LC, hereafter (Developers,) The Church of Jesus Christ of Latter-Day Saints, Kayscreek Stake, Agent Stake for the Valley View Camp (LDS Church) and Pioneer Bible Camp (Bible Camp)

For good and adequate consideration, Developers, the LDS Church and the Bible Camp agree as follows:

1. All parties agree that each has received good and adequate consideration for the items agreed upon in this Letter of Understanding.
2. Developers agree to be subject to the terms and conditions contained herein and that the terms and conditions run with the land and extend to successors and assigns of the Property (See attached property description).
3. Developers understands that there is an LDS Church Camp (Valley View Camp) and a Bible Camp located south of the Property and acknowledge and accept the reasonable consequences of developing a residential subdivision next to these types of recreational uses. Those impacts may include sound, vehicle traffic and similar impacts associated with youth camp activities. The location and existence of the camps should be clearly acknowledged on the plat and in the CC&Rs for both subdivisions. A note to the effect: **YOUTH CAMPS – IT IS HEREBY ACKNOWLEDGED THAT THERE ARE YOUTH CAMPS LOCATED SOUTH OF THIS SUBDIVISION AND THAT THERE ARE IMPACTS NORMALLY ASSOCIATED WITH SUCH CAMPS AND THEIR ACTIVITIES shall be placed on the plat.**
4. Developers agree not to object to the LDS Church or the Bible Camp, making reasonable use of the camp and understand that there may be future improvements requested by the camps related to the use of the camp. Developers agree to waive objection to uses reasonably related to camp use and to include notice of this waiver in their CC&Rs.
5. The Developers will build a fence that will extend the entire length of the LDS/Bible camp from the ravine (Dry Canyon) to the west, to the north east corner of the LDS Church property, then south along the eastern boundary of the LDS Church property to the end of Developer's property. The fence will be substantially the same materials and design as the attached photograph.
6. Developers will pay for the purchase and installation of an automatic gate to be placed on the road, above the two camps.
7. Developers will build a 10 inch water line that will extend to the camp gate.

8. The LDS Church and Bible Camp will convey to Weber County, for use as a public Street, approximately 1500 feet of right of way from 3300 North Street, to a point approximately 1500 feet south thereof. Developers will be responsible for conveying any property or easements to accomplish this item.

9. The Developers shall extend the asphalt width of the road, on the LDS Church property, to the camp gate and then beyond, 40 feet to provide a small paved parking area for camp use.

10. The Developers shall pay all costs associated with the above, including surveying, engineering and related work.

11. Access must remain open during the camps regular season, May1, through October 30.

12. Lots will not face the new road, but will face internally with a berm and landscape buffer similar to that provided to the property owner at the bottom of the road on 3300 S. Street.

13. Developers agree to install an operating fire hydrant at the lower gate accessing the camps.

ADDENDUM TO LETTER OF AGREEMENT
 DATED THE ___ DAY OF ___, 2008

A Letter of Agreement was entered into on the 5th day of June, 2008. That letter is amended as follows by the undersigned parties:

Paragraph 5 is amended to add that the Pioneer Bible Camp and Foothill Associates LC have mutually agreed that the fencing along the Pioneer Bible Camp Property, from the North/South right of way that provides access to the Valley View and Pioneer Bible Camps, along the north end of the Bible Camp Property, to the west, to the beginning of the area where scrub oak makes it difficult to fence further, Foothill Associates LC will fence the property in the same manner that the fence between the Valley View Camp and the property being developed by Liberty Real Estate Development LLC, will be fenced. For the remaining boundary from the scrub oak to the ravine to the west, Foothill Associates LC agrees to pay the Pioneer Bible Camp Eight Thousand Dollars (\$8,000.00) for the remaining fencing to be paid at the time that construction of the subdivision on the Foothill Associates LC property begins.

All remaining provisions of the above Letter of Agreement shall remain unchanged.
