### PART A. PREAMBLE

KNOW ALL MEN BY THESE PRESENTS:

THAT WHEREAS, L. A. CAMPBELL, Owner of the following described real estate located in:

CAMELOT #1

according to the official plat thereof.

### PART B. RESIDENTIAL AREA COVENANTS

1. LAND USE AND BUILDING TYPE. No lot shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than one detached single family dwelling not to exceed two stories in height, a private garage or carport for not more than three cars and such other accessory buildings as are approved by the Architectural Control Committee. All construction to be of new materials.

2. ARCHITECTURAL CONTROL. No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved. Approval shall be as provided in Part C.

3. DWELLING COST, QUALITY AND SIZE. No dwelling shall be permitted on any lot at a cost of less than \$12,500.00 excluding lot, based upon cost levels prevailing on the date these covenants are recorded, it being the intention and purpose of the covenant to assure that all dwellings shall be of a quality of workmanship and materials substantially the same or better than that which can be produced on the date these covenants are recorded at the minimum cost stated herein for the minimum permitted dwelling size. The ground floor area of the main structure, exclusive of one-story open porches and garages shall be not less than 850 square feet.

4. BUILDING LOCATION. No building shall be located on any lot nearer than 25 feet to the front lot line, or nearer than 20 feet to any side street line.

(b) No building shall be located nearer than six feet to an interior lot line, except that no side yard shall be required for a garage or other permitted accessory building located 60 feet or more from the front lot line. No dwelling shall be located on any interior lot nearer than 20 feet to the rear lot line. Barns, corrals, etc. on lots 1 through 7 must conform to West Jordan Zoning Ordinances.

(c) For the purpose of this covenant, eaves, steps and open porches shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.

5. LOT AREA AND WIDTH. No dwelling shall be erected or placed on any lot having a width of less than 65 feet at the minimum building setback line nor shall any dwelling be erected or placed on any lot having an area of less than 6500 square feet, except that a dwelling may be erected or placed on all lots as shown on the recorded plat, provided that the minimum side yard requirements are met at the setback line.

6. EASEMENTS. Easements for installation and maintenance of irrigation, drainage facilities, utilities and bridle path, (future street right of way) are reserved as shown on the recorded plat and over the rear seven feet of each lot. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of irrigation or drainage channels in the easements, or which may obstruct or retard the flow of water through irrigation or drainage channels in the easements or to obstruct the fire, safe and sanitary use of the bridle path. The easement area of each lot and all improvements in it shall be maintained continuously by the owner of the lot, except for those improvements for which a public authority or utility company is responsible.

7. NUISANCES. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

(a) No clothes drying or storage of any articles is permitted in carports unless in enclosed areas designed for the purpose.

(b) No storage of any articles, materials, equipment or vehicles of any nature is permitted in the front yard portion of any lot except that regularly used passenger cars and light pick-up trucks can be parked on driveway areas. Trailers, trucks, campers, boats and all type of accessory equipment are permitted to be stored or repaired only in garages, carports or on the rear yard areas of each lot.

(c) Each lot, together with its portion of the bridle path, is to be developed and maintained by its owner in an attractive, safe and sanitary manner.

8. TEMPORARY STRUCTURES. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently.

9. SIGNS. No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot, one of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

10. PETS. Pets, livestock and fowl which are generally associated with estate type living and which are kept only for family use and/or food production and not for any commercial purpose are permitted on all lots except that mink, swine and goats are not permitted on any lot either temporarily or permanently. However, there shall be permitted no more than two head of cattle in any combination of not more than two head of horses or cattle. All permitted animals and fowl are to be adequately maintained in a sanitary and healthful manner.

11. GARBAGE AND REFUSE DISPOSAL. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

12. SIGHT DISTANCE AT INTERSECTIONS. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight-line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

13. OIL AND MINING OPERATIONS. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

#### PART C. ARCHITECTURAL CONTROL COMMITTEE

1. MEMBERSHIP. The Architectural Control Committee is composed of L. A. CAMPBELL, DON MILLIGAN, and DOUGLAS ANDERSON. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the then record owners of a majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore it to any of its powers and duties.
