A G R E E M E N T

NOW, THEREFORE, for the reasons recited above, and for the benefit of the Project and the Unit Owners thereof, Declarant hereby executes this First Supplement to the Master Declaration and Town Home Neighborhood Declaration.

1. **Supplement to Definitions.** Article I of the Declaration, entitled "Definitions," is hereby modified to include the following supplemental definitions:

1.1 The term **Final Plat** shall mean and refer to the Final Plat for Lots 154 and 155 or if the context requires the Final Plat Maps for the entire Project.

1.2 The term **First Supplement to the Declaration** shall mean and refer to this First Supplement to the Master Declaration and First Supplement to the Town Home Neighborhood Declaration.

1.3 The term **First Supplemental Final Plat Map** shall mean and refer to the Supplemental Final Plat for Lots 154 and 155 prepared and certified to by John Riddle of Ridgeline Land Surveying, a duly registered Utah Land Surveyor holding Certificate No. 5331543, and filed for record in the Office of the County Recorder of Davis County, Utah concurrently with the filing of this First Supplement to the Declaration.

2. **Expansion.** The following provisions are hereby added to the Master Declaration and each Neighborhood Declaration:

3.7.4 Procedure for Expansion of the Project.

a) **Reservation of Option to Expand.** Declarant hereby reserves the option to expand the Project to include additional Lots in the Project. This option to expand may be exercised from time to time, at different times and in any order, without limitation, provided however, the option shall expire five (5) years from the date following the first conveyance of a Unit in Phase I to a Unit purchaser unless sooner terminated by Declarant's recorded Waiver of such option, there being no other circumstances which will cause the option to expire prior to said five (5) years. Such right may be exercised without first obtaining the consent or vote of Owners and shall be limited only as herein specifically provided. Such Lots shall be constructed on any or all portions of the Additional Property.

b) **Supplemental Declarations and Supplemental Maps.** Such expansion may be accomplished by the filing for record by Declarant

in the office of the County Recorder of Davis County, Utah, no later than five (5) years from the date the Declaration was recorded, a Supplement or Supplements to this Declaration containing a legal description of the site or sites for new Lots, together with supplemental map or maps containing the same information with respect to the new Lots as was required on the map with respect to the Phase I Units. The expansion may be accomplished in phases by successive supplements or in one supplemental expansion.

c) **Expansion of Definitions.** In the event of such expansion the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Project as so expanded. The term "Property" shall mean the real property initially submitted under the Declaration, plus any additional land added to the Project by a Supplemental Declaration or by Supplemental Declarations, and reference to a Declaration shall mean the Master Declaration as amended or supplemented (unless the context clearly refers to a Neighborhood Declaration). All conveyances of Units or Lots after such expansion shall be effective to transfer rights in the Project, with additional references to the Supplemental Declaration and the Supplemental Map. The recordation in the office of the Davis County Recorder of a Supplemental Map incident to any expansion shall operate automatically to grant, transfer, and convey to the Owners of Lots or Units in the Project as it existed before such expansion the respective undivided interests in the new Common Areas added to the Project as a result of such expansion. Such recordation shall also operate to vest in any then mortgagee of any Lots or Units in the Project as it existed, interest so acquired by the Owner of the Lot or Unit encumbering the new Common Areas added to the Project as a result of such expansion.

d) **Declaration Operative on New Lots or Units.** The new Lots or Units shall be subject to all the terms and conditions of the Declaration as amended or supplemented, and the Lots or Units therein shall be subject to common ownership with all the incidents pertaining thereto as specified herein, upon recording the Supplemental Map and Supplemental Declaration in the said office of the Davis County Recorder.

e) **Right of Declarant to Adjust Ownership Interest in Common Areas.** Each deed of a Lot or Unit shall be deemed to irrevocably reserve to the Declarant the power to appoint to Owners, from time to time, the percentages in the Common Areas set forth in Supplemental Declaration. The proportionate interest of each Lot or Unit Owner in the Common Areas after any expansion of the Project shall be an undivided interest of the Project as expanded. A power coupled with an interest is hereby granted to the Declarant, its successors and assigns, as attorney in fact to shift percentages of the Common Areas in accordance with Supplemental Declarations recorded pursuant hereto and each deed

of a Lot or Unit in the Project shall be deemed a grant of such power to the Declarant. Various provisions of the Declaration and deeds and mortgages of the Lots or Units may contain clauses designed to accomplish a shifting of the ownership in the Common Areas. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the ownership in the Common Areas can be accomplished. Notwithstanding anything to the contrary herein, no change in the percentage of undivided interest in the Common Areas may be effected more than five (5) years after the effective date of the Declaration.

Accordingly, upon the recordation of a Supplemental Declaration and Supplemental Map incident to any expansion, the revised schedule of undivided interests in the Common Areas contained therein shall automatically become effective for all purposes and shall fully supersede any similar schedule which was contained in any declaration associated with any prior phase. In the event the provisions of the separate instruments relating to the Project conflict irreconcilably, the terms of that instrument which was recorded most recently shall control.

f) **Other Provisions Concerning Expansion.** If the Project is expanded as hereinbefore contained, then it is further provided that:

(1) All or any part of the additional land may be added to the Project without any limitations whatsoever save and except that all additional Lots or Units created must be restricted to multifamily residential housing limited to one family per Lot or Unit.

(2) Portions of the additional land may be added to the Project at different times without any limitations.

(3) Declarant shall have the right without further conveyance or documentation to build roads and access ways to the additional land through the easement areas as shown on the Final Plat. The Association shall not allow anything to be built upon or interfere with said easement areas.

(4) No assurances are made concerning:

a. The locations of any improvement that may be made on any portion of the additional land that may be added to the Project.

b. Type, kind or nature of improvement which may be created on any portion of the additional land, except that the common facilities, Buildings and Lots or Units will be comparable to the

Phase I facilities on a per Lot or Unit basis and will be of a similar quality of materials and construction to Phase I and will be substantially completed prior to annexation.

c. Whether any Lots or Units created on any portion of the additional land will be substantially identical to those within the initial Project except that Lots or Units will be constructed of an equal or better quality of materials and construction than the Units in Phase I.

d. Type, size, or maximum number of any Limited Common Area or Private Yard Area which may be created within any portion of the additional land added to the Project.

(5) Notwithstanding anything to the contrary which may be contained herein, the Declaration is not intended, and shall not be construed so as to impose upon Declarant any obligation respecting, or to restrict Declarant in any way with regard to: (a) the submission of any portion of the additional land to the provisions of the Act as Land under this Declaration; (b) the creation, construction, or addition to the Project of any additional property; (c) the carrying out in any particular way or within any particular time of any development which may be undertaken except as herein mentioned; or (d) the taking of any particular action with respect to the additional land, the Project, or any Land.

(6) The number of Lots or Units actually constructed and the actual undivided percentage of ownership interest of each Lot or Unit may actually be somewhere in between the numbers and percentages set forth above.

g) **General Liability Insurance Policy for Expansion of Project.** Pursuant to Title 38, CFR ' 36.4360 (a) (5), which is incorporated herein by this reference, the Declarant shall purchase at its own expense and maintain a general liability insurance policy in the sum of not less than \$1 million to cover any liability which owners of previously sold Lots or Units are exposed to as a consequence of further and future expansion of the project pursuant hereto.

2. **Legal Description.** Lots 154 and 155 are hereby submitted to the provisions of the Master Declaration and Town Home Neighborhood Declaration and said land shall be held, transferred, sold, conveyed and occupied subject to the provisions of the said Declarations, as supplemented and amended from time to time.

3. **Annexation.** Declarant hereby declares that Lots 154 and 155 shall be annexed to and become subject to the Master Declaration and Town Home Neighborhood Declaration, which upon recordation of this document shall constitute and effectuate the expansion of the Project,

making Lots 154 and 155 subject to the functions, powers, rights, duties and jurisdiction of the Master Association and Town Home Neighborhood Association.

4. Total Number of Lots Revised. As shown on the Final Plat for Lots 154 and 155, the Buildings and Units identified in Exhibit A-1 are or will be constructed and/or created in the Project. The Buildings and Units are or will be substantially similar in construction, design, and quality to the Buildings and Units in the prior Phase.

5. Percentage Interest Revised. Pursuant to the Master Declaration and Town Home Neighborhood Declaration, Declarant is required with the additional Units to reallocate the undivided percentages of ownership interest in the Common Areas and Facilities. Exhibit "G" (Percentages of Undivided Ownership Interests) is hereby deleted in its entirety and "Revised Exhibit 'G,'" attached hereto and incorporated herein by this reference, is substituted in lieu thereof.

6. Conflict. In the event of any conflict, inconsistency or incongruity between the provisions of the Master Declaration and this Amendment, the latter shall in all respects govern and control.

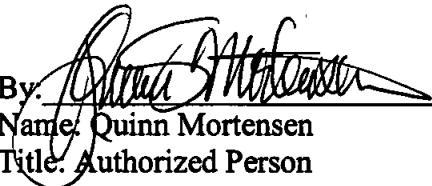

7. Effective Date. The effective date of this First Supplement to the Declaration and the Final Plats for Lots 154 and 155 shall be the date on which said instruments are filed for record in the Office of the County Recorder of Davis County, Utah.

IN WITNESS WHEREOF, the Declarant has hereunto set his hand this ____ day of July, 2008.
