Certification: Read certificate below and sign.

I certify (1) the agricultural land covered by this application constitutes no less than five (5) contiguous acres exclusive of homesite and other non agricultural acreage (See Utah Code §59-2-503 for waiver). (2) The land is currently devoted to agricultural use and has been so devoted for two successive years immediately preceding the tax year for which valuation under this act is requested. (3) The land produces in excess of 50% of the average agricultural production per acre for the given type of land and the given county or area. (4) I am fully aware of the five year rollback tax provision which becomes effective upon a change in the use or other withdrawal of all or part of the eligible land. I understand that I must notify the county assessor of any change in use of the land to any non-qualifying use and that \$10 or 2% of the rollback due for the last year of the rollback period will be imposed on failure to notify the assessor with 180 days after change in use. The rollback tax becomes delinquent if an owner of the land is withdrawn and does not pay the rollback within 30 days after notification. The County Treasurer shall proceed to collect the delinquent amount due. (§59-2-506) (R884-24P-26) By signing this application, I give my consent to a field audit and review by both the commission and the county assessor. I understand that this is a condition to the acceptance of this application as stated in Title §59-2-509(5) Utah Code, Unannotated.
